Royal Oak Historic District Study Committee

NINUTES

The meeting was called to order at 7:02 p.m. on Thursday May 19,2016.

Those present were Tammis Donaldson, Jim Keillor, Candy]saacson, Ruth Cleaveland, and to students from the high School.

Absent were Rob Duchene, Chris Kraska, and Leslie Snow. All three were excused.

The visit to Leonardo's house at 206 S. Connecticut on Sunday afternoon of May 15, 2016 was reviewed. Those who had visited were Chris, Rob, Leslie, and Ruth. Chris made several notes which we will have to review at the June meeting. He also was able to record the information on a plaque affixed on the exterior of the chimney. Without a quorum we are unable to proceed with any recommendation re the property at this time.

The status of the L. A. Young project awaits its placement on the City Commission's agenda.

Tammis has provided a newly revised set of questions and answers for residents to review who may be interested in requesting that their property be considered for study by the committee. This should be helpful in identifying the criteria necessary before any study is commenced.

Discussion took place with the students but none of it relevant to the Study Committee,

The meeting was adjourned at 7:55 p.m. The next meeting is scheduled for June 17,2016.

Respectfully submitted,

Ruth Cleaveland

Ruth Cleaveland, Chair.
