Requested by the Ezra Parker Chapter of the Daughters of the American Revolution

Whereas, September 17, 2024, marks the two hundred and thirty-seventh anniversary of the drafting of the Constitution of the United States of America by the Constitutional Convention; and

Whereas, the United States Constitution establishes the rule of law and the power as well as the limits of government, while enabling us to choose those who will govern; and

Whereas, it also implies the responsibility of its citizens to understand it and to support it; and

Whereas, it is the oldest written instrument of democratic rule in the world still in use, inspiring many to come here and contribute to the nation that created it, and

Whereas, it is fitting and proper to accord official recognition to this seminal document and its memorable anniversary and to the patriotic celebrations which will commemorate the occasion, and

Whereas, Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 through 23 as Constitution Week.

Now, therefore, be it resolved, I Mayor Fournier, and members of the Royal Oak City Commission on behalf of the entire Royal Oak Community do hereby proclaim the week of September 17 through 23 as Constitution Week and ask our citizens to reaffirm the ideals of the framers of the constitution had in 1787 by vigilantly protecting the freedoms guaranteed to us through this guardian of our liberties, remembering that lost rights may never be regained.

Whereas, the association presented this honor must best exemplify John's spirit and enthusiasm for the game of ice hockey; and

Whereas, the state of Michigan boasts over 43,000 registered participants playing, coaching, and officiating playing the game in 84 sanctioned associations and the Royal Oak Hockey Club was chosen from this field for this very distinct honor; and

Whereas, the Royal Oak community has benefited from an organized youth hockey program since 1956 and the partnership with Suburban Sports Group has enhanced this experience as Suburban offers administration of programs, management of the arena, and player development through the Suburban Hockey Schools which has just celebrated its 50th Anniversary; and

Proclamation Designating September 2024

National Recovery Month in Royal Oak

Whereas, according to the Substance Abuse and Mental Health Services Administration (SAMHSA), in 2022 17.3 percent of Americans (or 48.7 million people) 12 years or older, were classified as having a substance use disorder in the past year, including 29.5 million people who were classified as having an alcohol use disorder and 27.2 million people who were classified as having a drug use disorder; and

Whereas, according to the Centers for Disease Control and Prevention (CDC) over 107,000 overdose deaths occurred in the United States in 2023, a three-percent decrease from 2022; and

Whereas, substance use recovery is important for individual well-being and vitality, as well as for families, friends, communities, and businesses; and

Whereas, the Oakland Community Health Network continues to educate and raise awareness of the risks and potential harm associated with prescription drug misuse; and

Whereas, stigma and stereotypes associated with the substance use disorders often keep people from seeking treatment that could improve their quality of life; and

Whereas, substance use disorders occur when the re-current use of alcohol and/or other drugs cause clinically or functionally significant impairment, such as health problems, disability, and failure to meet major responsibilities at work, school, or home; and

Whereas, substance use disorder recovery is a journey of healing and transformation, enabling people to live in a community of their choice while striving to achieve their full potential; and

Whereas, substance use disorder recovery, benefits individuals with substance use disorders by focusing on their abilities to live, work, learn, and fully participate and contribute to society and enriches the community culture.

Now, therefore, be it resolved, I Mayor Fournier, and members of the Royal Oak City Commission on behalf of the entire Royal Oak Community and in partnership with the Oakland Community Health Network, do hereby proclaim September 2024 as National Recovery Month in Royal Oak and call upon individuals, other government agencies, public, and private institutions, businesses, faith-based organizations, and schools to re-commit our City to increasing awareness and understanding of substance use, and the need for appropriate and accessible services to promote recovery.

Mayor Michael C. Fournier

Date: August 26, 2024
Re: **Request from BOP Royal Oak, LLC to review a new proposed plan of operation to be located at 511 S. Main Street, Royal Oak, Michigan.**

The Royal Oak Police Department has received a request from BOP Royal Oak, LLC, to transfer ownership of a Class C liquor license with Sunday Sales (a.m. and p.m.) Permit, SDM license, Dance Permit, Entertainment Permit and two (2) Outdoor Service Area Permits from Liberty Hospitality Holdings, LLC (formerly The Morrie) located at 511 S. Main Street, Royal Oak, Michigan. The applicant will be doing business as Blind Owl Pub.

The Class C license will be purchased for \$1.00 plus \$5000 for inventory. The Class C license will stay with the building and cannot be transferred to a different address. BOP Royal Oak, LLC will lease the property at 511 S. Main for \$25,000 per month.

BOP Royal Oak, LLC, is owned by Nicolas Andreasson (100%). The applicant is also the owner of one other Class C liquor license, Blind Owl Pub, LLC, located at 36310 Main Street, New Baltimore, Michigan. Mr. Andreasson has owned the license since 2022 and has no violations from the Michigan Liquor License Commission. The New Baltimore Police Department has responded to 12 calls for service since January 1, 2023. Seven of the calls were noise related and zero were related to the service of alcohol. The noise related calls were reported by a resident that lives in an apartment directly above the establishment. Mr. Andreasson has a general manager at the New Baltimore location which will allow him to concentrate on the daily operations in Royal Oak.

The applicant is not renovating the space and will only make cosmetic changes within the establishment. The applicant would like to hire the existing staff from The Morrie and anticipates opening by the end of September 2024.

If approved, the applicant intends to operate as a Latin, sushi and international cuisine restaurant and bar. The menu will offer lunch and dinner items with appetizers, sandwiches, soups, salads, tacos, quesadillas and burritos.

The requested hours of operation are Monday through Wednesday from 11:00 a.m. until midnight, Thursday through Saturday from 11:00 a.m. until 2:00 a.m., and Sunday from 10:00 a.m. until midnight. The kitchen will be open until midnight each night. Last call for alcohol will be one half hour before closing each night. BOP Royal Oak, LLC, also requests to open earlier on special occasions, holidays and during festivals, with the prior approval of the chief of police.

The Blind Owl Pub will have approximately 6,500 useable square feet on the first floor of the establishment. The second floor is approximately 800 square feet and will be used as an office for the business. Total proposed interior seating will be for 182 patrons, including 14 bar seats. The Morrie had interior seating for 228 patrons, including 18 bar seats.

Additionally, the applicant is requesting two outdoor service areas. The first outdoor service area will be a sidewalk café measuring approximately 50' x 7'11" and provide seating for 24 patrons. This outdoor service area will be located on the Main Street sidewalk. The Morrie had seating for 32 patrons in the sidewalk café. The second outdoor service area will be in the parking lot on the south side of 511 S. Main Street. The second outdoor service area will be 62' x 60'9" and provide seating for 80 patrons. The Morrie had seating for 120 patrons in the second outdoor service area.

Total interior and exterior proposed seating will be for 286 patrons, which is considerably less than the 380 seats The Morrie previously offered. Final capacities will be set by the police department after recommendations from both the building and fire departments. The applicant anticipates their food to alcohol ratio to be 65% food to 35% alcohol.

The applicant is requesting both an Entertainment Permit and a Dance Permit. Entertainment will consist of no more than a five-piece band or a DJ. BOP Royal Oak, LLC is requesting one dance floor. The dance floor will be approximately 200 square feet. BOP Royal Oak, LLC has agreed to sign and strictly adhere to the city's Entertainment and Dance Permit Agreements. The applicant is utilizing a license that has previously been approved for a dance permit. The applicant's concession to stop all dancing at 1:00 a.m., willingness to sign the dance and entertainment permit agreements, and decreasing the overall seating addresses any concerns the police department may have. As such, the police department has no objection to this request.

If approved, the applicant will have to comply with all planning, zoning and building requirements and restrictions. Royal Oak city ordinances require city commission approval for this plan of operation

Respectfully,

Karly Renaud, Lieutenant
Royal Oak Police Department
