Call to Order

The virtual special meeting was called to order at 7:06 p.m. by Vice Chairperson Offak. He informed the audience that the board does not write the zoning ordinance but does have the authority to grant relief from it where practical difficulty or unnecessary hardship would result. He stated the board will vote on each agenda item following a public hearing. Use variance requests require a minimum of 6 affirmative votes in order to grant the requested variances. Non-use variance requests require a minimum of 5 affirmative votes in order to grant the variances. Moved, that the appeal of RKA Petroleum Companies Inc, petitioner & RMG Investment Holdings LLC, owner, for the following variances:

- (a) Alter/expand/enlarge a nonconforming use
- (b) To allow the storage and display of outdoor sales merchandise
- (c) Waive 2 ft. of the maximum driveway width of 30 ft. for the northernmost drive approach along Crooks Rd.

(25-16-204-006), be granted.

Motion adopted 7 – 1 (Mr. Reddy).

Granting the variances is based upon the following:

1. Strict compliance with the zoning ordinance provisions will unreasonably prevent the petitioner from use and enjoyment of the property for a permitted purpose, or would render conformity with such provisions unnecessarily burdensome.
2. Granting the variances will do substantial justice to the petitioner and will not prove detrimental to other property owners in the area, and is the least relief required in order to afford substantial justice to the petitioner or be more consistent with justice to nearby property owners.
3. There are circumstances or conditions inherently unique to the property that necessitates granting the variances.
4. There is evidence of practical difficulty that has not been created by the petitioner and/or property owner but instead results from the inherently unique circumstances or conditions of the property that requires granting the variances.

It is further the finding of the board that the spirit of the zoning ordinance will be observed, public safety secured, and substantial justice rendered by granting the variances.
