ENVIRONMENTAL ADVISORY BOARD AGENDA ITEM

TITLE	EAB Update to Bylaws and Ordinance
SUBMITTING DEPARTMENT	City Manager
PRESENTER	Susan Barkman
MEETING DATE	October 23, 2024
S-CAP Goal	

EXECUTIVE SUMMARY *(include history of previous action/discussion, background, scope of work, etc.):*

Over the past few meetings EAB has been discussing potential changes to the bylaws and the ordinance that created EAB. Based on discussions staff has drafted the attached documents. Please note that these have not been reviewed by the City Attorney's Office at this time.

To address some of the concerns that arose last month related to student voting, the following things have happened:

- The City Commission approved [Ordinance 2024-09](#) to amend Chapter 12 of the Royal Oak Code which guides the appointments process. They changed subsection E, related to student appointments. This now allows for the students to vote and automatically count toward quorum. We also removed the reference to meeting at least 8 times per year. Staff does not recommend setting a specific meeting time or schedule through the ordinance. This can become a limiting factor in the future for membership and will end up driving you to special meetings. The board will need to adopt a regular meeting schedule each year.
- We have amended the draft EAB ordinance to include a reference to Chapter 12 related to the appointments of students to the board.
- We have amended the draft bylaws to reflect that there may be additional student members as designated by Chapter 12.

The City Attorney drafted the new student board member ordinance so that student members when appointed count toward the quorum and can vote. When there are no student members appointed then the quorum and membership is based on the ordinance for EAB. This would apply until new student members were appointed.

QUESTION FOR THE BOARD

Does EAB wish to make any additional changes to the ordinance or bylaws?
