Royal Oak BUDGET OVERVIEW

FISCAL YEAR 2023-2024 ANNUAL BUDGET

The City of Royal Oak's budget serves as a financial and policy plan that guides decisions made during each fiscal year. It also serves to communicate to its citizens the goals for the upcoming year as well as the activities that will be carried out and the resources that will be used to accomplish those activities. The City's annual budget is a short-term plan subject to change based on circumstances that influence its execution, such as shifting priorities, changes in the financial environment and/or unforeseen events.

Royal Oak

CITY MANAGER'S TRANSMITTAL LETTER

FISCAL YEAR 2023-2024 ANNUAL BUDGET

Dear Mayor, Commissioners and Residents of Royal Oak,

I am pleased to present the annual City of Royal Oak budget for the fiscal year 2023 – 2024 for the consideration and approval of the city commission. The annual budget is one of our most significant policy documents. It demonstrates our commitment to community priorities, shared values, and supports the critical work staff does every day. This budget message provides a brief overview of the approach used to develop the budget.

YEAR IN REVIEW AND PREVIEW

While the last few years brought unprecedented economic challenges to Southeast Michigan, it has reinforced why Royal Oak is one of the region's most desired cities for businesses and families to call home. The following paragraphs highlight just a few examples.

In this year alone, over \$200 million in new construction projects are under way or nearing completion. Baker College's \$28 million campus in downtown Royal Oak opened in January of this year. It serves 1,500 students and 50 staff, and joins the investment of fellow academic institution, Oakland Community College, which broke ground on its new \$70 million state-of-the-art culinary institute this year. Adding to the vibrancy of our city, brokerage firm Colliers International, publicly traded Agree Realty, and design and planning firm HED all made the decision to relocate their headquarters to Royal Oak during 2022.

Rendering of the new culinary school. Photo thanks to Oakland Community College.

This past November, the City along with our real estate advisor, Plante Moran CRESA, received the prestigious Impact Award from Detroit CREW for the Royal Oak Civic Center Project, a development that includes the City's new city hall, police station, Centennial Commons, the 11 Mile parking deck, and the \$70 million Henry Ford Outpatient Health Center.

Several major road improvements and capital improvement projects were conducted this past year. They include:

- S. Main and E. Lincoln Avenue improvements. This included asphalt resurfacing, concrete pavement replacement, sections of curb and gutter, handicap ramps, traffic calming islands and green infrastructure improvements.
- Green Infrastructure improvements at Pioneer Park, near the intersection of Woodward Avenue and Normandy Road. The project entailed the installation of a large rain garden, which included earth excavation, drainage structures and piping, rain garden soil mix, plantings and mulch, sidewalk and curbing, grass restoration and fencing.
- Installation of electrical infrastructure needed for ice rink project at Centennial Commons. This entailed boring a line approximately 200 feet, providing a transformer pad and necessary switches. This provides the necessary energy for the outdoor ice rink that was offered from November 2022 to March 2023 and opens up the opportunity for more events that can be held in the park.

Many organizational accomplishments were realized over the past year. These included:

- Aging In Place Plan. This reflects the needs and ideas of members of the community and provides general direction on the City's future development. The task force's creative solutions align conceptually with portions of the City's current sustainability and climate action plan (S-CAP), the City Commission's goals, and parks and recreation plan, as well as the upcoming master plan.
- Parks and Recreation Master Plan. The 5-year Recreation Plan was developed by the city in conjunction with the community's Parks, Recreation and Senior Services Advisory Board and with citizen participation. It focuses on all aspects of parks, facilities, open spaces, recreation and programming as overseen by the City's Department of Public Services and Recreation.
- Community Benefits Guidelines. A statement of development principles was created to be shared among the development community to reflect the commission's desired outcomes from planned unit developments (PUD). These development principles encourage environmental sustainability, attainable housing, labor and economic development, public safety and wellness, and diversity, equity and inclusion in projects requiring city commission approval.

BY THE NUMBERS

The **overall budget** is \$241,983,997 which is a 1.3% decrease over the 2022 - 2023 budget across all funds. This budget incorporates the millage funds for seniors, parks, and the animal shelter which were approved by voters in November 2022. The allocations made by the City Commission in late February for the American Rescue Plan Act (ARPA) funds have also been included for projects that are scheduled for 2023 - 2024.

Overall, our revenue is decreasing due to ARPA allocations, offset by increases in property tax revenue resulting from higher taxable values. The budget also takes into account new and increased fees which will be presented to the City Commission for approval in May. While most fees remain the same, there are always a few changes to align the charges with the cost of providing services.

Expenditures are increasing, in large part due to the increase in the cost for labor, goods, materials, and services. Personnel costs are increasing by 2.5% for the upcoming year, and health care costs have also been increased by 5%.

The proposed budget provides a sound financial plan to provide the best possible municipal services with the resources available. While the revenue growth, along with leveraging funds from ARPA, address a variety of critical items, the number of competing priorities provide some challenges. The forecasted budget projection reaffirms that we are currently in a strong financial position, but adjustments will be needed in future years to maintain the alignment between Commission's priorities and the City's financial resources.

FUND BALANCE

The FY 2023-24 budget reflects a continuation of funding reserves at levels exceeding the minimum required in the city's Fund Balance Policies. Royal Oak's reserve policy sets the minimum reserve at 10% of operating costs for the General Fund. Further, the goal for non-Enterprise Fund that transfers to the General Fund cannot reduce the non-capital assets by more than 20% percent in any fiscal year.

- The FY 2023-24 budget for the City's General Fund maintains an unassigned fund balance reserve of \$8.5 million, which exceeds the policy minimum requirement of 10%.
- The Water and Sewer Fund working capital is projected to be approximately \$6.9 million by the end of the 2023-24 fiscal year, which includes operational and maintenance capital expenses to ensure there are adequate budgets to fund necessary operations in the event of an emergency.

STATEMENT OF OVERALL POSITION

The Budget is the financial plan that provides resources required to carry out the priorities identified in the City's Strategic Plan, ARPA Implementation Plan and other planning documents that provide the direction needed by city staff to develop the FY 2023-24 Proposed Budget. For budget planning purposes, the proposed budget is predicated on the following goals:

1. Advancing high-priority initiatives – as the City Commission has approved several plans and initiatives (e.g. Sustainability-Climate Action Plan, Aging in Place, Human Right Ordinance, etc.) which encompass objectives that create a welcoming and inclusive community, provide housing opportunities for a variety of individuals, combat climate change and protect the natural environment.

2. Commitment to reliable infrastructure – careful planning outlines the means of maintaining, replacing, and enhancing the City’s infrastructure. The capital improvement plan, along with the ARPA implementation strategy, address public infrastructure improvements and capital purchases that result in the efficient delivery of services that the community desires.
3. Build and enhance community amenities – the allocation of the ARPA funds, along with grant opportunities from federal, state and county sources, enable the City to conduct improvements at the Senior Center, construct a new public restroom facility located downtown, build a new animal shelter facility, and explore the feasibility of a new joint YMCA/City community center. Combined, these efforts will provide more resources and services to seniors, youth and families in the area.
4. Enhancing communications – expanding outreach includes making residents aware of resources, and better connecting with stakeholders is a priority. This also translates to a public-facing budget community tool, such as the one being utilized now through our partner, OpenGov. This will show the budget in an understandable format even to non-financial users. This overall approach brings about greater transparency and trust in the City’s functions.
5. Achieve long-term fiscal health – being prepared for future economic downturns and meeting current obligations is a focus of the proposed spending plan. Many factors can add financial pressures for the City, including, but not limited to, aging population, pensions and health-care costs, and infrastructure maintenance and renewal. Sustainable decision making will assure thoughtful consideration of alternatives and opportunities to minimize the financial consequences of depleted resources and/or unanticipated circumstances.

STRATEGIC PLAN

The [Strategic Plan](#) approved in 2022 continues as the guiding document directing the work of staff for the years ahead. The entire Strategic Plan and progress on related items can be viewed through the [Strategic Plan page](#) in the online budget book. Staff has started a process to share updates quarterly and will be using OpenGov to help communicate progress with the community and the Commission.

Our Finance Department staff have been embracing change this year through a partnership with OpenGov, to lead the way on more transparent and understandable information for the community. As a part of this effort, they have helped to integrate the Strategic Plan into the budgeting process. Staff were asked to show alignment between their [capital improvement requests](#) and

the Strategic Plan. Below is a chart showing how those requests match up with the Strategic Plan.

These goals do not reflect the business-as-usual work items. Rather, they focus on things that are changing, processes we are improving, and new programs. Performance metrics for these goals will be added in the future so that departments are reflecting and sharing their progress, but also their see the next steps in progress toward the future.

SIGNIFICANT PROJECTS

Master Plan - This endeavor is a long-range policy guide for the physical arrangement and appearance of the City of Royal Oak that provides general direction on the city's future development pattern. It is the city's official statement of policy regarding such issues as land use, community character, and transportation which impact the physical environment. As a policy guide, it must be sufficiently flexible to provide guidance for changing conditions and unanticipated events.

The Master Plan provides policies and actions for community leaders to consider in the future. Some of the plan's recommendations will be implemented through amendments to the Zoning Ordinance text and map. Formulating a Master Plan is the first step in providing a sound and legal basis for revising the Zoning Ordinance and other regulatory ordinances, investing in public capital improvements, and guiding private land use decisions.

The revised and amended Master Plan is a physical plan. Although social and economic conditions are considered, the plan is a guide to the physical development of the community. The Master Plan provides a long-range viewpoint, depicting land use and community development within a time frame 20 years. It is comprehensive, covering the entire City and all the components that affect its physical makeup.

Green Infrastructure/Other significant capital projects – Many projects and initiatives are underway since the Sustainability – Climate Action Plan (S-CAP) was approved by the City Commission in May 2022. Since the plan has been in place and shortly before, projects have been completed at city facilities, parks and in the community. This includes building and energy efficiencies that have been achieved through the library's LED lighting retrofit. Recently, the Parks and Recreation Master Plan (December 2022) performed a preliminary accessibility review as part of this update.

S-CAP efforts are successfully underway in the community. This includes the planting of 800 street trees (Fall 2022) and 1,000 being planned in Spring and Fall 2023. Since 2020, more than 550 water lead lines have been replaced in residents' homes. The recently approved American Rescue Plan Act program (February 2023) will allow an additional 125 to 150 homes to be included. Contractors that are working for the City have the capacity to replace 250 to 300 lines annually, and this injection of additional federal funds will accelerate this process.

Many projects are underway and planned for the coming years. This includes significant capital improvements that will be impactful and visible in the City. This will include the installation of electric vehicle (EV) charging stations at City facilities and made available at public parking areas. City staff will be looking at converting the municipal fleet to EVs as the requisite charging infrastructure becomes available. We are investigating a municipal solar and battery storing project and are partnering with DTE to convert all of the City's streetlights to LED. These are just a few of the examples of projects underway to support the objectives of the City's S-CAP.

Community Development Department Review - An RFP will be issued (May 2023) for a comprehensive operation and organizational assessment of the City's development approval and permitting process such as, but not limited to, rezoning; special use and site plan approvals; building permits; plan checks; inspections; and enforcement processes. This also includes the activities of the fire prevention division of the Fire Department, as well.

Current processes can be difficult to navigate and can be burdened by paperwork, among other issues that hamper economic development and drive developers away. This is intended as a step the city will take to simplify and streamline these procedures, thus establishing best practices. The study will be completed within the calendar year and will provide feedback and an action plan to be implemented once the final report is issued.

INVESTING IN STAFF

Our staff are the largest asset to the City. Every day, they carry out the programs and deliver essential services that our residents expect from the City. Through our strategic plan, the commission has supported an investment in the staff through recruitment, training, and retention.

This budget reflects a 2.5% pay increase for staff and incorporates the premium pay for essential workers allocated through the American Rescue Plan Act funds.

The recommended budget includes an increase of 11 new full-time staff members, bringing the City a total of 373 FTE. Some of these allocations move part-time positions to full-time positions. This change is often requested because Royal Oak is losing part-time staff to other organizations offering full-time work. This has been identified as a retention and recruitment challenge that we can solve by consolidating part-time positions into full-time positions.

Below is a summary of the position requests.

Department	Position(s) Requested	Need
District Court	Court Clerks (2); Probation Officer	Added workload from MPS Parking System; Higher caseload in Drug Court
City Manager	Management Analyst	Assist with Human Rights Commission, sustainability, aging in place and special projects, as needed
Elections	Election Assistant	Response to voter approved changes to state-wide election system and increased # of days to cast ballots
Police	Records Clerk	Increase in record retention demands and requests for information
DPS	Operations Manager	Assist DPS Director with daily operational dispatch and routing assignments
Library	Librarian I; Administrative Asst.	Shifting to full-time staffing model (vs. part-time employees) for recruiting, retention, and customer service needs
Parking	Parking Systems Manager	Higher service needs with MPS Parking System
Recreation	Recreation Director (target start date ~1/1/2024); Cost is 6 mon.*	Dedicated management support in the areas of Recreation, Ice Arena, Golf Course, Parks, Senior Services, Farmers' Market, and Animal Shelter
Total	11 added positions	

One more significant change I would like to highlight is our Department of Public Services – Recreation Director.

This year we are including a change to the Department of Public Services and Recreation. This restructuring separates out City-sponsored recreation programs and programs offered through third-party providers, while adding senior services, arts and cultural programming, and the animal shelter, which is currently under the direction of the police department. Currently, the department has a recreation coordinator, and a new position will be needed to implement initiatives outlined through the Aging in Place Plan, manage significant capital improvement projects, and negotiate successor agreements with private recreation providers. The director will be the main staff support for the Parks and Recreation and Senior Services Advisory Board, as well as the Commission for the Arts. This new position will report to the DPS director, but creates a separate and distinct identity for these consolidated services. It is also suggested that such a new division be known as Parks, Recreation and Cultural Services, which encompasses the broad array of services under this new umbrella entity.

COMMITMENT TO FINANCIAL EXCELLENCE

The City has recently affirmed an AA rating (outlook stable) from the Fitch bond rating agency (November 2022). Sound financial management and policies pave the way for accomplishing the City's goals, such as maintaining a fund balance exceeding the 10% minimum of expenditures, building capital reserve funds for future investments in capital projects, and using one-time funds, such as the American Rescue Plan and other grants for one-time expenditures, not on-going expenses.

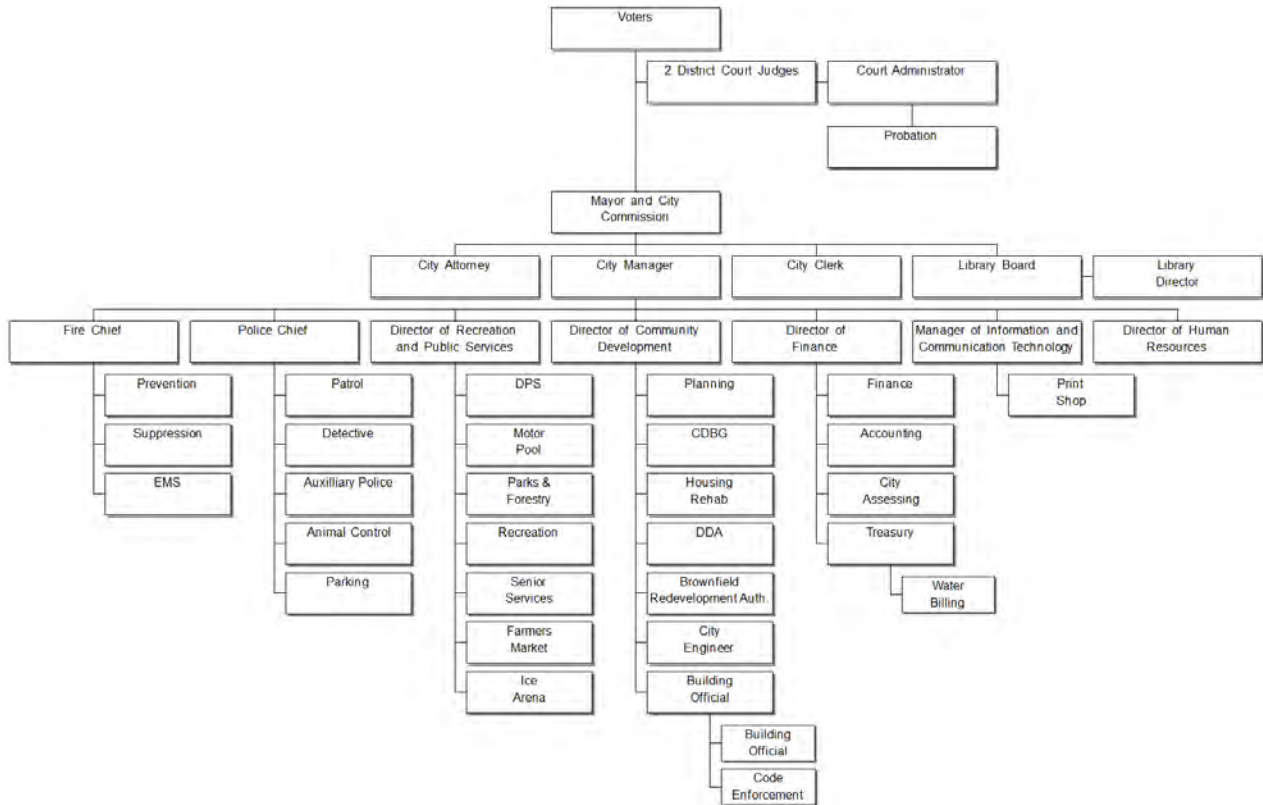

In closing, I believe this budget reflects our City and the progress we hope to make over the next year toward accomplishing our goals. I would like to thank the finance department for championing new technology for the City and its leadership in embracing new processes to produce this budget. I also appreciate the department heads who have also adapted to this new process. Our staff at all levels make this city work every day, and I look forward to sharing our story more with the Commission and the community.

Respectfully submitted,

Paul J. Brake, ICMA-CM, CEcD
City Manager

Royal Oak STRATEGIC PLAN

FISCAL YEAR 2023-2024 ANNUAL BUDGET

As part of the annual budget process, the City Commission identifies goals and objectives to be accomplished. In March 2022, City staff and the City Commission engaged in a planning process to identify these goals and objectives. The result of that planning is the [2022-2025 Strategic Plan](#).

The 2022-2025 Strategic Plan is the guidebook that provides the direction for City staff to develop the FY 2023-2024 budget. The proposed FY 2023-2024 budget is a result driven document that focuses on the City's seven main goals as developed through the strategic planning process. Visit the City's website at [Strategic Plan Progress Story](#) to view the entire plan.

ROYAL OAK STRATEGIC GOALS

Welcoming, Engaged, and Livable Community

Royal Oak is a community that promotes diversity and inclusion; encourages people to participate, care, and respect each other; and offers a variety of housing that works for everyone.

Safe, Healthy, and Just City

Royal Oak values health, safety, and justice by ensuring access to services, spaces, and systems for all residents and visitors.

Environmental Leadership

Royal Oak protects the health and safety of the community and provides an exceptional quality of life by instituting aggressive policies and practices to combat climate change and protect the natural environment.

Vibrant Local Economy

Royal Oak pursues policies that encourage sustained business investment and development in the city, by providing employment, core services, and entertainment opportunities for residents and visitors.

Efficient and Effective Services

Royal Oak addresses the needs of our community in a timely and respectful manner while being responsible stewards of taxpayer dollars.

Long-Term Fiscal Health

Royal Oak responsibly manages its finances through sound fiscal policy and strategic planning.

Reliable Infrastructure

Royal Oak maintains, replaces, and enhances the city's infrastructure to promote efficient, environmentally responsible, and sustainable delivery of municipal services.

Royal Oak

BUDGET PROCESS OVERVIEW AND CALENDAR

FISCAL YEAR 2023-2024 ANNUAL BUDGET

The City of Royal Oak's budget process is governed by the city charter and state statutes of Michigan. Chapter eight, "general finances section one" of the city charter establishes July 1 through June 30 as the city's fiscal year.

BUDGET DOCUMENT

The city charter, as approved by the voters on Nov. 8, 1921, and as amended throughout the years, and the State of Michigan Uniform Budgeting Act (Public Act 621 of 1978), which amended the Uniform Accounting Act (Public Act Two of 1968), mandate that the budget document present a complete financial plan for the ensuing fiscal year and shall present the following:

- (a) An itemized statement of the appropriation recommended by the City Manager for current expenses and for permanent improvements for each department and each division thereof, for the ensuing fiscal year, with comparative statement, in parallel columns, of the appropriation and expenditures for the current and next preceding fiscal year and the increases and decreases in the appropriation recommended;
- (b) An itemized statement of the taxes required and of the estimated revenue of the City, from all other sources, for the ensuing fiscal year, with comparative statements of the taxes and revenues for the current and next preceding fiscal year;
- (c) A statement of the financial condition of the City and an inventory of all property owned by the City; and

(d) Such other information as may be required by the Commission.

BUDGET

As required by the City Manager, each department head must submit to the City Manager an itemized estimate of expenditures for the next fiscal year for the department or activities under their direction.

The City Manager then prepares a complete itemized budget proposal for the next fiscal year and must present a balanced budget to the City Commission not later than 30 days before the end of each fiscal year. Prior to the adoption of the budget, a public hearing on the budget must be held to inform the public and solicit input and comments from residents. A public notice, published in a newspaper of general circulation in the community, announces the time and place of the meeting and the availability of the budget document for review.

BUDGET APPROPRIATION AND AMENDMENTS

The City's balanced budget is adopted by the City Commission on a functional basis. The general fund and special revenue funds are officially adopted. Estimated revenues, transfers in, and use of fund balance are equal to or greater than estimated expenditures and transfers out. The Finance Director is authorized by budget resolution to transfer up to 25 percent of major street fund monies to the local street fund during the fiscal year and to make transfers within appropriation centers. All other transfers between funds may be made only by further action by the City Commission.

Please see the [Budget Appropriation Explained](#) section for more information.

The Commission may make additional appropriations during the fiscal year for unanticipated expenditures required of the City. The City Commission may also re-appropriate funds among appropriation centers. By way of an annual budget resolution, the City Commission authorizes the Finance Director to administratively adjust line-item budgets within a fund and appropriation centers.

BASIS FOR BUDGETING

The modified accrual basis of budgeting is utilized in the preparation of both the budget and the audited financial statements for all governmental fund types. Expenditures, with the exception of debt service expenditures, compensated absences, claims and judgments, are recorded at the time the liability is incurred. Revenues are recorded when received as cash, with the

exception for material or available revenues that are accrued to properly show revenues earned and/or levied taxes.

The accrual basis of accounting is utilized for the internal service and enterprise funds budgets, which are not officially adopted but included in this document, and the audited financial statements.

The budget is prepared in accordance with Generally Accepted Accounting Principles (GAAP).

Budget Calendar Fiscal Year 2023-2024	
November	Finance department requests capital improvement plan submittals
December	Special city commissions strategic planning (goals & objectives) session (held every 3 years)
January	Finance department develops initial personnel costing and finalizes the draft capital improvement plan
January (mid)	Finance sends personnel costing detail to departments for review
January (late)	Motor pool and IT departments requested budgets are due to finance department and finance department distributes charges to various funds
February	Capital improvement plan adopted by planning commission
February (mid)	Deadline to submit department requested budgets to finance department
February to March	Finance department assembles departments' requested budgets, including budget narratives
March (early)	Departments and finance meet with city manager to present budgets
March (mid)	Finance department begins to perform 5-year projections based on department requested budgets
March (late)	City manager relays to the finance department any changes to the department requested budget
April	Finance department compiles proposed budget document/city managers recommended budget
April (mid)	Proposed budget documents are distributed to city commission and made available to the public (library and city's website)
April/May	Special city commission budget workshop meetings
May (early)	Finance department makes any city commission changes (developing out of city commission workshops) and if necessary, prepares changes for the final budget resolutions
May (2 nd CC mtg.)	City commission conducts public hearing and adopts general appropriations act and establishes tax/millage rates
May (late)	Finance department finalizes adopted budget by updating the online budget book and pdf version posted to city's website.
July – June	Finance department monitors budget and performs budget adjustments / amendments when appropriate

Royal Oak

BUDGET APPROPRIATION EXPLAINED

FISCAL YEAR 2023-2024 ANNUAL BUDGET

BUDGET APPROPRIATION

The City's balanced budget is adopted by the City Commission on a functional basis, with only the general fund and special revenue funds budgets being officially and legally adopted. A balanced budget is defined by the City Commission as a budget in which estimated revenues, transfers in, and use of fund balance are equal to or greater than estimated expenditures and transfers out. Sufficient approved funds must be available at that functional level (consistent with the [budget resolution](#)) for spending to be authorized. Because the budget is a fluid, working document, it may be necessary from time to time for budget amendments to be requested by administration and approved by City Commission to allow additional spending to be authorized and a balanced budget to be maintained at all times.

FUNCTIONAL BASIS FOR BUDGET

GENERAL FUND - FUND 101

General Fund revenue is budgeted by source and includes the following categories:

- Taxes
- Licenses and Permits
- Grants
- Charges and Services
- Fines and Forfeitures
- Interest and Rentals
- Contributions and Donations
- Reimbursements
- Other Revenue
- Transfers In
- Use of Fund Balance

General Fund expenditures are budgeted by service function, which is a higher-level grouping of General Fund departments. The functional categories and the departments included in each are listed below:

General Government

- Mayor/Commission – 101.101
- Court – 101.136
- Manager – 101.172
- Elections – 101.191
- Finance – 101.201
- Assessor – 101.209
- Attorney – 101.210
- Clerk – 101.215
- Human Resources – 101.226
- Administration – 101.248
- Treasurer – 101.253
- City Office Building – 101.265
- Building Maintenance – 101.267
- Community Engagement – 101.747

Community and Economic Development

- Community Development – 101.400
- Economic Development – 101.728

Public Safety

- Ordinance Enforcement – 101.372
- Animal Protection Services – 101.430

Public Works

- Electrical – 101.443
- Engineering – 101.447
- Street Lighting – 101.448

Recreation and Culture

- Parks & Forestry – 101.266
- Cable Communications – 101.834
- Community Promotion – 101.835
- Dream Cruise – 101.836
- Arts, Beats and Eats – 101.837

Transfer Out

- Transfers-Out – 101.965

SPECIAL REVENUE FUNDS:

MAJOR STREET FUND - FUND 202

Major Street Fund revenue is budgeted by source and includes the following categories:

- Taxes and Permits
- Grants
- Interest
- Other Revenue
- Transfers In
- Use of Fund Balance

Major Street Fund expenditures are budgeted by service function, which is a higher-level grouping of Major Street Fund departments. The functional categories and the departments included in each are listed below:

Maintenance

- Streets Maintenance 202.467
- Streets Parkway Maintenance 202.469
- Streets Winter Maintenance 202.472

Traffic Control and Signal Services

- Streets Traffic Control 202.473
- Streets Signal Services 202.474

Administration

- Streets Administration 202.515

Construction

- Streets Construction 202.901

Transfers Out

- Transfers-Out – 202.965

LOCAL STREETS FUND - FUND 203

Local Street Fund revenue is budgeted by source and includes the following categories:

- Taxes and Permits
- Grants
- Interest
- Other Revenue
- Transfers In
- Use of Fund Balance

Local Street Fund expenditures are budgeted by service function, which is a higher-level grouping of Local Street Fund departments. The functional categories and the departments included in each are listed below:

Maintenance

- Streets Maintenance 203.467
- Streets Parkway Maintenance 203.469
- Streets Winter Maintenance 203.472

Traffic Control and Signal Services

- Streets Traffic Control 203.473

Administration

- Streets Administration 203.515

Construction

- Streets Construction 203.901

Transfers Out

- Transfers-Out – 203.965

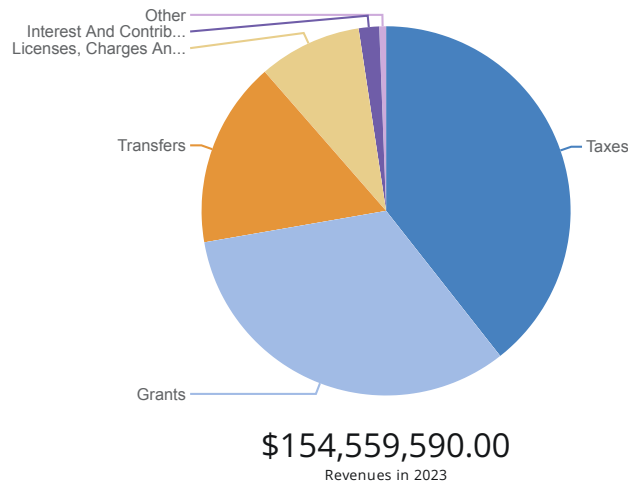

OTHER SPECIAL REVENUE FUNDS

The remaining Special Revenue Funds are appropriated at the fund level. This means that the revenue is budgeted at the total for all revenue, transfers in, and use of fund balance anticipated for the fund; and expenditures are appropriated for the total expenditures, transfers out and contribution to fund balance approved for the fund. The following fund budgets are adopted at this highest level:

- Public Safety Fund - 207
- Publicity Tax Fund - 211
- Solid Waste Fund - 226
- Brownfield Redevelopment Authority – 243
- DDA Tax Incremental Development Fund – 247
- DDA Operation Fund - 248
- Indigent Defense Fund - 260
- Library Millage Fund - 271
- Community Development Block Grant (CDBG) Fund - 274
- State Construction Code Fund – 282
- ROOTS Fund – 295
- Senior Citizen Services Fund – 296
- Animal Shelter Fund – 297
- Police Grants – 298
- Miscellaneous Grants - 299

NON-APPROPRIATED FUNDS

The remaining funds types of the City, including Debt Service, Capital Projects, Enterprise, Internal Service, and Fiduciary, are presented for planning and forecasting purposes. These funds are not legally appropriated; however, they are audited.

It should be noted that although these funds are not appropriated, the City Commission must approve key items that may impact these budgets, including:

- Property Tax Millage Rates
- Tax Administration Fees
- Water and Sewage Disposal Rates
- Purchasing Guidelines
- Street Fund Transfers
- PEG Fees

Please review the [budget resolution section](#) for more details of these items.

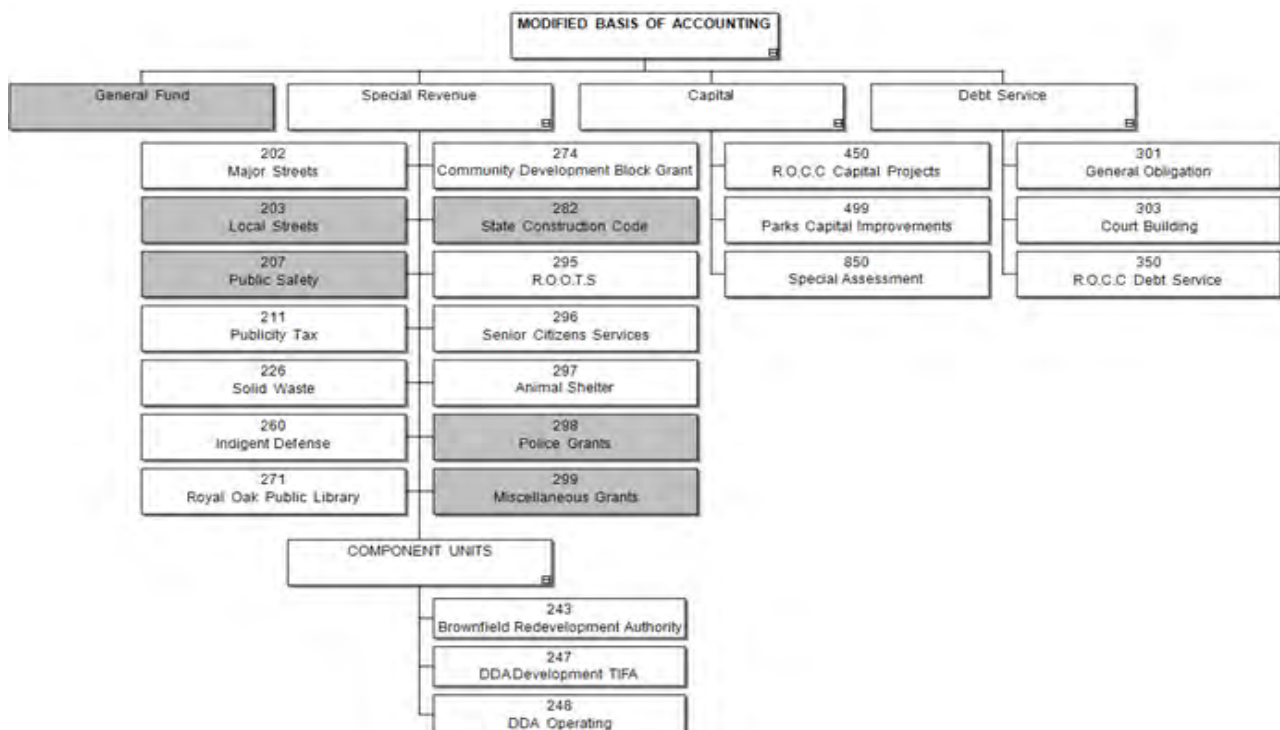

OPERATING FUNDS STRUCTURE

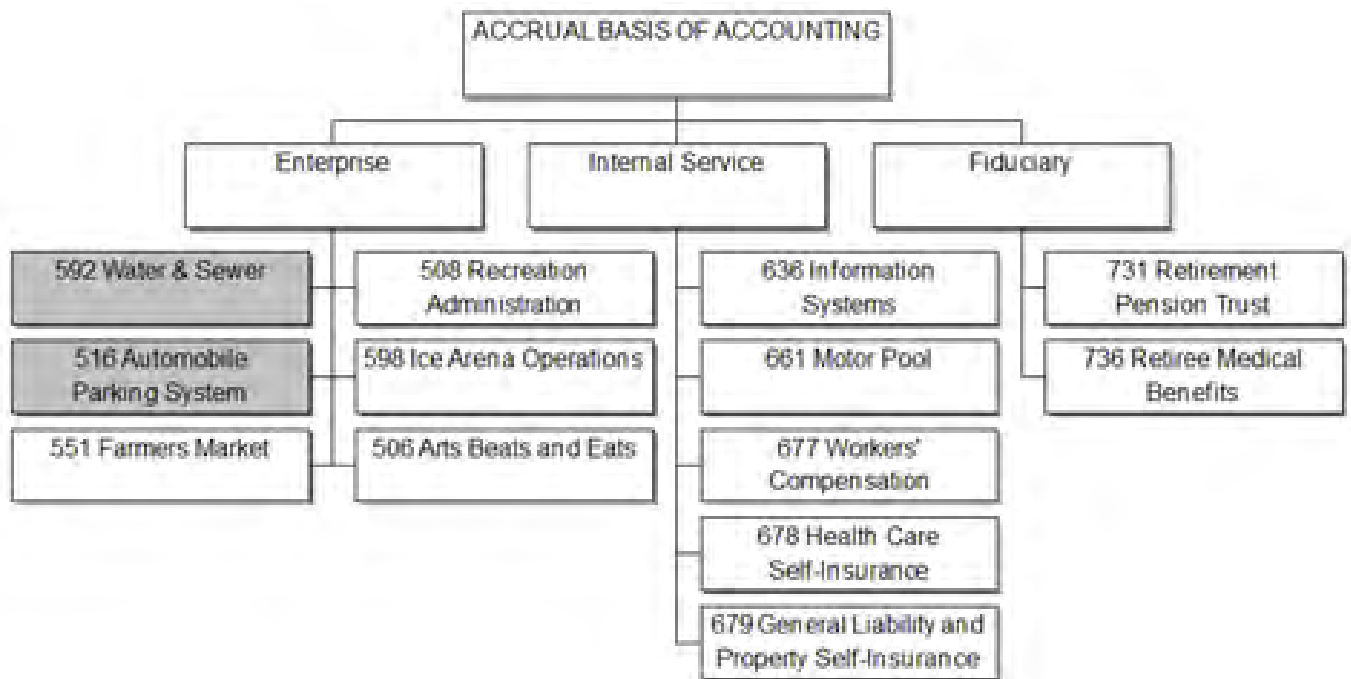

FISCAL YEAR 2023-2024 ANNUAL BUDGET

BASIS OF ACCOUNTING

The chart below lays out the organization of the City's operating funds, based on the method of accounting used and fund type. The major funds as of the last audited fiscal year are shaded. Major funds are those whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least ten percent of corresponding totals for all governmental or enterprise funds and at least five percent of the aggregate amount for all governmental and enterprise funds. Any other fund may be reported as a major fund if the government's officials believe that fund is particularly important to financial statement users.

RELATIONSHIP BETWEEN FUNCTIONAL UNITS, MAJOR FUNDS, AND NON-MAJOR FUNDS

In addition to organizing activity by fund and department, activity is separately classified by function in the budget document. The chart below shows the relationship between the activity of each fund and the various functional categories they are also grouped in.

Fund No.	Description	Government	General Development	Community and Economic	Health and Welfare	Public Safety	Public Works	Recreation and Culture	Operations	Construction	Debt Service
GENERAL FUND											
101	* General fund										
SPECIAL REVENUE FUNDS											
202	Major Streets fund										
203	* Local Streets fund										
207	* Public Safety fund										
211	Publicity Tax fund										
226	Solid Waste fund										
260	Indigent Defense fund										
271	Library Millage fund										
274	Community Development Block Grant fund										
282	* State Construction Code fund										
295	R.O.O.T.S fund										
296	Senior Citizen Services fund										
297	Animal Shelter fund										
298	* Police Grants fund										
299	* Miscellaneous Grants fund										
SPECIAL REVENUE FUNDS: COMPONENT UNITS											
243	Brownfield Redevelopment Authority fund										
247	DDA Development fund (tifa)										
248	DDA Operating fund										
DEBT SERVICE FUNDS											
303	Court Debt Service fund										
350	ROCC debt Service fund										
ENTERPRISE FUNDS											
506	Arts, Beats, and Eats fund										
508	Recreation fund										
516	* Auto Parking fund										
551	Farmers market fund										
592	* Water & Sewer fund										
598	Ice Arena fund										
INTERNAL SERVICE FUNDS											
636	Information Technology fund										
661	Motor Pool fund										
677	Workers Compensation Insurance fund										
678	Health Care fund										
679	General Liability and Property Insurance fund										

* denotes major fund during fiscal year ending 6/30/22

denotes participation in functional unit by fund

Royal Oak

LONG-RANGE FINANCIAL PLANNING AND FORECASTING

FISCAL YEAR 2023-2024 ANNUAL BUDGET

LONG-RANGE PLANNING

The City's long-range financial plan aligns the strategic goals of City Council with the financial resources needed to deliver programs and services to meet the needs of the community. A five-year forecast is a planning tool that helps with fiscal management and accountability by showing historical and projected revenue and expenditures. This tool provides an opportunity not only to engage the community but also anticipate and adapt to economic conditions that impact the budgeting process. The City's financial forecast is based on City Commission priorities; historical revenue performance; expenditure trends; maintaining competitive salaries and benefits; and following the City's financial policies.

The City's budget serves as a roadmap to implement the strategic plan and outline a vision for the community, identifying priorities and providing a means to measure success in achieving the desired outcomes. The City's FY 2023-2024 budget projections for local revenues are based on the FY 2022-2023 actual revenues and historical trends. The City is well positioned to weather economic downturns due to its strong management, adequate reserves and financial policies.

[VISIT THE BUDGET HIGHLIGHTS SECTION FOR THE MAJOR DETAILS OF BUDGET CHANGES](#)

Factored into the financial planning model are anticipated future major capital projects and any ongoing associated operating costs. The Five-Year Capital Improvement Plan also includes funding for several projects that will leverage Federal, State and private grants, State revenue sharing funds, dedicated millages and other cost sharing.

Going forward, City Commission will need to carefully address tax rates, user fees and other funding sources to identify the resources the City will have available to meet strategic goals and objectives. City departments continually review operations to find efficiencies and reduce departmental costs or seek out additional sources of revenue to mitigate any forecasted future revenue shortfall. These projections are based on past trends and anticipated future trends; however, it should be noted that these projections are not future commitments and are only presented for planning purposes and subject to change.

Royal Oak

COMMUNITY PROFILE

FISCAL YEAR 2023-2024 ANNUAL BUDGET

VISION STATEMENT

To be a dynamic balance of progressive vision and traditional values offering an inviting, premier, and diverse community for all.

MISSION STATEMENT

Our mission is to provide a safe, healthy, and sustainable community.

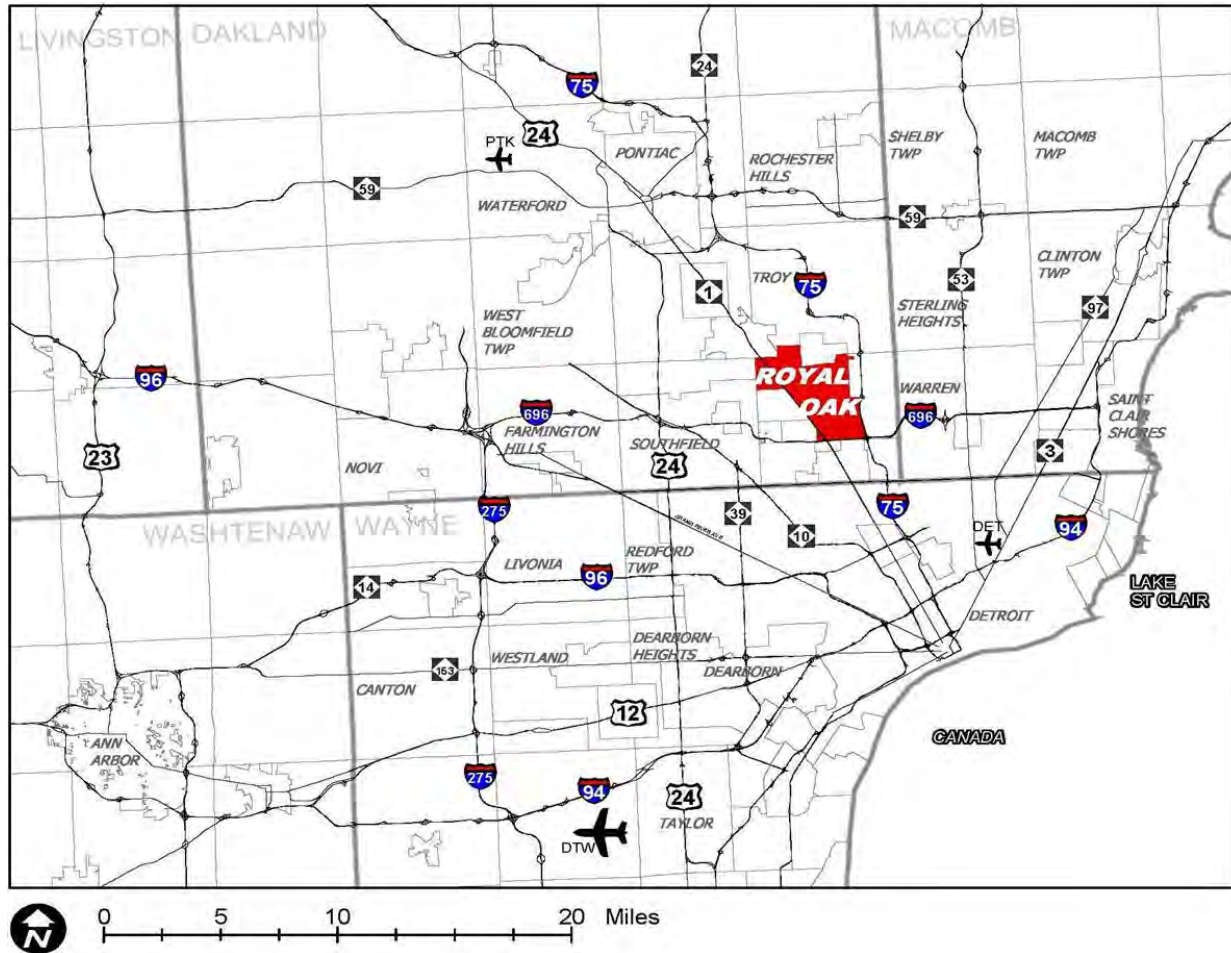

CITY OF ROYAL OAK

The City of Royal Oak is located in southeast Oakland County, Michigan. The city's 11.83 square miles has a population of approximately 58,211 according to the 2020 US census. Flanked by I-75 on the east border, I-696 on the south and Woodward Avenue (M-1) on the west side, the City has excellent highway access for residents and visitors alike. Approximately 15 to 20 miles northwest of downtown Detroit, businesses and residents have easy access to the Ambassador Bridge and the Detroit-Windsor tunnel, the busiest international crossings between the United States and Canada.

The City of Royal Oak has operated under the "council-manager" form of government since its incorporation on November 8, 1921. This form of government provides that the City Commission act as the legislative, or policymaking, body. The City Commission is composed of six commissioners and a mayor elected by the city-at-large on a nonpartisan ballot. Three commissioners are elected to four-year terms every two years to ensure experienced legislators at all times. The mayor is elected for a two-year term.

The City Commission enacts ordinances, resolutions and regulations governing the city. City Commission also appoints members of various statutory and advisory boards and commissions, and the City Manager.

The City Manager is the City's chief administrative officer and, as such, is held accountable for planning, coordinating, directing, and executing all the City's operations in a manner prescribed by law and conforming to the general policies and specific directives of the commission. The city manager also appoints and supervises most of the heads of departments of the City. See statistical section for additional City information.

ADDITIONAL COMMUNITY PROFILE INFORMATION COMPILED BY SEMCOG

FISCAL YEAR 2023-2024 ANNUAL BUDGET

SOUTHEAST MICHIGAN COUNCIL OF GOVERNMENTS (SEMCOG)

The Southeast Michigan Council of Governments (SEMCOG) supports local planning through its technical, data, and intergovernmental resources. The work SEMCOG does improves the quality of the region's water, makes the transportation system safer and more efficient, revitalizes communities, and spurs economic development. One of the key functions of SEMCOG is to promote informed decision-making by improving Southeast Michigan and its local governments through insightful data analysis and direct assistance to members. Some of the key data points compiled by SEMCOG are shown below. Additional information is available directly from the [SEMCOG website](#).

Pavement Condition (in Lane Miles)

Past Pavement Conditions
2007

Current Pavement Conditions
2020 - 2021

Note: Poor pavements are generally in need of rehabilitation or full reconstruction to return to good condition. Fair pavements are in need of capital preventive maintenance to avoid deteriorating to the poor classification. Good pavements generally receive only routine maintenance, such as street sweeping and snow removal, until they deteriorate to the fair condition.

Royal Oak

OPERATING BUDGET SUMMARY

FISCAL YEAR 2023-2024 ANNUAL BUDGET

CITY FUNDS

The City's financial operations are budgeted and accounted for in numerous funds. A fund is a separate accounting unit. Funds are created by Administration, as needed, to segregate the funding for a specific purpose or restriction. The Funds that comprise the overall budget, are listed below and illustrated in the [Operating Funds Structure chart](#). The City Commission officially adopts budgets for the general fund and special revenue funds. Budgets for the remaining funds are set administratively based on tax rates and user fees approved by the City Commission. A list of all of the City's funds is provided below along with links to each Department/Fund page.

GENERAL FUND

The general fund is the City's major operating fund, accounting for all financial resources of the city except those required to be accounted for in another fund. Property taxes from the City's general tax millage/levy and state shared revenue are recorded in this fund. General administration and some public works functions are services provided from this fund. The modified accrual basis of budgeting is utilized in the preparation of the governmental fund types. Expenditures, with the exception of debt service expenditures, compensated absences, claims and judgments, are recorded at the time the liability is incurred. Revenues are recorded when received as cash, with the exception for material or available revenues that are accrued to properly show revenues earned and/or levied taxes.

GENERAL FUND DEPARTMENTS:

- Mayor/Commission – 101.101
- Court – 101.136
- Manager – 101.172
- Elections – 101.191
- Finance – 101.201
- Assessor – 101.209
- Attorney – 101.210
- Clerk – 101.215
- Human Resources – 101.226
- Administration - 101.248
- Treasurer – 101.253
- City Office Building - 101.265
- Parks & Forestry – 101.266
- Building Maintenance – 101.267
- Ordinance Enforcement – 101.372
- Community Development – 101.400
- Animal Protection Services – 101.430
- Electrical – 101.443
- Engineering – 101.447
- Street Lighting – 101.448
- Economic Development – 101.728
- Community Engagement – 101.747
- Cable Communications – 101.834
- Community Promotion – 101.835
- Dream Cruise – 101.836
- Arts, Beats and Eats – 101.837
- Transfers-Out – 101.965

OTHER GOVERNMENTAL FUNDS:

SPECIAL REVENUE FUNDS

Special revenue funds are funds that are used to record transactions in which a funding source is legally restricted for specific expenditures. The modified accrual basis of budgeting is utilized in the preparation of the governmental fund types. Expenditures, with the exception of debt service expenditures, compensated absences, claims and judgments, are recorded at the time the liability is incurred. Revenues are recorded when received as cash, with the exception for material or available revenues that are accrued to properly show revenues earned and/or levied taxes. These include:

- Major Streets Fund - 202
- Local Streets Fund - 203
- Public Safety Fund - 207
- Publicity Tax Fund - 211
- Solid Waste Fund - 226
- Indigent Defense Fund - 260
- Library Millage Fund - 271
- Community Development Block Grant Fund - 274
- State Construction Code Fund – 282
- ROOTS Fund – 295
- Senior Citizen Services Fund – 296
- Animal Shelter Fund – 297
- Police Grants – 298
- Miscellaneous Grants - 299

DEBT SERVICE FUNDS

Debt Service funds are funds established to finance and account for the payment of interest and principal on all tax supported debt, serial, and term, including those payable for special assessments. These funds are not legally appropriated; however, they are audited. These include:

- General Obligation Debt Fund – 301
- Court Building Debt Service Fund – 303
- ROCC Debt Service Fund – 350

*Please visit the **Debt Information section** for additional information on:*

- *Description of Outstanding Long-Term Debt*
- *Legal Debt Limit*
- *Debt Obligation Policy*

CAPITAL PROJECTS FUNDS

These funds are not legally appropriated; however, they are audited.

- ROCC Capital Projects Fund - 450
- Parks Improvement Fund – 499

Please visit the 5-year Capital Improvement Plan for more information.

SPECIAL REVENUE FUNDS – COMPONENT UNITS

- Brownfield Redevelopment Authority - 243
- DDA Development Fund - 247
- DDA Operation Fund - 248

PROPRIETARY FUNDS

ENTERPRISE FUNDS

Enterprise funds are established to finance and account for the acquisition, operation and maintenance of governmental facilities and services that are entirely or predominately self-supporting by user charges; or where the governing body has decided periodic determination of revenue earned, expenses incurred and/or net income is appropriate. The accrual basis of accounting is utilized for the internal service and enterprise funds budgets which are not officially adopted but included in this document. These funds are not legally appropriated; however, they are audited.

- Arts, Beats and Eats Fund - 506
- Recreation Fund - 508
- Auto Parking Fund - 516
- Farmers' Market Fund - 551
- Water & Sewer Fund - 592
- Ice Arena Fund - 598

INTERNAL SERVICE FUNDS

Internal service funds are established to finance and account for services and commodities furnished by a designated department or agency to other departments within a single government unit or to other governmental units. The accrual basis of accounting is utilized for the internal service and enterprise funds budgets which are not officially adopted but included in this document. These funds are not legally appropriated; however, they are audited.

- Information Technology Fund - 636
- Motor Pool Fund - 661
- Workers' Compensation Insurance Fund - 677
- Health Care Fund - 678
- General Liability and Property Insurance Fund - 679

FIDUCIARY FUNDS:

A fiduciary fund is any fund held by a governmental unit in a fiduciary capacity. The accrual basis of accounting is utilized for the internal service, enterprise and fiduciary funds budgets which are not officially adopted but included in this document. These funds are not legally appropriated; however, they are audited.

- Retirement (Pension) Fund – 731
- Retiree Health Care Fund - 736

MISSION STATEMENT

The mission of the general fund is to record all revenue not required by state statute or local law to be reported separately, and to show the legal expenditure of those monies.

OVERVIEW

The general fund is the City's major operating fund, accounting for all financial resources of the City except those required to be accounted for in another fund. Property taxes from the City's general tax millage/levy and state shared revenue are recorded in this fund. General administration and some public works functions are provided from this fund.

As the largest operating fund, revenue exceeds \$47.4 million (including transfers-in from other funds). Over 95 percent of general fund revenue is from property taxes, state/federal grants, fines and forfeitures, licenses and permits, and charges for services. Property tax revenue alone makes up approximately 57 percent of revenue. The base operating millage is authorized by the city charter in chapter eight section 4.11(a). A secondary source of general fund revenue includes interest and rentals, contributions and donations, and other revenue.

STRATEGIC PLAN GOALS AND OBJECTIVES

Each general fund department develops their own goals and objects to align with the City's strategic planning initiatives. You will find these items outlined on the individual department pages.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

Royal Oak

MAYOR AND CITY COMMISSION

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the mayor and commission is to govern the City of Royal Oak in such a manner as to provide a safe, healthy, and sustainable community.

OVERVIEW

As provided for in the city charter, Royal Oak has a commission-manager form of government. The commission consisting of a mayor and six commissioners has full power and authority, except as herein otherwise provided, to exercise all the powers conferred upon the city.

The commission appoints the manager as the chief administrative officer of the city. The commission selects the city manager based on their executive and administrative qualifications. The commission constitutes the legislative and governing body of the city, possessing all the powers herein provided for, with power and authority to pass ordinances and adopt resolutions as they shall deem proper to exercise any or all these powers possessed by the city.

The members of the commission are elected on a non-partisan ballot by the city at large. To be eligible for the office of mayor or commissioner, a person shall have been a resident of the City of Royal Oak at least one year immediately preceding election and be a registered voter. Three commissioners are elected to four-year terms every two years to ensure experienced legislators at all times. The mayor is elected for a two-year term.

The mayor is the presiding officer of the commission. In the absence of the mayor, the mayor pro tempore is the presiding officer. Each elected official has one vote that can be cast on each motion. Appointed officials do not have a

vote. Four members of the commission constitute a quorum and may conduct city business. Ordinance and resolutions require four affirmative votes to be approved.

City commission meetings are held every second and fourth Monday of the month (with some exceptions) at 7:30 p.m. in the commission chambers of city hall at 203 S. Troy St. Meetings are open to the public and are broadcast through WROK. Members of the public can view meetings through the WROK YouTube page; the Telvue PEG.TV Ap through Apple TV, Amazon Firestick, ROKU; and on Comcast and WoW cable services.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal: Ensure the proper governance of the city.

Strategic Plan Alignment: Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024: To complete the master plan update.*
- *Annually: To review the strategic plan, aging in place, sustainability and climate action plans annually to ensure progress.*

Performance Measures:

- *Ongoing - annual review of plans*

Royal Oak

44TH DISTRICT COURT

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the 44th District Court is to interpret and apply the law with fairness, equality, and integrity and to promote public accountability for improved quality of life in Royal Oak and Berkley.

OVERVIEW

In January 2015, pursuant to law, the 45A District Court (Berkley) merged with and into the 44th District Court, creating one court to serve both the Royal Oak and Berkley communities.

The court is responsible for all civil, traffic and criminal cases that transpire within the boundaries of the cities of Royal Oak and Berkley.

The 44th District Court has two judges elected by the citizens of Royal Oak and Berkley. A portion of the judge's salaries are paid by the State of Michigan. The judges are responsible to handle all civil and criminal trials, preliminary hearings, formal hearings, appeals, exams, etc. The court also has three part-time magistrates who conduct arraignments, informal hearings, and small claims cases.

Both judges conduct programs that promote youth-awareness. The Justice 101 program educates younger children on the role of the court and includes visiting the court to observe and tour the facility. Teen court is for young adults and involves teens involved in minor infractions being heard and judged by a court of their peers.

Under general supervision of the chief judge, the court administrator serves as the executive officer for the 44th District Court. The court administrator is responsible for the administrative management of all non-judicial functions of

the court. This includes personnel management, financial administration, facility management, scheduling and case management, records management, jury utilization and other administrative duties.

The criminal division maintains records on all misdemeanor and felony offenses and is responsible for the processing, scheduling, and noticing of all criminal cases in the court.

The traffic division is responsible for maintaining records and processing all traffic civil infractions, parking violations, and code enforcement proceedings.

The civil division maintains records on general civil, landlord/tenant and small claims cases and is responsible for the scheduling, processing, and noticing of these cases.

The court services division is responsible to administer several programs: jury administration, comprehensive collections efforts and the supervision, counseling, and referral of defendants placed on probation.

Probation officers assist persons sentenced to probation with supervision and rehabilitation with a goal to eliminate re-offending. The probation component of the court services division performs alcohol screening assessments and pre-sentence investigations. Other services provided include assisting with securing training, schooling, and employment.

The 44th District Court's two judges each preside over a Hybrid Alcohol / Drug Treatment Court (HADTC) caseload. This specialty court is a two-year intensive supervision and rehabilitation program for individuals who have an alcohol or drug abuse problem and have a desire for a substance-free lifestyle. Participants are monitored closely to insure there is no alcohol or drug use. They participate in therapy and support group meetings and meet with a specially trained probation officer twice per month. The program consists of four phases and presently averages about 80 participants. Since 2013, the 44th District Court's HADTC program has shown significant success in rehabilitating participants graduating over 250 people from the program.

Jury administration encompasses all aspects of the process of summoning eligible citizens from the Royal Oak and Berkley communities when they are needed for jury trials. This includes notices, payments, responding to inquiries, and seeing to their needs while serving as a juror. The court is mindful that jury service, while essential to our system of law, does sometimes present an inconvenience to those summoned.

The court is responsible for collection of monies owed for all traffic tickets, parking tickets, misdemeanors, and code violations. Due to the court's continued aggressive collections program, the 44th District Court has one of the highest collections and case closure rates in the State of Michigan. There is a maxim that a fine is not a punishment until it is collected. This court believes that. Failure to aggressively pursue those who owe fines and costs can result in diminished respect for the rule of law and possible re-offending. The court utilizes several proven strategies to compel compliance.

The 44th District Court has implemented numerous technological initiatives to serve the community. In 2020, we began utilizing virtual technology (Zoom & YouTube) to conduct courtroom proceedings. The court's webpage provides in-depth information about court services: filing civil cases, paying fines and costs, daily docket search, case look up, virtual courtroom links, court statistics and online request for a marriage ceremony. The court's Facebook page shares an array of judicial/legal information relevant to the citizens of Michigan. The court has implemented reminders application to remind parties via text message of hearing and payment dates. The court plans to implement E-filing in the near future.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goals:

1. To provide a fair venue for resolving traffic and ordinance, civil, criminal, small claims, and landlord/tenant legal disputes.
2. To provide a courteous, safe and customer friendly environment for all persons entering the facility.
3. To provide efficient, courteous service to citizens summoned to jury duty, remaining mindful that we are taking people from their daily routines.
4. To utilize innovative strategies to compel compliance from persons who owe fines and costs.
5. To assist judges with sentencing by providing thorough reports and professional analysis which will provide persons sentenced to probation with a range of rehabilitation services designed to minimize re-offending.
6. To continue to look for opportunities to employ technology to better serve our customers.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives & Performance Measures:

- For detailed information and performance measures, visit the court's website available at:

DEPARTMENTAL ORGANIZATIONAL CHART

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Department requested to add three new full-time positions: 2 court clerks and 1 probation officer. In an effort to encourage employee retention, the court is gradually transitioning more employees into full-time positions.
- Increase in budgeted temporary wages due to increasing anticipated hours for the existing part-time accountant and existing part-time magistrates, as well as the addition of a clerk for the new district judge.
- A drug court probation officer is budgeted for \$70,000 in fiscal year 2023-24 as grant funding is anticipated.
- Contracted worker services are budgeted at \$50,000 for fiscal year 2022-23 to cover Sober Link alcohol testing for persons in phase I of the Hybrid Alcohol / Drug Treatment Court (HADTC) specialty court program. These expenditures are reimbursed by the drug court grant.

- Contracted judges' services are budgeted to decrease by 75% due to less need for visiting judges' services post-COVID-19 pandemic.
- Printing & document duplicating budget is increasing 50% due to an anticipated increase in in-house printing
- Postage & mailing services budget is increasing 18% due to an anticipated increase in caseload mailings.

MISSION STATEMENT

The mission of the city manager is to efficiently and effectively manage the delivery of the city's services as established by the mayor and the city commission's goals, objectives and policies and as prescribed by the city charter.

OVERVIEW

The city manager's office works with all elected officials, departments heads, and the community to implement the vision, strategic plan and other documents that guide the city into the future. The office works to develop the city commission agenda, manages a variety of policy initiatives, analytical work, communication, programs and special projects. Staff also serve as a conduit between the community, non-profits, businesses, and other groups with the city and elected officials.

The city manager is the chief administrative officer of the city. The manager is chosen by the commission based on their executive and administrative qualifications, in addition to other criteria described in the city charter. The city manager is responsible to the commission for the proper administration of the affairs of the city and makes most appointments, including the heads of departments. The city manager is required to be present at all meetings of the commission and be present at meetings of its committees and to take part in discussions but has no vote. The city manager oversees all departments within the city except for the city attorney, city clerk, library director, and the 44th District Court which are separated by the charter. The general operations, finances, and maintenance of city spaces and facilities all report through the city manager's office.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Provide organizational leadership in the delivery of services.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024 - FY 2026: Monitors the implementation of the city's strategic plan, aging in place plan and the sustainability and climate action plan. Provides additional support and resources as needed.*
- *FY 2024 - FY 2026: Implement policy direction of the city commission.*

Performance Measures:

- *Staff will provide quarterly updates regarding the strategic plan, aging in place plan and the sustainability and climate action plan.*

Long-term Goal 2: To proactively promote meaningful, and open communication to internal and external audiences.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024: Complete a community engagement to learn more about how we can improve our communications strategies.*
- *FY 2024: Establish benchmark goals for social media engagement, and other communications collateral to assess how well it is reaching our intended audience.*
- *FY 2024 - FY 2026: Generate positive news coverage of Royal Oak.*
- *FY 2024 - FY 2026: Utilize the PEER Team to improve internal communications between city leadership and employees.*

Performance Measures:

- *Earlier this year the PEER Team and HR began a bi-monthly newsletter, which features content from the city manager's office.*

Long-term Goal 3: To maintain, replace and enhance Royal Oak's infrastructure, parks and facilities to promote efficient, environmentally responsible, and sustainable delivery of municipal services.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *FY 2024: Complete due diligence for the proposed new Royal Oak Animal Shelter.*
- *FY 2024 - FY 2025: To complete a new animal shelter.*
- *FY 2024 - FY 2026: To spend the American Rescue Plan Act funds on improvements in accordance with the city commissions priorities.*

Performance Measures:

- *Ongoing - Completion of projects as noted on the CIP schedule.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Department request for a management analyst / special projects coordinator position to initially be focused on providing support for the sustainability and climate action plan (S-CAP), aging in place plan, and the human rights commission. The city manager's office has seen an increase in the number of projects and programs over the past two years. Additionally, several groups have asked for a higher level of staff time to support commission priorities.
- Additional training funds have been allocated in order for the additional employee to receive professional development similar to other employees in the office.
- Generally, the costs of goods, services and memberships have increased so there are some minor adjustments for that in multiple categories.

Royal Oak ELECTIONS

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the election's division is to conduct elections in an effective and ethical manner meeting the requirements of the federal and state election law and the city charter.

OVERVIEW

The elections division of the city clerk's office maintains the city's qualified voter file (QVF) for the State of Michigan and is responsible for the conduct of elections in the city.

This division provides service to the community by maintaining a permanent absentee voter list and automatically mailing absentee applications to those voters, as requested. Promoting the new election changes with the passage of 22-2 that voters approved in November of 2022. Such changes include early voting, voting rights, and a new application to request a ballot for all elections.

For an election cycle, the division sends ID cards to new voters, mails out absentee applications and ballots to those who have requested to be on the permanent absentee voter list and orders election supplies. Prior to every election we participate with the county for a mock election to verify the accuracy of results. We prepare tabulators, ADA equipment, ballot boxes and supply boxes for each precinct.

The city clerk's office uploads election information onto laptops used at the precincts. Staff verifies candidate and ordinance petitions to be placed on the ballots. Voter lists are prepared as requested by candidates including specific election data and daily lists that are sent to them electronically. Training is conducted for all election workers prior to every election to assure compliance with all applicable election laws.

The clerk oversees all election day activities to make sure elections run smoothly. Election results are processed and sent via modem to the county. Once election results have been tabulated, voter history is uploaded into the QVF software system.

Voter registration drives are conducted with cooperation of Royal Oak High School (ROHS). The same is done with the nursing homes located within the city.

This office also helps ROHS with their mock elections by providing voting booths for students. Students are also hired for higher turnout elections, such as even year elections. This gives them a better understanding of the election process.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Successful implementation of early voting this year by keeping informed of relevant legislation and procedures. Continue to work with the Secretary of State and legislators to improve election processes and transparency.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024: Continuing partnership with Oakland County to tabulate absentee ballots. Absentee ballot results are now available on the website prior to 9pm while partnering with them.*

Performance Measures:

- *Ongoing*

Long-term Goal 2: Public outreach to improve transparency in elections.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024: Using community engagement for all social media platforms including our website to make sure information given to voters is correct.*
- *FY 2024: Continue having audits conducted by Oakland County Elections and the State Bureau of Elections to show transparency and results of elections.*

Performance Measures:

- *Ongoing*

Long-term Goal 3: Expand our pool of election inspectors for upcoming elections

Strategic Plan Alignment: Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024: Using community engagement for all social media platforms including our website to contact prospective election workers.*

Performance Measures:

- *Ongoing*

Long-term Goal 4: Creating innovative programs and solutions for the best service delivery.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024: Networking with other clerks, legislators, and attending relevant election meetings.*

Performance Measures:

- *Ongoing*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Department request to add a new full-time election assistant to help with early voting.
- Increase in requested personnel costs due to increased staffing needs for early voting sites, which will need to be open 9 days prior to every election. Additional guidelines are forthcoming from the State of Michigan.
- Increase in budgeted election supplies, such as A/V ballot envelopes and new applications, which will be mailed to those residents that wish to be added to a permanent ballot mailing list.
- Increase in budgeted election equipment to purchase additional voting equipment for the additional early voting location(s).

MISSION STATEMENT

The mission of the finance department is to provide accurate and timely financial services for the City of Royal Oak in the most efficient manner possible.

OVERVIEW

The Director of Finance has the responsibility of the administration of the financial affairs of the City as they relate to the keeping of accounts and financial records and the disbursement of City funds.

The short-term and long-term financial planning, cost allocation, labor contract costing, budget preparation and capital improvement plan coordination are performed by the finance department. The budget is prepared in accordance with the City charter and the state's Uniform Budgeting Act. The budget function includes all the personnel costing, cost allocation, monitoring, amendments, forecasts, and various financial reports.

The department accounts for approximately 50 funds and 125 cost centers, utilizing 15 different banking institutions. All account records are kept by the finance department showing all the financial transactions of the city including cash receipts, cash disbursements, revenues accrued, and liabilities incurred, and all transactions affecting the acquisition, custody, and disposition of city property and make such reports of the financial transactions and conditions of the city as required by law, ordinance, or resolution. The ACFR (Annual Comprehensive Financial Report) and compliance (financial) reports for state and federal purposes are prepared by the department as well.

Centralized accounts payable and payroll processing functions are performed within the department.

The department supports other City departments with their purchases by providing assistance with bid and quotation solicitation and review of responses for the procurement of goods and services and purchase order processing. The procurement process is largely centralized to assist the various departments city-wide and includes one purchasing agent position within the finance department.

In accordance with the city ordinance, the Director of Finance serves as the secretary, treasurer and chief administrative officer for the retirement system and the custodian of its assets. The department is responsible for the preparation of estimated and final pension benefit calculations, monthly pension benefit payments, day-to-day administration of the system and provides all of the data for the actuarial valuations. The Director of Finance also serves as the administrator to other retiree benefit plans.

The sale of municipal bonds and the maintenance of bond service payments are administered within the department along with the development of utility (water and sewage disposal) rates, various financial reports, certain aspects of risk management and assistance with grant reporting.

The Director of Finance is responsible for the other fiscal related functions such as the treasury and assessing departments.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Accurately and timely record all financial transactions as to provide the best financial information to the city commission, city manager, residents, and other users; continue to earn the GFOA Certificate of Achievement for Excellence in Financial Reporting.

Strategic Plan Alignment: Long-Term Fiscal Health

Short-term Objectives:

- *Annually: Produce a budget document that complies with and qualifies for the GFOA Distinguished Budget Presentation Award*
- *Annually: Produce an Annual Comprehensive Financial Report that complies with and qualifies for the GFOA Certificate of Achievement for Excellence in Financial Reporting*

Performance Measures:

- *Ongoing - the City has received the GFOA Distinguished Budget Presentation Award for the past 15 years.*
- *Ongoing - the City has received the GFOA Certificate of Achievement for Excellence in Financial Reporting for the many years.*

Long-term Goal 2: Advance the transparency available in the City's financial records.

Strategic Plan Alignment: Long-Term Fiscal Health

Short-term Objectives:

- *FY 2023 - 2024: Partner with OpenGov to produce an interactive, online budget book.*
- *FY 2024: Develop a transparency dashboard through the OpenGov platform to allow easy access to key data points through an integrated database.*

Performance Measures:

- *Completed - the first online budget book has been produced for the 2023-2024 fiscal year.*

Long-term Goal 3: Leverage the City's current financial software to implement paperless processes for vendor payments, purchase orders, procurement and other functions.

Strategic Plan Alignment: Long-Term Fiscal Health

Short-term Objectives:

- *FY 2024: Implement electronic routing and approval of invoices and purchase orders for more efficient vendor payment processing.*
- *FY 2024: Explore OpenGov procurement module for streamlined bid processes and access to wider contractor networks to ensure favorable and responsible pricing on purchases.*

Performance Measures:

- *Ongoing - Electronic invoice approval has been beta-tested with the Library. Finance anticipates rolling this out to all departments in the fall of 2024.*

RETURN TO OPERATING BUDGETS SUMMARY PAGE

Royal Oak

ASSESSING DEPARTMENT

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the assessor's office is to annually provide the residents and property owners of Royal Oak with fair and equitable assessments; provide information to the general public that is accurate and reliable and mindful; provide information to other city departments efficiently and allowing them to better perform their duties; provide all of these services in a professional and courteous manner which complies with the Charter of the City of Royal Oak and the constitution and laws of the State of Michigan.

OVERVIEW

The assessor's office uniformly and accurately values all taxable property in the City of Royal Oak. The office is responsible for preparing the assessment rolls and tax rolls of the city for all classes of property subject to taxation. The state constitution and statutes require that, notwithstanding any other provision of law, the assessed values placed upon the assessment roll shall be at 50 percent of true cash value.

Passed by the voters in March of 1994, Proposal A placed additional limits on values used to compute property taxes. Starting in 1995, property taxes were calculated using "taxable value". This value is capped by the inflation rate multiplier until a property transfers ownership. Prior to Proposal A, taxes were calculated on the "State Equalized Value" (SEV). This value represents market or true cash value and changed annually regardless of changes in ownership.

The office is a valuable source of information for the public, maintaining data on each parcel of property in the city. This includes plat maps and record cards for over 26,000 real property parcels. Additionally, an outside vendor, by contract, maintains approximately 2,000 personal property parcels. The total parcels

include these ad valorem parcels, Industrial Facilities Tax (IFT), Tax Increment Financing Authority (TIFA), Downtown Development Authority (DDA) and Brownfield Redevelopment Authority properties.

The Assessor determines eligibility of qualified residents for the disabled veteran exemption. A Michigan resident who owns and occupies a residence must be deemed by the Veterans Administration as 100% totally and permanently disabled or have specially adapted housing or been rated as individually unemployable. If qualified, the veteran is exempt from the collection of taxes. The exemption must be applied for on an annual basis.

Another function of the assessor's office is to record, maintain and edit the status of each parcel of property in the city to determine whether it qualifies for a "principal residence exemption" for a portion of school tax. The office also analyzes deeds and affidavits on every transferred property within the city that would trigger an "uncapping" of taxable value in accordance with Proposal A.

The administration of land divisions and combinations is the responsibility of the city assessor while coordinating review efforts with planning, building, engineering, and treasury through completion with the Oakland County Land Division and the Land and Address Management System. The assessor assists and guides the property owner through the process. This procedure includes plat and condominium developments.

Change of assessment notices are mailed in February of each year and taxpayers are given the opportunity to protest their assessment before the city's board of review in March. The board of review is composed of six city residents, forming two boards working as one, appointed by the commission for two-year terms. The board has the discretion and authority to make adjustments to an individual's assessment if warranted.

General property tax law also provides for a special meeting of the board of review to be held on specific days in July and December for the purpose of correcting clerical errors or mutual mistakes of fact.

With the legal assistance of quality, professional outside counsel, the assessor's office is able to settle, dismiss, and defend the tax tribunal appeals that are brought against the city.

On or before the first day of July of each year, the city assessor delivers a certified copy of the assessment roll on which the city tax has been apportioned and spread, with the warrant annexed to the city treasurer.

The assessments are utilized with the millage rates adopted by the various taxing authorities (Oakland County Operating, Oakland County Parks & Recreation, Zoological Authority, Art Institute Authority, Public Transportation Authority, Huron-Clinton Metropolitan Authority, Berkley, Clawson and Royal Oak Schools, Oakland Community College, Oakland Schools ISD) to generate tax revenues for the authorities within the city's boundaries.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal #1: Review and prepare for Michigan State Tax Commission Assessment Roll Audits (every 5 years).

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objective(s):

- *Develop and document land values and economic condition factors for each class of property.*
- *Maintain/update a published policy making the assessor's office reasonably accessible to taxpayers.*
- *Maintain and provide online access to records for taxpayers.*
- *Maintain personal property records and conduct an annual personal property canvass.*

Performance Measures:

- *To be completed annually.*

Long-term Goal #2: Update written procedures and records for all types of real and personal property exemptions.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objective(s):

- *Create and manage an adequate process for determining whether to grant or deny exemptions.*

Performance Measures:

- *Ongoing – During FY 2022, wrote procedures according to statutory requirements. Update exempt property applications as received.*

Long-term Goal #3: Create electronic computer sketches of all properties.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objective(s):

- *Commercial and Residential appraisers review old hand drawn sketches of building(s) and create and load new computer designed sketch in BS&A.*

Performance Measures:

- *Ongoing - Completed over 3,000 sketches during FY 2022.*

Long-term Goal #4: Review all residential, commercial, industrial sales and update record cards.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objective(s):

- *Attempt to visit property and interview owner for verification of sale information.*
- *Ensure accurate record card information for correct values and uncappings.*

Performance Measures:

- *Ongoing - Completed over 2,400 sale reviews in FY 21/22.*

Long-term Goal #5: Update photographs on residential property record cards.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objective(s):

- *Computer generated list of properties with old photographs.*
- *Update photographs that are needed for residential properties in a systematic manner.*

Performance Measures:

- *Ongoing - Completed over 4,000 sale reviews and site visits in FY 21/22 and updated photographs.*

Long-term Goal #6: Provide continuous educational opportunities.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objective(s):

- *Provide continuous education for certified staff. Provide that support staff and board of review members are sufficiently trained to respond to taxpayer's inquiries.*

Performance Measures:

- *Ongoing - Complete required hours annually to gain/retain certification levels, training, updates required and approved by the STC.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Sale values trend higher than assessments due to home updates performed without a permit, and complete review is the only means of correct assessments that keeps the city in compliance with State Tax Commission (STC) standards.
- The next STC AMAR (Audit of Minimum Assessing Requirements) review is scheduled for 2027 and the STC recommends that 20% of all parcels be reviewed annually and the city has 26,000 residential parcels.
- Appraisers share responsibilities for new construction, renovations, demolitions, and annual sales review for accurate assessments and proper taxable values.
- As part of the city's succession planning strategy, personnel costs are budgeted to include a one-month overlap in the city assessor position in fiscal year 2023-24 due to the anticipated retirement of the current city assessor in the fall of 2023.
- The department would like to fill one or two part-time positions with interns to help with photographs and sketches.

- Contracted worker services are budgeted to decrease by 17% due to potential decrease in personal property from small business taxpayer exemption and a potential decrease in the number Michigan Tax Tribunal (MTT) appeals cases.

Royal Oak CITY ATTORNEY

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the City of Royal Oak attorney's office is to promote responsible government by providing highly professional legal counsel to the city commission, city departments, boards and committees, and city employees in all matters relating to any official duties.

OVERVIEW

The city attorney's office is established by the Royal Oak Charter (chapter III, section 22). The city attorney is appointed by and is directly responsible to the city commission. The attorney serves as the legal adviser and counsel for the city and for all officers and departments in all matters relating to their official duties and performs such other duties as may be imposed by the commission, either by ordinance or resolution.

The city attorney prepares and reviews contracts, ordinances, resolutions, and agreements, and handles legal issues involving planning, zoning, building inspections, procurement, employment law, open meetings law, access to public records, authority matters, public safety, the U.S. and Michigan Constitutions, provides day-to-day legal advice on the business of the city, and manages all civil litigation for the city.

The city attorney's office is also an integral part of the criminal justice system, working with the police and code enforcement departments in the prosecution of misdemeanors and civil infractions in the district court.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Provide effective and efficient legal services to the city commission, city boards and commissions, and city staff.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024 - 2026: Continue to create document templates for city staff for use in their daily operations.*
- *FY 2024 - 2026: Add a transactional attorney to assist with the increasing number of legal service requests made by the city commission, city boards and commissions and city staff.*
- *FY 2024 - 2026: Attend legal seminars and webinars to increase the City Attorney's Office staff's legal knowledge and skills.*

Performance Measures:

- *Ongoing*

Long-term Goal 2: Enforce City codes and ordinances to protect the safety of the public.

Strategic Plan Alignment: Safe, Healthy and Just City

Short-term Objectives:

- *FY 2024 - 2026: Assist the Police, Fire and Code Enforcement Departments with inquiries related to the state laws and city ordinances each is responsible for administering and enforcing.*
- *FY 2024 - 2026: Provide legal training to these departments when new laws or court decisions impact their operations.*
- *FY 2024 - 2026: Assist with reviewing and amending city code provisions to comply with the current state and federal law.*

Performance Measures:

- *Ongoing*

RETURN TO OPERATING BUDGETS SUMMARY PAGE

MISSION STATEMENT

The mission of the city's clerk's office is to successfully serve the public and city commission as prescribed by federal and state law and the city charter, in addition to providing high quality customer service to residents.

OVERVIEW

Pursuant to the city charter, the city clerk is the clerk of the city commission and with the mayor, signs and attests all ordinances; and keeps a journal of record of the city commission's proceedings. In addition, the city clerk performs such other duties as are prescribed by the charter, the general laws of the state, or by the city commission.

Such duties include the posting of meeting notices, records and transcribe minutes for official city commission meetings and workshops in accordance with the Open Meetings Act. The office prepares minutes for the following meetings: city commission, charter review, civil service, fire civil service commission and rules committee. The clerk's office is the keeper of official city records, processes freedom of information requests and serves as a notary public for city business.

The clerk's office provides birth and death certificates, dog licenses, dog park passes, bike licenses, valet licenses, special event permits, parking station permits, solicitation/peddler permits, dream cruise permits, residential parking permits; processes SDD/SDM and class C liquor license renewals, publishes legal notices, sends updates of all ordinances to general code for codification; processes applications from residents who want to serve on city boards and committees maintaining a list of qualified candidates.

A do not knock list was established in December of 2012 in which the city clerk's office continues to keep track of.

Since 2014, the office has been utilizing the electronic death registry system through the State of Michigan in which death certificates are e-filed.

In 2016, all city commission minutes were scanned and are now word searchable on the city's website for anyone to be able to view.

In 2019, online forms were created for birth and death certificates, dog licenses, dog park passes and residential parking permits. Anyone may now apply and pay for these items online and no longer need to come into the clerk's office.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: To effectively administer the clerk office license and permit process while providing excellent customer service

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024: Process permits in a timely manner and work closely with those departments who need to sign off on the permits.*

Performance Measures:

- *Ongoing*

Long-term Goal 2: To provide efficient official record keeping by the use of technology, while keeping records safe and accessible

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives: To provide efficient official record keeping by use of technology, while keeping records safe and accessible

- *FY 2024: Utilizing our document imaging system for all paper agreements, licensing, and vital records.*

Performance Measures:

- *Ongoing*

Long-term Goal 3: Make sure that all online forms for permits and applications have fillable forms and online payment options

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024: Using Seamless docs to continue implementation of all new forms and payments.*

Performance Measures:

- *Ongoing*

MISSION STATEMENT

The mission of the human resources department (HR) is to provide our customers – management, employees, retirees, applicants, and the general public – with efficient, effective and courteous human resources services within legal, professional and ethical parameters.

OVERVIEW

The department coordinates and administers the recruitment, screening, selection, and on-boarding of new employees, consistent with federal and state laws and local civil service ordinance. It manages the classification, promotion, transfer, and evaluation of employees consistent with union contract provisions, civil service rules and city goals and objectives.

HR administers compensation and benefit plans for employees consistent with contract provisions and applicable laws, including leave benefits, tuition reimbursement, deferred compensation, and special pays. This includes 56 different health plans that provide health, dental, vision, life and supplemental insurance for all employees and retirees including monthly billings, liaison duties with providers, and processing of employee/retiree status changes, including Medicare A, B & D (dependents and beneficiaries, etc.). The office maintains applicant, employee, and retiree records.

HR assists in negotiating, interpreting, and administering nine (9) union contracts, resolving grievances, and participating in Act 312 and grievance arbitration.

HR provides counseling and assistance to department heads and employees relevant to personnel issues and coordinates/facilitates training to meet department and city needs.

The department reports and/or monitors workers' compensation and unemployment compensation claims with third party administrators; ensures compliance with the Affordable Care Act, Family and Medical Leave Act, MIOSHA, accident/injury policies and procedures, and collective bargaining agreements; performs liaison duties with workers' compensation clinics for employee injuries, new hire physicals and DOT drug testing program and requirements.

HR develops, distributes, and monitors city policies such as sexual harassment, EEO, ADA, Family and Medical Leave Act, workplace violence, employee assistance, drug free workplace, nepotism, etc. The human resources department staffs the civil service board and fire civil service commission. It also provides representation to safety committees and the city-sponsored health and wellness center.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: To provide support to the internal environment with tools to deliver services as efficiently and effectively as possible.

Strategic Plan Alignment: Safe, Healthy and Just City

Short-term Objectives:

- *FY 2024 - 2026: Institute new customer service training program with measurable program outcomes.*

Performance Measures:

- *Ongoing - Customer service training scheduled for Spring 2023.*

Long-term Goal 2: Being an employer of choice that offers flexibility and creative operating solutions.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024 - 2026: Incentivize employee physical health assessments to play an active supporting role in their health & well-being.*
- *FY 2024 - 2026: Develop plan document outlining several options to be presented to the City Manager.*
- *FY 2024 - 2026: To provide equitable and cost-effective benefit packages for the city's workforce.*
- *FY 2024 - 2026: Promoting non-discriminatory and ethical personnel actions and policy decisions.*
- *FY 2024 - 2026: Complete targeted compensation surveys for those departments or positions where difficulties in filling vacancies has been apparent.*

Performance Measures:

- Ongoing - FY 2022-2023: Flu shot and health risk assessment event on-site incentivized with gift card lottery. Proposal to incentivize employees getting health risk assessments to be made.
- Ongoing - Plan document created and discussed with City Manager. The first concepts are scheduled to be trialed in Summer 2023.
- Ongoing - Add short-term and long-term disability plans for employees, and enhanced vision benefit. Reviewing other policies such as life and retiree health.
- Ongoing - Six studies completed in FY2022 - 2023, of which five have resulted in changes for incumbents. Two more studies currently being undertaken in anticipation of attrition/future recruitment.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

TOTAL	\$705,751	\$731,074	\$757,380	\$784,710	\$813,105

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Increase in budgeted personnel costs due to pay scale increases and to transition the administrative assistant to a HR specialist position.
- Civil service examinations are budgeted to decrease 33% due to blending of some previously separate examinations, and also due to a reduction in the number entry-level job applicants.

- Medical services are budgeted to increase 17% due to current increase in the hiring of police and fire employees, who require more costly pre-employment medical examinations and evaluations.
- Employee recognition awards are budgeted to increase in an effort to restart this program, which was intentionally discontinued during the COVID-19 pandemic.

MISSION STATEMENT

The general administration cost center records charges that are general fund responsibilities but are not specifically assigned to any user due to their subjective nature.

OVERVIEW

Administrative charges for non-specific items are recorded here to monitor total cost. Numerous general costs expended through this cost center such as property and general liability insurance costs, information technology service charges, audit services, a portion of bank services charges, tax correction/adjustments. Also included in this cost center is the revenue sharing payment to Municipal Parking Services (MPS) related to parking violations.

Beginning in fiscal year 2017-18, the principal and interest payments for the general fund's portion of the OPEB and pension bonds are expended in this cost center.

MISSION STATEMENT

The mission of the treasurer's office is to effectively and efficiently collect, secure, invest, and disburse all city monies, which includes tax billing, water billing, accounts receivables, special assessments, parking funds, and numerous miscellaneous receivables and disbursements.

OVERVIEW

All taxes, special assessments, related property liens, and other charges accruing to the city, are collected by the city treasurer. All money received by any officer or employees of the city for or in connection with the business of the city is paid to the city treasurer and deposited to one of the approved banking institutions. The treasury office collects and redistributes property taxes for all of the various taxing authorities within the city including Oakland County, Oakland County Parks & Recreation, the Zoological Authority, the Huron-Clinton Metropolitan Authority, Berkley, Clawson and Royal Oak Schools, Oakland Community College, Oakland Schools ISD.

In addition, the office handles all accounts receivable billings, water/sewer, utility billing and collection of receipts, rehab loan billing and accounting, parking passes and permits, the collection, balancing and accounting for city revenues collected by the cashier and the reconciliation and posting of all revenues collected at off-site locations including the Library, DPW, Recreation, Ice Arena, Farmer's Market, and Police & Fire departments.

The treasurer is responsible for cash management: investing and tracking investments of city funds, the strategic planning of investments to cover regular monthly planned expenditures, such as accounts payable, payroll and retirement, as well as cash flow planning for less-regular expenditures, such as large construction contract or semi-annual bond payments.

The office has continued to add value to the city's investment portfolio through diversification and has worked diligently to improve the yield of the investments while maintaining the safety of principal. This department consistently looks for ways to offer better services and a more effective use of funds through a greater use of bank products and services and improved technology.

Royal Oak property owners have the option of paying tax bills and water bills online with a credit card, debit card or e-check from the city website. The city's current online payment processor is "Invoice Cloud." In addition, permits, miscellaneous invoiced amounts, and special assessments can be paid online. These electronic payment programs have been tremendously popular. Almost 4,800 property owners, or more than 1/3 of the owners without a tax escrow, use electronic payments to pay their tax bill. Over 9,000 water customers, or over 38% of the total customer base, use electronic payments to pay their water utility bill.

For improved customer service, treasury has worked to expand the acceptance of bill pay and other services for receivables payments. Currently, customers can pay CDBG rehab loans by bill pay or ACH processing. City Clerk customers can use Seamless-Docs online to pay for birth and death records, dog licenses, business licenses and other charges.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Provide accurate and timely treasury services.

Strategic Plan Alignment: Efficient and Effective services

Short-term Objectives:

- *FY 2024: Develop treasury processes to improve workflow and/or reduce costs.*
- *FY 2024: Expand and improve upon 24/7 online access to bills and payments required by residents.*
- *FY 2024 - 2026: Provide accurate and up-to-date information to title/mortgage servicing companies at a reasonable price.*
- *FY 2024 - 2026: Have staff regularly attend available online and other classes related to their function offered by Michigan Municipal Treasurers Association (MMTA), BS&A Software, and The Association of Public Treasurers of the United States and Canada (APTUSC).*
- *FY 2024 - 2026: Improve efficiencies in handling non-tax/water receivables with other departments.*

Performance Measures:

- *Ongoing - Improvements to processes and accessibility*

Long-term Goal 2: Maximize investment returns while being mindful of cashflow needs.

Strategic Plan Alignment: Long-Term Fiscal Health

Short-term Objectives:

- *FY 2024 - 2026: Increase investment returns while preserving capital safety.*
- *FY 2024 - 2026: Manage cash flow to coincide with cyclical cash needs, capital plans, and long-range planning.*
- *FY 2024 - 2026: Decrease overall investment risk by Increasing the approved pool of vendors and investment options.*

Performance Measures:

- *Ongoing - Monitoring of market changes and review of results compared to market indicators.*

Long-term Goal 3: Provide a resource desk for visitors to City Hall and calls for service.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community

Short-term Objectives:

- *FY 2024: Train the cashier to triage multi-department questions while providing a welcoming, engaged, and informed face to the public.*
- *FY 2024: Assist in development of a welcome package for new homeowners and residents with general navigational information.*
- *FY 2024 - 2026: Increase online information for new residents, realtors, and title companies on tax year and water billing cycles and notifications for ownership or tenancy changes.*
- *FY 2024 - 2026: Develop resource material for tax and water customers in multiple languages.*

Performance Measures:

- *Ongoing - Development of clearer and more consistent communication with the public*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Personnel costs - budgeted to decrease slightly due to newer employees with lower starting wages and health insurance elections.
- Postage and mailing services are budgeted to increase 5% due to an increase in postage rates as of January 2023.
- Training and travel costs are budgeted to increase slightly due to sending two staff members to the Michigan Municipal Treasurers' Association conference in 2023-24.

CITY OFFICE BUILDING

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The city office building cost center records the operating, repair, and maintenance charges for the city hall.

OVERVIEW

The city office building budget includes city hall building costs, under the city engineer, for all departments.

Building costs primarily involve external vendors. The largest operating costs are utilities (electric, gas, and water), postage, janitorial service, and supplies. Repairs and maintenance costs include building trades (HVAC, plumbing, electrical, elevator).

BUDGET SUMMARY - EXPENDITURES

City Office Building Expenses

TOTAL	\$308,164	\$321,042	\$334,588	\$348,842	\$363,847

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Personnel costs are increasing due to having a 3% allocation of a new Operations Manager full-time position request included in fiscal year 2023-2024.
- +\$40,000 increase in postage & mailing services to better reflect actual spending (Note: fiscal year 2021-2022 was the first year that postage for elections and the courthouse were moved out of this cost center and directly budgeted within their respective departments. The estimated remaining budget for this cost center was set too low in fiscal year 2023 as a result.)
- -\$27,000 decrease in miscellaneous contracted services due to a one-time expense in fiscal year 2023 for renewable energy consultants / facility study (for all city-owned buildings) related to the city's Sustainability and Climate Action Plan (S-CAP).

MISSION STATEMENT

The mission of the parks and forestry division is to build and maintain all city owned parks, playgrounds, athletic fields, open spaces, and the public trees; maintaining the urban forest, so that they are a source of pride and enjoyment for residents and visitors alike.

OVERVIEW

The parks and forestry division of the department of public service is responsible for the 51 parks, including a dog park on the east side, and playgrounds throughout the City of Royal Oak with a combined acreage exceeding 350 acres.

The division maintains baseball, volleyball, football, and soccer venues; basketball and tennis courts; picnic areas; and walking trails, signs, lighting, and parking.

Although the city's namesake, the original Royal Oak, no longer lives, the forestry section is responsible for over 23,000 trees.

These include trees in the parks, central business district, parkways and easement areas of roads, golf courses, cemetery and city owned open spaces (e.g., around the library).

During the growing season, duties include removing dangerous or fallen branches and debris, cutting grass, controlling park weeds, and tending streetscapes and banners. When these services are performed on behalf of another department or fund, that cost center is charged directly for the costs incurred.

The city's recreation division (fund 508) puts on all programs in the parks.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Expedite improvements at park and recreation facilities, as informed by the five-year parks recreations master plan.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Construct significant improvements at two parks annually.*
- *Improve 2-3 field surfaces annually.*
- *Repair and/or resurface two tennis courts annually.*

Performance Measures:

- *Ongoing - projects have been included in the annual Capital Improvement Plan (CIP).*
- *Ongoing - FY2023-24 includes \$200,000 for tennis and pickleball court repairs and improvements.*

Long-term Goal 2: Improve aesthetics and safety through implementation of an accessible and trackable maintenance reporting process for park users.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Install QR-code placards at locations within parks and recreation facilities that link directly to the city's mobile reporting process.*

Performance Measures:

- *Ongoing*

Long-term Goal 3: Support Sustainability and Climate Action Plan (S-CAP) green space goals through continual park reforestation.

Strategic Plan Alignment: Environmental Leadership

Short-term Objectives:

- *Plant 50-100 trees in parks annually.*

Performance Measures:

- *Ongoing*

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE
SUMMARIZED AT THIS LINK.**

TOTAL	\$2,449,744	\$5,167,716	\$7,012,118	\$6,208,698	\$5,307,580

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

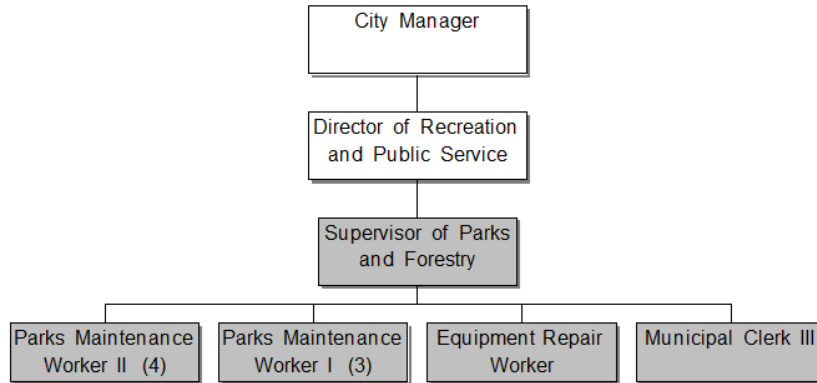

- The new Parks, Recreation, Forestry, Playgrounds and Animal Shelter millage, first levied in December 2022, is estimated to raise approximately \$2,198,100 in fiscal year 2023-24 to support critical park operations and capital improvements, currently funded through the parks and forestry division of the department of public services.
- Personnel costs are increasing due to having a 12% allocation of a new Recreation Director full-time position request, beginning January 2024, in fiscal year 2023-24 and due to having a higher allocation of DPS staff included to better reflect actual time worked with the recent addition of new parks. The increase also allows for potential merit increases for those staff not currently at the top of their respective pay scale ranges.
- +\$60,000 increase water costs due to the addition of the large compound meter located at Centennial Commons Park for the splashpad zone and due to increased usage at Normandy Oaks Park.
- -\$28,000 decrease in contracted worker services due to the parks and recreation master plan being completed during fiscal year 2022-23.
- +\$34,900 increase in motor pool rental charges due to increased depreciation charges from recently replaced vehicles and equipment and due to expecting

more usage.

- The following projects, totaling \$934,380, were included in the annual Capital Improvement Plan (CIP) and have been budgeted in this cost center for fiscal year 2023-24:

- + \$200,000 tennis & pickleball court repairs and replacements
- + \$110,000 park drainage
- + \$100,000 city-wide R.O.W. tree planting
- + \$100,000 Hamer-Finch Wilkins Park development (deviates from CIP)
- + \$90,000 Memorial and Worden Park irrigation systems
- + \$75,000 Upton Park soccer field development
- + \$70,000 Memorial Park batting cage tunnel
- + \$70,000 Kenwood Park basketball & tennis court improvements
- + \$50,000 bicycle racks and repair stations
- + \$47,500 Salter Center circle drive and ADA parking
- + \$21,880 Royal Oak Arboretum improvements

BUILDING MAINTENANCE

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the building maintenance cost center is to provide quality building repairs in a timely manner and to perform all city operations as efficiently and effectively as possible.

OVERVIEW

The building maintenance budget is under the director of public services. Personnel costs are for full-time DPS workers.

See also the general fund's city hall building (265) cost center for other charges for city hall operations, repairs, and maintenance.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal: Improve service request communication and response times.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *Implement an inter-departmental maintenance request portal for staff using existing software.*

Performance Measures:

- *Ongoing - to be implemented during FY2023-24.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Personnel costs are increasing due to having a slightly higher allocation of the city electrician costed to this department than in fiscal year 2022-23 and due to a \$5,000 increase in overtime wages due to increased work/projects anticipated next year.
- +\$1,990 increase in motor pool rental charges due to an increase in depreciation charges from a recently replaced vehicle.

Royal Oak

ORDINANCE ENFORCEMENT

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the ordinance enforcement division of the building department is to enforce City of Royal Oak ordinances that address commercial and residential property maintenance, merchant licensing, and public health and safety issues; and to perform regular checks of all apartments, hotels, motels, and houses offered for rent within the city.

OVERVIEW

The ordinance enforcement division inspects commercial and residential buildings for property maintenance violations. Inspectors enforce local ordinances addressing problems such as blight, weeds, unlicensed/inoperable vehicles, and other issues that may have a negative effect on property values. The ordinance enforcement division learns of these issues by responding to complaints in addition to proactively seeking violations.

The building department consists of two divisions: building inspection and ordinance enforcement. The building inspection-related costs are reflected in the State Construction Code Fund.

RETURN TO OPERATING BUDGETS SUMMARY PAGE

MISSION STATEMENT

The mission of the planning division of the community development department is to pro-actively oversee the physical and economic development of the city, in particular those areas under private ownership.

OVERVIEW

In fulfilling this mission, the planning division provides administrative support to the City Commission and various advisory boards, most notably, the Planning Commission, Zoning Board of Appeals, Downtown Development Authority, Brownfield Redevelopment Authority, and the Community Development Block Grant program. The planning division also works closely with the business community and city residents, answering questions and addressing concerns in an effort to meet the needs of each within the context of the city's plans and ordinances.

The traditional role of the planning division, in the context of municipal government, involves foreseeing the various physical and economic development needs of a community and then providing for those needs through the preparation of various plans and ordinances, which may be considered for approval by elected and appointed officials.

In Royal Oak, this traditional role has been supplemented by the planning division's pro-active role and participation in the actual implementation of many physical and economic development plans or projects. This pro-active role has changed the nature of the division from a more passive one, concerned primarily with the preparation of plans, to one actively involved in every aspect of the city's physical and economic development.

A planning commission for the City of Royal Oak has been created and organized under the provisions of the Michigan Planning Enabling Act (PA No. 33 of 2008, as amended), and has the powers and duties therein specified. The Planning Commission meets monthly and is responsible for adopting and updating the city's master plan, reviewing, and recommending changes to the zoning ordinance (including the rezoning of property), granting special land use permits, reviewing appeals to the city's sign ordinance, and reviewing site plans for all development except one-family and two-family dwellings. Interested parties are advised that the planning commission requires submission of applications a minimum of six weeks prior to the meeting at which they are to be considered. This is to allow for the publication of public hearing notices required by state law and to provide ample time for staff to review applications and prepare written reports and recommendations for the Planning Commission.

All site plan applications are reviewed by a planner, as well as representatives from the building inspection, fire, engineering, and police departments. The petitioner is invited to make changes to the site plan based upon staff comments. Following any such changes, the site plan, along with written recommendations, are provided to the planning commission for formal review.

Special land use applications are reviewed by a planner and a written report is submitted to the planning commission describing the proposed use and how it may meet the requirements for granting a special land use permit in the city's zoning ordinance and state law. Applications for a special land use permit require a public hearing with notification published in a local newspaper and mailed to property owners within 300 feet of the site.

Applications for rezoning property are reviewed by a planner and a report is submitted to the planning commission describing the requested zoning district, how it may meet the requirements for a rezoning in the city's zoning ordinance and state law, and whether it is consistent with the future land use map of the city's master plan. Proposed text amendments to the city's zoning ordinance are typically prepared by staff in response to changes in state law, generally accepted planning, and zoning principles, or by the specific direction of the planning commission, city commission, or city attorney. For each proposed amendment, staff prepares draft language for review by the planning commission, whose recommendation is then forwarded to the city commission. Rezoning and text amendments require a public hearing and public notification as previously noted.

A zoning board of appeals has been created and organized under the Michigan Zoning Enabling Act (PA 110 of 2006, as amended) and is charged with hearing

requests for variances and interpretations to specific zoning ordinance provisions. It meets monthly and all appeals require a public hearing and public notification as previously noted. Staff prepares a written report of findings on all appeals detailing the city's zoning ordinance standards for which variances are being sought and how the request may meet required standards for granting a variance in the zoning ordinance and state law. Considerable staff time is spent to ensure that all information is accurate, and the appellant's intent is clear.

In addition to serving the above referenced duties, the planning division spends a great deal of time assisting both residents and businesses on questions regarding land use, zoning, and economic development. Many if not most of these inquiries and contacts do not result in items which appear on an agenda but permit citizens and business owners to better understand city ordinances and policies.

The planning division also reviews plans submitted to the building inspection department for construction permits to ensure they comply with approved site plans. For major projects, this review can take as much time to complete as the original site plan review. If such building plans are found to comply with an approved site plan, then the division marks them as "approved" and returns them to the applicant or the building inspection department. If they are not, the petitioner is advised what is needed to bring the plans into compliance. No additional application or fee is required by the planning division to complete this type of review.

Other tasks or issues involve a great deal of planning division staff time, such as new and renewed sidewalk café applications, license agreements for occupying a right-of-way and a variety of other purposes, right-of-way vacations, land divisions, liquor license requests, downtown bicycle racks, staff traffic committee meetings, zoning compliance inquiries, processing and reviewing brownfield redevelopment plans, etc.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Assist the planning commission in the develop a new Master Plan.

Strategic Plan Alignment: Vibrant Local Economy

Short-term Objectives:

- *FY 2024: Ensure that the planning commission and city's consultant follow the established contractual timeline toward completion.*

Performance Measures:

- *Ongoing - During FY 2023, arrange the appropriate number of meetings, charettes, etc.*

Long-term Goal 2: Assist the planning commission in the develop a new Zoning Ordinance / development code upon successful completion of the Master Plan.

Strategic Plan Alignment: Vibrant Local Economy

Short-term Objectives:

- *FY 2024: Assist the planning commission in soliciting a firm to write updated Zoning Ordinance / development code standards.*

Performance Measures:

- *Ongoing - Deferred beyond FY 2023, enter into contract with the selected firm and commence Zoning Ordinance updates.*

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

Royal Oak

ANIMAL PROTECTION SERVICES

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of animal protection services is to capture dangerous, rabid, and stray animals humanely and safely transport them to the animal shelter for safe keeping.

OVERVIEW

Animal protection services are supervised by the police department in the general fund. The city contracts with our neighbor for the shared services of the City of Berkley animal control officer and truck.

That officer captures dangerous or rabid animals for observation and/or treatment. They also pick up stray dogs and cats and transport them to the Royal Oak Animal Shelter for feeding and care (see fund 297).

The officer also picks dead animals from major streets with speeds over 35 mph. Residents and businesses are asked to pick up all other dead animals.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

Royal Oak ELECTRICAL

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the electrical division of the department of public service is to provide effective electrical service to the city hall.

OVERVIEW

The electrical cost center is under the director of public services and records the electrician’s personnel costs when servicing the city hall, his certification, and tool costs. His other personnel time, cost, and electric materials and supplies are charged directly to the requesting department when used elsewhere.

BUDGET SUMMARY - EXPENDITURES

Royal Oak ENGINEERING

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the engineering division is to develop and implement asset management plans and programs to allow for planning, design, and inspection of public improvements in the city while also reviewing proposed work within the public right-of-way to ensure the best interests of the city are met.

OVERVIEW

The Royal Oak engineering division is committed to providing sound, efficient and proactive engineering practices, and techniques to install and improve the city's transportation, pedestrian, water, sewer, and green infrastructure assets. Working closely with Royal Oak's other departments, the engineering staff strives to partner the needs of the various departments with those of our residents and property owners for overall commitment to a high quality of life that can be attributed to our community's infrastructure.

The division's fiscal year 2023-24 budget targets the management of available resources to meet departmental goals and responsibilities. Current budget resources are comprised primarily of dedicated non-general funding sources and fees. The engineers, engineering assistants, drafting and clerical staff recognize their responsibility to the community they serve. The division's employees are dedicated to efficiently managing infrastructure projects as well as community development requirements by assisting developers, contractors, residents, and other city personnel to provide timely and accurate directives and solutions. The Royal Oak engineering division reaffirms its commitment and looks forward to serving the Royal Oak community.

The engineering cost center in the general fund covers the costs of communicating with the public and city staff, training, and administration, and performing community development duties for plan review and permits. It also

covers oversight of the city hall building. The engineering division contributes fees from permits and plan reviews to the general fund to cover this cost center. The engineering staff charges most of their time to numerous budgets. Those charges can be direct or through capital projects, mostly affecting other funds such as the major street, local street, and the water and sewer funds.

For city infrastructure projects, engineering provides or contracts for the evaluation, planning and design efforts to handle our many systems. Those systems include alleys, streets, on- and off-street parking including lots and decks, streetscapes, sidewalks, bike facilities, traffic evaluations, signs and signals, city buildings and parks, green infrastructure, and water and sewer mains.

The engineering division also oversees the traffic committee which actively reviews traffic and pedestrian safety, as well as parking issues and recommends and implements approved actions.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Effectively and efficiently review plans for private improvements and issue engineering permits.

Strategic Plan Alignment: Vibrant Local Economy

Short-term Objectives:

- *Review plan submittals within three weeks or less.*

Performance Measures:

- *Completed - Implemented online permit applications in FY2022-23.*

Long-term Goal 2: Provide safe transportation systems to reduce and eliminate crashes.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Analyze traffic concerns, prepare recommendations for improvement, and present to Royal Oak Citizens Traffic Committee and City Commission for approval.*

Performance Measures:

- *Ongoing - Traffic committee meets six times per year.*

Long-term Goal 3: Provide utility information to developers and designers planning upgrades in the city.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Replay MISS DIG Design ticket requests within one week or less.*

Performance Measures:

- *Ongoing - No violations or complaints received about the city's response time.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Personnel costs are increasing to allow for potential merit increases for those staff not currently at the top of their respective pay scale range, to allow for a potential step promotion for one of the engineering assistants, and due to having a higher allocation of engineering staff included to better reflect actual time worked.

STREET LIGHTING

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the street lighting cost center of the department of public service is to provide street lighting that is safe, effective, and economical and that attracts residents, business, and visitors to the City of Royal Oak.

OVERVIEW

The city pays DTE Energy electrical charges for our street lighting. The DDA pays for street lighting electricity in the downtown, this cost center pays for the balance. Electricity normally makes up nearly 95% of operating costs in this cost center.

DTE Energy owns certain streetlight poles and fixtures throughout Royal Oak; the city owns the majority. At this time, nothing is scheduled to replace the city's portion of the system.

When individual light poles and fixtures are damaged and destroyed, repair or replacement costs are charged to this cost center.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Personnel costs are increasing due to having a slightly higher allocation of the city electrician costed to this department than in fiscal year 2022-23 and due to having a small allocation (1%) included for a truck driver.
- +\$72,750 increase in electricity costs (5%) relative to the fiscal year 2022-23 projected year-end, due to rising rates. However, the city is hoping to offset a more significant increase in rates and maintenance costs by converting city-owned streetlights to LED as included in the annual Capital Improvement Plan (CIP) during fiscal year 2023-24.
- \$400,000 has been budgeted for the LED Conversion project, which is included in the streets maintenance cost center of the local streets fund (203-467) for fiscal year 2023-24.

FULL-TIME AND PERMANENT PART-TIME EMPLOYEES

None

MISSION STATEMENT

The chief role of the office of economic development is to position Royal Oak as a destination for new business opportunities, while providing strategic guidance and resources to existing businesses to facilitate growth and expansion.

OVERVIEW

This department seeks to remain independent of regulatory processes and is focused on business growth, retention, and recruitment. It works in concert with community development to shepherd new business proposals and expansions while coordinating with the city attorney to draft and review all contracts and development agreements related to the same.

This office cultivates and maintains proactive relationships with private and non-profit business development partners, academic institutions, and regional economic development entities such as the Michigan Economic Development Corporation and Oakland County Economic Development and Community Affairs. When necessary, it also provides recommendations to the city commission and other bodies and boards on matters of economic development policy.

As Royal Oak undergoes a transformation of its downtown, fueled, in part, by a substantial increase in its office base, this department remains involved in supporting the current proposed developments underway while marketing new business opportunities on both public and privately held sites with the national business and development communities. Continuing the city's relationships with organizations focused upon business and real estate development is critical to providing access to these networks.

The city's proactive investment in economic development has reinforced to the business, real estate, and retail communities Royal Oak's commitment to attracting new business opportunities while fostering programs and initiatives designed to encourage growth for those who already call this city their home.

STRATEGIC PLAN AND GOALS AND OBJECTIVES

Long-term Goal 1: Being a leader in developing and applying economic development best practices.

Strategic Plan Alignment: Vibrant Local Economy / Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024 - 2026: Attend local and national economic development conferences to stay abreast of new economic development and urban planning methodologies.*
- *FY 2024 - 2026: Maintain membership with economic development organizations such as the Michigan Economic Developers Association (MEDA), the International Economic Development Council (IEDC), the Urban Land Institute (ULI) and ICSC (Innovating Commerce, Supporting Communities).*
- *FY 2024 - 2026: Share economic development and planning insights with city departments involved in the development process, as well as private and non-profit partners such as the Royal Oak Chamber of Commerce and the Downtown Development Authority.*
- *FY 2024 - 2026: Seek speaking and educational opportunities with economic development organizations to promote Royal Oak's economic development best practices.*

Performance Measures:

- *Completed - In FY 2023, this office was a speaker at the Michigan Economic Developers Association's (MEDA) annual meeting promoting Royal Oak's best practices with regard to placemaking.*
- *Completed - In FY 2023, staff accepted the position of Community Advancement Chair with ICSC Michigan to promote issues of local importance amongst municipalities as they pertain to retail and shopping center development.*
- *Ongoing - In FY 2023, this office attended economic development conferences hosted by MEDA, IEDC, ULI and IEDC and reported back to city staff best practices.*
- *Ongoing and completed - Staff has and will continue to present best practices during the city's Resident Academies to build knowledge within the community.*

Long-term Goal 2: Encourage and support commercial investment and remove internal barriers to innovative development.

Strategic Plan Alignment: Vibrant Local Economy

Short-term Objectives:

- *FY 2024 – 2026: Conduct a monthly inventory of existing office, retail, and industrial vacancies and post on romi.gov/business.*
- *FY 2024 – 2026: Communicate existing vacancies to business prospects looking to locate to Royal Oak.*
- *FY 2024 – 2026: Conduct a quarterly review of incentives and grants available at the federal, state, and county level to determine the types of assistance available to businesses locating to or residing in Royal Oak.*
- *FY 2024 – 2026: Increase communication and collaboration with Community Development to identify internal processes that negatively impact real estate development.*
- *FY 2024 – 2026: Increase dialogue with businesses that have interacted with the city's Community Development departments to identify processes that are working and processes that may need to be revised or eliminated.*
- *FY 2024 – 2026: Determine impediments to developing the Woodward and 11 Mile corridors.*

Performance Measures:

- *Completed - In FY 2023, a community benefits guideline document was created and distributed for projects requiring city entitlements.*
- *Ongoing - Monthly real estate reports are compiled via CoStar, in addition to targeted reports (over 100) created for specific business prospects.*
- *Ongoing - Responded to over 25 individualized business requests for assistance with projects experiencing delays while navigating the entitlement process.*
- *Ongoing - Each month, staff reviews incentive and grant opportunities that may be applicable for Royal Oak businesses, non-profits, and even the city itself.*
- *Ongoing - The city's economic development website is updated monthly to provide notice of new real estate opportunities, incentives/grants, and the city's latest demographic and economic statistics.*
- *Ongoing - Staff has met with businesses along Woodward Avenue and 11 Mile Road to discuss development difficulties and continues to look for funding opportunities to facilitate development; staff has provided feedback to Community Development as it revises the city's Master Plan.*
- *Ongoing - With an additional staff person, this office will increase the amount of business retention visits, especially outside of downtown.*

Long-term Goal 3: Improve relationships between local businesses and cultural and entertainment event promoters.

Strategic Plan Alignment: Vibrant local economy / Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024 – 2026: Increase communication with businesses that may or may not benefit from an approved special event within the city, and review post-event the successes or difficulties the event caused for local businesses.*
- *FY 2024 – 2026: Explore alternating locations within the city for events.*
- *FY 2024 – 2026: Explore issuing a Request for Quote (RFQ) for event and program promoters.*

Performance Measures:

- *Ongoing - Staff has coordinated infrastructure improvements to Centennial Commons which has allowed such new events as Winter Blast, the downtown ice rink, and the Royal Oak Chamber of Commerce's Royal Oak Live.*
- *Ongoing - Staff is working with an event promoter to enact amendments that would extend two of the city's largest special events for multiple years, taking into account concerns that have been voiced by the business community.*
- *Ongoing - In FY 2024, staff will be exploring issuing a Request for a Quote (RFQ) for event and program promoters.*

Long-term Goal 4: To promote Royal Oak's as a vibrant business destination locally and nationally.

Strategic Plan Alignment: Vibrant local economy / Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024 – 2026: Utilize all available methods of communication to inform the public about the status of high-impact/highly-visible projects.*
- *FY 2024 – 2026: Increase advertising of Royal Oak across all media.*
- *FY 2024 – 2026: Identify opportunities for award submissions, particularly with Royal Oak municipal projects.*
- *FY 2024 – 2026: Identify sponsorship opportunities for the city to promote itself to prospective businesses.*

Performance Measures:

- *Completed - The city received an award from CREW Detroit for the Royal Oak Civic Center project, which was named CREW's best new real estate project for 2022.*
- *Ongoing - In FY 2023, the city has placed targeted stories in Royal Oak Today, and will be advertising in Site Selection Magazine, which will be distributed at the 2023 Mackinac Policy Conference and the 2023 Brownfield Conference that will be held in Detroit, Michigan.*
- *Ongoing - Staff has participated in podcasts for the Royal Oak Chamber of Commerce promoting the city has a premier business destination, in addition to over 25 interviews with local television and print media.*

- *Ongoing - In FY 2023-24, staff will be engaging with its new communication partner, Siren Communications, to identify and take advantage of more robust advertising, sponsorship and marketing opportunities.*

Long-term Goal 5: Anyone can find a quality home that fits their needs by way of value, accessibility, price and size.

Strategic Plan Alignment: Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024 – 2026: Consider new city investments with housing developers to fill housing market gaps.*
- *FY 2024 – 2026: Identify funding opportunities pertaining to affordable/attainable housing.*

Performance Measures:

- *Ongoing - Staff has identified funding opportunities through the American Rescue Plan Act (ARPA) that can be applied in pursuit of affordable housing projects.*
- *Ongoing - Staff is working with Community Development to identify projects and developers that can complete affordable housing projects in the city.*

Long-term Goal 6: Implementing the Sustainability and Climate Action Plan (S-Cap)

Strategic Plan Alignment: Environmental Leadership

Short-term Objectives:

- *FY 2024 – 2026: Continuous evaluation on how best to support the plan through staffing and internal and community partnerships.*
- *FY 2024 – 2026: Promote the plan to developers that are building new projects or conducting significant rehabilitations in the city.*
- *FY 2024 – 2026: Develop partnerships with other organizations to help build resources that support implementation.*

Performance Measures:

- *Ongoing - Staff has recently begun meeting with the U.S. Green Building Council as it looks to create an ordinance governing future Leadership in Energy and Environmental Design (LEED) projects.*
- *Ongoing - This office has begun promoting the Sustainability Climate Action Plan (S-Cap) to businesses while on retention visits and provided a summary and presentation to the Royal Oak Chamber of Commerce.*
- *Ongoing - Staff will be coordinating with the manager's office a Sustainability Climate Action Plan (S-Cap) implementation plan to be shared with all city departments.*

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

Royal Oak

COMMUNITY ENGAGEMENT

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the community engagement division is to support opportunities for meaningful, open and respectful dialogue, opening the lines of communication between elected officials, staff and the community.

OVERVIEW

The community engagement cost center provides the city's communications and community engagement functions. Both functions are critical for the city to build and maintain trust with the public. This enables us to implement community plans more effectively.

In 2023 the city partnered with a communications firm to help improve and expand our communications efforts with a more strategic approach.

These programs including the Royal Oak Residents Academy, educational programs around the sustainability and climate action plans and the aging in place plan and our future neighborhood engagement. This division also guides our communications efforts with the assistance of a consultant, and an array of digital tools such as the website, TextMyGov, social media to reach a variety of audiences.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: To communicate with our residents, effectively and through a variety of channels.

Strategic Plan Alignment: Welcoming, Engaged and Livable Community

Short-term Objectives:

- *To enhance and streamline our communications process.*
- *To increase the accessibility of our communications channels to ensure a variety of residents and visitors can access information as measured through our accessibility score.*
- *To improve the number of subscribers for our communications tools.*
- *To expand the use of TextMyGov to new departments and potential uses.*

Performance Measures:

- *Ongoing - The city began using a tool that scans the website to identify deadlinks and accessibility challenges, based on an initial scan our score is 68 (out of 100), which is relatively low. This serves as the starting point for improving the accessibility of the website.*
- Operating Statistics:
- *Civic Ready Subscribers: 2,900*
- *Social Media Reach: 15,000*
- *TextMyGov Metrics: 15,200 messages*
- *Website Accessibility Score: 68*

Long-term Goal 2: To support and improve community education programs, such as the residents academy and mini-academy or short-term programs supporting our sustainability and climate action plan or the aging in place plan.

Strategic Plan Alignment: Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024: Develop and offer 3-5 educational programs related to the goals of the sustainability and climate action plan.*
- *FY 2024: Develop programs as needed to support the aging in place plan.*
- *FY 2024: Continue to improve the Royal Oak Residents Academy by reviewing the learning outcomes shown by participants, and the feedback they receive on the quality of the program.*

Performance Measures:

- *Ongoing: Outcomes for these programs will be developed as the program is developed, but staff will be primarily evaluating using qualitative analysis and looking at either learning outcomes or behavior change.*
- *Based on the 2022 Residents Academy, staff heard that participants wanted some time to talk more with each other. This resulted in adjusting the schedule so that participants can get to know each other over dinner.*

Long-term Goal 3: Develop new neighborhood engagement programs to support neighborhood level activities.

Strategic Plan Alignment: Welcoming, Engaged and Livable Community

Short-term Objectives:

- *FY 2024: Host four neighborhood or area level community events that bring neighbors together.*
- *FY 2024: Identify neighborhood groups and build relationships with groups to ensure communication and assess potential programs in the future.*
- *FY 2024 - 2026: Support groups interested in forming neighborhood groups by providing guidance and connecting them with resources as appropriate.*

Performance Measures:

- *Ongoing - Neighborhood engagement is a new emphasis for the city of Royal Oak, in the past year staff has worked to identify groups and update the contact information.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Increases in this area are primarily due to increased costs and additional services.
- There was an increase in the amount allocated for the communications consultant. This amount allocated is based on the approved contract.
- Website tools allowing increased accessibility for the website, and tools to scan the site for accessibility challenges and deadlinks have also been added over the past year as a part of the effort to further support our strategic plan and aging in place plan.
- Initial funding for the Human Rights Commission to use for the upcoming fiscal year have been allocated with the intent that they will be having a more robust budget conversation for the upcoming year.
- Staff are also planning to begin the neighborhood engagement program by planning four community events in parks throughout the city. This is intended to be an opportunity for residents to come together, learn a little about city resources and enjoy one of our community parks.
- Additional funds are allocated for community programs like the residents academy, Juneteenth, and implementation of programs related to the sustainability and climate action plan and the aging in place plan.

RETURN TO OPERATING BUDGETS SUMMARY PAGE

MISSION STATEMENT

The mission of the cable communications department is to provide the residents of Royal Oak a clear view of the city's commission, main committees, and departments, to enhance transparency and to increase residents' understanding of their government's processes, goals, objectives, and accomplishments.

OVERVIEW

By law, cable TV providers must provide public, government and educational access channels on their systems. To support this, each company pays a franchise fee to the city. WROK is the City of Royal Oak's government access channel available to subscribers of W.O.W and Comcast. Residents can also watch the real time live stream of WROK programming that is available on the city website. Additionally, WROK is available on ROKU, Apple TV and Amazon Fire TV via the TelVue PEG-TV app. Important City meetings are also streamed live to YouTube at: www.youtube.com/@WROKRoyalOak.

Residents can watch live coverage of the city commission, planning commission, ZBA, DDA and Brownfield redevelopment authority meetings as well as summer concerts and assorted short programs. In addition to the many live programs that WROK produces throughout the year, we also provide taped coverage of the many special events and meetings that dot the Royal Oak calendar.

WROK programming can be seen 7 days a week. Programming runs 10:00 a.m. – 2:00 p.m., 4:00 p.m. – 8:00 p.m. and meetings are re-run at midnight. For the night owls, WROK also offers expanded playback on weekends starting at midnight. The programming runs on an automated video server.

In between program hours, residents can view our electronic bulletin board. It features our program schedule and provides information regarding a wide variety of city news and events.

The video needs of many city departments are supplied regularly by WROK, with special projects on request. The city clerk's office and the community development department rely on copies of each meeting that WROK produces for their record keeping. WROK also provides video support for Royal Oak's many safe community projects.

WROK and the City of Royal Oak do not regulate the cable companies that serve Royal Oak. That job is handled by the Michigan Public Service Commission in Lansing. You may contact the MPSC at www.michigan.gov/mpsc.

To pay for WROK activities, the City of Royal Oak receives a franchise fee from the cable companies.

WROK, working under the information technology department, has a contract staff of one full-time cable coordinator and part-time production assistants. WROK also relies heavily on a crew of volunteers to fill assorted positions during productions. The staff of WROK are employees of Cable Access Management Company (CAMCO), not employees of the City of Royal Oak. CAMCO pays all employee-related expenses out of the contractual management fee in the cable TV budget.

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE
SUMMARIZED AT THIS LINK.**

COMMUNITY PROMOTION

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the community promotion cost center is to provide support to interdepartmental teams, the historical boards, and non-governmental organizations focused on serving our residents whose missions further the goals and objectives of the City of Royal Oak.

OVERVIEW

Community promotion is a cost center that incorporates support for non-governmental organizations that serve Royal Oak residents through services and events as well as the city's historical boards and interdepartmental teams. This includes our support for youth assistance programs, and Winterblast events. The Green Team works to implement green initiatives within the city and the Positive Employee Engagement & Recognition (PEER) Team supports our employee engagement efforts. The historical groups work with our historical districts, the Orson Starr House and the Fire House Museum.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: To preserve the history of Royal Oak.

Strategic Plan Alignment: Welcoming, Engaged and Livable Community.

Short-term Objectives:

- *FY 2024: To secure funding for a historical context study.*
- *FY 2023 - 2025: To evaluate a project to replace the side porch at Orson Starr House.*

Performance Measures:

- *To apply for and be awarded a grant for a historical context study.*
- *To begin work on a historical context study.*

- To develop a project scope and budget for the Orson Starr House porch project.

Long-term Goal 2: To foster a collaborative and engaged staff.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- To host at least 2 employee appreciation events/programs.
- To produce 6 employee newsletters.

Performance Measures:

- Over the past year the Positive Employee Engagement & Recognition (PEER) Team has held employee appreciation days for cider and donuts and paczki day.
- The PEER Team and Human Resource Department have started producing a bi-monthly newsletter in late 2022.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

TOTAL	\$297,710	\$223,593	\$224,507	\$225,453	\$226,433

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Staff time allocated in this cost center is for staff to do routine maintenance on the Orson Starr House, and the Historical Museum. This includes things like mowing, snow removal, and interior maintenance.
- This cost center is where our historical boards are budgeted from, and the groups have requested funds this year to help them conduct a historical context study and start looking at a side-porch project for the Orson Starr House. Additionally, they would like to add the Orson Starr House to the national registry of historical sights.

- Funding for other groups such as Royal Oak Youth Assistance, MOGO bikes, Royal Oak Family Pride, Winter Blast, and our internal staff teams that promote employee engagement and retention remains similar to what is has in years past.

Royal Oak

WOODWARD DREAM CRUISE

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission for the Woodward Dream Cruise is to provide a safe family event for the thousands of visitors and residents of Royal Oak and to advertise the City of Royal Oak and attract people from around North America to it as a place to live and do business.

OVERVIEW

The Woodward Dream Cruise (WDC) is a “one-day” classic car event held annually on the third Saturday of August. The WDC event spans down Woodward Ave. from Pontiac through Royal Oak in Oakland County, Michigan, all the way to Eight Mile Rd.

The Woodward Dream Cruise is the world’s largest one-day automotive event, drawing more than 1 million people and 40,000 classic cars each year from around the globe. The Woodward Dream Cruise also welcomes vehicles of all models whose owners have either scrupulously maintained or customized their car to create a unique vehicle or statement.

The WDC was inaugurated in 1995. It is now the largest single day classic car event in the world and brings in over \$56 million annually for the Metro Detroit economy.

Each year, the celebration starts early in the week with these classic vehicles brought out onto the streets in preparation, and ancillary events are scheduled in the sponsoring communities of Ferndale, Pleasant Ridge, Royal Oak, Huntington Woods, Berkley, Bloomfield Township, Bloomfield Hills, and Pontiac.

An interdisciplinary committee of the eight communities meets, at least monthly, to coordinate the event. This involves representatives of police, fire, public service, communications, and recreation departments at a minimum.

Traffic and crowd control require regular and overtime services for up to seven days of Dream Cruise week. Woodward Ave., a state highway, is closed all day Saturday for 18 miles.

This budget records the city's additional expenses for overtime, auxiliary staff, volunteers, events, and other cruise specific costs. Advertising revenue from sponsoring organizations offsets part of that cost.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

There are no significant expenditure changes to note.

MISSION STATEMENT

The purpose of the Arts, Beats & Eats cost center is to account for the costs related to the permit parking zone the weekend of the event. The balance of the Arts Beats & Eats fiscal activity is recorded in its own enterprise fund.

OVERVIEW

Arts, Beats & Eats is held in downtown Royal Oak over the Labor Day weekend. The event was formerly held in downtown Pontiac. Over one-quarter of a million visitors are expected to enjoy the 150 musical acts, 150 fine artists, and nearly 50 restaurants during the event.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- For fiscal year 2022-23, \$23,000,000 is budgeted to be transferred to the public safety fund. This transfer increases annually to \$26,600,000 by fiscal year 2027-28.
- \$461,070 is budgeted to be transferred to the court debt fund.
- \$2,209,500 is budgeted for the Royal Oak Civic Center (ROCC) project debt service payment.
- \$147,700 is budgeted to be transferred to the animal shelter fund to support shelter operations as part of the new Parks, Forestry, Recreation,

Playgrounds and Animal Shelter millage, first levied in December 2022.

- \$55,000 is budgeted for the Commission for the Arts program.
- \$26,160 is budgeted to be transferred to the indigent defense fund to cover compliance expenditures related to the Michigan Indigent Defense Act.
- \$7,000 is budgeted for the Veteran's Day Event expenditures.

[RETURN TO OPERATING BUDGETS SUMMARY PAGE](#)

MISSION STATEMENT

The mission of the major street fund is to maintain the major streets system and rights-of-way in a manner to ensure safe vehicle and pedestrian traffic as well as to present an attractive roadside environment in accordance with Michigan Act 51 of Public Acts of 1951 as amended.

OVERVIEW

The City of Royal Oak owns over 64 miles of major streets. These are the main arteries that move residents to and from local or neighborhood streets to larger, faster roads that are maintained by Oakland County or the State of Michigan.

The city engineer, as the street administrator, is responsible for evaluating, planning, designing, and constructing the road system and its traffic safety. This includes original construction, major replacement or resurfacing, traffic signs and signals. The engineer coordinates regularly with the Oakland County Road Commission, surrounding communities and the State Department of Transportation regarding the roads in the city for which the city is responsible. It also means meeting with subdivision and homeowner groups or associations, and other concerned citizens as situations warrant.

The department of public service maintains the system of roadways. Their responsibilities include patching roads, maintaining parkways, rights-of way, signs, and signals, and controlling snow and ice.

The major street fund is made up of the following divisions:

Administration

The major street fund / administration cost center accounts for the cost of the overall planning, administration and oversight of all activities that affect traffic conditions on the city's major street network. Audit and debt expenditures are included here. This cost center also accounts for any city commission authorized transfer-out to support the local street fund, as allowed by Act 51.

Routine Maintenance

The highway division of the department of public service (DPS) is responsible for routine maintenance of the city's 64.9 miles of the major street system. Routine maintenance includes joint/crack repairs, concrete slab replacement, curb replacement, asphalt overlays/repairs, street sweeping, catch basin repair, and storm sewer/catch basin cleaning.

Parkway Maintenance

This division of the department of public service (DPS) maintains parkways in the city's major street system. Parkways or boulevards are the grassy areas between opposing lanes of roads. DPS crews weed, mow the grass, and trim trees and bushes. This cost center also includes costs associated with the routine maintenance of rain gardens which act as stormwater mitigation to help prevent flooding on major streets.

Winter Maintenance

The highway division of the department of public service (DPS) is responsible for winter maintenance, such as snow and ice control, of the city's 64.9-mile major street system.

Traffic Control

The department of public service (DPS) is responsible for implementing and maintaining traffic control for the city's major street system. This cost center focuses on traffic signage, pavement markings and traffic risk management. Additional services performed include guard rails and bridge inspections. Traffic control signage means street, stop, parking, turn/no-turn, speed, school zone, pedestrian walk signs, etc. The DPS's sign shop provides replacement signs promptly and reduces the cost of carrying an extensive sign inventory.

Signal Services

The department of public service (DPS) is responsible for implementing and maintaining traffic control for the city's major street system. This cost center focuses on signal services. The major street system has 82 signals to maintain, each with its own controller and wiring plus possible pedestrian crossing signals. A DPS electrician handles signal maintenance. This cost center pays the city's share of maintenance cost for signals on state and county roads.

The city uses a two-stage review system to assess requested or proposed changes to the traffic control signage and signal timing. First, the city's staff traffic committee, representing the public services, police, fire, planning, and engineering departments, meet and provide recommendations on requested changes. Those recommendations are then reviewed by a volunteer residents' traffic committee before being presented to the city commission for final review and approval.

Construction

The purpose of the major street construction cost center is to track and fund major street projects.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Propose millage renewal to voters on November 2023 ballot.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Finalize ballot language for the November 2023 election.*
- *Prepare mapping and information for the public to demonstrate the proposed road millage renewal plan.*
- *If approved, use millage funds to improve major roads in the city while also continuing maintenance on local streets and sidewalks (2025 - 2034).*

Performance Measures:

- *The City Commission approved the road millage renewal plan in February 2023 and approved the ballot language in April 2023.*

Long-term Goal 2: Provide safe transportation system to reduce and eliminate crashes.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Upgrade all pedestrian crossing signals to be countdown numbers rather than flashing symbols to better inform pedestrians how much time is available to cross the road.*
- *Consider additional audible pedestrian signals as future grant opportunities.*
- *Apply for Highway Safety Improvement Program (HSIP) funding.*
- *Incorporate 'Vision Zero' policies into the city's master plan.*

Performance Measures:

- *Completed - Traffic signals on 11 Mile Road and 13 Mile Road have been upgraded and optimized.*
- *Ongoing - Traffic signals on Main Street and Crooks Road have been upgraded, with optimization planned for Spring 2023.*

- *Ongoing - An audible pedestrian signal was installed at Normandy Road and Crooks Road to help visually impaired pedestrians cross the road. Final programming is anticipated Spring 2023.*
- *Ongoing - Several traffic signals have been programmed with a 3-second lead time for pedestrians to begin crossing the road before vehicles get a green light, so they are more visible to motorists.*

Long-term Goal 3: (Routine Maintenance) Implement computerized maintenance management software to improve road maintenance tracking and planning and improve maintenance cycle to better allocate resources.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *Deploy mobile tablets with maintenance crews to accurately log and collect road maintenance data.*
- *Review maintenance data and revise maintenance cycle to target areas for more frequent inspection and patching.*

Performance Measures:

- *Ongoing*

Long-term Goal 4: (Parkway Maintenance) Support Sustainability and Climate Action Plan (S-CAP) urban forestry initiatives through the implementation of a multi-year tree repopulation program.

Strategic Plan Alignment: Environmental Leadership

Short-term Objectives:

- *Plant at least 100 trees along major roadways annually.*

Performance Measures:

- *Ongoing - annual tree planting programs*

Long-term Goal 5: (Winter Maintenance) Clear major roads of ice and snow within 24 hours of a major snow event.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *Regularly conduct post-storm debriefings.*
- *Conduct annual review of winter operations and revise action plans as needed.*

Performance Measures:

- *Ongoing*

Long-term Goal 6: (Traffic Control) Improve roadway aesthetics and safety through proactive traffic control signage replacement.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Develop multi-year signage inspection plan.*

Performance Measures:

- *Ongoing*

Long-term Goal 7: (Construction) Pursue state and federal grants for road improvements to supplement local funding.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Prepare applications for road projects that might qualify under the Transportation Alternatives Program (TAP), Highway Safety Improvement Program (HSIP), and Safe Routes to School Program.*

Performance Measures:

- *Ongoing - The city received funding for the following major road projects:*
 - *2024 - Crooks Road (North Main Street to 13 Mile Road)*
 - *2025 - 13 Mile Road (Rochester Road to Campbell Road)*
 - *2026 - Rochester Road (13 Mile Road to 14 Mile Road)*
 - *2027 - 11 Mile Road (North Main Street to Stephenson Highway)*
- *Completed - The city submitted two grant applications under the "Safe Streets for All" program to improve Normandy Road (Woodward Avenue to Coolidge) and Main Street (12 Mile Road to 13 Mile Road) in 2025 or 2026. The city was not selected for funding.*
- *Completed - The city joined with Oak Park, Berkley, and Huntington Woods to submit a "Reconnecting Communities" grant to improve 11 Mile Road (Greenfield Road to Main Street). The cities were not selected for funding.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Routine Maintenance:

- Personnel costs overall are decreasing due to having lower allocations of DPS and engineering staff allocated to this cost center than in fiscal year 2022-23 due to less work/projects anticipated next year and to better reflect past activity charged here. There is a 10% allocation of a new full-time position request for Operations Manager included in fiscal year 2023-24 as well.
- -\$17,370 decrease in motor pool rental charges due to decreased utilization anticipated for fiscal year 2023-24.

TOTAL	\$287,098	\$295,525	\$304,303	\$313,447	\$322,973

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Parkway Maintenance:

- Personnel costs are decreasing due to retirements during the year of staff that carried the older, more costly, pension and retiree healthcare benefit plans. Fiscal year 2023-24 still allows room for potential merit increases for those staff not currently at the top of their respective pay scale range.
- +\$11,000 increase for annual rain garden and crosswalk vegetation maintenance services including mulch application.
- +\$20,000 increase in miscellaneous contracted services for major streets right-of-way (ROW) tree plantings (ARPA expenditure). A transfer-in from the grants fund of \$20,000 has been budgeted.

TOTAL	\$502,295	\$514,703	\$527,663	\$541,195	\$555,322

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Winter Maintenance:

- Personnel costs are increasing mostly due a change in the mix of staff allocated to this cost center in fiscal year 2023-24 that carry pension and retire healthcare benefits versus the prior year.
- -\$50,000 decrease in road salt and ice melt compounds due to current inventory levels and usage during past two years.
- -\$11,530 decrease in motor pool rental charges due to lower utilization hours expected in fiscal year 2023-24.

Major Streets - Traffic Control Expenditures

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Traffic Control:

- Personnel costs are decreasing due to retirements during the year of staff that carried the older, more costly, pension and retiree healthcare benefit plans and to better reflect actual time charged, which has been declining over the last three years.
- -\$18,620 decrease in motor pool rental charges due to lower utilization hours expected in fiscal year 2023-24.
- The following projects were included in the annual Capital Improvement Plan (CIP) and have been budgeted in this cost center for fiscal year 2023-24:
 - +\$7,700 CAPXX60 Mast arm inspections

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Construction:

- The following construction projects, totaling \$6,295,970 were included in the annual Capital Improvement Plan (CIP) and have been budgeted in this cost center for fiscal year 2023-24:
 - CAPXX25 - Annual Joint Sealing: \$113,300
 - CAP2306 - 2023 Rochester Rd. Resurfacing: \$1,575,670
 - CAP2308 - 2023 Major Road Resurfacing: \$2,300,000
 - CAP2313 - Greenfield Rd. & Normandy Rd. Roundabout: \$212,500
 - CAP2314 - RCOC 13 Mile Rd. & Greenfield Rd. Traffic Signals: \$37,500
 - CAP2338 - Pedestrian Countdown Signals: \$92,000
 - CAP2407 - 2024 Crooks Rd. Resurfacing: \$1,355,000
 - CAP2416 - Downtown Streets Resurfacing: \$600,000
 - Salt Dome Repairs (25% of \$40,000 total cost, remaining in local streets see 203-901): \$10,000

OTHER SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Using the State of Michigan’s estimated revised distribution formula projections based on the funding law, revenues from the gasoline/vehicle registration (Act 51) tax are budgeted at \$5.825 million, an increase of \$162,250 relative to estimated revenue for fiscal year 2022-23.
- The fiscal year 2023-24 budget assumes all road millage revenue will be recorded and expended in the local streets fund. It is anticipated that when the original 10-year road millage ends after the fiscal year 2023-24, a 10-year renewal for the years 2025 through 2034 that restores the full millage rate to 2.5 mill, will be proposed and placed in front of the voters on the November 2023 ballot. The forecast assumes a millage renewal that will be allocated between both major and local road projects.

COST CENTER POSITION DETAIL - HOME BASE

FULL-TIME AND PERMANENT PART-TIME EMPLOYEES

No employees are assigned directly to the Major Streets Fund cost center. All personnel costs are allocated from engineering, public services and other cost centers.

[RETURN TO OPERATING BUDGETS SUMMARY PAGE](#)

MISSION STATEMENT

The mission of the local street fund is to maintain the local streets system and rights-of-way in a manner to ensure safe vehicle and pedestrian traffic as well as to present an attractive roadside environment in accordance with Michigan Act 51 of Public Acts of 1951 as amended.

OVERVIEW

The City of Royal Oak owns over 148 miles of local streets. These are the neighborhood roads that move residents to and from their residences to major streets or other larger, faster roads that are maintained by Oakland County or the State of Michigan.

The city engineer, as the street administrator, is responsible for evaluating, planning, designing, and constructing the road system and its traffic safety. This includes original construction, major replacement or resurfacing, and traffic signs. The engineer meets with neighborhood groups wishing to upgrade their streets to inform them and guide them in obtaining special assessment funding.

The department of public service maintains the system of roadways. Their responsibilities include patching roads, maintaining parkways, rights-of way, signs, and controlling snow and ice on the roads.

Administration

The local street fund / administration cost center accounts for the cost of the overall planning, administration and oversight of all activities that affect traffic conditions on the city's local street network. Audit expenditures are included.

Routine Maintenance

The highway division of the department of public service (DPS) is responsible for daily routine maintenance of the city's 148-mile local street system. Routine maintenance includes joint and crack sealing, concrete slab replacement, some limited asphalt overlays/repairs that are implemented through construction projects managed by the engineering department, street sweeping and storm sewer/catch basin cleaning. Dust control is applied when paid by residents and is performed by the highway division.

Parkway Maintenance

This division of the department of public service (DPS) maintains parkways in the city's local street system. Parkways or boulevards are the grassy areas between opposing lanes of roads. DPS crews weed, mow the grass, and trim trees and bushes. This cost center also includes costs associated with the routine maintenance of raingardens which act as stormwater mitigation to help prevent flooding on local streets.

Winter Maintenance

The highway division of the department of public service (DPS) is responsible for winter maintenance, such as snow and ice control, of the city's 148-mile local street system.

Traffic Control

The department of public service (DPS) is responsible for implementing and maintaining traffic control for the city's local street system. This cost center focuses on traffic signage, pavement markings and traffic risk management. Traffic control signage means street, stop, parking, turn/no-turn, speed, school zone, pedestrian walk signs, etc. DPS's own sign shop provides replacement signs promptly and reduces the cost of carrying an extensive sign inventory.

The city uses a two-stage review system to assess requested or proposed changes to the traffic control signage and signal timing. First, the city's staff traffic committee, representing the public services, police, fire, planning, and engineering departments, meet and provide recommendations on requested changes. Those recommendations are then reviewed by a volunteer residents' traffic committee before being presented to the city commission for final review and approval.

Construction

The purpose of the local street construction cost center is to track and fund local street projects.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Propose millage renewal to voters on November 2023 ballot.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Finalize ballot language for the November 2023 election.*
- *Prepare mapping and information for the public to demonstrate the proposed road millage renewal plan.*
- *If approved, use millage funds to improve major roads in the city while also continuing maintenance on local streets and sidewalks (2025 - 2034).*

Performance Measures:

- *The City Commission approved the road millage renewal plan in February 2023 and approved the ballot language in April 2023.*

Long-term Goal 2: (Routine Maintenance) Implement computerized maintenance management software to improve road maintenance tracking and planning and improve maintenance cycle to better allocate resources.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *Deploy mobile tablets with maintenance crews to accurately log and collect road maintenance data.*
- *Review and revise maintenance cycle to target areas for more frequent inspection and patching.*

Performance Measures:

- *Ongoing*

Long-term Goal 3: (Parkway Maintenance) Support Sustainability and Climate Action Plan (S-CAP) urban forestry initiatives through the implementation of a multi-year tree repopulation program.

Strategic Plan Alignment: Environmental Leadership

Short-term Objectives:

- *Plant at least 500 trees along local programs.*

Performance Measures:

- *Ongoing - annual tree planting program.*

Long-term Goal 4: (Winter Maintenance) Improve communication related to snow emergency maintenance operations.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *Develop multi-media messaging that explains neighborhood snow removal policies and practices.*

Performance Measures:

- *Ongoing*

Long-term Goal 5: (Traffic Control) Improve roadway aesthetics and safety through proactive traffic control signage replacement.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Develop multi-year signage inspection plan.*

Performance Measures:

- *Ongoing*

Long-term Goal 6: (Construction) Pursue state and federal grants for road improvements to supplement local funding.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Apply for 2023 funding from the Road Commission for Oakland County to assist with local road improvements.*

Performance Measures:

- *Ongoing - The city received grant funds to assist with local road improvement projects in 2020, 2021, and 2022.*

Long-term Goal 7: (Construction) Program and improve local roads using funding from the city's road millage (2015 - 2024) to achieve an average Pavement Surface Evaluations & Rating (PASER) of 5.0 for local roads.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Complete 2023 construction projects within budget.*
- *Adjust 2024 construction projects as needed to stay within budget.*

Performance Measures:

- *Ongoing - The city has completed improvements on approximately 132 miles of local roads (2015 - 2022) and the current average PASER for local roads is 5.18.*

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE
SUMMARIZED AT THIS LINK.**

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Routine Maintenance:

- Personnel costs overall are increasing due to having higher allocations of DPS and engineering staff costed to this department than in fiscal year 2022-23 and to allow for potential merit increases for those staff not currently at the top of their respective pay scale range. There is a 10% allocation of a new full-time position request for Operations Manager included in fiscal year 2023-24 as well.
- -\$13,910 decrease in motor pool rental charges due to a decrease in utilization hours anticipated for fiscal year 2023-24.
- The following projects were included in the annual Capital Improvement Plan (CIP) and have been budgeted in this cost center for fiscal year 2023-24:
 - +\$400,000 convert city-owned streetlights to LED (ARPA expenditure)
 - A transfer-in from the grants fund of \$400,000 has been budgeted for this ARPA related expenditure in fiscal year 2023-24.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Parkway Maintenance:

- Personnel costs are increasing due to having higher allocations of DPS staff costed to this department for increased tree work anticipated next year and to allow for potential merit increases for those staff not currently at the top of their respective pay scale range.
- +\$300,000 has been budgeted in miscellaneous contracted services for the spring/fall residential tree planting program (ARPA expenditure).
 - A transfer-in from the grants fund of \$300,000 has been budgeted for this ARPA related expenditure in fiscal year 2023-24.
- +\$144,600 increase in motor pool rental charges due to increased depreciation from recently replaced vehicles/equipment and due to increased utilization anticipated for fiscal year 2023-24.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Winter Maintenance:

- Personnel costs are increasing mostly due a change in the mix of staff allocated to this cost center in fiscal year 2023-24 that carry pension and retire healthcare benefits versus the prior year.
- +\$24,330 increase in motor pool rental charges due to more utilization hours expected in fiscal year 2023-24.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Traffic Control:

- Personnel costs are decreasing mostly due to having a different mix of staff budgeted in fiscal year 2023-24 as compared to the prior fiscal year, with lower allocations of full-time staff and related benefits and an increase of +\$7,500 in temporary wages for part-time staff.
- +\$12,430 increase in motor pool rental charges due to more utilization hours expected in fiscal year 2023-24.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Construction:

- The following construction projects, totaling \$10,020,750, were included in the annual Capital Improvement Plan (CIP) and have been budgeted in this cost center for fiscal year 2023-24:
 - CAPXX02 - Sidewalk Improvement Program: \$97,050
 - CAPXX05 - Millage Concrete Street Repairs: \$ 1,578,000
 - CAPXX15 - Millage Asphalt Resurfacing: \$3,700,000
 - CAPXX25 - Millage Concrete Street Repairs: \$92,700
 - CAPXX55 - Special Assessment Paving Projects: \$75,000
 - CAP2310 - 2023 Watermain (road work) Improvements: \$250,000
 - CAP2335 - 2023 Road Reconstruction: \$1,287,000
 - CAP2337 - Special Assessment Paving - Fairground Ave.: \$73,000
 - CAP2336 - Special Assessment Paving: \$140,000
 - CAP2410 - 2024 Watermain (road work) Improvements: \$1,200,000
 - CAP2411 - 2024 Parkdale Ave. Improvements: \$125,000
 - CAP2435 - 2024 Road Reconstruction: \$1,372,500
 - Salt Dome Repairs (75% of \$40,000 total cost, remaining in major streets see 202-901): \$30,000

OTHER SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Using the State of Michigan’s estimated revised distribution formula projections based on the road funding law, revenues from the gasoline/vehicle registration (Act 51) tax are budgeted to be approximately \$1.942 million for local streets, a nearly \$54,500 increase relative to estimated revenue in fiscal year 2022-23.
- The maximum authorized streets millage levy of 2.3026 mills is budgeted to generate approximately \$7.716 million, an increase of approximately \$559,600. Approximately \$4.408 million of fund balance is budgeted to be used as a funding source in fiscal year 2023-24.
- The fiscal year 2023-24 budget assumes all road millage revenue will be recorded and expended in the local streets fund. It is anticipated that when the original 10-year road millage ends after the fiscal year 2023-24, a 10-year renewal for the years 2025 through 2034 that restores the full millage rate to 2.5 mill, will be proposed and placed in front of the voters on the November 2023 ballot. The forecast assumes a millage renewal that will be allocated between both major and local road projects.

COST CENTER POSITION DETAIL - HOME BASE

FULL-TIME AND PERMANENT PART-TIME EMPLOYEES

No employees are assigned directly to the Local Streets Fund cost center. All personnel costs are allocated from engineering, public services and other cost centers.

[RETURN TO OPERATING BUDGETS SUMMARY PAGE](#)

MISSION STATEMENTS

The Royal Oak Police Department's mission is to keep the City of Royal Oak a safe community.

The mission of the Royal Oak Fire Department is to protect and preserve life, property, and the environment through a dedicated and highly trained professional team.

The mission of the ambulance service is to provide quality emergency transport and medical services within Royal Oak.

OVERVIEW

The public safety fund collects the public safety millage, authorized by voters in November 2012 and renewed for a third five-year term in 2022. The city budgets to levy 3.6815 mills of the original 3.9750 mills authorized amount (maximum millage reduced by Headlee Act to 3.6815) for FY2023-24. This will be the second year of a renewal. The renewal millage is approved for five years. Revenues generated by the police, fire and ambulance functions are accounted for in this fund. For the purposes of the multi-year forecasts, it is assumed that a renewal will be requested again at the end of this five-year approved period. Therefore, this revenue source is included in all years presented. The public safety fund includes three departments: Police, Fire, and Ambulance services.

Police

ROPD is organized into two divisions, staff services and patrol operations. The staff services division includes criminal investigations, the records section, the animal shelter, and the auxiliary police unit. The patrol operations division includes all patrol shifts, police dispatchers, and cadets. Additionally, there is a professional standards section that reports directly to the chief of police.

A complete 911-emergency police and fire dispatch function is housed and supervised within the police department. Services include responding to calls for service, traffic education and enforcement, emergency management, investigation and prosecution of criminal offenses, school liaison program, crime prevention, school crossing and maintaining a detention facility.

Beginning in April 2023, the patrol division will transition from 8-hour shifts to 12-hour shifts. There will be four patrol platoons led by a lieutenant and staffed by patrol sergeants, patrol officers, K-9 officers, and police service aides. Part-time police cadets staff the front desk which allows for an additional police officer on the road.

The Criminal Investigation Division (CID) is headed by a lieutenant, who supervises a sergeant, detectives, and officers assigned to various task forces.

Royal Oak participates in the following task forces, Narcotic Enforcement Team, Drug Enforcement Administration Task Force, Troy Special Investigations Unit, CHIEF Hotel Interdiction Unit, and Secret Service Financial Crimes Task Force. The Royal Oak Police Department also has a school liaison officer assigned to Royal Oak High School.

The records section collects, analyzes, and reports performance data, processes handgun permits and maintains evidence. The records section reports to the deputy chief of staff services.

20 volunteer auxiliary police "officers" assist the department in a variety of ways, including acting as extra "eyes and ears" while patrolling on Thursday, Friday, and Saturday evenings, performing home vacation checks, and working special events such as the Woodward Dream Cruise, Arts, Beats and Eats, Winter Blast, and the Art of Fire Festival. Additionally, auxiliary officers are available to assist patrol operations on an emergency call-out basis for downed wires, flooding, etc.

The police chief is the city's emergency manager. In separate cost centers, the chief is responsible for the animal control division, Royal Oak Animal Shelter, auto parking and grant activity in the police grants fund.

Fire

The fire department staffs three strategically located fire stations to provide the shortest possible response time to all areas of the city. Operations are funded primarily through general fund tax revenue along with a public safety millage.

Fire operations are organized into two divisions, fire prevention and fire suppression in this one cost center.

The fire prevention division provides risk management services. They lead inspections, investigations, test alarm panels and sprinkler systems, plan reviews, and fire code enforcement. They work with several other departments in the City of Royal Oak on plan reviews and annual business license renewals.

The fire suppression division responds to fire emergencies and medical emergencies, as well as special tactical operations for hazardous materials and technical rescue. Members of the suppression division also respond to calls for lift assistance, odor investigations, and downed power lines.

The department currently provides transporting advanced life support (ALS) services to the City of Royal Oak and its immediate OakWay neighbors for medical care and transport to area hospitals. Costs of ambulance rescue services are tracked in the ambulance service cost center, so they can be evaluated against ambulance service revenue. As part of the OakWay mutual aid pact, the suppression firefighters are first responders to our city and provide assistance to seven other neighboring fire departments.

The department responds to hazardous material incidents with an in-house initial response. If additional resources are needed the city activates the OakWay Haz-Mat Team.

The department provides technical rescue response to the City of Royal Oak via the OakWay Technical Rescue Team. The city also coordinates with Birmingham, Madison Heights, and Ferndale to form Squad 4 of the Oakland County Technical Rescue Regional Response Team.

A fire department's ISO rating is a determination by the Insurance Services Office to rate how well a fire department is able to serve the community, and is scored between 1 and 10, with a lower number indicating a better score. The city's ISO rating, which is based on manpower, stations, equipment, training, and water supply, is currently at 3.

All fire department calls are dispatched by the 911 public safety answering point (PSAP) at the police department's dispatch center.

The department is responsible for the daily maintenance of all emergency response vehicles and equipment. The shift personnel maintain the stations' buildings and grounds.

Daily training is conducted to keep the quality of our service high and employee injuries low.

Grants are recorded in the grants fund.

A separate fire debt tax millage is collected and budgeted separately in the general obligation debt fund to pay the debt service on Series 2001A bonds that built or improved fire stations.

Fire apparatus are purchased by the motor pool and rented to the fire department. Those rental rates in this budget include charges for debt and/or capital replacement plus repair and maintenance costs.

The fire department currently has a CPR program for the public. This function is performed by the firefighters to the public for a nominal fee. The fire department also has a lockbox program for its residents, which provides firefighters easy access into homes in case of fires or medical runs.

Ambulance

The fire department currently provides transporting advanced life support (ALS) ambulances and one ALS engine to the City of Royal Oak and its immediate neighbors for medical care and transport to area hospitals. Costs of ambulance rescue services are tracked in this ambulance service cost center so they can be evaluated against ambulance service revenue. The costs of billing and collecting ambulance services are included in this fund.

The fire department's EMS calls are dispatched by the 911 public safety answering point (PSAP) at the police department's dispatch center.

Ambulances are purchased by the motor pool and rented to the fire department. Those rental rates in this budget include charges for debt and/or capital replacement plus repair and maintenance costs.

STRATEGIC PLAN GOALS AND OBJECTIVES

POLICE

Long-term Goal 1: Become an accredited police agency through the Michigan Association of Chiefs of Police (MACP).

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2023: Complete a mock assessment from outside agency assessors.*

- *FY 2023: Revise and create new policies and procedures that are in line with best practices.*

Performance Measures:

- *Ongoing - During FY 2023, underwent our mock assessment on February 28, 2023.*
- *Ongoing - During FY 2023, scheduling final assessment for May 2023.*

Long-term Goal 2: Create and strengthen partnerships with community groups to maximize proactive police efforts.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2024 - 2026: Expand the Crisis Intervention Team (CIT) program to safely connect those experiencing mental health crisis to resources.*

Performance Measures:

- *Ongoing - During FY 2023, 5 additional patrol officers were certified (40-hour training) through the CIT partnership with Oakland Community Health Network. The total number of CIT certified patrol officers is twenty-one.*

Long-term Goal 3: To provide exceptional police service in the most efficient and cost-effective manner possible.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2023: Move to 12-hour patrol shifts from the current 8-hour schedule.*
- *FY 2023 - 2026: Expand the cadet program to assist with administrative tasks to keep sworn officers on the road and a pipeline to recruiting.*

Performance Measures:

- *Ongoing - During FY 2023, converting patrol shifts to a 12-hour schedule in April 2023.*
- *Ongoing - During FY 2023, recruiting at local colleges and high schools to promote our cadet program to increase the number of cadets and future police officers.*

Long-term Goal 4: Train and develop police officers to fill anticipated leadership vacancies.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2023: Move officers into field training officer roles to prepare for leadership roles in the future.*
- *FY 2023 - 2025: Create a mentorship program to identify future leaders.*

Performance Measures:

- *Ongoing - During FY 2023, trained an additional six patrol officers as field training officers.*
- *Ongoing - During FY 2023 - 2025, launch the mentorship program.*

FIRE

Long-term Goal 1: Provide the highest quality emergency services delivery.

Strategic Plan Alignment: Efficient & Effective Services

Short-term Objectives:

- *FY 2024 - FY 2026: Reduce turn-out time to 90 seconds or less, reported as annual performance measure.*

Performance Measures:

- *Ongoing - Monitor all calls for service while tracking reliance on mutual aid partners. These measures will be added to the department dashboard and reported to the City Manager following each City Commission meeting.*

Long-term Goal 2: Seek additional funding opportunities for department services.

Strategic Plan Alignment: Long-Term Fiscal Health

Short-term Objectives:

- *FY 2023: Train and assign two personnel the additional duty of seeking out grant opportunities and begin application processes. Training to be completed by 4/1/2023.*

Performance Measures:

- *Ongoing - Annually review all fire department fees; any recommendations for adjustment will be made at the first City Commission meeting in June.*
- *Ongoing - The number of new fire department grant applications and awards will be tracked by the department and integrated with the work of the City's grant coordinator. Data will be provided prospectively as a new department measure.*

Long-term Goal 3: Utilize technology to maximize the efficiency, effectiveness, and safety of fire operations.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024 - 2026: Onboard and train all fire department personnel on Vector training software platform and begin classes.*
- *FY 2024 - 2026: Review and create updated training calendar to maximize training benefits and capture maximum credit towards the city's Insurance Services Office (ISO) rating.*

Performance Measures:

- *Ongoing - Maintain record of all classes taken and credits obtained during the year and use data to identify training gaps needed for safety.*
- *Ongoing - Achieve 100% participation with training software and provide number of classes taken / Continuing Education (CE) credits awarded for FY 2023/24.*

Long-term Goal 4: Limit fire loss through increased comprehensive fire safety inspections.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2024 - 2026: Create a dashboard that accurately reflects inspection activities within the city, as well as information on additional fire prevention functions.*
- *FY 2024 - 2026: Inspection data will be added to department dashboard and reported to the City Manager following each City Commission meeting.*

Performance Measures:

- *Ongoing - All initial inspections, re-inspections, plan reviews, hazardous material storage permits, food truck inspections, and fire investigations will be tracked and reported in annual budget document as an enhanced department measure.*

Long-term Goal 5: Promote physical fitness for all personnel especially those who perform firefighting activities.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2023 - FY 2026: Conduct annual physical ability testing.*
- *FY 2023 - FY 2026: Track and maintain employee scores to guide physical training needs.*

Performance Measures:

- *Ongoing - Monitor program participation rate and individual times/scores.*
- *Ongoing - Provide and maintain equipment to increase physical abilities.*

Long-term Goal 6: Maintain safe working conditions using well-maintained equipment.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *FY 2023 - FY 2026: Daily inspection of all fire department vehicles and emergency equipment.*
- *FY 2023 - FY 2026: Maintain daily log of mechanical issues to be made available to Motor Pool.*

Performance Measures:

- *Ongoing - Conduct annual review of all fire department equipment and apparatus.*
- *Ongoing - Maintain and provide data regarding days of service lost to maintenance issues. Data to be provided prospectively as a new department measure.*
- *Ongoing - Any requests for equipment or alterations to the Vehicle Replacement Plan will be made during the annual Capital Improvement Plan (CIP) process.*

AMBULANCE

Long-term Goal 1: Maintain and enhance our working relationships with area hospitals and our mutual aid partners to provide the best and most efficient care for our patients.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2023 - FY 2026: Attend and participate in weekly meetings with Oakland County Medical Control Authority (OCMCA).*
- *FY 2023 - FY 2026: Participate in quarterly medical training conducted by Beaumont Hospital.*
- *FY 2023 - FY 2026: Attend and participate in Oakway Emergency Medical Services (EMS) Coordinator monthly meetings.*

Performance Measures:

- *Ongoing - Maintain meeting agendas and attendance records of Oakland County Medical Control Authority (OCMCA) meetings.*
- *Ongoing - Record continuing education credits for attendees of Beaumont Quarterlies.*
- *Ongoing - Maintain meeting agendas and attendance records for monthly Oakway Emergency Medical Services (EMS) Coordinator meetings.*
- *Ongoing - Additional scheduled training shall be reported to the City Manager after every City Commission meeting.*

Long-term Goal 2: Maintain compliance with State of Michigan and Oakland County standards and protocols for the agency and emergency responders.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *FY 2024 - FY 2026: Create a continuing education credit report that to accessible for all department employees to track license renewal needs.*
- *FY 2024 - FY 2026: Create county and state document template for the annual state certification process to aid in personnel transitions.*

Performance Measures:

- *Ongoing - Maintain accurate training records for production to the state for individual license audits.*
- *Ongoing - Maintain and produce statistics and documents for annual state agency license renewal.*
- *Ongoing - Emergency Medical Services (EMS) Coordinator shall facilitate and lead annual state inspection process.*

Long-term Goal 3: Improve Emergency Medical Services (EMS) service to our residents through technology and a commitment to customer service.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *FY 2024 - FY 2026: Use Emergency Medical Services (EMS) survey data to monitor department and employee performance and create a feedback loop to continually improve service and identify needs.*

Performance Measures:

- *Ongoing - Continue to provide annual numerical department performance scores against national averages as part of the annual budget process.*
- *Ongoing - Maintain quarterly records of departmental and individual performance scores beginning FY2023/24.*
- *Ongoing - Monitor and address trends as they emerge year to year.*

Long-term Goal 4: Reduce reliance on outside agencies for Emergency Medical Services (EMS) coverage.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *FY 2024 - FY 2026: Recruit and staff all budgeted positions.*
- *FY 2024 - FY 2026: Maximize resources to meet increasing Emergency Medical Services (EMS) demands.*

Performance Measures:

- *Ongoing - Provide statistical data as part of the annual budget process.*
- *Ongoing - Emergency Medical Services (EMS) call volumes will be reported to the City Manager after every City Commission meeting, to include information about incident location, and call for mutual aid.*
- *Ongoing - Emergency Medical Services (EMS) billing information will also be updated and provided to the City Manager after every City Commission meeting (i.e. number of runs processed for billing).*

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Revenue:

- The public safety millage is budgeted to generate approximately \$12.38 million based upon the millage rate of 3.6815 mills (the maximum authorized levy reduced by Headlee Act). Fiscal year 2023-24 will be the second year of the five-year millage renewal. A transfer of \$23 million from the general fund is budgeted in fiscal year 2023-24 to offset the remaining police, fire, and ambulance functions' expenditures. The forecast assumes the millage will be levied at the maximum level each year. By the last year of the forecast, the general fund transfers-out is estimated at \$26.6 million.
- Ambulance service revenue is budgeted to decrease by \$200,000 / 15 percent relative to 2022-23 projected year-end.
- Fire reinspection fees decreased by \$155,000 relative to the fiscal year 2022-23 amended budget due to a change in timing of fire re-inspections.
- The transfer from the DDA remains budgeted at \$540,000 for policing services in the downtown area.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Police:

- Personnel costs are budgeted to increase 6.5% due to a request for a full-time records clerk position (current part-time records clerk is retiring), partial salary allocations for both the DPS operations manager (new position request) & the facilities manager (existing position), and for cost of living and merit increases.
- Building Repair & Maintenance is budgeted to increase to include \$12,500 to replace the second police department garage door.
- Communication systems parts & supplies is budgeted to significantly decrease due to the one-time purchase of 17 new portable radios in fiscal year 2022-23.
- Capital Improvement Plan includes:
 - \$79,000 for uniform upgrades with outer carrier ballistic vests

- \$36,700 for license plate recognition
- \$63,000 for police radar replacement

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Fire:

- Personnel costs – budgeted increase to include cost of living and merit increases.
- Fire and EMS supplies - budgeted decrease of 55% due to the one-time purchase 34 self-contained breathing apparatus (SCBA) cylinders in fiscal year 2022-23.
- Printing & Document Duplicating – budgeted decrease due to the one-time digital file conversion project completed in fiscal year 2022-23.
- Office equipment / furniture (non-capitalized) – budgeted increase of 67% for office updates in fiscal year 2023-24.
- Heating / cooling repair & maintenance – budgeted decrease of 15% due to the HVAC replacement at Station #1, which was completed in early 2023.
- Capital Improvement Plan includes:
 - \$25,000 for Fire Station #1 window replacement
 - \$30,000 for Fire Station #1 entrance remodel

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

Ambulance:

- Overtime – budgeted increase due to mandatory EMS training, which is charged as employee overtime.
- Ambulance Billing Services – budgeted increase of 11% due to increased fee costs from the medical billing service company.
- Miscellaneous Expenditures - budgeted for \$50,000 to cover the training and software in the Dispatch Center for directed Emergency Medical Dispatch, with the hope to cover part / all costs with either a Risk Avoidance Program (RAP) grant through MMRMA or with opioid settlement revenue received in 2023 (not included in the FY 23/24 CIP).
- Motor Pool Vehicle Rentals – budgeted increase of 14% due to increased maintenance & operation costs, fuel, and depreciation.
- Annual vehicle replacement program in the Motor Pool Fund includes:
 - \$308,000 for a new ambulance to replace R92.

Royal Oak

PUBLICITY TAX FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the publicity tax fund is to inform prospective and existing residents and businesses about the advantages, programs, and services that the City of Royal Oak City offers.

OVERVIEW

This fund collects the ad valorem publicity tax, authorized by State Act 59 of 1925, plus contributions from other city funds. The city is budgeting to levy 0.0149 mill for fiscal year 2023-24.

The City of Royal Oak's departments publish the Insight magazine quarterly. It focuses on the recreational and cultural activities available for the next season.

Additionally, Insight highlights many varied, on-going, and special events and services. For instance: library seminars, assessment notices and snow emergency procedures in the winter; yard waste procedures and the ice show in the spring; tax bills, the art fair, and kids park programs in the summer; and senior trips, elections, leaf pickup and the holiday hockey tournament in the fall.

Copy preparation, editing and final makeup are coordinated by the superintendent of recreation and his staff. A local printer assists and completes the final document.

Magazines are mailed to all residents and businesses. Copies are displayed prominently in city hall and given out to attract new home buyers. Planners distribute copies to entice prospective developers and businesspersons.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- The millage is budgeted to increase slightly from 0.0145 mill to 0.0149 mill based upon the allowable maximum amount of tax revenue the levy can generate according to Michigan legislation.
- The small transfers from funds that advertise in Insight Magazine are each increasing from \$4,000 to \$5,000.
- Personnel costs in this fund include the partial allocation of the Recreation Superintendent (7.5%) and one municipal clerk (12%) and include a 3% allocation of a new Recreation Director full-time position request, beginning January 2024, in fiscal year 2023-24. No staff are permanently assigned to this fund.

MISSION STATEMENT

The mission of the solid waste fund is to provide residents and businesses with regular pickup and disposal of refuse, yard waste, and recyclable materials.

OVERVIEW

Curbside refuse, recycling and yard waste services to homes and businesses are administered by the department of public services.

To provide economical service, the city partners with the South Oakland County Resource Recovery Authority (SOCRRA). SOCRRA is a multi-community, public enterprise delivering services for Royal Oak's recycling, yard waste and composting needs.

SOCRRA privatizes collection with a third-party waste hauler on a ten-year contract ending in 2027. Household refuse and recycling material is picked-up weekly. Yard waste is collected seasonally April through mid-December.

Materials which are not disposable or recyclable curbside, including household hazardous waste and construction material, may be dropped off by appointment at the SOCRRA drop-off site on Coolidge Highway, north of 14 Mile Road.

Recycling is encouraged, as it reuses valuable raw resources, reduces landfill needs, and saves residents money. The city has implemented a business recycling program.

The DPS leaf pickup program vacuums up leaves raked onto city streets. Pickup begins at the end of October after leaves start dropping. Solid waste funding is also used for the removal and disposal of dead trees from public property.

A total millage rate of 2.3571 mills is budgeted. This is 0.4177 mill lower than the combined maximum authorized amount of 2.7748 mills (voted local millage of 0.9177 and 1.8571 mills levied under authority of PA 298 of 1917 (MCL 123.261).

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal: Increase the percentage of recycled materials as a proportion of the city's waste stream through targeted communication strategies.

Strategic Plan Alignment: Environmental Leadership

Short-term Objectives:

- *Develop a recycling-related communication campaign.*
- *Increase monthly average of recycled materials to 18% of the waste stream.*

Performance Measures:

- *Ongoing - currently at 15.5%*

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE
SUMMARIZED AT THIS LINK.**

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- The maximum authorized combined millage that can be levied is 2.7748 mills, however, it is recommended to continue to temporarily levy a lower millage of 2.3571 mills (0.4177 mil lower than the maximum allowed).
- Personnel costs are increasing due to having a 25% allocation of new Operations Manager full-time position request included in fiscal year 2023-24. The increased budget also allows for potential merit increases for those

staff not currently at the top of their respective pay scale range and provide room for possible retirements in the upcoming year.

- SOCRRA has contracted with GFL for 10 years through 2027 and has tentatively recommended that member communities use a 5% increase in their SOCRRA charges and a continuation of the \$1 per month per household surcharge for planning purposes in fiscal year 2023-24. The increase is primarily due to significant increases in collection and disposal costs due to fuel and CPI escalators. This will result in an increase of approximately +\$284,200 relative to the 2022-23 fiscal year-end projected balance.
- Approximately a -\$200,000 decrease in miscellaneous operating supplies due to refuse containers for parks being purchased during the prior fiscal year.
- -\$150,000 decrease in transfers-out due to the purchase of a small refuse compactor truck that was included in the fiscal year 2022-23 budget that did not occur. The need for this truck is currently being re-evaluated and will be determined at a later time.
- +\$80,000 increase in solid waste disposal services due to increased tree work from storms. Activity during fiscal year 2022-23 was high due to heavy storms and a push to catch-up on backlogged maintenance.
- -\$34,730 decrease in motor pool rental charges due to less utilization expected in fiscal year 2023-24.

Royal Oak

BROWNFIELD REDEVELOPMENT AUTHORITY FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the Royal Oak Brownfield Redevelopment Authority (BRA) is to encourage the redevelopment of eligible “brownfield” properties by providing financial assistance for remediation of environmental contamination at such properties.

OVERVIEW

The Brownfield Redevelopment Act 381 of 1996, (as amended) provides for creative financing with economic and environmental benefit. The Act allows for a municipality to adopt plans and capture incremental local and school property taxes from redeveloped contaminated properties, to pay for the environmental clean-up costs associated with those properties.

The BRA meets on an as-needed basis to review applications for new brownfield plans. Once an application is received by the planning department, a meeting of the BRA is scheduled as soon as possible, pending publication of required public hearing notices required by state law. The BRA then meets to review each plan and submits a recommendation to the city commission.

The City of Royal Oak currently has nine (9) active brownfield plans:

- 1) 802 S. Main St. [Huntington Bank]
- 2) 426 E. Lincoln Ave. [CART Investments]
- 3) 520 N. Main St. [Genisys Credit Union]
- 4) 25766 Woodward Ave. [Kramar Jewelry]

- 5) 30712 Woodward Ave. [Starbucks]
- 6) 1210 to 1232 Morse Ave. [Harrison Lofts]
- 7) 31786 Woodward Ave. [Shell / Barrel & Vines]
- 8) 30955 Woodward Ave. [Woodward Corners]
- 9) 11489 S. Washington Ave. [Urbane on Harrison].

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

Royal Oak

DOWNTOWN DEVELOPMENT AUTHORITY (DDA) - DEVELOPMENT FUND & OPERATING FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The DDA's mission is to promote economic growth and revitalization in downtown Royal Oak. The DDA will accomplish this mission by (1) improving and maintaining a solid and user-friendly infrastructure; (2) marketing downtown Royal Oak to consumers and businesses and (3) encouraging preservation of Royal Oak's downtown. By fulfilling its mission, the DDA will enhance the viability of not only the downtown, but the entire City of Royal Oak.

OVERVIEW

The authority is authorized by the city to impose an ad valorem tax on all taxable property in the downtown district for the purposes provided by Act 197 of 1975. The tax cannot exceed two mills on the value of taxable property in the downtown district. The levy is proposed at its authorized Headlee maximum.

Tax incremental financing (TIF) allows an authority like the DDA, to "capture" incremental tax revenues that result from growth in the district.

The City of Royal Oak Downtown Development Authority is under the supervision and control of a board consisting of the city manager and eight or ten members as determined by the city commission. Members are appointed by the city manager, subject to approval by the city commission.

The authority's goals are to pay into the debt retirement fund, for all outstanding series of bonds issued pursuant to the plan; establish a reserve account for payment of principal and interest on bonds issued pursuant to this plan; to provide the initial stage and second stage public improvements costs that are not financed from the proceeds of bonds; pay administrative and operating costs of the DDA; to acquire property, clear land, make preliminary plans, and improvements necessary for the development of the development area.

The development plan, created by the downtown development authority, prioritizes needed physical improvements like façade improvements, buildings, parking lots and decks, streetscapes, and infrastructure.

Additionally, marketing themes have been developed to enhance the renewed physical appearance. These include advertising, signage and banners, street lighting, tree and floral arrangements. This fund provides extra police officers for the district to enhance existing public safety efforts.

Additional funding for improvements can come from other state and federal programs.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Downtown safety goal: to protect the residents, businesses, and visitors of downtown Royal Oak.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2024 - FY 2026: Develop a downtown plan which enumerates our collective vision for Downtown Royal Oak and addresses business development, liquor license policy, special events, land use, office space, hotels, and downtown parks.*
- *FY 2024 - FY 2026: Continue the funding of three downtown police officers.*

Performance Measures:

- *Ongoing*

Long-term Goal 2: Downtown promotion goal: to promote downtown Royal Oak as a premier destination for shopping, dining, entertainment, living and working.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community.

Short-Term Objective:

- *FY 2024 - FY 2026: Continue the marketing of downtown.*

- *FY 2024 - FY 2026: Develop a communication workplan (strategy) to plan, manage, and coordinate the Downtown Development Authority's (DDA) marketing and outreach efforts.*
- *FY 2024 - FY 2026: Bolster usage of the Social District through marketing and events.*
- *FY 2024 - FY 2026: Continue to support temporary street closings for special events downtown.*
- *FY 2024 - FY 2026: Fund training or recruitment events which supply downtown businesses with workforce talent.*
- *FY 2024 - FY 2026: Continue supporting downtown local businesses through marketing campaigns and special events.*

Performance Measures:

- *Ongoing*

Long-term Goal 3: Downtown infrastructure goal: to provide a downtown that is clean and well maintained.

Strategic Plan Alignment: Reliable Infrastructure.

Short-term Objective:

- *FY 2024 - FY 2026: Continue funding façade improvement program and expand marketing to promote use by property owners and businesses.*
- *FY 2024 - FY 2026: Continue to provide downtown maintenance/enhancement services.*
- *FY 2024 - FY 2026: Investigate and improve streetscape design elements and components, including light fixtures, tree grates and other technology improvements.*
- *FY 2024 - FY 2026: Continue to complete streetscape improvements and repairs. Create an improvement program for public alleys in the downtown.*

Performance Measures:

- *Ongoing - Number of trash receptacles replaced throughout the downtown.*
- *Ongoing - Number of trees and trees grates repaired and/or replaced throughout the downtown.*

Long-term Goal 4: Downtown development goal: to encourage development in downtown through economic development programs, attraction efforts, and Tax Increment Financing (TIF) reimbursement.

Strategic Plan Alignment: Vibrant Local Economy

Short-term Objective:

- *FY 2024 - FY 2026: Reimburse Tax Increment Financing (TIF) revenue to approved development projects.*
- *FY 2024 - FY 2026: Identify and improve targeted business base.*
- *FY 2024 - FY 2026: Identify ways to improve the customer base, such as "cohesive business hours".*
- *FY 2024 - FY 2026: Purchase revenue producing property.*

Performance Measures:

- *Ongoing – Reduce square footage of vacant space*

Long-term Goal 5: Downtown parking goal: to provide adequate and safe parking for downtown residents, employees, and visitors.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2024 - FY 2026: Continue to provide funding to cover the 2nd Street parking structure(s) annual debt service.*
- *FY 2024 - FY 2026: Conduct parking analysis / study to evaluate parking supply versus demand after the completion of the new city hall and police station.*
- *FY 2024 - FY 2026: Collaborate with City leadership to continue analyzing and improving the parking experience in downtown.*

Performance Measures:

- *Completed – Downtown Parking Analysis/Study.*
- *Ongoing*

Long-term Goal 6: Downtown public goal: to keep the public informed of the Downtown Development Authority's (DDA) activities.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community

Short-term Objectives:

- *FY 2024 - FY 2026: Hold monthly Downtown Development Authority (DDA) board meetings.*
- *FY 2024 - FY 2026: Conduct regular meetings with stakeholders to receive feedback on policies, projects and events occurring downtown.*

Performance Measures:

- *Ongoing - Hold at least two (2) informational meetings per year.*

Long-term Goal 7: Downtown placement goal: to create welcoming and beautiful public spaces that encourage residents and visitors to gather as a community.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community

Short-term Objectives:

- *FY 2024 - FY 2026: Investigate and improve streetscape design elements and components, including light fixtures, tree grates and other technology improvements.*
- *FY 2024 - FY 2026: Fund the purchase and installation of holiday lights downtown.*
- *FY 2024 - FY 2026: Plan and fund the installation of plazas or other placemaking spaces.*

Performance Measures:

- *Ongoing - Completion of 5th Avenue Plaza improvements.*

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

INDIGENT DEFENSE FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The Michigan Indigent Defense Commission's (MIDC) mission is to ensure indigent defense services are delivered throughout the state in a fair, cost-effective, and constitutional manner. Royal Oak mirrors this mission with our program by maintaining the eight adopted standards of the MIDC; continuing to provide indigent defense clients at the 44th District Court with a roster of diverse and qualified attorneys; and managing costs associated with the grant funds.

OVERVIEW

First adopted by the state of Michigan in 2013, the Michigan Indigent Defense Commission Act (PA 93 of 2013) established a new state oversight body to review and implement state-wide standards for the provision of criminal defense services for indigent defendants. Following the adoption of the first four standards in May of 2017, the MIDC first appropriated funding for local courts during the State of Michigan's fiscal year 2018-19. Royal Oak established our program at this time.

Royal Oak's grant amount from the state has seen growth from that time as we experience higher caseloads at the 44th District Court and our roster of attorneys has grown to more than 50. Both of these enable Royal Oak to provide highly competent qualified legal representation to indigent defendants and maintain compliance with MIDC standards, which have now grown to nine:

- Education and Training of Defense Counsel
- Initial Interview
- Investigation and Experts
- Counsel at First Appearance and Other Critical States
- Independence from the Judiciary
- Indigent Defense Workloads

- Qualification and Review
- Attorney Compensation
- Indigency and Contribution

Royal Oak manages the MIDC grant through the office of the city manager with one staff member who acts as the project manager. It is the responsibility of the project manager to complete the budget | grant application process including execution of the grant agreement; file quarterly financial and compliance reports to the MIDC; coordinate and communicate with the city's managed assigned counsel coordinator (MACC); review and process MIDC rostered attorney billing for defense services which include: shifts covering arraignments, operation drive, and violations of probation; and hourly billing for initial interviews and all critical stages. The MACC is selected by the city manager with approval by the city commission*; responsibilities of the MACC include scheduling roster attorneys to all shift work; review, approval, submittal of attorney invoices to the project manager; communicating with court administration to provide quarterly numbers for grant reporting; updating roster of attorneys. *Employment is through an employment agreement; the MACC is not a direct employee of the city of Royal Oak.

Royal Oak

LIBRARY MILLAGE FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The Royal Oak Public Library provides opportunities for all to learn, connect, create, and innovate.

OVERVIEW

The Royal Oak Public Library provides opportunities for all to learn, connect, create, and innovate.

The Public Library of the City of Royal Oak is administered by a library board of nine members whose duties are fixed by ordinance and whose members are appointed for fixed terms by the mayor with city commission approval. The board appoints the Library Director and subordinate employees of the library and determines their compensation within the budget adopted by the City Commission. The total amount expended by the board in any one year for compensation of employees, purchases, and other expenses cannot exceed the appropriation allowed for library purposes in the annual budget.

An interior remodel of the library was completed in the fall of 2022. It includes a new fireplace and seating, with a variety of spaces to sit, relax or study. The return to in-person programming and a diverse collection of materials has led to a 50% increase in library traffic during the first 6 months of the fiscal year. Overall, the library is nearing pre-pandemic levels of service.

Two-way communication between the library and our Royal Oak residents is crucial to our shared success. The library premiered a slate of new electronic newsletters, each with its own focus, so residents can pick and choose the ones that meet their interests. A Library Use survey was conducted in the fall of 2022. The results will help guide library services, collections, and programs.

A dedicated one mill secures the operating funds restricted for Royal Oak Public Library purposes through June 2033, which was approved by the citizens in August 2022. The full allowable rate is budgeted to be levied for this fiscal year.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Continuously upgrade and maintain the physical space and functionality of the library to meet the evolving needs of the community.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community / Environmental Leadership / Reliable Infrastructure

Short-term Objectives:

- *FY 2024 - 2026: Review the 2020 Facilities Assessment Report to identify and prioritize future capital projects.*

Performance Measures:

- *Completed - Interior Remodel*
- *Ongoing - FY 2023-24: Waterproof the boiler room.*
- *Ongoing - FY 2023-24: Exterior building concrete and railing repairs.*
- *Ongoing - FY 2023-24: Work with the Library Board of Trustees facilities and budget committees to prioritize and fund future capital projects.*
- *Ongoing - FY 2024-25: Replace the roof.*
- *Ongoing - FY 2024-25: Utilizing the City's American Rescue Plan Act (ARPA) funds, solar panels will be installed on the Library's roof.*

Long-term Goal 2: Invest in and make accessible innovative technologies.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community / Efficient and Effective Services

Short-term Objectives:

- *FY 2024 - 2026: Expand technology in all areas of the library.*
- *FY 2024 - 2026: Build programming centered on leveraging new technologies.*
- *FY 2024 - 2026: Provide training for both the staff and the public.*

Performance Measures:

- *Ongoing - Increase technology and electronics available to lend to the public in the Library of Things.*
- *Ongoing - Offer quarterly technology classes and/or tech tutoring for adults.*
- *Ongoing - Offer quarterly programs in the makerspace.*

Long-term Goal 3: Secure stable funding.

Strategic Plan Alignment: Long-Term Fiscal Health

Short-term Objectives:

- *FY 2024 - 2026: Optimize existing funding.*
- *FY 2024 - 2026: Explore new sources of revenue.*

Performance Measures:

- *Completed - With the passage of the 10-year millage starting in July 2023, the Library has achieved the primary objective in this long-term goal.*

Long-term Goal 4: Ensure best practices in library governance, management, and curation in all areas of the library.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community / Efficient and Effective Services / Safe, Healthy, and Just City

Short-term Objectives:

- *FY 2024 - 2026: Employ and retain happy, welcoming staff and provide for their ongoing professional development.*
- *FY 2024 - 2026: Review the Library Use study and develop changes to services provided based on the feedback received.*
- *FY 2024 - 2026: Continually maintain and enhance our physical and digital collections.*
- *FY 2024 - 2026: Increase the monetary investment in the library's physical and digital collections.*
- *FY 2024 - 2026: Review the collection for outdated and worn materials, using industry standards for guidance.*
- *FY 2024 - 2026: Provide at least one quarterly program that promotes physical and mental health.*
- *FY 2024 - 2026: Increase outreach and service to senior living facilities as well as homebound residents.*

Performance Measures:

- *Ongoing - Per policy, all staff to receive at least 3 hours of professional development annually.*
- *Ongoing - Increase the budget for physical and digital materials by at least 2% annually.*
- *Ongoing - Increase annual lending transactions by at least 2%.*
- *Ongoing - FY 2023-24: The library will move from a primarily part-time staff to a primarily full-time staff.*
- *Ongoing - FY 2023-24: Institute a home delivery service for homebound residents.*
- *Ongoing - FY 2023-24: Visit senior living facilities once per quarter.*
- *Ongoing - FY 2024-26: Reduce the physical collection inventory by at least 5%, withdrawing outdated and worn materials and to make room for new materials on the shelves. The collection inventory should become level within the next 3 years.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- **Revenues:** Budgeted increase of 17%, primarily due to the millage renewal and increase to 1 mill, but also due to library's millage no longer being subject to capture by the Downtown Development Authority (DDA), and due to library bonds being paid off in fiscal year 2022-23.
- **Staffing:** The Library Board of Trustees has recommended working toward a primarily full-time staffing model. In February 2023, the Board approved reclassifying the part-time library pages as library aides, which expands their ability to assist patrons over the phone and at service desks. The Board also approved combining two part-time vacancies to create a new full-time librarian I in adult services. The fiscal year 2023-24 budget includes one new full-time librarian I position and one full-time administrative assistant, and with this, the full-time staffing model will be achieved.
- **Materials:** Expenditures for materials, both physical and electronic, are budgeted to increase 25% (from \$336,000 in fiscal year 2022-23 to \$420,000 in fiscal year 2023-24), which will continue to allow the library to provide a robust collection in multiple formats.
- **Repair and Maintenance:** The library building opened in April 1962. A sixty-year-old building needs continuous repairs, and within the last several years, repairs have been both significant and costly. Consequently, the repair and maintenance accounts are budgeted to increase (from \$30,400 in fiscal year 2022-23 to \$72,800 in fiscal year 2023-24) in order to keep the building operational and safe for patrons and staff alike.
- **Training & Education and Travel Costs:** budgeted increase of 87% due to staff attendance at the biennial Public Library Association Conference in

- Capital Improvement Plan includes:
 - \$60,000 for boiler room waterproofing (subject to recent flooding)
 - \$35,000 for concrete & railing repairs in the loading dock area & staff entrance on Troy Street.

Royal Oak

COMMUNITY DEVELOPMENT BLOCK GRANT

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

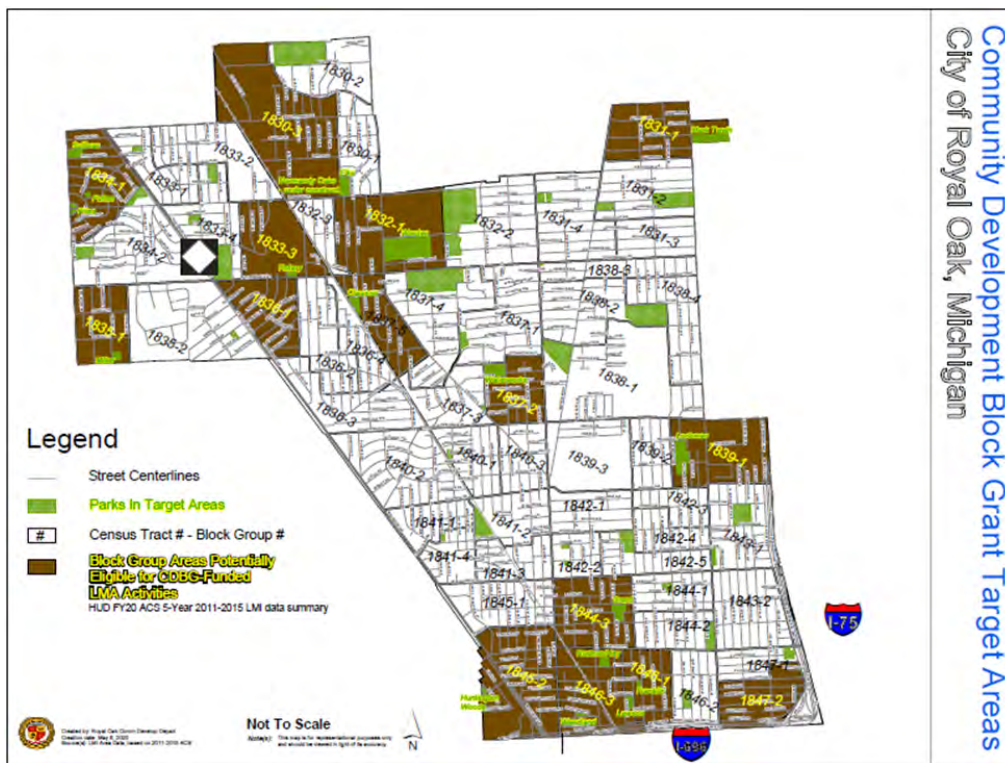

The mission of the community development block grant program is to develop viable urban communities by providing the following, principally for persons of low and moderate income: decent housing, a suitable living environment; and expanded economic opportunities.

OVERVIEW

Funding for CDBG fund operations comes from Federal Housing and Urban Development grants.

The city commission appoints a rehabilitation board of appeals to review community development matters including applications of CDBG funded projects. The board makes recommendations to the city commission. The planning department staff oversees implementation of the grant and compliance with all associated federal requirements.

Historically, the city's housing rehabilitation program receives the largest share of the CDBG program's annual grant amount. Large-scale capital projects, such as road improvements, tree planting, and park improvements, have also received significant CDBG funds.

Housing Rehabilitation Program

The mission of the housing rehabilitation program is to upgrade and conserve the existing housing stock of the City of Royal Oak meeting federal H.U.D. regulations for eligibility.

The housing rehabilitation loan program provides low-interest financing for necessary home repairs to eligible low- and moderate-income homeowners.

The City of Royal Oak has operated a successful housing rehabilitation program since 1976, upgrading and conserving the existing single-family housing stock in the city.

It is funded by Community Development Block Grant Program (CDBG) through the U.S. Dept. of Housing and Urban Development (HUD). Annually this revolving loan program makes new loans using new CDBG grants and repayments on existing loans.

Two kinds of loan are available: monthly installment loans at 3 percent interest for homeowners with incomes no greater than 80 percent of the Detroit area median income, and deferred loans for homeowners at 50 percent of the median income. Additionally, homeowners may be eligible for a forgivable loan, not to exceed \$15,000, for exterior rehabilitation activities. The loan is forgiven in equal parts over a 10-year period, as long as the loan recipient stays in the home. Loans are required to address local property maintenance standards,

HUD's minimum housing quality standards, and any identified lead-based paint hazards.

As a full-service program, the city provides housing and credit counseling, loan underwriting, property inspections, specifications, and contractor solicitation.

Planning staff coordinates funding requests and provides reports and information on these Community Development Block Grant programs.

The department also prepares documents such as the Impediments to Fair Housing, the Five-Year Consolidated Plan, the Annual Action Plan, Comprehensive Annual Performance Evaluation Report, and other interim reports required by HUD for the rehab program.

Rehabilitation Board of Appeals: The Rehabilitation Board of Appeal is comprised of seven citizen members, empowered to grant or deny appeals from the eligibility requirements of the housing assistance program or actions of the administration of the rehabilitation loan committee. The decision of the board of appeals is final. Action to set aside guidelines and eligibility is on the basis of demonstrated hardship. The Board also studies and recommends CDBG related priorities to the city commission. Board members are appointed by the commission to three-year terms and meet the fourth Tuesday of each month.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Increase the availability of decent, safe, and affordable housing.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community.

Short-term Objectives:

- *FY 2024 - 2026: Increase the number of housing rehabilitation loans annually to 20 households.*

Performance Measures:

- *Ongoing - During FY 2023, review advertising methods that garner an increase in the loan application request.*

Long-term Goal 2: Reduce the health risks of lead-based paint (LBP).

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community.

Short-term Objectives:

- *FY 2024 - 2026: Conduct lead-based paint (LBP) inspections on rehabilitation projects under federal standards.*

Performance Measures:

- *Ongoing - During FY 2023, conduct required lead-based paint (LBP) inspections, deliver results to occupants, contractor-initiated abatement, or safe work practices, & final clearance testing.*

Long-term Goal 3: Identify, design, and implement unique projects in Community Development Block Grant (CDBG)-eligible neighborhoods.

Strategic Plan Alignment: Reliable Infrastructure.

Short-term Objectives:

- *FY 2024 - 2026: Annually review the condition of parks, tree coverage, transportation systems, sidewalks, etc. in comparison to the city's Capital Improvement Plan (CIP) and eligibility requirements of the national CDBG program.*

Performance Measures:

- *Ongoing - During FY 2023, conduct 1 large-scale renovation to one CDBG-eligible park.*
- *Ongoing - During FY 2023, replace 1 unsafe retaining wall in danger of collapsing across a public sidewalk in a CDBG-eligible neighborhood.*
- *Ongoing - During FY 2023, remove 1 blighted structure and plant restoration landscaping in a CDBG-eligible neighborhood.*

Long-term Goal 4: Promote and ensure fair housing choice for all residents.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community.

Short-term Objectives:

- *FY 2024 - 2026: Annually contract for fair housing testing services.*

Performance Measures:

- *Ongoing - During FY 2023, conduct fair housing testing to determine discrimination on the basis of disability, ethnicity, race, gender-identity, familial status, age, disability status, etc.*

Long-term Goal 5: Provide support services to those experiencing homelessness or those at-risk of becoming homeless so they may gain life skills and self-sufficiency.

Strategic Plan Alignment: Safe, Healthy, and Just City.

Short-term Objectives:

- *FY 2024 - 2026: Annually contract with public service agencies to provide such services.*

Performance Measures:

- *Ongoing - During FY 2023, contract with public service agencies to provide immediate shelter to 50-60 individuals and social services to 5-10 individuals.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- R.O.S.E.S (Royal Oak Senior Essential Services) Program – budgeted for \$35,000 and provides supportive services for residents who qualify. The program is administered by the city’s Recreation Department.
- South Oakland Shelter (SOS) - budgeted for \$55,000 to support several local organizations that provide homeless & rent assistance, and emergency shelter programs in the city.
- Park Improvements / Other Community Projects are budgeted to include:
 - \$900,000 for Lockman Park Improvements
 - \$100,000 for W. Webster Rd retaining wall - removal & replacement
 - \$35,000 for demolition of the former “Fresard Clock Tower” on Woodward & W. Hudson Ave.

Royal Oak

STATE CONSTRUCTION CODE FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the inspection division of the building division is to effectively administer the Michigan construction codes and local ordinances to ensure public health, safety, and welfare.

OVERVIEW

Pursuant to the provisions of Section 9 of Act No. 230 of the Michigan Public Act of 1972 (MCLA § 125.1509), the Royal Oak building official is designated as the enforcing agency to discharge the responsibilities of the act. The city's building division assumes responsibility for the administration and enforcement of the act within our corporate limits.

The building inspection division issues permits for commercial and residential construction projects and performs related building, mechanical, electrical, and plumbing inspections throughout the construction process to ensure compliance with state construction codes and local ordinances. Fees are intended to cover the costs of this special revenue fund.

The building division of community development department consists of two areas: building inspection and code enforcement.

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Permit revenues - budgeted increase of 11%, however activity is unpredictable / cyclical and permit revenues can vary greatly from year to year.
- Personnel costs – budget remains unchanged and continue to budget for four inspector position vacancies: 1 building and 3 mechanical.
- Office Equipment / Furniture (non-capitalized) – budgeted decrease due to the one-time purchase of office cubicle walls and furniture in fiscal year 2022-23.
- Miscellaneous contracted services - budgeted decrease due to the customer management system project budgeted in fiscal year 2022-23 to be undertaken in a future fiscal year.
- Printing & document duplicating – budgeted decrease due to the multi-year document duplication / scanning project approaching completion.

Royal Oak ROOTS FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The ROOTS (Royal Oak Opportunity to Serve) fund is intended to account for contributions for certain committees and certain public purposes within the city.

OVERVIEW

This fund records the receipt and disbursement of the monies/property. The 2023-24 budget mostly covers contributions for the commission for the arts.

Royal Oak

SENIOR CITIZEN SERVICES FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The City of Royal Oak offers older adults' opportunities for lifelong education, fitness, nutrition, and leisure activities. Supportive services that promote independence and quality of life are available for residents who are 50 and over or permanently disabled adults.

OVERVIEW

Administrative offices and the bulk of programs are located at the Mahany/Meininger Center (the M/M). Additional activities are held at the Salter Center and other sites.

The coordinator of senior citizen activity is responsible for all cost centers and reports to the superintendent of recreation. Programs include a wide range of activities supported by an equally diverse group of fees, donations, and grants.

The Mahany/Meininger Center has a resource center that provides brochures from businesses with products and services for older adults. The fees to display brochures are \$10 monthly or \$100 yearly.

Health and wellness programs are offered at the Salter Center for individuals 50 years of age and over. Pickle ball, while easy for beginners, can also develop into an intense competition for high-level players, is played one evening and two days a week. Bounce volleyball numbers are increasing daily. Walking daily is very popular.

The recreation specialist plans, publicizes, and schedules activities, classes, plus one day and extended trips tailored to senior citizens' interests. Three trips per

month are scheduled on average.

The M/M Community Center staff continue program growth even with safety and barriers as standard practice in the building. A Chef was hired in August 2022 for Tim's kitchen and congregate meals have returned. Some programs offered to the community include American Sign Language, Martial Arts, Piano Keyboarding, DSO, DIA, Detroit Zoo, and Lunch and Learns for educational purposes. We have reinstated dances with a live band. Bingo was held in the parking lot and now has moved indoors during colder weather.

Center Operations CDBG (274.759) – Certain eligible costs are covered by federal reimbursement and recorded in the block grant fund (274.759). The CDBG fund pays a subsidy for R.O.S.E.S. personnel serving low-income residents. \$35,000 has been budgeted for support in fiscal year 2023-24.

Building maintenance (296.750) - This budget covers utilities, janitorial, heating & cooling, and other building maintenance, and repair items of the M/M Center. M/M rental fees partially fund this budget.

R.O.S.E.S. (296.686) - Royal Oak Senior Essential Services is a local program hiring contract workers to provide home chores, minor home repairs and personal care to adults, age 62 and over, and permanently disabled adults. R.O.S.E.S. enables older adults who reside in Royal Oak to remain independent in their own homes, shorten hospital stays, lower health care costs, and reduce the need for institutionalization. In 2022, homeowners and renters enrolled, and 268 jobs were completed in the calendar year.

R.O.S.E.S. workers are independent contractors with this agency and have agreed to work at an affordable per-hour or per-job rate dependent upon the service rendered. The R.O.S.E.S. budget pays half of the wages for our part-time R.O.S.E.S. aides, paid by client administrative fees and donations. The remainder of the R.O.S.E.S. aides' wages is paid by the CDBG budget.

A.G.E. (296.687) – The specialty-trained Adjacent Generational Exchange staffer manages the volunteer program, funded by a Beaumont Health grant, pays a volunteer coordinator to recruit, train, and place volunteers to serve mature adults' needs. In the community, volunteers provide older persons with meals delivered to homes, assistance, and transportation.

One A.G.E. staff member, Carolyn counsels older adults in Medicare D prescription drug coverage, mostly conducted over the phone this year. They received assistance in plan eligibility, benefit comparisons, low-income

assistance, and enrollment assistance. This program runs from Oct. 15 to Dec. 7 annually, by appointment only.

Transportation (296.688)– The 5-day a week transportation program continues to provide essential mobile service for 11,620 one-way trips to doctor appointments, grocery shopping, and programs at the M/M center. This service promotes independence for residents aged 62 or older, and adults who are permanently disabled. Door-to-door service is available to those with mobility problems who need to be personally escorted to the buses.

We assist the City of Pleasant Ridge to provide bus transportation to their older residents of Pleasant Ridge once a week and one special trip per month. The City of Royal Oak receives Pleasant Municipal and Community Credits to provide this service. Another partnership is with the Royal Oak Middle School to provide transportation every Friday for mentally and physically disabled students’ social outings.

The city currently operates six vehicles rented in collaboration with SMART. This budget provides for part-time (11 drivers, one dispatcher), maintenance and insurance for vans. This budget is funded by Beaumont Health, SMART municipal and community credit funds, and rider donations.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- The new Senior Services millage first levied in December 2022, is estimated to raise approximately \$670,200 in revenues during fiscal year 2023-24 to help provide funding for services, activities, and programs for older persons. The property tax revenue will replace the annual transfer-in from the general fund.

- R.O.S.E.S. program – no significant changes to note.
- A.G.E. program – no significant changes to note.
- Senior Transportation program – temporary wages have increased due to hiring two additional van drivers and providing wage rate increases for part-time staff during fiscal year 2022-23. Motor pool rental charges are budgeted to increase +\$8,250 due to rising fuel costs.
- Senior Center operations – personnel costs have increased due having a 10% allocation of a new Recreation Director full-time position request, beginning January 2024, in fiscal year 2023-24. Part-time wages have increased due to filling the part-time Chef position and providing wage rate increases for part-time staff during the year.
- Building maintenance – +\$3,000 increase in electricity costs based on an assumed 5% rate increase plus increased usage as the senior center continues to add and improve its technology in the building.
- The following projects, totaling \$167,000, were included in the annual Capital Improvement Plan (CIP) and are budgeted in the building maintenance cost center (296.759) of this fund for fiscal year 2023-24:
 - +\$104,000 bathroom renovations (ARPA expenditure)
 - +\$50,000 floor replacement (ARPA expenditure)
 - +\$13,000 HVAC replacements (ARPA expenditure)

MISSION STATEMENT

The mission of the animal shelter is to provide a safe haven for animals lost or given up by their owners; to reunite lost animals with their human companions; and to provide the best possible adoptions of available animals into the home best suited to their personalities.

OVERVIEW

The Royal Oak Animal Shelter is operated as a city service under management of the Royal Oak Police Department. The shelter charges fees for its services including rent and spay/neutering costs. This covers some of the cost of operation.

The shelter pays for a full-time animal shelter manager, limited part-time help, and trains volunteers to work with and care for all animals throughout their stay. The shelter uses its own website which is an excellent way to match animals considered suitable for pets with their new owners.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal: Maintain facilities and staff to promote reunification of lost or abandoned domestic pets and to provide humane animal care to facilitate adoptions.

Strategic Plan Alignment: Safe, Healthy, and Just City.

Short-term Objectives:

- *FY 2024 - 2026: Monthly review of animals experiencing long-term housing and explore innovative options to reduce extended housing.*
- *FY 2024 - 2026: Increase adoption efforts through weekly promotions.*

Performance Measures:

- Ongoing - Maintain capacity at 90% or less, month over month for FY 2023-2024.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Personnel costs – budgeted increase to allow for additional part-time employees and/or an increase in part-time hours, which may reduce the need for existing employees to work overtime, and a partial allocation of the new DPS operations manager position beginning in January 2024.
- Miscellaneous operating supplies – budgeted increase due to the shelter operating at near capacity and the amount of food and supplies has increased post pandemic.
- Heating / Cooling Repair & Maintenance – budgeted increase of 50% due to the heating unit at the end of life and in need of continuous repair.
- Capital Improvement Plan includes:
 - \$150,000 for Animal Shelter relocation and construction.
- Transfer-in from the Miscellaneous Grants Fund – budgeted for \$150,000 to cover the animal shelter relocation and construction costs, which are American Rescue Plan Act (ARPA)-eligible expenditures.
- Transfer-in from the General Fund – budgeted for \$147,700 to eliminate the fund from going into a negative position. This transfer is assumed in the forecasted years as well.

ARTS, BEATS AND EATS FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The purpose of the Arts, Beats & Eats cost center is to account for the city's personnel, contracted and supply costs of the festival. Personnel costs consist of police, fire and DPS employees.

OVERVIEW

Arts, Beats & Eats is held in downtown Royal Oak over the Labor Day weekend. The event was formerly held in downtown Pontiac. Over one-quarter of a million visitors are expected to enjoy the 150 musical acts, 150 fine artists, and nearly 50 restaurants during the event.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Due to the uncertain turnout for the event, the budget for fiscal year 2023-24 is based upon a slightly higher average of revenues received from last year's 2022 event, and the two fiscal years prior to 2020-21 as the event was cancelled during that fiscal year from the pandemic.
- -\$90,000 decrease in the transfer-out to the DDA fund due to lower net parking revenue generated in the fiscal year 2022-23.

[RETURN TO OPERATING BUDGETS SUMMARY PAGE](#)

MISSION STATEMENT

The mission of the recreation department is to provide residents with an assortment of year-round recreation opportunities that are responsive to their needs, are enjoyable to their families and contribute to their physical and mental well-being.

OVERVIEW

The City of Royal Oak's recreation department does not discriminate against any program participant or applicant for participation because of actual or perceived race, color, religion, national origin, sex, age, height, weight, condition of pregnancy, marital status, physical or mental limitations, legal source of income, family responsibilities, sexual orientation, gender identity, or HIV status of person, that person's relatives, or that person's associates or for any other reason (s) prohibited by law. The City of Royal Oak will take affirmative action to ensure that all practices are free from such discrimination.

The department is challenged to provide a wide variety of leisure programs that stimulate the bodies and minds of the city residents and business persons of all ages, including toddlers, youth, adults, and older adults.

All recreation staff and contractors are responsible for marketing, registration, equipment, supplies, facilities, budget, and evaluation.

Programs are operated in the city's two community centers and throughout our 51 parks and playgrounds. Separately, the ice arena and senior citizen services programs are two companion activities that operate from their own individual funds.

Working with all city departments, the superintendent also produces the city's quarterly newsletter "The Insight".

The school district of the City of Royal Oak and the City of Royal Oak joined in the creation of a parks and recreation department in accordance with the provisions of Section 3 of Act 156, Public Acts for 1917. The superintendent of recreation is the liaison between the city and school district for the implementation of the in-kind service agreement as it relates to recreational facility usage.

Recreation is guided with the assistance of the parks and recreation advisory board to formulate an annual recreation program. The department of recreation and public service sponsors games, contests, exhibitions and other recreational events, and charges admission to any such events when deemed necessary and advisable to defray the expenses of the recreational program. In connection with all such events, the department rents concessions for the accommodation of patrons of such events.

Infant and Toddlers: Our Four Seasons Preschool is a state licensed preschool program; children participate in a 33-week curriculum at the Senior Community Center. Recently the department began to offer a seven-week summer program for returning and new students.

Youth Sports and Enrichment: Children can sign up for a 30-week dance program, sport camps, t-ball, golf, basketball, soccer, tennis, and lacrosse. Recently we have added art classes, young engineers, and story time with crafts.

Summer Day Camp: A nine-week, 50-hour camp. Children participate in sports, arts and crafts, swimming, special events and field trips. The camp will be held at Royal Oak High School with a camper to counselor ratio of one to ten.

Adult Sports Leagues/Programs: Softball, women's soccer, volleyball, pickle ball, and tennis.

Adult Enrichment: Programs include tai-chi, yoga, ballroom dance. In 2016, the department began offering cooking classes, Ravioli's, Cannoli's, Pierogis'.

Adult Fitness: Classes include aerobics, kickboxing, Pilates, abs, glutes, and thighs.

Cultural Events: The 52nd Annual Royal Oak Art Fair will be held in July at Memorial Park. One hundred artists from all over the United States participate

in this annual event. Other events include Halloween Fest and Toys for Tots Cornhole Tournament.

In 2018, the City of Royal Oak was considered the pickleball destination of Michigan with 21 newer pickleball courts; eight at Whittier Park, seven at Upton Park and six indoor courts at the Salter Community Center.

The department will continue to offer the adopt-a-park program that offer a private-public partnership with residents, community organizations, and businesses. The goal is to improve our parks system through beautification projects and donations for trees, benches, and park supplies.

The recreation department works with community youth athletic organizations to coordinate hundreds of games, practices, and the maintenance schedules for all soccer fields (20 fields spring and fall), baseball (20), softball (12), and a football field. It also coordinates all pavilion rentals at Memorial, VFW, Starr/J.C., and Normandy Oaks parks.

The department also works with and oversees the contracts between the City of Royal Oak and Suburban Management Group at the Lindell Ice Arena, Royal Oak Golf Course, Royal Oak Golf Center, Grand Slam Batting Cages, Royal Oak Leprechauns, Total Soccer, and the Jack and Patti Salter Center.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: To maintain, replace, and enhance Royal Oak's parks amenities.

Strategic Plan Alignment: Efficient and Effective Services

Short-term Objectives:

- *Tackle at least one park with drainage issues each year.*
- *Replace at least one aged-out playground equipment each year.*

Performance Measures:

- *Ongoing - to be determined annually upon park inspections / urgency of need.*

Long-term Goal 2: Develop a formal collaborative planning process with key stakeholders to ensure fair, equitable access to city recreation assets, promote stakeholder collaborations, and improve field and facility maintenance.

Strategic Plan Alignment: Welcoming, Engaging, and Livable Community.

Short-term Objectives:

- *Identify key recreation stakeholders and develop annual meeting schedule.*
- *Conduct pre- / post-season meetings with associated leagues.*

Performance Measures:

- *Ongoing*

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE
SUMMARIZED AT THIS LINK.**

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Overall, revenues are budgeted to increase approximately 4% over the fiscal year 2022-23 original budget, mostly due to increased outdoor facility rentals from the additional pavilions at Lawson Park and Normandy Oaks.
- Personnel costs are increasing due to having a 50% allocation of a new Recreation Director full-time position request, beginning January 2024, included in fiscal year 2023-24.
- Temporary wages are increasing due to increased facility rentals, adding new events, and new preschool instructors.
- +\$15,000 increase in program supplies due to additional spending on preschool supplies and in anticipation of rising costs.
- The future years forecast includes \$250,000 of capital improvements in fiscal year 2025-26 for golf course improvements and \$1,750,000 in fiscal year 2026-27 for the clubhouse reconstruction from the annual Capital Improvement Plan (CIP).

AUTO PARKING FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the auto parking fund is to provide ample auto parking opportunity in the business and entertainment areas to support the demands.

OVERVIEW

The auto parking system builds and maintains the on- and off-street paid parking throughout the business area of the city, primarily in the central business district. The system's goal is to provide ample auto parking to encourage development. Parking must be easily accessible to our wide range of commercial establishments like offices, retail business, restaurants, and entertainment venues from morning to night. This enterprise fund charges parking fees in order to be self-supporting.

The city commission decides rates and the number of parking spots to allow based on recommendations from the Downtown Development Authority.

There are approximately 4,300 spaces managed overall. A new parking structure was opened in 2018 and another in 2019. The city utilizes a private contractor to operate the parking structures to improve service and reduce costs.

Parking rates were increased in late 2010 and multi-rate meters were installed. Spaces are metered on the street and attended in parking decks. Monthly pass rates were increased in March 2018. Drivers can pay rates based on time spent or purchase monthly permits from the city treasury office. In the Fall of 2020, the parking structure rate methodology changed from a \$5 flat rate to the first two hours free then 75 cents per hour beginning with the third hour. In 2021, the city approved a contract with Municipal Parking Services (MPS) to install new technology (most of the meters and lots) in the central business district. The

police department works to coordinate with MPS to monitor parking compliance. Implementation of parking enforcement of this new technology was completed in the Spring of 2022.

Operations have two divisions: parking operations and parking enforcement.

Parking operations

The mission of the parking operation cost center is to provide fair auto parking opportunities for visitors to the central business district.

The department of public services (DPS) parking division builds and maintains spaces and collects parking fees. DPS employs three full-time staff and various part-time staff. A parking contractor operates the four parking decks.

Parking enforcement

The mission of the parking enforcement division is to encourage auto parking opportunity in the central business district by enforcing parking regulations across all spaces, including on-street, city-owned lots and parking structures.

In the parking fund, the police department budgets for its parking enforcement division of 12 parking enforcement officers. These employees verify and issue tickets for expired meters and other parking violations. The police department works to coordinate with Municipal Parking Services (MPS) to monitor parking compliance and customer experiences.

In the general fund, the district court adjudicates the violations and collects the fines.

Construction

The mission of the auto parking construction cost center is to track and fund parking construction projects included in the capital improvement plan.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Encourage compliance with all parking regulations through enforcement and education.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *Improve messaging and community education related to parking.*

Performance Measures:

- *Ongoing - Increase parking compliance to 80%.*

Long-term Goal 2: Improve customer experience and understanding of parking regulations.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *Coordinate with the 44th District Court to provide customers with alternative ways to resolve parking disputes.*

Performance Measures:

- *Ongoing - Increase technology usage of new parking system to 20%.*

Long-term Goal 3: Improve customer experience to encourage compliance and ease of use of all parking systems.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *Coordinate with Municipal Parking Services (MPS) to ensure new technology is reliable, customer friendly, and easy to use.*

Performance Measures:

- *Ongoing - Increase reliability of new MPS parking technology to 95% for FY 2023-2024.*

Long-term Goal 4: Promote and improve use of parking structures.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *Identify deficiencies of parking structure usage and make improvements as necessary.*

Performance Measures:

- *Ongoing - Increase parking garage usage average from 60% to 70% for FY 2023-2024.*

Long-term Goal 5: Integrate new parking technology where it makes business sense.

Strategic Plan Alignment: Safe, Healthy, and Just City

Short-term Objectives:

- *Improve public facing messaging regarding all parking options within in the city.*

Performance Measures:

- *Ongoing - Complete implementation of changes and updates to city website by first quarter FY 2023-2024.*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- The transfer from the DDA TIFA fund is budgeted at \$586,600 to fund 50% of the Center Street debt payment.
- Personnel costs are increasing due to having a new Parking Systems Manager full-time position request and four additional part-time parking enforcement officers in fiscal year 2023-24.
- -\$436,900 decrease in contracted worker services due to estimated parking revenue share agreement cost for the parking technology company (MPS) for 50 percent share of meter and parking lot revenue where the company's technology is installed.
- +\$30,000 increase in electricity costs is budgeted due to rising rates and for power distribution units (pdu's).
- +\$20,000 increase in elevator repair and maintenance services due to rising costs from aging elevators that require more frequent emergency repairs.
- -\$48,280 decrease in the allocated information systems service charge due to the installation of fiber optic lines at all four parking structures during fiscal year 2022-23.

- The following projects, totaling \$700,000, were included in the annual Capital Improvement Plan (CIP) and have been budgeted in the parking operations cost center (516.570) of this fund for fiscal year 2023-24:
 - +\$100,000 S. Lafayette parking structure joint and storm drain repairs
 - +\$100,000 S. Lafayette parking structure electrical upgrades
 - +\$100,000 S. Lafayette parking structure fire suppression system
 - +\$100,000 Center St. parking structure doors and windows
 - +\$100,000 resurfacing of city parking lots
 - +\$100,000 parking structure top coating
 - +\$50,000 parking structure equipment protection
 - +\$50,000 11 Mile parking structure pedestrian entrance
- There are no construction projects budgeted in this cost center for fiscal year 2023-24. Activity in fiscal year 2022-23 related to ADA door upgrades at the 11 Mile parking structure. See the parking operation cost center (516.570) for current year repair projects. a caption to provide helpful context and explanation for images, graphs and embedded content.

Royal Oak

FARMERS' MARKET FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the Royal Oak Farmers Market is to create a facility that reflects the needs and interests of the community and to provide an exciting centerpiece for local downtown economic activity that attracts local merchants, shoppers, and public and private rental events.

OVERVIEW

The Royal Oak Farmers Market sells locally grown produce and wares in a family-oriented venue. The farmers' market is located in the civic center campus at the corner of 11 Mile Rd. and Troy St., across from the library and adjacent to the 44th District Court.

The farmers' market is one of southeast Michigan's premium farm market venues. Farm producers sell on Friday during the farm season (May through Thanksgiving) and Saturday all year round. During the growing season farmers are only allowed to sell what they grow.

Residents of the City of Royal Oak and surrounding communities are attracted downtown to a first-class venue with ample parking. Beside its well-rounded farmers' market, offering the best of the state's harvest, the building hosts a weekly, highly rated, long-running antiques and collectibles show, every Sunday all year round.

The enclosed building provides a great gathering place, in any weather conditions, for large group events such as the Memorial Day pancake breakfast and the city's holiday tree lighting ceremony.

The activity of the Farmers' Market is accounted for in a self-sustaining enterprise fund. Market Funds necessary to operate the farmers market are

derived solely from revenues collected. Operation of the market does not put any burden on the general fund.

The farmers' market is run by a contracted market management company, under direction of the director of recreation and public services.

Its operating costs include limited DPS personnel costs, depreciation for the building and equipment, advertising, general administration, utilities, supplies, repairs, and maintenance. Personnel costs are allocated percentages only. No staff are permanently assigned to this fund.

A concessionaire leases the kitchen, eliminating the concession cost center.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: Increase farmer's market and antique market awareness to bring in more diversity of vendors to reach a wider range of customers.

Strategic Plan Alignment: Welcoming, Engaged, and Livable Community

Short-term Objectives:

- *Promote a large social media campaign to reach customers and vendors with more specific information on how to support their local farmers/specialty food and antique vendors.*

Performance Measures:

- *Ongoing - gradually increased farm and antiques market attendance year-round during FY 2022-23.*

Long-term Goal 2: Create new and improve upon existing market community events to encourage higher attendance.

Strategic Plan Alignment: Vibrant Local Economy

Short-term Objectives:

- *Expand in-house special events programming outreach by exploring use of the Centennial Commons and broaden our vendor and customer base.*

Performance Measures:

- *Ongoing - attendance at Sights & Sounds concert series increased by approximately 50% during FY 2022-23.*

WATER AND SEWER FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the water & sewer fund is to provide the City of Royal Oak residents and businesses with water supply and sewage disposal services that support a high quality of life.

OVERVIEW

The City of Royal Oak purchases water from the Southeastern Oakland County Water Authority (SOCWA) and pays the Oakland County Water Resources Commission for the treatment of sewage. Both in turn, contract with the Great Lakes Water Authority (GLWA) which first provides treated water from the Great Lakes and later treats our sewerage before returning it downstream.

The water and sewer fund uses numerous cost centers to categorize its activities: engineering, administration, water billing, water maintenance, meter services, sewer maintenance, and construction.

Most of the revenues for these operations are generated based upon the amount of water used by Royal Oak's residential and commercial/industrial customers. The majority of the revenue is generated through two-tiered user charges. The water/sewer combined commodity rate is budgeted to increase by 12.2%. The SOCWA-GLWA has tentatively proposed an increase to the water rate to the city of 4.4%. Oakland County Water Resources Commission is increasing its sanitary/sewer rates (combined) by 2.3%. The flat billing rate is budgeted to increase \$1 from \$15.00 to \$16.00 per quarter for the purpose of recouping the city's water billing costs. This is moving the cost recovery from the commodity rate to the flat rate.

Fiscal year 2022-23 was the fifth and final year of the drain debt levy to pay the chapter 20 drain debt that was formerly collected in the sewer commodity

charge.

Engineering

The purpose of the engineering cost center of the water & sewer fund is to provide for engineering services that are related to water and sewer projects.

The engineering division evaluates water main and sewer problems and coordinates rehabilitation or replacements where needed, or where street repairs are planned. Costs for street repairs are usually charged to specific projects and capitalized. Additionally, green infrastructure projects are often funded by the water and sewer fund. Any non-project costs for engineering services are charged here. This would include asset management plans, ordinance review and updates, stormwater analysis and attending meetings and training that are not project specific. Personnel costs are allocated percentages only. No staff are permanently assigned to this cost center.

The engineering division often utilizes consultants to assist with the engineering activities described.

Administration

The function of the administration cost center of the water & sewer fund is to pay all administrative costs including debt service.

The administration budget pays a portion of personnel services for the DPS director and the front office staff, debt service and related administrative expenses.

Debt service is a large component of the budget. Depreciation expense must provide sufficient cash flow to pay debt principal. Other costs include general administration, information service, insurance, and auditing cost.

Water Billing

The water billing function is housed in the treasury department in city hall. This assists customers when they personally pay bills, by keeping the collection point in one place.

Billing staff solve water and sewer problems for customers by answering their questions and taking customer requests for service. They work daily with the department of public works (DPS) staff at the public service building to resolve these issues.

The treasury billing staff is the primary answer point to deal with setting up new accounts, meter reading, billing, and collecting process, setting up "final" meter

reads and preparing courtesy bills, and investigating water leaks and basement backups.

Utility accounts are billed four times annually. There are 13 billing cycles, and 1,500 to 2,000 bills are mailed out weekly. Payment on bills is typically due on Monday; three weeks after the bills are mailed.

Water Maintenance

The water maintenance division is responsible for the maintenance of approximately 220 miles of water main throughout the community. There are many water conveyances it must maintain. This cost center also records the purchases of potable water.

Water mains are the pressurized pipes that transmit water to the user. They are made of several materials, the most common being cast iron. They are subject to leaks and breaks due to stress, corrosion, and changes in water pressure because of seasonal demand.

These breaks and leaks must be pinpointed, dug up, and repaired. A new material, ductile iron, shows great promise in eliminating such problems.

Valves (or gates) are strategically located in various points throughout the transmission system. Usually spaced one or two blocks apart, they are used to isolate certain areas for repair or construction. These are subject to corrosion of bolts and packing and must be periodically dug up and repaired.

Royal Oak has over 2,100 hydrants of different ages and brands located strategically throughout the city. These suffer from vandalism, automobile accidents, and aging and must be repaired or dug up and replaced. The fire department also monitors their condition, and reports malfunctions to the water maintenance division.

Potable water is our largest single water expense. The city is a member of S.O.C.W.A., the Southeast Oakland County Water Authority. SOCWA is the regional intergovernmental agency that transports clean water from the Great Lakes Water Authority system to its member cities.

Beginning in fiscal year 2020-21, water purchases (from SOCWA), which were formerly budgeted through the administrative cost center (592-536) of the water and sewer fund, are now being accounted for as part of the water maintenance cost center.

Meter Service

The meter service division maintains the water connection between the city's water main and water customers' meters and is responsible for the reading of water meters for billing, performing investigations on high water bills, 24-hour emergency call-out for leaking water meters, installing new water meters, investigating possible water service leaks, and cross connection inspections.

There are approximately 24,500 water meters within the Royal Oak water system for which this division is responsible.

Water services are the private lines that supply water from the city's water main to a house or business. Service lines also are made of different materials with copper being far superior. Copper services require little, if any, maintenance. Galvanized iron services eventually rust out and must be replaced. Services made of lead are a health hazard and should be replaced.

The meter service division also has a meter testing and replacement program. The division is presently in the process of installing the radio reading devices where possible. There is no additional direct cost to the homeowner for the installation of these meters.

The meter service division is also presently converting older style remote readers over to a newer type and the city's residential and commercial cross connection control programs are also included in this cost center.

Sewer Maintenance

The sewer maintenance division of the department of public service is responsible for the maintenance of approximately 360 miles of sewers throughout the City of Royal Oak. The city has a combined sanitary and storm system.

Over 85 percent of the amounts budgeted here are for contractual sewage disposal charges from the Oakland County Water Resources Commissioner. Our sewage passes through the George W. Kuhn Sewage Disposal System (GWKSDS). Next it gets transported by the City of Detroit system then treated and returned to the Great Lakes system. The other 15 percent of costs are local costs.

Sanitary sewer cleaning is designed to clean all sanitary sewers within the city by sewer jetting and eliminating most of the sewer back-up problems in the city's lines. The city provides 24 hours a day, seven days a week, response to any basement water calls.

Maintenance and normal repairs are scheduled starting in the spring on catch basins, manholes and any sewer lines that have had problems. This work continues if weather permits. During the winter, the sewer personnel clean the tops of catch basins and inspect all the sewer structures for repair. From this program, a repair list is made up for the construction repair season.

During severe snowstorms, the sewer division supports the highway division with equipment and manpower for the plowing of city streets. Also, during the winter months, the sewer division uses a power-rodding machine to rod or clean city sewer lines that have root growth problems. This power rod is in operation until our construction season begins.

The sewer division also handles all Miss Dig requests. This is a program set up by all utilities for the staking of utility lines before any digging occurs. This division stakes or paints all City of Royal Oak sewer mains and laterals, water mains, sewer service tie-in locations, and water curb shut offs.

Construction

The function of the water and sewer construction cost center is to track and fund water and sewer related projects.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal 1: (Engineering) Update water asset management plan for the Michigan Department of Environmental, Great Lakes, and Energy (EGLE) meeting of exceeding industry standards.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Program funding to hire a consultant in 2024 for plan updates to be completed by fall 2025.*
- *Program water main improvements in the Capital Improvement Plan (CIP) that align with asset management plan.*

Performance Measures:

- *Water plan was last updated in 2020.*

Long-term Goal 2: (Engineering) Evaluate which streets have high ponding potential for appropriate green infrastructure installations.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Use the list of streets with high ponding potential to program green infrastructure opportunities in future years.*

Performance Measures:

- *Ongoing - the ponding analysis is 80% complete, with completion expected by the end of May 2023.*

Long-term Goal 3: (Engineering) Create Geographic Information Systems (GIS) map of sewer system and maintenance activities.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Use map to analyze future sewer televising and sewer lining projects.*

Performance Measures:

- *Ongoing - the work is 75% completed and requires assistance from the city's Geographic Information Systems (GIS) consultant.*

Long-term Goal 4: (Construction) Program American Rescue Plan Act of 2021 (ARPA) funds for green infrastructure improvements in 2022-2026.

Strategic Plan Alignment: Environmental Leadership

Short-term Objectives:

- *Include items in the Capital Improvement Plan (CIP) for green infrastructure construction.*

Performance Measures:

- *Ongoing - projects have been programmed for 2023 through 2026.*

Long-term Goal 5: (Construction) Upgrade water mains throughout the city to improve fire flow and reliability.

Strategic Plan Alignment: Reliable Infrastructure

Short-term Objectives:

- *Include items in the Capital Improvement Plan (CIP) for water main upgrades.*

Performance Measures:

- *Ongoing - projects have been programmed for 2023 through 2028.*

**OPERATING INDICATORS AND PERFORMANCE TRENDS ARE

WATER AND SEWER FUND - BY DIVISION

FISCAL YEAR 2023-2024 ANNUAL BUDGET

OVERVIEW

The water and sewer fund uses numerous cost centers to categorize its activities: engineering, administration, water billing, water maintenance, meter services, sewer maintenance, and construction. This page shows expense information for each of those cost centers.

[TO RETURN TO THE WATER & SEWER FUND SUMMARY PAGE, PLEASE CLICK HERE.](#)

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

ADMINISTRATION:

- +\$186,000 increase in estimated depreciation charges due to increased capital projects to depreciate.
- -\$129,550 decrease in transfers-out to other funds relative to the fiscal year 2022-23 estimated year-end, due to one-time purchases that will not reoccur.
- +\$22,800 increase in property & casualty insurance services due to the anticipation of the increased cost in the renewal of the policy arising from higher claims over the past year.
- -\$59,420 decrease in budgeted debt payments as outstanding balances decline.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

ENGINEERING:

- Personnel costs are decreasing due to having a smaller allocation of engineering staff budgeted to this cost center and having more allocated to project-specific construction and road fund cost centers for fiscal year 2023-24.

Water Billing Expenses

	2019 - 20 Actual	2020 - 21 Actual	2021 - 22 Actual	2022 - 23 Adopted Budget	2022 - 23 Current Budget	2022 - 23 6 Month Actuals	2022 - 23 Projected Activity

TOTAL	\$198,739	\$205,221	\$211,924	\$218,857	\$226,027

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

WATER BILLING:

- Personnel costs are increasing relative to the fiscal year 2022-23 estimated year-end, due to the vacancy of the Utility Billing Specialist for a portion of the year, and to potentially provide room for merit increases for those staff not currently at the top of their respective pay scale range.
- +\$1,500 increase in printing and document duplication due to the expectation of rising printing costs due to paper cost increases of approximately 30% across most lines of inventory.

Water Maintenance Expenses

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

WATER MAINTENANCE:

- Rates to member communities are budgeted to increase 12.5% for fiscal year 2023-24 based on tentative rates from SOCWA.
- Personnel costs are decreasing relative to the fiscal year 2022-23 original budget, mostly due to having slightly less DPS staff time allocated to this cost center in 2023-24, as the workload is expected to decline with the projects in fiscal year 2022-23 wrapping up. The 2023-24 budget still allows for newer staff to receive step wage increases and includes an 8% allocation of a new Operations manager full-time position request.
- -\$700,000 decrease in miscellaneous contracted services due to private water lead related work in fiscal year 2022-23, and service line material verification as needed (under SOCWA contract).
- -\$60,050 decrease in motor pool rental charges due to lower utilization hours expected in fiscal year 2023-24.
- +\$12,000 increase in sand, gravel, and slag material purchases to better reflect history as usage fluctuates with the amount of water main breaks and service repairs during the year.
- The following project was included in the annual Capital Improvement Plan (CIP) and has been budgeted in the miscellaneous contracted services account for fiscal year 2023-24:

- +\$80,000 CAP2350 - aerial flyover of city for stormwater mapping

Water & Sewer Meter Services - Expenses

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

METER SERVICES:

- Personnel costs are increasing due to the pace of work increasing and having a 8% allocation of a new Operations Manager full-time position request included in fiscal year 2023-24. The increase also potentially allows for potential merit increases for those staff not currently at the top of their respective pay scale range.
- -\$50,000 decrease in water meters & meters parts due to fluctuating inventory levels as the city continues converting older style remote readers over to a newer type.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

SEWER MAINTENANCE:

- Personnel costs are increasing due to having a 8% allocation of a new Operations Manager full-time position request included in fiscal year 2023-24. There is also 10% of the city's facilities manager budgeted here and the increase also provides room for newer employees to receive potential merit wage increases.
- Sewage disposal service costs are tentatively budgeted to increase by approximately 2% from the Oakland County Water Resources Commission.
- -\$78,570 decrease in motor pool rental charges due to less utilization hours planned for this cost center in fiscal year 2023-24.
- +\$18,000 increase in miscellaneous contracted services due to an increase in the estimated cost of the annual sewer televising and root control program (capXX75 CIP).

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

CONSTRUCTION:

- The following construction projects, totaling \$6,686,250, were included in the annual Capital Improvement Plan (CIP) and have been budgeted in this cost center for fiscal year 2023-24:
 - CAPXX01 - Concrete Paving & Prepaid Sidewalk Improvements - \$425,000
 - CAPXX55 - Watermain Upgrades on Future Special Assessments - \$75,000
 - CAPXX85 - City-wide Sewer lining - \$895,000
 - CAPXX95 - City-wide Spot Sewer Repairs - \$624,000
 - CAP2306 - Rochester Rd. Resurfacing (watermain) & Green Infrastructure Imp. - \$165,500
 - CAP2308 - 2023 Major Road Resurfacing (Normandy Rd. Watermain) - \$600,000
 - CAP2310 - 2023 Watermain Improvements - \$1,305,000
 - CAP2335 - 2023 Road Reconstruction (Watermain Improvements) - \$150,000
 - CAP2407 - Crooks Road Resurfacing (Watermain Improvements) - \$290,000
 - CAP2410 - 2024 Watermain Imp. - (Northwood Blvd. & Sycamore) - \$673,750
 - CAP2411 - 2024 Watermain Improvements - \$637,500
 - CAP2435 - 2024 Road Reconstruction (Watermain Improvements) - \$289,000
 - CAP2440 - 2024 Green Infrastructure Improvements - \$100,000
 - CAP2441 - 2024 Green Infrastructure Imp. (Arden Pl. and Sheridan Dr.) - \$456,500

MISSION STATEMENT

The mission of the ice arena is to provide to both resident and regional skaters of all ages outstanding recreation programs on ice that are financially self-supporting.

OVERVIEW

A full menu of programs for ice skating and hockey are provided at the John Lindell Ice Arena. Whether you are a beginner looking for open public skating or an advanced figure skater or hockey player, programs are available for all ages. Programs are offered all year long. Skaters can enjoy open skating times, drop-in hockey, and freestyle sessions

A skating instructor might be a current Olympic-class athlete or coach because of the strength of skating training the Metro Detroit region.

The annual ice show is a crowd pleaser, providing friends and families a chance to see young skaters show off their skill.

Lindell Arena is the home arena for many teams and clubs:

- Royal Oak Hockey Club
- Eagles Travel Hockey
- New Edge Figure Skating Club,
- Royal Oak High School Figure Skating Club
- Royal Oak M1 Griffens High School Hockey
- Bishop Foley/Shrine Knights High School Hockey
- Belle Tire AAA
- TOT^2 Women's Hockey Team Division Five
- TOT Women's Hockey Team Division Six
- Detroit Women's Hockey League
- Royal Oak Senior Hockey League

Program offerings include:

Open public skating: times are available throughout the year for skaters of all ages.

Learn to skate program: the learn to skate program offers a wide range of classes to suit everyone's needs from ages three to adult. The program is a place to learn basic skating skills and is a stepping-stone for hockey as well as freestyle, synchronized, and recreational skating. **Freestyle program:** skaters must be members of the New Edge Figure Skating Club or a USFS member. Sessions are limited to the first 24 skaters signed in and paid.

Drop-in hockey: players are required to be at least 18 years of age and wear full equipment with a helmet.

High school varsity hockey: home to two varsity hockey programs, M1 Griffens (formerly Royal Oak high School Ravens) and Bishop Foley/Shrine Catholic High School Knights. Both are pay-to-play programs.

Royal Oak adult hockey league: the fall/winter league has 28 teams in three divisions and spring/ summer league has 18-20 teams in three divisions.

Tournaments: The ice arena hosts multiple tournaments each year. The Warrior AAA tournament is in mid-October, The Bauer World Invite Girls Tier I tournament is in mid-November, and a Selects Hockey Tier I boy's tournament is held over Thanksgiving weekend. New this year the NAPHL Showcase MLK weekend, and Grinder in April.

Ice show: the annual ice show showcases the talents of New Edge Figure Skating Club skaters.

The ice arena operations are contracted out to Suburban Ice Management. The nearly \$1.43 million budget also pays all operational and building maintenance costs. Most revenue to fund programs comes from rink rental fees. The bulk of the remaining revenues come from other fees: e.g., lessons, open freestyle, and open skating fees. Personnel costs are allocated percentages only. No staff are permanently assigned to this fund.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- +\$55,500 increase in revenue from lessons and open skating due to having record attendance in the past year in the learn-to-skate program and from classes such as "Sk8 Jams".
- +\$20,000 increase in leagues & tournaments revenue due to adding more adult and house teams to the fall and winter leagues during the year.
- -\$30,000 decrease in rink rental revenue due to the arena not hosting the North American Hockey League (NAHL) showcase during the year. The event is expected to return in fiscal year 2023-24.
- -\$5,000 decrease in concession lease revenue due to the contract with the former vendor not being renewed. New vendors are being pursued.
- Personnel costs are increasing due to having a 5% allocation of a new Recreation Director full-time position request, beginning in January 2024, included in fiscal year 2023-24.
- +\$25,000 increase in contracted worker services to accommodate the added staff due to more adult and home teams being added during the year.
- +\$16,500 overall increase in budgeted utility costs due to the anticipation of rising costs and increased usage.
- The following is included in the annual Capital Improvement Plan (CIP) and has been budgeted in this fund for fiscal year 2023-24:
 - +\$10,000 Ice Arena edger

INFORMATION TECHNOLOGY FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the information technology department is to provide computer, telecommunications, software, security and other technology tools and services in support of the city's operational goals in the most efficient manner possible.

OVERVIEW

The information technology (IT) department researches, supports, and coordinates technological solutions to keep the city's information technology functioning and performing consistently at expected levels. The IT staff continually strives to meet productivity gains and address the city's technology challenges.

Technology plays a critical support role in the city's ability to provide government services. The IT department is the city's central control center where proactively securing and managing the city's technology and data is a top priority. The job gets more complicated daily as new threats to security emerge and as information technology becomes more integrated across multiple platforms and networks. The department oversees application integration between the city and county, state and federal organizations and is responsible for the infrastructure that ties it all together.

The department manages a technology budget of nearly \$2.5 million and is responsible for servicing all city departments and the 44th District Court. The I.T. department is responsible for procurement and maintenance of more than 800 devices including networking switches and routers, servers, computers, printers, telephones, smart/cell phones, pagers, faxes, scanners, cameras, and other computer equipment and communication devices. Email, document

storage and retrieval systems are maintained for over 400 user accounts and over 120 computer software applications at 14 different municipal locations, most of which are connected via the city's wide area network. The IT staff provides daily support in the following areas: help desk, hardware and network issues, data and document management, project management, data and voice communications, and specialized application software.

In 2022, the city's website served over 1,900,000 page requests from more than 1,600,000 visits.

The most frequently accessed areas of the city's website are:

- Royal Oak Public Library
- Farmers Market
- 44th District Court
- Animal Shelter
- Court Case Lookup
- Online Payments
- Parking in Downtown
- Water Billing
- Public Services

The top site search keywords are:

- "Parking"
- "Certificate of Birth"
- "2022 Fall Curbside Leaf Collection"
- "Birth Certificate Request 2021"
- "Trash and Recycling"
- "Parking Ticket"
- "Water",
- "Permits"
- "Water Bill"

The most utilized devices to access the city's website are desktop, mobile and then tablet.

The most utilized browsers are Safari, Chrome, Edge, and Firefox.

The most common locations the site receives visitors from are: Royal Oak, Troy, Detroit, Madison Heights, Ferndale, Grand Rapids, Warren, Redford, then Southfield.

Information technology is an internal service fund that uses cost allocation to expense all computer applications, licensing, software and hardware support

and maintenance, and print shop costs to each user department/cost center.

The information technology plan is designed to address the levels of technology support for city-wide efficiency and assignment of priority to the targeted projects over a three to five-year period.

The plan needs to anticipate what new technology will be available and applicable to the city's needs, and to provide an adequate outline that presents an overview for decision making and allocation of funding for these improvements. It is important to review the plan periodically and to make it flexible enough to adapt to changes along the way.

OPERATING INDICATORS AND PERFORMANCE TRENDS ARE SUMMARIZED AT THIS LINK.

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Small increase in the revenue collected through the allocated service charge due to an increase in IT expenditures during fiscal year 2022-23.
- Revenue from interest income is anticipated to increase due to rising interest rates.
- Personnel costs are budgeted to increase ~3% over fiscal year 2022-23. This includes two unfilled positions for Security Analyst and GIS Coordinator and provides room to allow for potentially increasing the salary scale for the TCS Administrator.
- -\$55,000 decrease in computer supplies and parts due to various one-time projects in the prior year that will not reoccur.
- -\$15,000 decrease in budgeted depreciation charges due to projects that became fully depreciated during fiscal year 2022-23 (fiber optics electronics and phone system).
- The following projects, totaling \$248,000, were included in the annual adopted CIP and have been budgeted in this fund for fiscal year 2023-24:
 - +\$75,000 disaster recovery solution
 - +\$60,000 GIS integration
 - +\$50,000 server network cabling infrastructure
 - +\$48,000 office software and training program
 - +\$15,000 recreation program software

RETURN TO OPERATING BUDGETS SUMMARY PAGE

MISSION STATEMENT

The mission of the motor pool is to provide a central location of accountability for the acquisition and maintenance of safe and efficient machinery, equipment, and vehicles for city operations.

OVERVIEW

The motor pool division of the department of public service (DPS) is an internal citywide service unit responsible for fleet maintenance, repairs, fueling and vehicle / equipment acquisition, to keep citywide departments operational. The motor pool division ensures that the city-owned fleet of machinery, equipment and vehicles remain in a safe and proper functioning condition. Scheduled preventative maintenance is performed.

Vehicle condition and criteria for replacement are also closely monitored to optimize long-term cost. The motor pool maintains its own computerized records and inventory. Gasoline, diesel fuel, auto and truck parts are inventoried and charged to the various departments when used.

Internal city departments are charged monthly or hourly user fees that include a replacement charge ensuring that funds will be available when replacement is due.

The motor pool manages over \$19 million in machinery, equipment, and vehicles, consisting of approximately eight fire trucks, four ambulance units, 133 cars, vans, and pickup trucks, 15 dump-trucks, 27 heavy construction vehicles and 15 trailers and specialty vehicles.

The division continually analyzes city-wide vehicle and equipment utilization; recommends, develops, and refines specifications maximizing vehicle life cycle;

and analyzes fleet composition in order to “right size” the fleet with a focus on reducing the total number of vehicles and equipment to the number that would provide the lowest overall fleet cost.

Motor pool charges include fees for the catch-up plan to collect depreciation that was not collected numerous years ago during an intentional depreciation (collection) vacation. This catch-up is intended to help to provide the proper accumulation of funds that will be sufficient for the motor pool’s future replacements. Fiscal year 2023-24 the fifth year of the ten-year catch-up plan.

STRATEGIC PLAN GOALS AND OBJECTIVES

Long-term Goal: Support Sustainability Climate Action Plan (S-CAP) goals by replacing gasoline and diesel fuel powered fleet vehicles.

Strategic Plan Alignment: Environmental Leadership

Short-term Objectives:

- *Install fleet charging stations at city facilities.*
- *Replace 10-15 light-duty vehicles with electric vehicles annually.*

Performance Measures:

- *Ongoing - infrastructure for fleet charging is planned to take place during fiscal year 2023-24.*
- *Ongoing - annual vehicle replacement plan, per Capital Improvement Plan (CIP).*

SIGNIFICANT PROGRAM NOTES - FISCAL YEAR 2023-2024

- Revenue collected through the allocated service charge is budgeted to decrease approximately 3% in fiscal year 2023-24 due to a planned reduction to help offset costs in contributing funds as the motor pool fund currently has a healthy fund balance. Revenue from interest income is anticipated to increase due to rising interest rates.

- Personnel costs are increasing due to having a 25% allocation of a new full-time position request for an Operations Manager included in fiscal year 2023-24. There is also a small allocation of time budgeted here for the city's highway supervisor, facilities manager, and the city electrician. The increased budget will allow for potential merit increases for those staff not currently at the top of their respective pay scale ranges.
- -\$75,000 decrease in contracted worker services due to a DPS facility usage study that is non-recurring and expected to be completed in fiscal year 2022-23.
- +\$20,000 increase in collision and damage repair services and +\$15,000 increase in vehicle repair and maintenance parts due to the increasing costs of accident-related repairs over the past year.
- -\$15,000 decrease in miscellaneous building and repair services due to the expiration of a recurring environmental monitoring expense.
- The following projects, totaling \$1,544,670, were included in the annual Capital Improvement Plan (CIP) and have been budgeted in this fund for fiscal year 2023-24:
 - +\$308,000 ambulance
 - +\$250,000 EV fleet charging infrastructure
 - +\$986,670 for annual motor pool vehicle replacement plan, including these vehicles:
 - +\$58,000 Ford F-250 (Highway)
 - +\$59,000 Tennant sweeper (Motor Pool)
 - +\$180,800 Bobcat L 773 (Parks & Forestry)
 - +\$85,000 Bandit Tree Stumper (Parks & Forestry)
 - +\$67,600 Toro Groundsmaster (Parks & Forestry)
 - +\$65,000 Ford F-350 (Parks & Forestry)
 - +\$35,000 Gator (Parks & Forestry)
 - +\$140,000 (4) BMW Motorcycles (Police)
 - +\$65,000 Ford Explorer (Police)
 - +\$60,000 Chevy Traverse (Police)
 - +\$45,400 Ford Explorer (Police)
 - +\$45,400 Ford Taurus (Police)
 - +\$80,470 Ford F-350 (Water Maintenance)

WORKERS' COMPENSATION INSURANCE FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The purpose of the worker's compensation fund is to account for all costs of worker's compensation claims.

OVERVIEW

The city is responsible for paying the costs of eligible workers' compensation claims from employees. It has elected to be "self-insured," bearing the burden of normal costs. Reinsurance is purchased to limit losses by individual case and, annually, in the aggregate.

The human resources department receives and forwards employee claims from departments to an independent claim's processor for professional case management.

This fund pays the eligible costs of training, lost time, medical and indemnity, claims processor, reinsurance, and legal fees, if any. Funds and departments are charged a user charge based on workers' compensation insurance principals to fund this activity.

The city currently has a self-insured specific retention of \$600,000 with an employer's limit of \$1,000,000. The aggregate policy limit is \$5 million.

HEALTH CARE FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The purpose of the health care fund is to account for all employee and retiree self-insured health care costs.

OVERVIEW

Effective April 2010, the city transitioned from an experienced rated contract to an administrative services contract (ASC) with Blue Cross Blue Shield (BCBS) of Michigan for healthcare for its employees and retirees. Under an ASC the city operates under a self-insured funded arrangement making the city responsible for claims, fixed administrative fees, and stop loss insurance. The city carries (medical only) \$150,000 stop loss protection, administered on a per contract basis, rather than per family member. For certain retirees, the city continues to pay Health Alliance Plan (HAP) insurance premiums as opposed to being self-insured. Fiscal year 2019-20 was the beginning of budgeting for all full-time employees (that are not receiving a medical coverage buy-out) to contribute 10 percent of the BCBS illustrative rates into this fund, down from 20 percent in prior years. Retirees do not contribute toward the BCBS illustrative rate or HAP premium.

GENERAL LIABILITY AND PROPERTY INSURANCE FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The mission of the general liability & property insurance fund is to account for all the city's general liability and property insurance coverage activity.

OVERVIEW

In a collaborative effort, the city is a member of the Michigan Municipal Risk Management Authority (MMRMA), a pooled organization under the laws of the State of Michigan to assist with risk management services and self-insurance protection from general liability, property coverage and crime loss.

The city has been a member of the pool since 1985. The city is bound by all the provisions of the MMRMA's joint powers agreement, coverage documents, MMRMA rules, regulations, and administrative procedures.

The city currently has a self-insured retention (SIR) of \$500,000 for general liability, \$15,000 for vehicle damage and \$250,000 for limited sewage system overflow. Vehicle physical damage and property/crime and EMS/Fire replacement have a \$1,000 deductible.

The city has a stop loss of \$750,000. This limits the city's payments during the year for those costs falling within the city's SIR. The stop loss only responds to cumulative city SIR payments, including damages, indemnification, and allocated loss adjustment expenses within one year (June 1 to May 31).

Over the past sixteen years, the city has received approximately \$6.8 million in net asset distributions from the MMRMA.

RETIREMENT (PENSION) FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The funding objective of the retirement (pension trust) fund is to actuarially determine and receive contributions which will accumulate as assets during members' time of employment that will be sufficient to finance retirement pension benefits throughout the members (and beneficiaries) retirement years.

OVERVIEW

In February 2017, the city closed on a \$20.57 million pension bond issuance. This was intended to eliminate the general employee unfunded actuarial accrued liability (UAAL). The UAAL for police and fire was not bonded as the plan is an open plan and in accordance with Michigan legislation an open plan cannot bond its UAAL. Then in November 2018, the retirement board modified some of the assumptions used for the annual actuarial reports, the most impactful change was the lowering of the average investment rate of return to 7.25 percent. A lower rate of return helped to cause the fund to once again have an unfunded accrued liability.

The retirement system has a ratio of over two retirees/beneficiaries to one employee member. The complete actuarial report is on the city's website at <https://www.romi.gov/981/Actuarial-Valuations>

RETIREE HEALTH CARE FUND

FISCAL YEAR 2023-2024 ANNUAL BUDGET

MISSION STATEMENT

The funding objective of the retiree healthcare trust fund is to actuarially determine and receive contributions which will accumulate as assets during members' time of employment that will be sufficient to finance retirement healthcare benefits throughout the members (and beneficiaries) retirement years.

OVERVIEW

The city currently is making the entire annual contribution. In February 2017, the city closed on a \$106.04 million OPEB bond issuance. This was intended to eliminate the general, and police and fire employees' current unfunded actuarial accrued liability, which it temporarily eliminated. In November 2018, the board of trustees modified some of the assumptions used for the bi-annual actuarial reports; the most impactful change was the lowering of the average investment rate of return. A lower rate of return caused the fund to once again have an unfunded accrued liability.

The complete actuarial report is on the city's website at <https://www.romi.gov/981/Actuarial-Valuations>

EXECUTIVE SUMMARY

In March of 2022, the City Commission conducted a long-range strategic budget planning session. This planning session established the goals and objectives for the fiscal year budgets for 2022 through 2025 and these are summarized in the budget transmittal letter. These goals and objectives provide the framework and guidance for building the fiscal year 2023-24 recommended budgets.

The City Commission has scheduled budget work sessions to be conducted in the second half of April and early May. The City advertised a public hearing for May 22, 2023, prior to City Commission considering adoption the fiscal year 2023-24 budget. The proposed budget attempts to provide for the resources that are needed to help accomplish the City Commission's goals and objectives that are relayed in this budget document.

Millage rates - The adopted budget proposes a total City millage rate of 17.6402 (excluding the DDA levy on the central business district area), an increase of 0.0622 mill mostly due to reductions in the chapter 20 drain millage rate, offset by the addition of voter approved millages for the library, senior services, and parks, recreation and animal shelter operations. In 2023-24, there is no reduction on the balance of the millage rates due to Headlee Act reduction factor since the factor is 1.0000 for the year. The inflation rate multiplier used in the Headlee Act millage reduction fraction formula for fiscal year 2023-24 is 7.9 percent. This total reduced millage rate includes not levying the full charter-allowed solid waste millage at the Headlee Act maximum allowable rate for a fifth year. The proposed charter solid waste rate continues to be 0.4177 mill below the maximum allowable rate, significantly lower than prior years' levies. The total combined City millage rate of 17.6402 mills, will place the City rate below the average rate of 18.2039 mills and near the median millage rate of Oakland County cities. This rate places the City below eight bordering cities with higher millage rates and above three bordering cities with lower millage rates. [Follow this link for additional millage rate details.](#)

Taxable Value - Total city taxable value increase is 9.1 percent. Residential values increase is 7.4 percent, commercial increase is 10.2 percent, industrial increase is 11.1 percent, and personal property increase is 33.4 percent. The loss spread between 2023 state equalized/assessed value and taxable value increase is \$810 million, a \$1 million loss decrease from the prior year.

Across all funds, the city is budgeted to receive \$68.49 million in tax related revenue for fiscal year 2023-24, an increase of 9 percent relative to fiscal year 2022-23 projected tax revenue. [Click here to explore the all-funds summary](#)

page. The increase is due to the net effect of an increase in taxable value, no Headlee Act reduction to the city tax rates, voter approval of the Library millage renewal, and lowering the Chapter 20 drain millage.

Grants - Total grant revenue is budgeted at \$18.65 million across all funds, a 19.3 percent decrease over the 2022-23 budget. The impact of American Rescue Plan Act (ARPA) funds has been felt throughout the City budget and the budgeted amount for 2023-24 will increase through budget amendments as these ARPA funded projects are obligated and scheduled through 2026.

Licenses, charges, and fines - Total licenses, charges and fines are increasing by 6.3 percent relative to projected fiscal year 2022-23 revenue. These numerous revenues are specified in the significant notes for each fund in this document.

Interest revenue - Interest rates have increased significantly over the past several months and this trend is budgeted to continue. The city-wide interest revenue, budgeted at only \$122,790 for 2022-23 is projected to end the fiscal year at just over \$3 million. This is a return to a recent high of \$3.6 million in fiscal year 2018-19. The budget for 2023-24 assumes continued strength in interest rates will generate \$3.27 million in revenue. It is important to note that this valued source of revenue will only continue if fund balances remain stable. Declines in the invested principal (primarily cash reserves) will decrease the City's ability to generate interest earnings. Caution should be exercised in relying upon this as a significant resource to help off-set city operating costs. [Click here to learn more about the City's interest revenue history.](#)

Personnel - Personnel costs are budgeted to increase to \$69.34 million, an increase of 10.3 percent relative to the fiscal year 2022-23 projected year-end costs, mostly due to increasing wages, including filling numerous vacancies, as well as increasing the number of positions. Additionally, defined contribution retirement plan contributions and other wage-based benefit increases contribute to the increase. Total full-time employees are budgeted to increase from 362 (the current funded staffing) to 373 positions. These 11 added positions are needed throughout the City departments, including district court (3 positions), City Manager's Office, elections, police, public services, library (2 positions), parking, and recreation departments. The total full-time number of budgeted positions is down by 35 positions relative to a peak in fiscal year 2003-04. [Click here to explore the position summary for a seven-year history.](#)

Defined benefit retirement contributions- The budget provides for the annual required/recommended contributions of the normal and the amortized unfunded actuarial accrued liability (UAAL) to the general, police/fire pension and OPEB retirement trusts. \$9.09 million is budgeted to be contributed to the

pension trust and \$1.52 million is budgeted to be contributed to the OPEB trust. A graph in the “Financial Trends” section illustrates the level of the combined pension /other post-employment benefits (OPEB) contributions and pension/OPEB bonds debt service relative to the general fund tax revenue. The required contributions made toward paying the current year obligations no longer exceed the general fund’s millage revenue mostly due to bonding the unfunded retiree healthcare liability and the general employees unfunded pension liability, however the contributions have been increasing slightly since bonding. The forecast in the budget is provides for the continuation of the current trends in normal costs and the amortized UAAL contribution for general, police and fire member’s pension. However, an additional increase in contribution could occur in the event of equity market correction or significant downturn in investment earnings.

Supplies - Total supplies budget is decreasing 15.5 percent relative to fiscal year 2022-23 projected costs and are described in each of the funds/cost centers significant notes section.

Capital Improvements - The budget includes \$28.6 million for capital improvements. The first year of the recently adopted capital improvement plan (CIP) has been updated to reflect projects funded by this recommended budget. Other comments relative to the CIP are noted in the significant notes area within each fund/cost center. In a change from prior years, all of the projects listed in the CIP, except "Projects Under Review", have been incorporated into the forecasts, as all items in the CIP are deemed important for maintaining and improving the infrastructure and quality of life of Royal Oak residents. A complete listing of the capital improvement projects for fiscal years 2023-24 through 2028-29 can be viewed at this link.

Debt - This budget does not call for new debt issuances for the city as budgeted capital projects are accomplished with cash accumulated in funds and current revenues. [Click here for future debt payment graphs and summary tables.](#)

Water & sewage disposal rates - The city’s combined water/sewer commodity rate is budgeted to increase 12.2 percent. SOCWA’s water rate is tentatively reported to increase 4.4% percent and the Oakland County Water Resources Commission is increasing the combined sewer (sanitary/storm) disposal rates by 2.3 percent. The city’s quarterly billing flat fee, to recoup billing costs, is budgeted to increase from \$15 to \$16, which amounts to an annual increase of \$4. The billing costs were formerly recouped in the commodity rates.

Fund balance - The unassigned (combined) fund balance of the general and public safety funds is budgeted to decline to 13.7 percent relative to the current

year's projected 20.9 percent of expenditures. These two funds' fund balances are viewed as combined since the public safety function continues to be a significant expenditure of the general fund due to the sizeable annual transfer (\$23 million) made to the public safety fund. By fiscal year 2027-28 the last year of the forecast, the required annual transfer rises to \$26.6 million and the combined fund balance is projected to be negative 25.1 percent and continue to decline each year thereafter. Even when all planned capital outlay over the forecast period is excluded, the combined fund balance at the end of fiscal year 2027-28 would still drop into a negative position. However, these projections assume no changes in operations or funding sources. Further, as budgets that include negative fund balance are not authorized to be adopted, it is clear administration and the City Commission will be making adjustments in future years to avoid this outcome, as it has done in the past. Each city fund has an estimated/forecasted fund balance through fiscal year 2027-28 in the budget summary tables throughout the document. [Future estimated fund balances for each fund are available at this link.](#)

Future years - The forecasts of future years revenues/expenditures/fund balances are based on a series of assumptions of financial trends. These forecasts assume certain inflationary increases, contractual obligations, debt service requirements and capital outlay as shown in the CIP plan. The assumptions used in creating these forecasts is reviewed and revised each year to reflect current economic conditions. Changes in these assumptions would change the outcome of these forecasts. It is important to note that these forecasts provide a scenario snapshot and are most useful in spotting trends that may have a negative outcome in the future, allowing policy decision to be made today that will have a positive future impact. Therefore, these forecasts should be viewed as a planning tool, not necessarily as a concrete expectation of future outcomes.

Royal Oak

POSITION SUMMARY

FISCAL YEAR 2023-2024 ANNUAL BUDGET

POSITION SUMMARY

City-wide staffing changes and authorizations from fiscal year 2018-19 to fiscal year 2023-24 are shown in the following tables. Position requests for fiscal year 2023-24 budget totaled 14 new positions, of which 11 new positions were approved for funding, including 1 public safety position, 3 public works positions, 3 district court positions, 2 library positions and 2 general government positions. There are 15 vacant, but funded positions as of the budget adoption.

REVENUE ESTIMATES

Revenue estimates are developed with a conservative and practical approach based on general economic conditions, historic experience, and expected changes in activities and services. Assumptions used throughout this budget and forecast can be found at this link. Links to changes in the major revenue categories are provided below:

MAJOR REVENUE CATEGORIES:

Taxes - *Additional property tax trend data is linked here.*

Grants - *Additional state shared revenue trend data is linked here.*

Licenses, Charges and Fines - *No significant changes are anticipated, unless noted in the individual fund summaries. The administrative fees are reviewed and approved by City Commission annually.*

Interest and Contributions - *Additional interest revenue trend data is linked [here](#).*

Other - *No significant changes are anticipated, unless noted in the individual fund summaries.*

Transfers - *See individual fund sections for the details of all transfers. Transfers are made based on specific funding agreements or to supplement the available resources for the receiving fund.*

GENERAL FUND UNASSIGNED FUND BALANCE AS A PERCENTAGE OF EXPENDITURES

FISCAL YEAR 2013-14 TO 2023-24

The Royal Oak City Commission has set the goal for the General Fund to maintain unassigned fund balance of not less than ten percent and not more than 25 percent of expenditures. The Public Safety fund is combined with the General Fund unassigned fund balance in the red bar graph below, since the General Fund significantly funds police, fire, and EMS operations. The budgeted unassigned combined fund balance for fiscal year 2023-24 is estimated to decline to \$8.88 million or 13.7 percent. The General Fund fund balance is estimated to be at \$8.46 million or 17.1 percent.

General Fund Unassigned Fund Balance as a Percentage of Expenditures Fiscal Year 2013-14 to 2023-24

<u>Fiscal Year</u>	<u>Expenditures</u>	<u>Unassigned Fund Balance</u>	<u>Percent</u>
2013-14	29,019,450	11,149,200	38.4%

Unassigned Combined Fund Balance as a Percentage of Expenditures

GENERAL FUND TAX REVENUE COMPARED TO DEFINED BENEFIT PLAN OBLIGATION REQUIREMENTS

The graphs below illustrate that the actuarially derived annual required contribution (ARC) and related debt service payments for the city's combined defined benefit plan obligations, are now less than the general fund millage revenue. The defined benefit plans include both pension and other post-employment benefits/retiree healthcare (OPEB). In accordance with state requirements the city has consistently contributed the full pension ARC, however, the city has not contributed the full OPEB ARC every year. Unlike pensions, annual contribution of the OPEB ARC is not required by statute. For

fiscal year 2023-24, the city is budgeting to contribute the full pension and OPEB ARCs and pension/OPEB debt service in the amount of \$19,589,575. Since bonding for OPEBs unfunded liability and general unfunded pension liability in 2017, the annual contributions have been below the general fund tax revenue each year.

Royal Oak

PROPERTY TAX REVENUE TRENDS

FISCAL YEAR 2023-2024 ANNUAL BUDGET

PROPERTY TAXES

Property tax rates are expressed in terms of millage with one mill being equal to \$1.00 per thousand dollars of taxable value.

PROPOSAL A

Assessing records maintain two values for each property in the City. Prior to Proposal A all property was taxed based on the State Equalized Value (SEV), which represents 50% of true cash value. In 1994, the State of Michigan legislature adopted Proposal A as the new standard for how property values may be increased and made subject to local taxes. Proposal A limits the increase in value attributed to market change to the lower of 5% or the Inflation Rate Multiplier (previously referred to as Consumer Price Index). The one exception is for properties changing ownership, which brings the taxable value back up to the SEV.

Proposal A of 1994 amended the state constitution changing the property taxation base from state equalized value (SEV) to taxable value (TV). The annual increase in taxable value to each parcel is limited by the parcel's SEV or to the rate of inflation (CPI) or 5 percent whichever is less. The city's allowable inflation rate multiplier for fiscal year 2023-24 is 5.0 percent. The chart and graph show the general widening result of this through 2005 when the gap reached a high of \$715 million. After 2005, the trend reversed, and the gap began to close until 2013. In 2013, the loss gap had begun to widen again until 2018. However, in 2019, the loss gap returned and continues to expand significantly, reaching a new high of \$811 million in 2022.

The following shows recent history of taxable values and percentage change from prior year:

Taxable Value: Residential + Business

Taxable value, the basis for tax revenue, increased 6.6 percent based on valuations after the March board of review process. All property tax classes increased. For the estimated forecast years in the budget, Royal Oak's revenues are assumed to increase an average of 3.5 percent each year. This revenue assumption is the net effect of taxable value increases and Headlee reductions to maximum authorized millage rate.

2022	4,181	3,370	811	62
2023	4,488	3,678	810	-1

Proposal A of 1994 amended the state constitution changing the property taxation base from state equalized value (SEV) to taxable value (TV). The annual increase in taxable value to each parcel is limited by the parcel's SEV or to the rate of inflation (CPI) or 5 percent, whichever is less. The city's allowable inflation rate multiplier for fiscal year 2023-24 is 5.0 percent.

The chart and graph show the general widening result of this through 2005 when the gap reached a high of \$715 million. After 2005, the trend reversed, and the gap began to close until 2013. In 2013, the loss gap had begun to widen again until 2018. However, one year later in 2019, the loss gap returned and continues to expand significantly, reaching a new high of \$811 million in 2022.

Taxable Value + Loss = Assessed Value

HEADLEE AMENDMENT IMPACT ON TAX RATES

The Headlee amendment of the State Constitution can reduce the amount of operating millages allowed by City Charter. This amendment limits the growth in property tax revenue from existing property to the rate of inflation. It accomplishes this by reducing millages proportionally by the amount that market changes exceed the State's inflation rate multiplier. The table on this page shows the millages, revenues, remaining capacities and the proportion of each funds' property tax revenue.

TAX LEVY AUTHORITY

General operating levy.

Authorized by: City charter amendment 04/01/1957.

Up to 11.0000 mills is authorized by the charter however, now limited to 6.8118 mills for fiscal year 2023-24 due to Headlee reductions, for any governmental purpose. A levy of 6.8118 mills is budgeted for fiscal year 2023-24.

Publicity levy.

Authorized by: Public Act 359 of 1925 - MCL 123.881 Publicity tax; limit. Sec. 1.

[Excerpt]

- *The common council of any city ... in this state, shall have the power to levy a special tax not to exceed in any 1 year 4 mills on the dollar of the assessed valuation of all taxable property within the said city or village, to be used for advertising, exploiting and making known the industrial, commercial, educational or recreational advantages of the said city ..., and to establish recreational and educational projects for the purpose of encouraging immigration to, and increasing the trade, business and industries of the said city or village: Provided, however, that such tax levy shall not exceed 50,000 dollars in any 1 year.*

A levy of 0.0149 mill is budgeted for fiscal year 2023-24.

Refuse levy.

Authorized by: Public Act 298 of 1917 as amended-MCL 123.261 Garbage disposal plants or systems in cities [Excerpt]

- *Sec. 1. (1) The city council of a city, whether organized under the general law or special charter, ... may establish and maintain garbage systems or plants for the collection and disposal of garbage in the city or village, and may levy a tax not to exceed 3 mills on the taxable value of all taxable property in the city or village according to the valuation of the property, as made for the purpose of state and county taxation by the last assessment in the city or village for these purposes ... (2) As used in this act, "garbage" means any putrescible and non-putrescible solid wastes, except body wastes, and includes ashes, incinerator ash, incinerator residue, street cleanings, solid market wastes, solid industrial wastes, and also rubbish including such items as paper, cardboard, tin cans, yard clippings, wood, glass, bedding, crockery, and litter of any kind.*

The Headlee millage limitation and the levy for fiscal year 2023-24 is 1.8571 mills.

Refuse levy.

Authorized by: City charter amendment 08/02/2016.

As authorized in a city charter amendment, this millage was first levied in the summer of 2007. Therefore, it expired after the 2011 levy. It was renewed in November 2011, August 2016, and November 2021, for five years. The renewal allows the city to levy up to 1.000 mill reduced by Headlee factors, to defray the costs of refuse collection, disposal, and curbside recycling. Currently, the Headlee millage limitation is 0.9177 mill. This millage is budgeted for 0.5000 in fiscal year 2023-24, well below the maximum allowable levy.

Library operations levy.

Authorized by: Voter approved millage 11/04/2003.

Public Act 164 of 1877 as amended-MCL 297.210a Free public library in the city. Up to 1.0000 mill is authorized for reconstructing, furnishing, equipping, and operating the city's existing library for 20 years. This millage expired after 2022 levy. It was renewed by voters in August 2022, for ten years. The renewal allows the city to levy up to 1.000 mill reduced by Headlee factors, for the purpose of operating, maintaining and equipping the Royal Oak Public Library and for all other library purposes authorized by law. The voter approved millage of 1.0000 mill is budgeted to be levied in fiscal year 2023-24 and will be subject to Headlee limitation thereafter.

Public safety levy.

Authorized by: City charter amendment 11/08/2016.

Authorized in chapter 8, section 11 (as amended) in the city charter, this language allows the city to levy a millage for a period not to exceed five (5) years of up to 3.9750 mills, to defray the costs for police, fire, and emergency medical services. On Nov. 8, 2016, a year prior to expiration and in November 2021; the voters of Royal Oak approved the renewal of this millage, and it is charged on the winter tax bill. The fiscal year 2023-24 budget provides for a levy of 3.6815 mills. Fiscal year 2023-24 is the second year of the latest five (5) year renewal.

City of Royal Oak Downtown Development Authority.

Authorized by: DDA general operations levy Public Act 57 of 2018 DDA Act-MCL 125.1662 Ad valorem tax--Commission adopted 11/02/1976.

- *Sec. 12. (1) An authority with the approval of the municipal governing body may levy an ad valorem tax in the downtown district. The tax shall be not more than two mills if the downtown district is in a municipality having a population of less than 1,000,000. This is only for the purposes provided by Act 57 beginning with the duty to correct and prevent deterioration in business districts.*

The levy is budgeted at 1.6003 mills for fiscal year 2023-24 and is also the maximum due to the Headlee limitation.

Road levy.

Authorized by: City charter amendment 11/04/2014.

As authorized in a city charter amendment this millage was first levied in the winter of 2014, this language allows the city to levy up to 2.5000 mills for a period not to exceed ten (10) years beginning on Dec. 1, 2014, to defray costs for maintaining, repairing, and reconstructing roads and right of ways in the City of Royal Oak. Voters approved this millage on Nov. 4, 2014, and it was immediately placed on the winter tax bill in the amount of 2.5000 mills. The fiscal year 2023-24 budget provides for a levy of 2.3026 mills, and this is also the Headlee maximum allowed to be levied.

Parks, Recreation & Animal Shelter levy.

Authorized by: City charter amendment 7/11/2022.

As authorized in a city charter amendment this millage was first levied in the winter of 2022, this language allows the city to levy up to 0.7000 mills for a period not to exceed five (5) years beginning on Dec. 1, 2022, to defray general expenses and liabilities of the City for parks, forestry, recreation and playgrounds including animal shelter purposes in the City of Royal Oak. Voters approved this millage on Nov. 8, 2022, and it was immediately placed on the winter tax bill in the amount of 0.7000 mills. The fiscal year 2023-24 budget provides for a levy of 0.7000 mills, and this is also the Headlee maximum allowed to be levied.

Senior Services levy.

Authorized by: Voter approved millage 11/08/2022.

Public Act 39 of 1976 - MCL 400.576 - Activities or Services for Older Persons

As authorized by Act 39 of PA 1976, specifically MCL 400.576, this millage was first levied in the winter of 2022, this language allows the city to levy up to 0.2000 mills for a period not to exceed five (5) years beginning on Dec. 1, 2022, to provide fundings for services, activities, and program for "older persons" in the City of Royal Oak. Voters approved this millage on Nov. 8, 2022, and it was immediately placed on the winter tax bill in the amount of 0.2000 mills. The fiscal year 2023-24 budget provides for a levy of 0.2000 mills, and this is also the Headlee maximum allowed to be levied.

Drain levy.

Authorized by: Public Act 40 of 1956 MCL 280.475 Statutory or charter tax limitations inapplicable; rate or amount of taxes.

- *Taxes levied by a public corporation for the payment of assessments hereunder shall not be deemed to be within any statutory or charter tax limitation. A public corporation may impose taxes without limitation as to a rate or amount for the payment of assessments in anticipation of which bonds are issued...*

The fiscal year 2023-24 budget provides for a levy of 0.5723 mill. Fiscal year 2023-24 will be the sixth year of this millage as this revenue was collected to pay drain debt services by way of sewage disposal fees in prior year.

MILLAGE RATE COMPARISON

The graph below compares the millage rates levied by various Oakland County communities. The city of Royal Oak's millage rate is the budgeted rate for fiscal year 2023-24, however the rest of the communities' rates are from 2022-23 as they were not available for the upcoming fiscal year as of the date of this publication.

MILLAGE RATE COMPARISON - OAKLAND COUNTY CITIES

AVERAGE MILLAGE RATE = 18.2039

STATE SHARED REVENUE AND INTEREST INCOME TRENDS

FISCAL YEAR 2023-2024 ANNUAL BUDGET

STATE SHARED REVENUE

A major source of revenue for the City's General Fund is state-shared revenue. State-shared revenue distributes sales tax collected by the State of Michigan to local governments as unrestricted revenues. The distribution of funds is authorized by the State Revenue Sharing Act, Public Act 140 of 1971, as amended. Funding State-Shared revenue consists of two parts:

Constitutional - Based on 15 percent of the 4 percent portion of Michigan's 6% state sales tax collections and distributed to all Michigan cities, villages, and townships based on the population of the municipality.

Statutory - 21.3 percent of the 4 percent gross collections of the state sales tax and distributed based on four factors. *This form of revenue sharing ended in Fiscal Year 2011 and was replaced by the CVTRS program.*

CVTRS (City, Village, and Township Revenue Sharing Program)- The State of Michigan program states: Each city, village or township that received a FY 2022 CVTRS payment is eligible to receive a payment equal to 106% of the local unit's total eligible FY 2022 payment amount.

- The City will receive 100% of the maximum amount for fulfilling all of the specific requirements for Accountability and Transparency.
- The City must submit the certification form and required documents for the category to qualify for payment.

Visit the [Department of Treasury website](#) for more information about State-shared revenue calculations.

The chart below shows the city's historical experience with state-shared revenue.

**Based on projected estimates provided by the State of Michigan*

Historically, the Michigan legislature dramatically reduced distributions of state shared revenue of sales tax receipts beginning with fiscal year 1999-2000. The formula was fully funded in 2001 but population dropped in the 2010 census. While the constitutional formula is set by the voters and cannot be affected by the legislature, the amounts available to fund the payments has wavered. Statutory/CVTRS payments to the city have been lower each year than its peak since 2000. Over the past 20 years, local governments have had to contend with drastically reduced state shared revenue funding. As the graph illustrates, funding is down nearly \$1.07 million since the high in 1999-2000 (not adjusted for inflation). This has left the local unit of government in the position of having to either reduce services or find some way to raise new revenue. The ability to raise new revenue has been further restricted by the state legislature--first by the Headlee tax rate limits, and then by Proposal A limits to taxable values.

Based upon the most recent State of Michigan projection, \$7,299,000 is budgeted for state shared revenue for the fiscal year 2023-24.

State Shared Revenue

**Does not include projected personal property tax reimbursement.*

INTEREST REVENUE

Historically, cities were able to significantly supplement operations with interest income earned on cash balances. Unfortunately, since 2008, interest rates have dropped significantly, and the interest income earned on the city’s idle cash fell drastically. In addition, with the fall in taxable values caused to the housing crisis that began in that same year, the levels of cash available to invest also dropped. In fiscal year 2007-08, the general fund earned nearly \$1.5 million to help offset its operating expenditures. Fiscal year 2017-18 interest income began to significantly rise again until the third quarter of fiscal year 2019-20, when interest rates plummeted during the beginning of the COVID-19 pandemic. The general fund fiscal year 2023-24 interest income is budgeted at \$1,210,250 due to rising interest rates. This is approximately \$270,730 less income than the peak in fiscal year 2007-08. The all-funds interest revenue (below) includes trust and agency funds.

OPERATING INDICATORS AND PERFORMANCE TRENDS

FISCAL YEAR 2023-2024 ANNUAL BUDGET

OPERATING INDICATORS AND PERFORMANCE TRENDS

The City of Royal Oak tracks a variety of operating indicators that provide a snapshot to track significant services offered, statistical data, and performance trends over time. By monitoring these indicators on a long-term basis, the City can identify emerging community demographics, service delivery needs, and other operating trends that may require a shift in financial resources.

Some of the more significant operating indicators and performance outcome trends are shown below *(Please be patient--this report may take a few seconds to load)*.

WHAT IS A "BUDGET IN BRIEF"

The **Budget in Brief** is an easy-to-read resident's guide to the City's annual budget. This budget supplement will provide a high-level summary of the finances for the coming year and the value added for residents. The Budget in Brief document is currently "*under construction*" and will be added here soon!!

Royal Oak

CAPITAL PROJECTS

FISCAL YEAR 2023-2024 ANNUAL BUDGET

CAPITAL IMPROVEMENT PLAN OVERVIEW

The City of Royal Oak's Capital Improvement Program (CIP) is a planning tool, with a goal to identify and schedule capital improvements for fiscal years ending 2024-2029. The CIP is incorporated within the City's proposed budget document for fiscal year 2023-2024, along with specific recommendations for funding of these projects.

The CIP is an opportunity to formulate strategic long-term policy decisions that extend beyond the 2023-2024 fiscal year. Each year, the City of Royal Oak invests significant time and resources to design, construct, and maintain the infrastructure and facilities needed to deliver municipal services to residents and businesses. Because of the high costs associated with building and maintaining capital assets, the City must carefully balance the need for such assets with our requirements to sustain a strong financial position.

Capital improvement planning is a year-round process, with City departments continually re-evaluating and prioritizing their capital needs. Collaboration between the City Manager's office and all of the city departments is critical to the successful creation of the CIP. Capital projects originate in the operating departments where subject matter experts identify needs based on master planning documents and other technical criteria. While most project recommendations originate from the Engineering Division and Departments of Public Services, Information Technology, and Public Safety, every city department participates in the process.

The Finance Department compiles and coordinates the annual update of the CIP as part of the annual budget process. Finance Department staff also forecast revenues for the various funds used to finance capital projects and set the financial parameters for the development of the CIP. Once compiled, all requests are submitted, along with a preliminary evaluation of the established

financial parameters, for a public hearing and plan review by the Planning Commission. The City’s Planning Commission approves the recommended CIP prior to it being included in the City Manager’s annual budget which is ultimately presented and considered by the City Commission.

MORE ABOUT THE CIP

Please follow [this link](#) to learn more about the capital planning process.

CIP SUMMARY

Please follow [this link](#) to view the detailed CIP Program listing of each project by CIP category, as recommended for funding. It provides a CIP project number, a brief description of each project, the funding source, estimated City cost, and the year each project is scheduled to be funded.

Within this listing, the planned date for the completion of certain projects has been shifted since the recommended version was presented to the Planning Commission. This allows for the best alignment of project timing with the available resources throughout the forecast period. All projects from the “Recommended Capital Improvement Plan” document continue to be included, however, these projects are proposed to be funded in a different fiscal year than originally presented, as listed below:

CIP #	Year Planned in “Recommended Capital Improvement Plan”	Year Proposed for funding in the City’s Annual Budget and Forecast
2024-9	2023-24	2025-26
2024-10	2023-24	2025-26
2024-13	2023-24 & 2024-25	2024-25 & 2025-26
2024-16	2023-24 & 2024-25	2025-26 & 2026-27

2024-34	2024-25	2026-27 & 2027-28
2024-36	2023-24	2027-28 & 2028-29
2024-37	2025-26	2026-27
2024-38	2024-25	2026-27 & 2027-28
2024-41	2023-24	2026-27
2024-49	2025-26	2028-29
2024-50	2023-24	2025-26

CAPITAL PROJECT FUNDS

Most capital purchases are paid for using existing cash accumulated in a given fund. Those purchases and the related expenditures are accounted for with the requesting department or fund.

For more significant projects, particularly those funded by issuing bonded debt or with specific restrictions, spending may be separately recorded in a capital project fund. This allows for tracking of the dedicated funding source (such as bond proceeds) as well as the related costs. The City currently has two active capital project funds--the ROCC Capital Project Fund and the Parks Improvement Fund. The ROCC Capital Project Fund has now been fully expended and will be formally closed out at the end of the 2022-23 fiscal year.

BUDGET SUMMARY - ALL CAPITAL PROJECT FUNDS - COMBINED

NOTE: UNDER THE CITY'S BUDGET PROCEDURES, THESE FUNDS ARE NOT REQUIRED TO BE LEGALLY APPROPRIATED; HOWEVER, THEY ARE AUDITED.

Capital Projects Funds ALL Combined - Revenue & Expenditures

DEBT INFORMATION

FISCAL YEAR 2023-2024 ANNUAL BUDGET

INTRODUCTION

As of June 30, 2022, the last audited fiscal year, the City of Royal Oak had 21 outstanding bond debt issues and contracts totaling \$173.4 million.

The City currently has a strong AA+ bond rating. This indicator of financial strength allows the City's to obtain more favorable rates when issuing debt and through refinancing – by lowering interest expenditures and paying off debt sooner than anticipated.

Michigan statute limits general obligation debt to ten percent (\$391,257,349) of state equalized value and a five percent limit for capital improvement bonds. Our exempt debt of \$28,257,817 leaves approximately \$243.1 million of additional bond debt that can be incurred. [Click here for more information on the City's legal debt margin.](#)

The City's outstanding debt service requirements are summarized below.

CITY OF ROYAL OAK - LEGAL DEBT LIMIT

Section 21 of Article VII of the Michigan Constitution authorizes the enactment of laws for the incorporation of cities and grants cities the power to levy taxes for public purposes, subject to statutory and constitutional limitation:

“The legislature shall provide by general laws for the incorporation of cities and villages. Such laws shall limit their range of ad valorem property taxation for municipal purposes and restrict the powers of cities and villages to borrow money and contract debts. Each city and village are granted power to levy other taxes for public purposes, subject to limitations and prohibitions provided by the constitution or by law.”

In accordance with the foregoing, the Home Rule City Act, Act 279, Michigan Public Acts, 1909, as amended, limits the amount of debt a home rule city may have outstanding at any time. Section 4-a of the Home Rule City Act provides, in pertinent part:

“Notwithstanding a charter provision to the contrary the net indebtedness incurred for all public purposes shall not exceed the greater of the following:

- (a) 10 percent of the assessed value of all the real and personal property in the city.*
- (b) 15 percent of the assessed value of all the real and personal property in the city if that portion of the total amount of indebtedness incurred which exceeds 10 percent is or has been used solely for the construction or renovation of hospital facilities.”*

The provision of the Home Rule City Act cited above overrides the city’s charter provision which limits the city indebtedness to five percent of the “assessed valuation” (SEV) of all real and personal property in the city. Other limitations may apply, however, if specifically set forth in a statute authorizing a particular kind of borrowing.

Certain types of indebtedness are not subject to the 10 percent limitation of the Home Rule City Act, including:

- Special Assessment bonds;
- Michigan transportation fund bonds;
- Revenue bonds, whether secured by a mortgage or not;
- Bonds issued or contract obligations or assessment incurred to comply with an order of the Water Resource Commission of the state or a court of competent jurisdiction;
- Obligations incurred for water supply, sewage, drainage, or refuse disposal or resource recovery projects necessary to protect the public health by abating pollution; and bonds issued for construction, improvements and replacement of a combined sewer overflow abatement facility.
- The resources of a sinking fund pledged for the retirements of outstanding bonds shall also be excluded in compounding debt limitation.

Pursuant to the statutory and constitutional debt provisions set forth above, the following table reflects the amount of additional debt the city may legally incur as of June 2022:

Fiscal Year	Debt Limit	Total Debt Applicable to Limit	Legal Debt Margin	Applicable Debt as a Percentage of Debt Limit
2014	232,997,479	24,678,007	208,319,472	10.59%
2015	250,560,454	22,465,203	228,095,251	8.97%
2016	269,372,205	23,028,165	246,344,040	8.55%
2017	285,381,183	150,358,106	135,023,077	52.69%
2018	308,189,108	186,109,785	122,079,323	60.39%
2019	318,981,624	176,758,445	142,223,179	55.41%
2020	345,302,291	167,353,302	177,948,989	48.47%
2021	368,689,550	157,763,586	210,925,964	42.79%
2022	391,257,349	148,143,163	243,114,186	37.86%
2023	418,124,029	148,143,164	269,980,865	35.43%

	10% SEV	5% SEV*
FY 2023 State Equalized Value (SEV)	\$ 4,181,240,290	\$ 4,181,240,290
Legal debt limit (10% of SEV)	418,124,029	209,062,015
Debt outstanding	163,569,400	163,569,400
Less: exempt obligations	(24,645,625)	(124,180,625)
Debt subject to SEV limitation	148,143,163	39,388,775
Legal Debt Margin	243,114,186	169,673,240
Applicable debt outstanding as a percentage of SEV	3.54%	0.94%

* In accordance with the Revised Municipal Finance Act

Royal Oak

FINANCIAL MANAGEMENT POLICIES

FISCAL YEAR 2023-2024 ANNUAL BUDGET

The City of Royal Oak has an important responsibility to its citizens to plan for the future and manage public funds with accuracy and integrity. Planning has been an important focus of the City of Royal Oak, as we constantly adapt and change to meet the needs of our community. City Commission, along with City Staff, have created and implemented many financial policies to demonstrate our commitment to sound financial management.

Policy Goals:

Our policies address many issues such as staff attrition, asset management, debt management, investment management, retirement (pension) contributions, and other planning concepts, in order to:

- Demonstrate to the citizens of the City of Royal Oak, the investment community and the bond rating agencies that we are committed to being a fiscally strong organization.
- Make goals and policies clear so new Commission members or staff will be able to continue with our current policies and change them as the needs of the community change.
- Continue to conform to Generally Accepted Accounting Principles (GAAP) as well as Governmental Accounting Standards Board (GASB) regulations.
- Insulate from financial crisis.
- Plan projects to spread the costs of larger projects over a longer period of time.
- Maintain the City's bond rating.

ATTRITION POLICY

Purpose:

The City of Royal Oak is facing revenues that are not sufficient to necessarily meet operating and capital needs and needs to further reduce its staffing levels in order to maintain a balanced budget.

Policy:

All City of Royal Oak full-time positions except sworn police and fire positions that become vacant, for any reason, may only be filled with specific approval from the City Commission. Such approval shall only be granted when it can be clearly established that it will cost more to not fill a position than it will cost to fill a position or when the position is unique, and no other employee can perform a critical function.

[Adopted 06/02/2008]

[Reaffirmed 06/13/2022]

CAPITAL ASSET POLICY

Policy:

Capital assets are assets with an initial individual cost of more than \$10,000 and an estimated useful life in excess of three years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are not capitalized.

Major outlays for capital assets and improvements are capitalized once projects are placed in service. Interest incurred during the construction phase of capital assets of business-type activities, if any, is included as part of the capitalized value of the assets constructed.

Property, plant, and equipment is depreciated using the straight-line method over the following estimated useful lives:

<u>Asset Class</u>	<u>Years</u>
• Improvements	10 to 20
• Infrastructure	15 to 50
• Vehicles	5 to 8
• Equipment	5 to 15
• Intangibles	10
• Buildings and renovations	25 to 50

[Adopted 04/06/2009]

[Reaffirmed 06/13/2022]

CAPITAL IMPROVEMENT PROJECT POLICY

Capital Improvement Project Definition:

Capital improvement projects include any project or physical improvement that results in a permanent addition to the City's capital assets or a revitalization/improvement that extends a capital asset's useful life or increases its usefulness or capacity. Qualifying projects must have an estimated cost of \$10,000 or more and an estimated useful life in excess of three years. Examples include:

1. New and expanded physical facilities for the community
2. Renovation, reconstruction, repair or major maintenance to existing facilities
3. Equipment for any public facility or improvement when first erected or acquired
4. Major landscape improvement
5. Utility modification
6. New construction project
7. Public improvement projects (road and park improvements, curbs and gutters, drainage improvements, sidewalks/ bikeway / path projects, etc.)

A capital improvement is not a recurring capital outlay item (such as a motor vehicle) or a maintenance expense (such as fixing a leaking roof or painting park benches). Acquisition of equipment is not a capital project unless it is an integral part of the capital project.

EXPLANATIONS OF THE *TYPE OF PROJECT* OPTIONS ARE AS FOLLOWS:

Replacement: Existing improvements that are deteriorated and need to be replaced and/or upgraded to continue to provide service and to meet current codes and regulations.

Expansion: New improvements that are growth-related and/or based on projected development.

Economic vitality and diversity: Construction of improvements for promotion of economic vitality and diversity and to eliminate and prevent the spread of blight and deterioration in the city.

EXPLANATION OF THE *PROJECT PRIORITY* OPTIONS ARE AS FOLLOWS:

Emergency: The project is urgent and must be completed as soon as possible. This could be a temporary or permanent repair to major equipment, facilities or infrastructure. The project must be complete to protect the health, safety or welfare of the community.

Regulatory requirement: The project is required by new legislation, federal guidelines, codes or regulations. The city may be fined if the project is not implemented.

Correct existing deficiencies: The project corrects an existing structural deficiency in the facilities or infrastructure from becoming an emergency situation. If the project is not implemented, the health, safety and welfare of the community may be endangered in the near future.

Near-term capacity need: The project expands the capacity of equipment, facilities or infrastructure to accommodate increasing demand. Failure to address the project may create public inconvenience or an emergency situation.

Long-term capacity need/master plan: The project is identified in the City's master plan(s).

Availability of funds: The project is addressed if there is enough outside funding.

[Adopted 04/06/2009]

[Reaffirmed 06/13/2022]

DEBT MANAGEMENT

Background:

Debt management policies are written guidelines and restrictions that affect the amount and type of debt issued, the issuance process and the management of the City's debt portfolio. A debt management policy improves the quality of decisions, provides justification for the structure of debt issuance, identifies policy goals, and demonstrates a commitment to long-term financial planning, including a multi-year capital plan. Adherence to a debt management policy signals to rating agencies and the capital markets that a government is well-managed and should meet its obligations in a timely manner.

Debt levels and their related annual costs are important long-term obligations that must be managed within available resources. An effective debt management policy provides guidelines to manage its debt program in line with those resources.

Objective:

To manage the debt portfolio to finance all necessary capital improvements while being fiscally responsible with the taxpayers' money in a conservative and prudent manner.

Debt manager and disclosure agent:

The Director of Finance is the debt manager for all items involving debt management. The debt manager is the disclosure agent responsible to develop and conduct an investor relations program and is the person authorized to speak externally on behalf of the city concerning debt. His/her duties include the filing of all public records to meet federal and state legislation. He or she may appoint a member(s) of staff or consultant to assist in carrying out this mission.

The debt manager shall review this policy at least annually and recommend revisions as necessary.

Policy:

1. The City shall exhibit purposeful restraint in incurring debt.
2. The City shall refrain from issuing short-term debt which requires repeated annual appropriation.
3. Long-term debt will not be used for operations with the exception of legacy costs.
4. Long-term debt will be confined to capital improvements and legacy costs that cannot be financed from current revenue.

5. The payback period of the debt will not exceed the expected useful life of the project.
6. Total City debt, including loans and contractual obligations (e.g., George W. Kuhn Drain debt), will not exceed ten (10) percent of the total taxable valuation of taxable property.
7. The City will maintain good communications with bond rating agencies about its financial condition and will follow a policy of full disclosure on every financial report and bond prospectus.
8. The City will strive to have a minimum bond rating of AA-, or the equivalent, with at least two (2) qualified bond rating agencies.

[Adopted 06/02/2008]

[Reaffirmed 06/13/2022]

INVESTMENT POLICY

Policy:

It is the policy of the City of Royal Oak to invest its funds in a manner that will provide the highest investment return with maximum security while meeting the daily cash flow needs of the City and complying with all state statutes governing the investment of public funds.

Scope:

This investment policy applies to all financial assets of the City of Royal Oak, except the financial assets of the retirement funds. The City's financial assets are accounted in the City's annual report and include:

- General Fund
- Special Revenue funds
- Debt Service funds
- Capital Project funds
- Enterprise funds
- Internal Service funds
- Agency funds
- any new fund type established by the City, unless specifically exempted by the legislative body.

This investment policy applies to all transactions involving the financial assets and related activity of all the foregoing funds.

Objectives:

The primary objectives of the City's investment activities, in priority order, are:

Safety—Ensuring the safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio and will employ mechanisms to control risks and diversify investments regarding specific types of individual financial institutions.

Liquidity—The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. Investment maturities shall be scheduled to coincide with projected cash flow needs, taking into account large routine expenditures (payroll, accounts payable, etc.).

Return on investment—The investment portfolio shall be designed with the objective of attaining a market rate of return commensurate with the portfolio's level of investment risk and cash flow characteristics.

Diversification—The investment portfolio will be diversified by security type and institution so that potential losses on individual securities do not exceed the gains generated from the remainder of the portfolio.

Delegation of authority to make investments:

Authority to manage the city's investment program is granted to the City's Director of Finance, hereinafter referred to as investment officer. This authority is derived from City Charter Chapter Three, Sec. 24. No person may engage in an investment transaction except as provided under the terms of this policy and any procedures established by the investment officer. The investment officer may designate an employee to be responsible for the day-to-day management of the portfolio, under the leadership of the investment officer, and to act on the investment officer's behalf in the absence of the investment officer. The investment officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of any subordinate official.

Authorized investments:The City of Royal Oak, as a public corporation operating under the laws of the State of Michigan, is limited to investments authorized by Act 20 of the Public Acts of 1943, as amended (MCL 129.91 to 129.96). The city has approved investment in the following authorized investment instruments:

- Bonds, securities and other obligations of the United States or an agency or instrumentality of the United States.
- Certificates of deposit, savings accounts, deposit accounts or depository receipts of a financial institution, but only if the financial institution is eligible to be a depository of funds belonging to the state under a rule or law of this state or the United States.
- Commercial paper rated at the time of purchase within the two highest classifications established by not less than two standard rating services and that matures not more than 270 days after the date of purchase.
- Repurchase agreements consisting of bonds, securities and other obligations of the United States or an agency or instrumentality of the United States.
- Bankers' acceptances of United States banks.
- Obligations of this state or any of its political subdivisions that at the time of purchase are rated as investment grade by not less than one standard rating service.
- Mutual funds registered under the Investment Company Act of 1940, Title I of Chapter 686, 54 Stat. 789, 15 U.S.C. 80a-1 to 80a-3 and 80a-4 to 80a-64, with authority to purchase only investment vehicles that are legal for direct investment by a public corporation. This mutual fund authorization is limited to securities whose intention is to maintain a net asset value of \$1.00 per

share. A mutual fund is not disqualified as a permissible investment solely by reason of any of the following:

- The purchase of securities on a when-issued or delayed-delivery basis.
- The ability to lend portfolio securities as long as the mutual fund receives collateral at all times equal to at least 100 percent of the value of the securities loaned.
- The limited ability to borrow and pledge a like portion of the portfolio's assets for temporary and emergency purposes.
- Obligations described in subsections 5.1 through 5.7 if purchased through an inter-local agreement under the Urban Cooperation Act, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512.
- Investment pools organized under the Surplus Funds Investment Pool Act, 1982 PA 367, MCL 129.111 to 129.118.
- The investment pools organized under the Local Government Investment Pool Act, 1985 PA 121, MCL 129.141 to 129.150.

It is further understood that investments of certain bond proceeds may be restricted by covenants in the bond ordinances.

Authorized financial institutions and brokers/dealers:

Investments shall be made only through approved financial institutions and approved security broker/dealers and shall be selected to attain a market rate of return commensurate with the portfolio's level of investment risk and cash flow characteristics. The investment officer, or his/her delegate, shall be responsible for reviewing financial institutions' and broker/dealers' qualifications and deciding who is approved to conduct investment business with the city. The investment officer, or his/her delegate, shall maintain a list of the approved financial institutions and broker/dealers. All financial institutions and broker/dealers who desire to obtain approval for conducting investment business with the city must provide the investment officer or his/her delegate, with evidence of their creditworthiness and qualifications for doing business in this state. This evidence includes audited financial statements, proof of National Association of Securities Dealers (NASD) certification (if applicable), proof of qualifications for doing business in Michigan, a signed agreement to comply with this investment policy (see Attachment A), and any other documents required by the investment officer or his/her delegate.

The investment officer or his/her delegate shall conduct an annual review of the financial condition and qualifications of approved financial institutions and broker/dealers to determine if they should remain on the aforementioned list of approved institutions. Financial institutions and broker/dealers shall provide the investment officer or his/her delegate with documents necessary for the review.

Safekeeping and custody:

All trades, where applicable, will be executed on a cash basis or a delivery vs. payment (DVP) basis, as determined by the investment officer or his/her delegate. It shall be the responsibility of the investment officer, or his/her delegate, to determine which securities a third-party custodian shall hold. A safekeeping receipt must evidence any securities held in safekeeping by a third-party custodian.

All securities shall be properly designated as assets of the City of Royal Oak. Securities shall be in the name of the City of Royal Oak and shall name the specific fund from which the instrument was purchased.

Prudence:

In keeping with the investment officer's and his/her delegate's fiduciary responsibilities, investments shall be made with judgment and care, under circumstances then prevailing, in a manner consistent with that which persons of prudence, discretion, and intelligence exercise in the management of their own affairs. Investments shall be made for investment purposes, not for speculative purposes, considering the probable safety of the capital as well as the probable income to be derived.

The investment officer, or his/her delegate, acting in accordance with this policy and written procedures and exercising due diligence, shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided that deviations from expectations are reported in a timely manner and appropriate action is taken to control adverse developments.

Ethics and conflicts of interest:

Officials and employees involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or that could impair their abilities to make impartial investment decisions.

Officials and employees involved in the investment process shall disclose to the city manager, or confirm the absence thereof, any material financial interests in financial institutions or broker/dealers that conduct business within this jurisdiction. They shall further disclose, or confirm the absence thereof, any large personal financial/investment positions that could be related to the performance of this jurisdiction's portfolio. Officials and employees shall subordinate their personal investment interests to those of this city.

Internal controls:

The investment officer, or his/her delegate, shall establish and maintain written procedures and internal controls for the operation of the investment program that are consistent with this investment policy. The internal control structure shall be designed to provide reasonable assurance that public funds are protected from loss, theft or misuse and that the city complies with laws governing investment of public funds. These internal controls shall be reviewed annually by the independent auditor.

Reporting:

The investment officer, or his/her delegate, shall prepare a monthly report of investment activity. The report shall be designed to provide a clear picture of the status of the current investment portfolio and to allow the city to ascertain if the investment activities during the reporting period conform to this investment policy. The monthly reports shall be maintained in the finance department and shall be available for review by the general public or by city officials. On an annual basis, the investment officer, or his/her delegate, shall provide an annual report of investment activity to the city commission.

Adoption by city commission:

[Adopted 11/16/1998]

[Reaffirmed 06/13/2022]

RETIREMENT (PENSION) CONTRIBUTIONS POLICY

Be it resolved, the City of Royal Oak shall make pension contributions to the City of Royal Oak retirement system or its successor in accordance with the recommendation of an independent actuarial valuation which shall be conducted on an annual basis.

Be it further resolved, should the weighted average percentage contribution for unfunded actuarial accrued liability recommended by the actuary fall below two (2) percent, the amortization period shall be reduced, and the contribution recalculated until a further reduction would result in a percentage in excess of two (2) percent or until the amortization period is reduced to 20 years. This reduction in the amortization period shall be permanent.

Be it further resolved, should the unfunded actuarial accrued liability fall below zero, the overfunding credit shall be calculated using an amortization period of not less than 30 years.

[Adopted 04/07/2008]

[Reaffirmed 06/13/2022]

FUND SELF-SUPPORTING POLICY

Purpose:

To acknowledge and document the expectation of which funds are sole supportive and which funds will accept and/or give fiscal transfers (gifts).

Policy:

Based on the type of fund and expectations, the following list provides whether a city fund can accept or provide a fiscal transfer (gifts) between funds.

- General Fund
 - Major Road Fund
 - Local Road Fund
 - Public Safety Fund
 - Publicity Fund
 - Solid Waste Fund
 - Indigent Defense Fund
 - Library Fund
 - CDBG Fund

FUND BALANCE POLICIES

FUND BALANCE POLICY – GENERAL FUND

Purpose:

To ensure proper stewardship of the City of Royal Oak’s financial resources, by maintaining the City’s ability to:

1. Meet liquidity requirements for current and long-term obligations by considering economic cycles of municipal revenues/expenditures and the estimated budget forecasts.
2. Manage unexpected revenue shortfalls.
3. Accept reasonable uninsured risks, where advantageous.
4. Provide for unanticipated contingencies and emergencies.
5. Provide for long-term budget and tax stabilization.
6. Borrow funds at reasonable interest rates when needed.

Policy:

Be it resolved, that it shall be the policy of the City of Royal Oak to maintain an unassigned fund balance in the General Fund at least equal to 10 percent of budgeted expenditures but not more than 25 percent of budgeted expenditures.

[Adopted 02/06/2006]

[Amended 06/13/2022]

Be it resolved, that it shall be the policy of the City of Royal Oak that any amendment to the City’s current fund balance policy for the general fund shall require the affirmative vote of two-thirds of the members of the City Commission.

[Adopted 03/06/2006]

[Reaffirmed 06/13/2022]

FUND BALANCE POLICY – NON-MAJOR ENTERPRISE FUNDS

Purpose:

Any transfers from any of the City's non-major enterprise funds (Farmer's Market, Ice Arena, and Recreation Administration) to the City's General Fund be limited so as not to reduce the net non-capital assets of the non-major enterprise funds by more than 20 percent in any given fiscal year.

Policy:

Be it resolved, that it shall be the policy of the City of Royal Oak that any amendment to the City's current fund balance policy for the non-major enterprise funds shall require the affirmative vote of two-thirds of the members of the City Commission.

[Adopted 03/06/2006]

[Reaffirmed 06/13/2022]

FUND BALANCE POLICY – AUTO PARKING ENTERPRISE FUND

Purpose:

Whereas, on February 6, 2006, in order to ensure proper stewardship of the City's financial resources, the City Commission unanimously established a policy regarding the maintenance of a minimum unassigned fund balance in the General Fund;

Whereas, after additional consideration, the City Commission has determined that in order to further ensure proper stewardship of the City's financial resources, a policy should also be established to restrict the level of transfers from the City's parking fund to the City's general fund in any given fiscal year. Such a policy will ensure that the City will be able to properly maintain the assets associated with the parking fund without having to draw upon the City's General Fund.

Policy:

Therefore, be it resolved, that it shall be the policy of the City of Royal Oak that any transfers from the City's parking fund to the City's general fund be limited so as not to reduce the net non-capital assets of the parking fund by more than 20 percent in any given fiscal year.

[Adopted 12/04/2006]

[Reaffirmed 06/13/2022]

FUND BALANCE POLICY – STATE CONSTRUCTION CODE FUND

Purpose:

To help ensure the proper stewardship of the City of Royal Oak’s financial resources and in an effort to stabilize the volatility of State Construction Code Fund (as it is a public safety function) through economic downturns and to ensure that the services paid for are completed, a fund balance policy has been established.

Policy:

That it shall be the policy of the City of Royal Oak to maintain an unassigned fund balance in the State Construction Code Fund not less than 50 percent of budgeted expenditures.

That it shall be the policy of the City of Royal Oak that any amendment to the City’s current fund balance policy for the State Construction Code Fund shall require the affirmative vote of two-thirds of the members of the City Commission.

[Adopted 06/02/2013]

[Amended 06/10/2019]

RESOLUTION TWO: SET TAX RATES

Resolved, the general operating levy for the 2023-24 fiscal year for operations is established at 6.8118 mills, and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the publicity tax is established at 0.0149 mill, and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the library operations is established at 1.0000 mill, and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the solid waste disposal operation is established at 2.3571 mills, which consists of 1.8571 mills authorized by state law and 0.5000 mill authorized by the voters of the City of Royal Oak, and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the road millage is established at 2.3026 mills and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the public safety operations is established at 3.6815 mills and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the Parks, Forestry, Recreation, Playgrounds & Animal Shelter is established at 0.7000 mills and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the senior services operations is established at 0.2000 mills and

Be it further resolved, the property tax rate for the 2023-24 fiscal year for the chapter 20 drain debt is established at 0.5723 mill, and

Be it further resolved, the property tax rate for the 2023-24 budget by the Downtown Development Authority for the area designated by ordinance as the downtown district is established at 1.6003 mills, and

Be it further resolved, the 1.6003 mills levy for the downtown district is in addition to the millage applicable to properties outside of the downtown district and

Be it finally resolved, the following millages are to be levied on the winter tax bill:

- public safety millage;
- road millage;
- parks, forestry, recreation, playgrounds & animal shelter millage;
- senior services millage.

RESOLUTION THREE: AUTHORIZE TAX ADMINISTRATION FEE

Be it resolved, the City of Royal Oak approves the imposition of a one percent administration fee on property tax levied in 2023, and

Be it further resolved, the City of Royal Oak approves the imposition of late interest penalty charges as follows: On summer taxes at the rate of one-half of one percent per month, or fraction thereof, after July 31 until Feb. 28; on December taxes at the rate of three percent after Feb. 14 until Feb. 28, 2024.

RESOLUTION FOUR: WATER AND SEWAGE DISPOSAL RATES

Be it resolved that the water and sewage disposal rates for the City of Royal Oak as of July 1, 2023, are established as follows:

- Billing administrative flat fee \$16.00 per billing period
- Water & sewer commodity charge \$131.80 per mcf for first 2 mcf per billing period and \$151.60 for additional mcf per billing period
- Outside city water only commodity charge \$67.20 per mcf for the first 2 mcf per billing period and \$77.28 for additional mcf per billing period
- Sewer only charge \$300.15 per quarter

Be it further resolved, industrial surcharge and industrial waste control charges will be passed along to customers as a pass-through.

RESOLUTION FIVE: PURCHASES

Whereas the City of Royal Oak finds it necessary to incur utility, postage, and other expenses provided by natural or regulated monopolies, and other sole source providers in order to operate the city, and

Whereas it is impossible to estimate the charges to be incurred for each succeeding month, and

Whereas these charges can and do exceed \$1,000 for each billing period;

Now, therefore, be it resolved, the city administration is authorized to place orders for and make payment of these expenses, and such authorization forgoes the requirement of presenting these bills to the commission prior to authorization for purchase and/or payment;

Further resolved, this resolution shall apply to electric, telephone, water, natural gas utility, postage charges, and other goods/services provided by natural or regulated monopolies or sole source providers.

RESOLUTION SIX: PURCHASING

Whereas, pursuant to chapter three, section 34 of the Royal Oak city charter, the city commission shall set a purchasing limitation by resolution, adopted at the same time the annual city budget is approved.

Now, therefore, be it resolved; the city establishes that no purchase in excess of \$25,000 be made without the approval of the city commission and pursuant to chapter 14, section two. Public work or improvement costing more than \$35,000 and executed by contract, shall be awarded to a responsible bidder in competition for fiscal year 2023-24.

RESOLUTION SEVEN: TRANSFERS

Now, therefore, be it resolved; the finance director is hereby authorized to transfer up to 25 percent of the major street fund monies to the local street fund during the 2023-24 fiscal year. The finance director is also authorized to make administrative transfers within appropriation centers. All other transfers between funds may be made only by further action by the city commission.

RESOLUTION EIGHT: PEG FEES

Now, therefore, be it resolved; the city commission hereby grants Community Media Network one half of the one percent P.E.G. fee received during the 2023-24 fiscal year.

RESOLUTION NINE: FINANCIAL POLICIES

Whereas, the City of Royal Oak has established a set of financial policies,

And whereas, it is prudent to regularly review and update those policies and to add new policies as needed.

Now, therefore, be it resolved, the city reaffirms its existing financial policies on attrition, investments, retirement contributions, debt management, capital assets and capital improvements projects, and fund self-supporting and affirms amendments to the fund balance policies.

THE FOLLOWING DEFINITIONS OF TERMS ARE PROVIDED TO AID IN UNDERSTANDING THE TERMINOLOGY EMPLOYED IN THE TEXT OF THE BUDGET AND OTHER FINANCIAL DOCUMENTS.

Accrual basis: Accrual basis accounting recognizes transactions when they occur, regardless of the timing of related cash flows. The application of accrual accounting techniques prevents distortions in financial statement representations due to shifts in the timing of cash flows and related underlying economic events near the end of a fiscal period.

Activity: Specific and distinguishable service performed by one or more organizational components of the city to accomplish a function for which the City is responsible.

Adjacent Generational Exchange (A.G.E.): The A.G.E. budget, using a Beaumont Hospital grant, funds a Volunteer Coordinator to recruit, train, and place volunteers to serve senior citizen needs. The volunteers assist City staff with programming at both Community Centers. In the community, volunteers provide senior citizens with meals, assistance, and transportation.

Americans with Disabilities Act (ADA): A law to provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities, to ensure the facilities, policies, and programs of public entities and their accommodations are equally accessible to the disabled.

Agency fund: A fund used to account for assets held by the city as an agent for individuals, private organizations, other governments and/or other funds.

Appropriation: An authorization granted by a legislative body to incur obligations and to expend public funds for a stated purpose.

Appropriation budget: The official resolution by the city commission establishing the legal authority for the city to incur obligations and to expend public funds for a stated purpose.

Annual Required Contribution (ARC): Term used in connection with defined benefit pension and other postemployment benefit plans to describe the amount an independent actuary has determined the employer should contribute in a given year.

Assessed Value (AV): The basic value of property assigned by an assessor. It is used for an individual parcel and in the aggregate for the city as whole. Pursuant to Michigan's laws and regulations, assessed value is 50% of market value at December 31st.

Balanced budget: A budget in which estimated revenues, transfers-in and use of fund balance are equal to or greater than estimated expenditures and transfers-out.

Bargaining Units for Full-Time Employees:

- *Executive Department Heads* (city assessor, city treasurer, city clerk, police chief, fire chief, plus directors of finance, recreation & public service, human resource, and arena operations) are not represented.
- *The Department Head and Deputy Department Head Association* is the local bargaining association including department heads not included above deputy department heads, managers and superintendents. *The Professional and Technical Employees Association (Pro-Tech)* is the local bargaining association representing certain professional, specialist and supervisory employees.
- *The American Federation of State, County and Municipal Employees (AFSCME) Local #2396 of Michigan Council #25* is the union representing certain inspectors, officers, librarians, and all clerical employees except confidential secretaries.
- *The Professional Fire Fighters Local #431, affiliated with the Michigan Professional Firefighters Union and the International Association of Fire Fighters AFL-CIO*, includes all uniformed firefighting and fire prevention personnel.
- *The Royal Oak Police Command Officers Association (ROCOA)* is the local bargaining association, represented by the Police Officer's Labor Council, including sergeant and lieutenant ranks.
- *The Royal Oak Police Officers Association (ROPOA)* is the local bargaining association representing police officers, police service aides and part-time parking enforcement officers.

- *The Royal Oak Detectives' Association, represented by the Labor Council Michigan Fraternal Order of Police*, includes all employees with the rank of Detective. *The Foreman and Supervisors' Association* is the local bargain association representing public works supervisors.
- *The Service Employees' International Union AFL-CIO Local 517M (SEIU)* is the union representing hourly employees of the department of recreation and public service.

Brownfield: The site(s) or legally defined area(s) meeting the eligibility requirements of the Brownfield Development Act as environmentally contaminated, functionally obsolete, or blighted areas.

Brownfield Development Authority (BRA): The board to investigate potential brownfield sites and plan and finance their redevelopment. BRAs may use tax increment financing (TIF), per Public Act 381 of 196 as amended, to capture local property taxes and school taxes if approved.

Business-type activity: Business-type activities are financed in whole or in part by fees charged to external parties for goods and services. These activities are usually reported in enterprise funds which follow essentially the same accounting rules as a private enterprise.

Capital assets: Capital assets are tangible and intangible assets that will be of use for three or more years and have a cost greater than \$10,000. Typical examples are land, buildings, building improvements, streets, water and sewer lines, vehicles, machinery, equipment, and easements.

Capital projects fund: A fund to account for the development of municipal capital facilities.

Capital improvement budget: A capital improvement budget plans and prioritizes acquisition of or major repair to long-lived assets, such as infrastructure. This budget typically has a long-term outlook where a project can span a several year period. (see Operating Budget)

Community Development Block Grant (CDBG): This is a federally funded program to assist communities in the expansion and improvement of community services, to develop and improve neighborhoods, and to restore and preserve property values. In Royal Oak, CDBG money pays for most of our senior citizen programs.

Contingency: An estimated amount of funds needed for contingent or emergency purposes.

Debt service fund: A fund to account for the accumulation of resources for and the payment of general long-term debt principal and interest.

Defeasance: In financial reporting, the netting of outstanding liabilities and related assets on the statement of position. Defeased debt is no longer reported as a liability on the face of the statement of position. Most refundings result in the defeasance of the refunded debt.

Deficit: An excess of liabilities and reserves of a fund over its assets.

Depreciation: Depreciation is the accrual accounting concept using various methods to expense the capitalized cost of an asset over its estimated useful life.

Downtown Development Authority (DDA): The City Commission created the Downtown Development District and the DDA board (also the Authority) to administer it on November 1, 1976. The DDA Act (P.A. 57 of 2018, as amended) is designed to resist blight and be a catalyst in the development of a downtown. DDAs have a variety of funding options. Royal Oak's DDA primarily uses development bonds and tax increment financing (TIF) to fund its development plan. It levies a district tax millage for its staffing operations. Projects to date include downtown marketing, streetscape improvements, public parking, the district court building, and other public infrastructure improvements.

Downtown Development District (DDD): The legal area created on November 1, 1976 by the city commission, originally bounded by 11 Mile Rd. and Troy, Lincoln, and West Streets. The district has been amended three times.

Emergency Medical Service (EMS): The fire department provides advanced and basic emergency medical services typically with a rescue unit or ambulance.

Enterprise fund: A fund established to account for operations that are financed and operated in a manner similar to a private business, i.e., the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. Water & sewer is an example of an enterprise fund.

Expenditure: The cost of goods delivered, and services rendered whether paid or unpaid.

Expenditure object: An expenditure object is a specific classification of expenditure accounts which includes a number of related accounts determined

by the type of goods and services to be purchased. For example, the personnel services expenditure object includes the wages account as well as all fringe benefit accounts. Expenditure objects include personnel services, supplies, other charges, capital outlays, debt service, and transfers out.

Final Average Compensation (FAC): An average of an employee's annual wages used in the calculation of their retirement benefit.

Fiscal Year (FY): The 12-month period, July 1 to June 30, to which the annual operating budget applies and, at the end of which, financial position and the results of operations are determined.

Full-Time Equivalent (FTE): A method to convert part-time hours worked to that of a full-time worker in a like position based on 2080 hours per year.

Function: Groups of related activities aimed at accomplishing a major service or regulatory program for which the city is responsible.

Fund: Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions, activities or objectives with special regulations, restrictions, or limitations. (e.g., Major Street Fund). A fund is a self-balancing set of accounts recording financial resources with all related liabilities resulting in equities or balances. The accounts of the city are organized on the basis of funds and account groups in order to report on its financial position and results of its operations.

Fund balance: The difference between assets and liabilities reported in a governmental fund.

Generally Accepted Accounting Principles (GAAP): Conventions, rules and procedures that serve as the norm for the fair presentation of financial statements.

General fund: The city's major operating fund to account for all financial resources except those accounted for in another fund.

Government-type activities: Activities typically supported by taxes, intergovernmental revenues, or other non-exchange revenue. The general, special revenue, debt service, capital project, internal service and permanent funds are governmental activities.

Government Finance Officers Association (GFOA): The GFOA of the United States and Canada is a professional organization of public officials united to enhance and promote the professional management of governmental financial resources by identifying, developing, and advancing fiscal strategies, policies, and practices for public benefit.

Industrial Facilities Tax (IFT): An exemption from property tax allowed to eligible industrial facilities in Michigan.

Infrastructure: Long-lived capital assets that normally are stationary in nature and normally can be preserved for significantly greater number of years than most capital assets. Examples of infrastructure assets include roads, bridges, tunnels, drainage systems, water and sewer systems, and lighting systems.

Interfund transfers: Flows of assets (such as cash or goods) between funds and blended components of the primary government without equivalent flows of assets in return or without a requirement for payment.

Internal service funds: Internal service funds are used to account for the financing of goods and services provided by one department or agency to other departments or agencies of the governmental unit on a cost reimbursement basis. These funds use the flow of economic resources for measurement purposes and the full accrual basis of accounting. Included in this category are the information technology, motor pool and worker's compensation funds.

Industrial Waste Charge (IWC): A surcharge placed by the City of Detroit on certain non-residential sewer accounts to pay to remove the level of waste (e.g., grease from restaurants) above normal residential use.

Line-item budget: A budget which emphasizes allocations of resources to given organizational units for expenditures, such as, salaries, supplies services, and equipment. Line-item budgets may be organized to provide accountability at varying levels, such as on department, division, or agency levels. The City of Royal Oak adopts budgets on a "function" level.

Modified accrual accounting: This basis of accounting recognizes revenues in the accounting period in which they are both measurable and available to finance expenditures. Expenditures are generally recognized in the accounting period in which they are both measurable and incurred.

Michigan Municipal Risk Management Authority (MMRMA): A risk pool program providing a risk-sharing management program for local units of government in Michigan. Member premiums are used to purchase excess property/casualty

insurance coverage and to establish a member's loss fund. The loss fund is used to pay self-insured retention portion of the member's claims.

Net assets: The difference between assets and liabilities of assets and liabilities of proprietary funds. Net assets may be further divided into unrestricted and restricted amounts like constraints of legislation or external parties, trust amounts for pensions or pools, or other purposes like invested in capital assets, net of related debt.

Object (of expenditure): In the context of the classification of expenditures, the article purchased, or the service obtained, rather than the purpose for which the article or service was purchased or obtained (e.g., personal services, contractual services, materials, and supplies).

Operating budget: The operating budget is the authorized revenues and expenditures for on-going municipal services and is the primary means by which government is controlled. The life span of an operating budget typically is one year. Personnel costs, supplies, and other charges are found in an operating budget. A capital budget typically has a long-term outlook where a project can span a several year period.

Occupational Safety and Health Administration (OSHA): The agencies in state and federal government that oversee the workplace environment to ensure it is safe for workers.

Other Postemployment Benefits (OPEB): Other postemployment benefits (OPEB) include postemployment benefits provided separately from a pension plan, especially retiree healthcare benefits.

Other charges: An expenditure object within an activity which includes professional services, utilities, rents, and training for example.

Personnel services: An expenditure object within an activity which includes payroll and all fringe benefits.

Revenue: The income of the city used to fund operations. Typical revenue examples are taxation, licenses, and permits, inter-governmental (e.g., state grants), charges for goods and services, fines and forfeitures, contributions and donations, reimbursements, interest and rents, and gains on the sale of investments or disposal of capital assets.

Refunding: Issuance of new debt whose proceeds are used to repay previously issued debt. The proceeds may be used immediately for this purpose (a current

refunding), or they may be placed with an escrow agent and invested until they are used to pay principal and interest on the old debt at a future time (an advance refunding).

Royal Oak Civic Center Project (ROCC): A new development project to build a new city hall, police station and downtown park. The project will transform the downtown area to a gathering place for the entire city as well as provide necessary updates to building designed more than 60 years ago.

Royal Oak Opportunity to Serve (ROOTS): A city committee formed to receive any money or property deemed by donor for city use.

Royal Oak Senior Essential Services (R.O.S.E.S.): R.O.S.E.S. is a local program providing contract workers to provide home chores, minor home repairs and personal care to senior citizens, age 60 and over, and permanently handicapped adults. Low-income senior citizens may be able to qualify for a CDBG subsidy. Administrative fees from clients, donations and CDBG grants pay for R.O.S.E.S. aides.

State Equalized Value (SEV): It is the function of the Michigan State Tax Commission to establish and maintain uniformity between counties by establishing the value of the total of each classification in each county. The State Equalized Valuation of an individual parcel of real property is that parcel's final value in the assessment process. Normally SEV equals Assessed Value (AV) when measurement and professional standards are properly applied. (see AV, TV)

Southeastern Oakland County Resource Recovery Authority (SOCRRA): The intergovernmental organization, serving 12 municipalities in the southeastern region of Oakland County, that provides for collection and disposal of solid waste as well as the handling of yard waste, and compost and recyclables.

Southeastern Oakland County Water Authority (SOCWA): The intergovernmental organization, serving 11 communities in the southeastern region of Oakland County, that purchases water from the Detroit Water and Sewerage Department and stores and/or pumps it to each member unit.

Special assessment: Amounts levied against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

Special revenue fund: A fund to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The

library fund, the major street fund and the local street fund are examples of special revenue funds.

Supplies: An expenditure object within an activity which includes all goods that have a useful life of less than three years and cost less than \$2,500.

Surplus: An excess of the assets of a fund over its liabilities and reserves.

Transmittal letter: A concise written policy and financial overview of the city as usually presented by the city manager. It notes the major changes in priorities or service levels from the current year and the factors leading to those changes. It articulates the priorities and key issues for the new budget period. It identifies and summarizes major financial factors and trends affecting the budget, such as economic factors; long-range outlook; significant changes in revenue collections, tax rates, or other changes; current and future debt obligations; and significant use of or increase in fund balance or retained earnings.

Transfers-in/out: A legally authorized funding transfer between funds in which one fund is responsible for the initial receipt and the other fund is responsible for the actual disbursement.

Trust & agency fund: Trust & agency funds are used to account for assets held by the city in a trustee capacity or as an agent for individuals, organizations, other governments, or other funds. These include the Employees' Retirement System and the agency funds.

Tax Increment Financing (TIF): Financing secured by the anticipated incremental increase in tax revenue, resulting from the redevelopment of an area, or the funding on a current basis of pay-as-you-go improvements or operations. The TIF Authority (TIFA) board creates the TIF plan, carries out the projects and collects the incremental taxes to pay its costs. TIFAs may capture local taxes but not school taxes.

Tax millage rate: Tax millage rates are expressed in dollars per thousand dollars of taxable value. A tax rate of 10 mills means \$10/1,000 or \$0.010 x Taxable Value. (see TV)

Taxable Value (TV): Taxable Value is the base for calculating a taxable parcel's property tax in Michigan. Property tax equals Taxable Value multiplied by the tax millage rate. Taxable Value is calculated to limit growth in property taxes to a parcel's State Equalized Value or to 5 percent a year or less depending on inflation. Michigan's 1994 Proposal A Constitutional amendment and related legislation govern its application. (see AV and SEV)

Unassigned fund balance: The balance of net financial resources that is spendable or available for appropriation, or the portion of funds balance that is not legally restricted.

Water & sewer fund: This enterprise fund accounts for the operation of a combined water & sewer system. The revenues consist of charges for services from city businesses and residences which are used to pay for all water and sewer related expenses.

Royal Oak

APPENDIX A

Royal Oak

RECOMMENDED CAPITAL IMPROVEMENT PLAN, AS APPROVED BY PLANNING COMMISSION

FISCAL YEAR 2023-2024 ANNUAL BUDGET

RECOMMENDED FIVE-YEAR CAPITAL IMPROVEMENT PLAN

With the following motion, which was adopted unanimously, the Planning Commission recommended the document included in this Appendix:

- *"Be it resolved that the planning commission approves the capital improvement program for the 2023-2024 fiscal year as presented and recommends its adoption by the city commission as part of the 2023-2024 fiscal year budget, and encourages staff to use environmental sustainability in design and requests-for-proposals as practical."*

City of Royal Oak, Michigan

***Recommended Capital
Improvement Plan***

FY2023-2024 to FY 2028-2029

This page is intentionally left blank.

January 31, 2023

Dear Planning Commission Members:

The enclosed Capital Improvement Program (CIP) serves as the City's multi-year planning instrument used to identify needs and potential financing sources for public infrastructure improvements and capital purchases. The purpose of a CIP is to facilitate the orderly planning of infrastructure improvements; to maintain, preserve, and protect the City's existing infrastructure system; and to provide for the acquisition or scheduled replacement of equipment to help to ensure the efficient delivery of services that the community desires. The goal is to use the CIP as a tool to implement the city's various master plans, goals, objectives, policies and to assist with the City's financial planning.

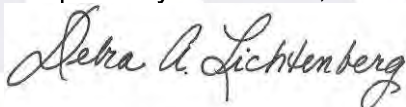

The CIP plays an important role by providing the link between planning and budgeting for capital and non-routine operating expenditures. The CIP process occurs prior to the operating budget process as the CIP will be used to develop the capital portion of the budget. Approval of the CIP by the Planning Commission does not signify final approval or funding of any project contained within the plan. Rather, by approving a CIP, the Planning Commission acknowledges that they agree that the projects present a reasonable interpretation of the upcoming needs / wants for the city and comply with the City's master plan. Generally, the projects contained in the first year of the plan will be requested in next year's department requested budget and potentially advance to the manager's recommended and/or city commission's approved budget should funding be available.

This year's CIP document has been expanded to provide a more in-depth explanation of the process, project categories, and funding sources. The document now includes primary strategic goal alignment for each project and additional charts and graphs to add context and enhance the sharing of information. A table of contents has also been added for easy navigation of the document.

I am also pleased to share that the Finance Department is currently implementing a database driven budget solution that will provide a more comprehensive and interactive online CIP book and allow for more robust planning as we move forward. Although the implementation is not complete for this planning cycle, we look forward to sharing it with you soon. We will welcome feedback from the Planning Commission on this new tool and the improved processes it will bring.

Your participation in the CIP process and thoughtful consideration of the project recommendations contained herein is greatly appreciated.

Respectfully Submitted,

Debra Peck Lichtenberg, CPA
Director of Finance

Capital Improvement Program

Introduction

The City of Royal Oak’s Capital Improvement Program (CIP) is a planning tool, with a goal to identify and schedule capital improvements for fiscal years ending 2024-2029. The CIP will also be summarized within the City’s upcoming proposed budget document for fiscal year 2023-2024.

However, the CIP is an opportunity to formulate strategic long-term policy decisions that extend beyond the 2023-2024 fiscal year. Each year, the City of Royal Oak invests significant time and resources to design, construct, and maintain the infrastructure and facilities needed to deliver municipal services to residents and businesses. Because of the high costs associated with building and maintaining capital assets, the City must carefully balance the need for such assets with our requirements to sustain a strong financial position.

Royal Oak’s CIP addresses projects that are needed, or will be needed, across a broad spectrum of areas. Annually, a significant amount of effort is expounded to update the CIP to ensure not only critical needs are being met, but also that the cost, scope, and timing of all projects are coordinated throughout the planning horizon. Coordinating the timing of different projects in the same location is particularly important since it helps us to minimize service disruptions.

The CIP allows for responsible and thoughtful planning of future major expenditures that are not necessarily financed or automatically included in the annual budgeting process. That said, the CIP is not always an exhaustive list of all projects that will be completed in any given year.

Specifically, the purpose of the CIP is to:

- Identify and evaluate the needs for public infrastructure and facilities.
- Determine cost estimates for each capital project submitted.
- Determine if there will be future operating costs for such projects.
- Determine potential sources of funding for such projects.
- Adopt policies for implementing capital improvement construction.
- Anticipate and pre-plan projects with an emphasis on seizing opportunities for partnerships and alternative funding.

The projects identified in the CIP represent the City of Royal Oak’s plan to serve residents and anticipate the needs of an evolving and dynamic community. The following documents were considered in preparation of the CIP:

- Master Plan for Land Use
- Strategic Plan
- Water System Master Plan
- Results of Sewer Televising Studies
- Parks and Recreation 5-year Master Plan
- Pathway and Sidewalk Prioritization Analysis and Process

- Non-Motorized Master Plan · Parking Lot Inventory and Maintenance Plan
- ADA Compliance and Transition Plan for City Owned Pathways
- ADA Compliance Transition Plan for City Owned Facilities
- Royal Oak Transportation Improvement Plan—TAMC

Definition of a Capital Improvement

A capital improvement is defined as any new equipment, construction, acquisition or improvement to public lands, buildings, or structures more than \$10,000 on an individual basis with a minimum life expectancy of three years. Maintenance-oriented, operational, or continuous expenditures are not considered to be capital improvements.

Impact of Capital Budget on the Operating Budget

As new policies and programs are approved, both the operating and capital budgets are impacted. For example, an increase in service levels approved as part of the operating budget would have long-term effects on funding available for the Capital Improvements Program. Similarly, a restrictive change to the use of long-term debt would likely slow capital programs. Regardless of the difference between the operating and capital budgets, the two are interdependent. Budgetary policy states that all foreseeable operating costs related to capital projects be estimated and provided for as part of the review process associated with the Capital Improvements Program. In addition, departments are requested to estimate costs associated with operating and maintaining capital projects that are proposed for the upcoming year.

Legal Basis of the Capital Improvements Program

The Capital Improvements Program has been authorized by the Michigan Planning Enabling Act (Public Act 33 of 2008). This mandate gives responsibility for recommending a CIP to local Planning Commission bodies, and reads as follows:

125.3865 Capital improvements program of public structures and improvements; preparation; basis.

Section. 65:

“(1) To further the desirable future development of the local unit of government under the master plan, a planning commission, after adoption of a master plan, shall annually prepare a capital improvements program of public structures and improvements, unless the planning commission is exempted from this requirement by charter or otherwise. If the planning commission is exempted, the legislative body either shall prepare and adopt a capital improvements program, separate from or as a part of the annual budget, or shall delegate the preparation of the capital improvements program to the chief elected official or a nonelected administrative official, subject to final approval by the legislative body. The capital improvements program shall show those public structures and improvements, in the general

order of their priority that in the commission's judgment will be needed or desirable and can be undertaken within the ensuing 6-year period. The capital improvements program shall be based upon the requirements of the local unit of government for all types of public structures and improvements. Consequently, each agency or department of the local unit of government with authority for public structures or improvements shall upon request furnish the planning commission with lists, plans, and estimates of time and cost of those public structures and improvements.”

Planning and Benefits of the Capital Improvements Program

The CIP is first and foremost, a planning tool. It can be quite useful as a primary guide in implementing the Master Plan for Land Use. With thoughtful foresight and review resulting from a CIP, the many outstanding capital projects that communities are faced with implementing every year, can be viewed as one package, rather than as small, fragmented groups or lists, with no unified sense of focus and direction. When capital improvements begin with careful planning and study, the City of Royal Oak’s chances for receiving State and Federal grants are greatly enhanced. Some grants require the inclusion of a CIP with their application. Formulation of a CIP assists those involved to look at alternative funding mechanisms that might not have been considered before. Instead of relying on local revenue sources alone, the CIP allows the City to think more creatively to fulfill Master Plan for Land Use goals and policies. The CIP often avoids reactive planning, and instead replaces it with balanced growth initiatives.

CIP Development Process

Capital improvement planning is a year-round process, with City departments continually re-evaluating and prioritizing their capital needs. However, the process is most involved from July through February. It is during this period that City staff implement approved construction activities, identify and prioritize projects, estimate and bid out project costs, determine available resources, and balance project requests within the available resources.

Collaboration between the City Manager’s office and all of the City departments is critical to the successful creation of the CIP. Capital projects originate in the operating departments where subject matter experts identify needs based on master planning documents and other technical criteria. While most project recommendations originate from the Engineering Division and Departments of Public Services, Information Technology, and Public Safety, every city department participates in the process. The Finance Department compiles and coordinates the annual update of the CIP as part of the annual budget process. Finance Department staff also forecast revenues for the various funds used to finance capital projects and set the financial parameters for the development of the CIP. Once compiled, all requests are submitted, along with a preliminary evaluation of the established financial parameters, for a public hearing and plan review by the Planning Commission. The City’s Planning Commission approves the recommended CIP prior to it being included in the City Manager’s annual budget which is ultimately presented and considered by the City Commission.

The following timeline is an overview of the CIP development process:

July – November: Operating departments identify projects, define project scopes, prepare cost estimates, and prioritize projects based on direction received from the City Manager. Capital project requests are submitted to the Planning and/or Engineering Divisions, Public Services Department or other coordinating departments for review and feedback. Department Directors review project requests before final submittal.

December: Capital project requests are submitted to and reviewed by the Finance Department and compiled into the CIP documents.

January: The CIP is presented to the City Manager’s office for evaluation and consideration, making necessary adjustments, as needed.

February: A public hearing takes place during a Planning Commission meeting. Following the public hearing, the Commission approves the Recommended Capital Improvement Program. City Administration finalizes the recommended CIP for the consideration of the City Commission during the financial budget process.

March/April: The CIP is incorporated into the City Manager’s proposed budget which is presented to the City Commission.

How Capital Affects the Current and Future Operating Budget

The Capital Improvement Program has direct and sometimes significant impacts on Royal Oak’s operating budget. Upon their completion, most capital projects require ongoing costs for operation and maintenance. For example, new buildings require electricity, water/sewer service, and maintenance. New roads require regular sweeping as well as periodic crack filling and sealing, patching, milling, minor resurfacing, and replacement of stripes and markings. New parks and landscaped rights-of-way (such as medians and streets shoulders) require irrigation, fertilizing, mowing, and trimming. Some projects could also require additional employees for staffing programs, operation, and maintenance.

Departments submitting capital projects are requested to estimate the operations and maintenance costs of each project based on cost guidelines that are updated each year. The departments also consider any additional revenues or savings the City can reasonably expect to recognize upon completion of the project. For example, membership fees from a new recreation center would help to offset the operating costs. The net operating costs are included not only in the project request, but also in the long-range forecasts of the respective funds to ensure that we properly account for operating budget impacts of all capital projects.

CIP Funding

There are multiple methods available to local governments for financing capital improvement projects. Since capital improvements require large outlays of capital for any given project, it is often necessary to pursue multiple creative solutions for financing projects.

General Obligation (G.O.) Bonds

These types of bonds are especially useful for financing large municipal projects such as infrastructure improvements. They require voter approval and usually are used for projects that will benefit the residents of the entire community. When the City sells G.O. Bonds, the purchaser is basically lending money to the city. The amount of the bond, plus interest is repaid through property taxes that the City, as the issuing authority, has the power to levy at the level necessary and within State guidelines to retire the debt. A variation of the G.O. Bonds is the G.O. Limited Tax Bonds which can be repaid through tax millage. The interest rate for this type of issue is slightly higher than for the G.O. Bonds, and though voter approval is not required, a referendum period is afforded to the citizenry to challenge the proposed bond resolution.

Revenue Bonds

These bonds are generally sold as a means for constructing revenue-producing facilities such as water and sewer systems, and other such facilities that produce tolls, fees, rental charges, etc. (i.e., parking structures). Security for and payment of revenue bonds are typically based upon the revenue-producing facility or activity rather than the economic or taxpaying base.

Federal Grants

Funding is made available to cities through Federal grants and programs. Grants are usually subject-specific and require application by the local government for consideration. Amounts of grants vary and are determined by the grantor through criteria-based processes. The availability of grants is usually a competitive process, so creative and effective grant writing is crucial to receiving funding for capital improvement projects.

Enterprise Funds

Enterprise funds are typically established for services such as Water, Sewer, Recreation, Auto Parking, Farmers' Market, Ice Arena, and special events. Revenues are generated primarily through user charges and connection fees from those who benefit from the improvements.

Developer Contributions

Developers, as part of site planning requirements or development agreements, may provide infrastructure, open space, and recreational facilities. Developers may contribute a share of funds to the government entity, or install the facilities themselves as local need arises, and/or during the construction process. Once completed, the local government entity may agree to maintain the facilities.

Special Assessments

Special assessment financing allows local government to collect special taxes from owners of property directly benefiting from capital improvements. These types of improvements often include streets and sidewalks, sanitary sewer, storm drainage, and water distribution systems.

Gas and Weight Tax

The City of Royal Oak receives a formula-rated share of motor fuel and highway usage taxes from the State of Michigan to be utilized for transportation and maintenance-related projects.

Millage

Property taxes are based upon the local millage rate. Revenue received from property taxes may be used for capital improvements as part of the General Fund, but such improvements are usually smaller scale and less expensive.

General Fund

The General Fund for the City of Royal Oak may be used for capital improvements; however, it is not the intent of the CIP to earmark these funds for projects. Instead, smaller scale, less expensive capital projects with a high priority could be funded as line-items.

State Shared Revenue

In addition to the Gas and Weight Taxes above which are shared revenue, the City receives its share of various taxes and fees from programs and requirements by the State of Michigan.

Public/Private Partnership (“P3”)

This type of financing has become increasingly popular in areas where creative financing is fostered. In many communities the local revenue share may not support some types of public improvements. In contrast, private developers may avoid taking on a project where the infrastructure cost far exceeds profitability. This method of funding brings both the public sector and private contributor together to share in the costs of a project, or a part of a project, which inevitably lessens the overall financial burden falling onto a single source.

Miscellaneous Funding

There are additional methods that are suitable for funding capital improvements. Examples of alternative funding methods are Tax Increment Financing (TIF), impact fees, facility user fees, etc. Current State legislation does not permit some of these funding methods, which have been used successfully in other states. Changes in legislation could see these and other innovative methods permitted in the future.

CIP Expenditures by Category

The following is a table that summarizes the City’s anticipated expenditures/expenses for all CIP projects by CIP category. This table does not include “Projects Under Review”. The CIP categories mentioned in this table are defined on the following pages and include graphs to help illustrate the total dollar amount budgeted within each category over the next six years.

	Budget	Forecast					Total
	Fiscal Year 2023-24	Fiscal Year 2024-25	Fiscal Year 2025-26	Fiscal Year 2026-27	Fiscal Year 2027-28	Fiscal Year 2028-29	
Water & Sewer	\$7,384,250	\$7,871,250	\$6,735,500	\$5,824,000	\$6,561,000	\$6,698,000	\$41,074,000
Sidewalks	\$97,050	\$100,200	\$103,450	\$552,550	\$1,000,000	\$1,000,000	\$2,853,250
Local Streets	\$9,893,700	\$6,378,500	\$2,334,900	\$1,936,400	\$725,400	\$580,500	\$21,849,400
Major Streets	\$6,293,673	\$5,481,199	\$6,287,199	\$7,028,300	\$6,939,500	\$7,762,800	\$39,792,670
City-owned Facilities*	\$2,128,500	\$3,404,000	*\$100,000	*\$100,000	*\$100,000	*\$0	*\$5,832,500
Parks and Grounds	\$4,984,375	\$7,210,000	\$6,710,000	\$1,310,000	\$310,000	\$200,000	\$20,724,375
Information Technology	\$331,000	\$316,000	\$316,000	\$316,000	\$316,000	\$316,000	\$1,911,000
Vehicle/Equipment /Lg. Studies/Other	\$2,466,373	\$2,191,900	\$2,240,070	\$2,138,367	\$2,439,458	\$1,523,804	\$12,999,972
Total	\$33,578,921	\$32,953,049	\$24,827,119	\$19,205,617	\$18,391,358	\$18,081,104	\$147,037,167

**A new position was created in the current year, adding a dedicated Facilities Manager. A comprehensive review of city facilities is being conducted and it is expected that several additional projects will be added for the fiscal year 2025-26 and beyond. The results of this review are not known at the time of this report.*

CITY PROJECT COSTS BY CATEGORY - FY 2023-24 TO FY 2028-29
TOTAL = \$147,037,167

TOTAL PROJECT VALUE BY CATEGORY, INCLUDING NON-CITY COSTS
PROJECT INCEPTION TO FY 2028-29
TOTAL = \$170,678,459

LOWER CHART INCLUDES: NON-CITY COST SHARING = \$12,300,156
CITY SPENDING IN PRIOR FISCAL YEARS FOR ONGOING PROJECTS = \$11,341,136

Strategic Plan Alignment

As mentioned previously, many studies and planning documents generated by the City have been used to inform the CIP process and ensure the proposed projects align with long-term planning goals. The chart below represents the project value, by primary goal, as defined in the City of Royal Oak Strategic Plan for 2022-2025.

While the strategic goals of “vibrant local economy” and “long-term fiscal health” were not listed as the primary goal of any of the projects included in the CIP, these projects will most certainly contribute to the successful progress toward these goals.

Water and Sewer System Infrastructure

The City of Royal Oak operates a water and sewer system which includes the functions of water distribution, sanitary sewer disposal, and storm sewer and drainage. Each of those functions is described below:

Water Distribution

The City of Royal Oak purchases its drinking water from the Southeast Oakland County Water Authority (SOCWA) which purchases water wholesale from the Great Lakes Water Authority (GLWA) and distributes it to SOCWA's 11 member communities. GLWA operates the largest water system in the State of Michigan and supplies water to roughly four million people. Rate increases are primarily due to new and rehabilitative projects that are completed under the GLWA Capital Improvement Programs. GLWA rates reflect energy costs to maintain water pumps, water mains, and storage tanks necessary to transport water to our community.

Water production is costly. Aging water and wastewater treatment systems must be maintained and replaced to ensure reliable service. The City of Royal Oak owns and maintains approximately 220 miles of water mains and approximately 2,200 fire hydrants.

Water projects are flexible, allowing for the addition of different improvements to address specific needs without deferring other projects along the way. Projects included in this category are funded by the City's Water and Sewer Fund, which is financed through user rates and connection fees.

Sanitary Sewer

The City of Royal Oak purchases sewage disposal services from Oakland County Water Resources Commission (OCWRC), and in turn, contracts with GLWA for the treatment of sewage. The City sewage passes through the George W. Kuhn Sewage Disposal System. The City of Royal Oak Water & Sewer Fund and the Oakland County Water Resources Commission are both not "for profit" entities and therefore rates are intended and required to only cover costs.

The development of the proposed sanitary sewer projects was based upon system deficiencies and needs obtained from area residents, business owners, and City staff. These projects are coordinated with storm water management, roadway, and pathway improvements to maximize cost savings through economies of scale, resulting in a more effective and efficient process to implement the construction projects.

The proposed sanitary sewer projects are flexible, allowing for the addition of improvements to address specific needs without deferring other projects along the way. Studies and analysis of the existing system is an on-going program that, coupled with new technologies, provides for improved system capabilities and reliability.

Sanitary sewer projects identified as urgent are not subject to the rating/weighting scale required of the standard capital improvement process. Projects included in this category are funded by the City's Water and Sewer Fund, which is financed through user rates and connection fees.

Storm Sewer & Drainage

The City of Royal Oak is located within the Clinton River Watershed. Royal Oak is committed to protecting the water courses downstream of the community.

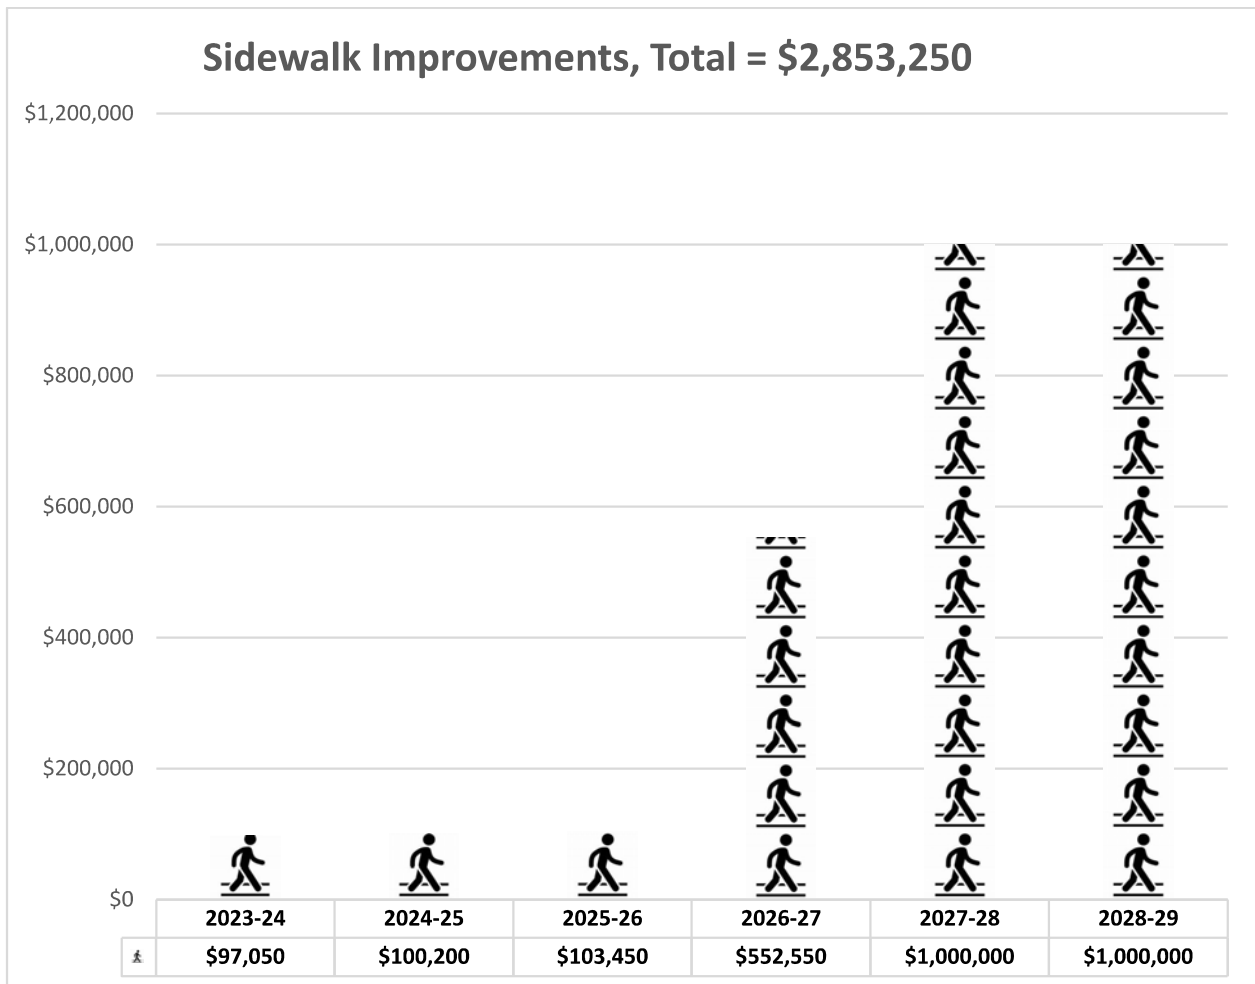

As development occurs, the additional impervious surface area impacts the effective drainage of these flows, driving the need for drainage infrastructure. The City partners with the development community to ensure that onsite drainage issues are addressed through stormwater detention during the development process.

The City’s Capital Improvement Program addresses regional drainage issues through the drainage projects contained herein. Drainage projects are funded by user fees, Act 51 road funding and other sources for constructing, improving, and maintaining drain, storm water, and flood control systems in the City of Royal Oak.

Sidewalk and Pathways

The City of Royal Oak is committed to providing non-motorized sidewalks and pathways to provide alternative modes of transportation for citizens and stakeholders alike. In this effort the City Commission adopted a Non-Motorized Master Plan. It includes recommendations for pedestrian amenities and safer crossings, and also discusses best practices for bicycle routes and wayfinding to enhance non-motorized travel . The City of Royal Oak has had a long-standing interest in providing pathways and sidewalks to connect neighborhoods with destinations throughout the City and Region. The Capital Improvement Plan incorporates plans, efforts, and preferences of the Non-Motorized Plan. The City’s Engineering Division assesses, analyzes, and makes recommendations to fill the non-motorized gaps throughout the City. A portion of the City’s road millage goes toward financing sidewalk and pedestrian safety projects in the City of Royal Oak.

Roads

Transportation related issues are a high priority for the City of Royal Oak. The Capital Improvement Program addresses road conditions by improving roadway pavements, performing traffic studies, implementing lane conversions where appropriate, and replacing outdated traffic signal infrastructure.

The maintenance and preservation of roadways is an important component of the program and provides the necessary resources for scheduled pavement maintenance applications throughout the City. Roads within the City of Royal Oak are primarily under the City’s jurisdiction, except for some roadway sections (I-75, I-696, Woodward Avenue, 10 Mile Road, 12 Mile Road, 14 Mile Road) which are under the jurisdiction of the Michigan Department of Transportation (MDOT) or the Road Commission of Oakland County (RCOC). The roads owned by the City are further categorized as Local Streets or Major Streets according to guidelines established by Act 51. Private roads are owned and operated by private developments and homeowner groups.

The City has a formal asset management program that categorizes roads based on their Pavement Surface Evaluation and Rating (PASER). Roads in poor condition would be candidates for reconstruction or rehabilitation. Those in fair condition would receive capital preventive maintenance, while roads in good condition would be candidates for routine maintenance work. Pavement management best practices include a mix of fixes to keep fair and good roads from declining, while also correcting poor roads as needed. Road projects in the City’s CIP plan are funded, in part, from a dedicated 2.5 mills road millage that was approved by voters, generating approximately \$7 million dollars per year. The current millage expires in 2024, however, it is expected that voters will be asked to support a 10-year millage renewal that would continue the program through 2034.

City-Owned Facilities

City-owned facilities include all structures and land improvements (not included in other categories) used to provide services to the community. For the purposes of this analysis, these facilities can be broadly grouped as buildings and property and parking lots.

Buildings and Property

Operational facilities are the “bricks and mortar” from which the City of Royal Oak provides services to its residents and businesses. Increasingly, operational facilities also include the systems that facilitate service delivery in the information age. Projects include the construction of new facilities, as well as the maintenance, rehabilitation, renovation, and expansion of existing facilities.

Operational facilities projects are funded from a variety of different sources, depending on the use of the facility. Sources mainly are tied to the General Fund and leveraged funds.

Parking Lots

In addition to the “bricks and mortar” at the various operating facilities within the City of Royal Oak, there are a substantial number of parking lots. The City maintains the lots through annual budget appropriations but replacement and/or improvement of the lots fall under the capital improvement program. The parking lots include all those at public services facilities, police and fire stations, senior housing, ice arena and the civic center (parking lots for parks are included in the Parks, Forestry and Recreation category.)

**A new position was created in the current year, adding a dedicated Facilities Manager. A comprehensive review of city facilities is being conducted and it is expected that several additional projects will be added for the fiscal year 2025-26 and beyond. The results of this review are not known at the time of this report.*

Parks and Grounds

Quality of life initiatives, such as those represented by parks, open space, and trails projects, are an important component of the Capital Improvement Program. The City of Royal Oak Divisions of Parks, Forestry and Recreation offers lighted ball fields, extensive picnic grounds, shaded playgrounds, and much, much more. Neighborhood parks provide recreational amenities close to home, while the city’s ever-growing network of trails accommodates walkers, joggers, strollers, and bicyclists. Recent and ongoing tree replacement programs improve and enhance the city’s canopy providing a wide array of community benefits.

Funding for parks and forestry is primarily from the Parks, Forestry, Recreation, Playgrounds & Animal Shelter dedicated millage that was established in 2022 for improvements at parks and facilities, as informed by the recently adopted 5-year Parks and Recreation Master Plan. In addition, \$500,000 annually will be dedicated to making improvements to existing playscapes, athletic fields, landscaping, and sustainability features. The millage will be used to assist with the operations and staffing needs of the Royal Oak Animal Shelter. The dedicated millage is expected to generate approximately \$2.175 million annually for a period of 5 years through 2026.

Information Technology

The City of Royal Oak continues to provide its customers and employees with the latest technology to support outstanding customer services. Technology includes items such as servers, storage and scanners for employees as well as items like security cameras, water and sewer flow monitors and alarms to ensure our customers are safe and have uninterrupted services.

Vehicles/Equipment/Large Studies/Other

Royal Oak employees require dependable equipment to allow and assist them to do their jobs day in and day out. The equipment comes in many forms: plow trucks, generators, fire apparatus, passenger vehicles, etc. This is the equipment that literally keeps the City of Royal Oak moving. Royal Oak City Commission has established the precedent over the years in providing Royal Oak employees with the tools necessary to do their job and provide the best level of service to the community. A number of varied funding sources can be used to finance the equipment necessary to efficiently deliver service: General, Public Safety and Water and Sewer funds to name a few.

This category also includes large studies that will be undertaken, generally through contracted professional services, to help guide City leaders in future decision making and project development. An example included in the current CIP is an update to the City’s Master Plan.

Projects Under Review

The “Projects Under Review” section serves as a holding place for major projects that have been suggested but will likely either occur after the period of time covered by this CIP document or will require significant additional funding outside of the currently existing financing framework. These items are included to keep the projects under consideration if future opportunities for partnerships or funding become available.

Projects currently in this holding category include a new recreation center and a skatepark.

CIP Summary

On the following pages is the summary of the CIP Program which lists each project by CIP category. It provides a CIP project number, a brief description of each project, the funding source, estimated City cost, and the year each project is scheduled to be funded.

CIP #	PROJECT NAME	STRATEGIC GOAL ALIGNMENT	SUBMITTER RATING	PROJECT COORDINATION	PROJECT TYPE	POTENTIAL FUNDING SOURCE(S)	ESTIMATED TOTAL PROJECT COST	% CITY SHARE	NON CITY COST	TOTAL CITY COST	PRIOR YRS CITY COST	FUTURE CITY COST (2023-2029)	FISCAL YEAR 2023-24 CITY COST	FISCAL YEAR 2024-25 CITY COST	FISCAL YEAR 2025-26 CITY COST	FISCAL YEAR 2026-27 CITY COST	FISCAL YEAR 2027-28 CITY COST	FISCAL YEAR 2028-29 CITY COST

WATER & SEWER IMPROVEMENTS

CAP1999	Water System Analysis and Updates to Water Reliability, Asset Management, and Risk Resilience Plans		
Project Length:	2025-2026	City Share:	100%
Estimated Project Cost:	\$70,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Leads to more reliable water system, fewer breaks and fewer emergency repairs		
Description:	Water Reliability Study Update, Water Asset Management Plan Update, Water Risk Resilience Plan Preparation, Quality Control Review of Water and Sewer GIS Database.		

CAP2306	2023 Rochester Road Resurfacing (water main improvements)		
Project Length:	2023-2024	City Share:	100%
Estimated Project Cost:	\$331,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Rochester Road resurfacing from Catalpa to 13 Mile Road; MDOT funded for 12 Mile to 13 Mile. Also upsize 6" water main to be 8" water main from Dewey to 12 Mile Road. Install rain gardens on west side of road near Dewey, Wagner Park, and Linden.		

CAP2308	2023 Major Road Resurfacing (water main improvements)		
Project Length:	2023-2024	City Share:	100%
Estimated Project Cost:	\$1,200,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Resurfacing of Normandy (Coolidge to Crooks) + 12" water main, Lincoln Avenue (Lafayette to Knowles), Vinsetta Blvd (Woodward to 12 Mile); all projects include traffic calming.		

CAP2310	2023 Water Main Improvements	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$2,635,364	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Installation of new 8" water main on Longfellow (Parent to Harrison), E 6th Street (Knowles to S. Alexander), and new 12" water main on W. Houstonia (Beechwood to Main). Replacing lead service lines where encountered. Project includes road millage concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2335	2023 Road Reconstruction (water main improvements)	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$300,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Road replacement: Brockton (Helene to Stephenson), E Hudson (Stephenson to dead end), Helene (11 Mile to Fourth), Woodsboro (Vinsetta to dead end), Ferris (Genesee to 14 Mile), E Seventh (Williams to Troy), E Houstonia (N Vermont to Campbell), Parkdale (N Vermont to Wilson). Install 8" water main on E Hudson and Woodsboro.	

CAP2350	Aerial Flyover of City for Stormwater Mapping	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$170,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Leads to stormwater utility, a dedicated funding source for stormwater projects	
Description:	Every 3 years, hire vendor to perform aerial flyover of Royal Oak to get updated impervious areas for stormwater utility calculations. Typically November or February is best time of year. First flyover was done February 2019; next flyover to be performed once legislation and lawsuits regarding stormwater utility are resolved.	

CAP2499		Royal Oak Sewer Study	
Project Length:	2024-2026	City Share:	25%
Estimated Project Cost:	\$500,000	Funding Source:	Water & Sewer Fund / Rates & BRIC Grant
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	The city is applying for BRIC grant to perform extensive study/modeling of city's sewer system to determine effects of climate changes and determine if new sewers/retention basins, green infrastructure, etc. needs to be programmed for future years.		

CAP2407		Crooks Road Resurfacing (water main improvements)	
Project Length:	2023-2025	City Share:	100%
Estimated Project Cost:	\$580,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Crooks Road Resurfacing from Main to 13 Mile Road; Main to Webster has federal funding. Replace water main Webster to Royal and Lloyd to Vinsetta.		

CAP2410		2024 Water Main Improvements-CAP2410	
Project Length:	2023-2025	City Share:	100%
Estimated Project Cost:	\$1,347,500	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Installation of new water main on Northwood Boulevard (Maplewood to Crooks) and Sycamore (Maplewood to Bonnie View). Also includes road resurfacing and traffic calming on Northwood from Woodward to Crooks, road resurfacing of Sycamore and Maplewood.		

City of Royal Oak Capital Improvement Plan FY2023-24 TO FY 2028-29

CAP2411	2024 Water Main Improvements-CAP2411	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$1,275,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Installation of new 8" water main on Forest (Main to Rosedale), Virginia (Pingree to dead end), N Alexander (13 Mile to Woodlawn), N. Blair (13 Mile to Woodlawn). Project includes concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2435	2024 Road Reconstruction (water main improvements)	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$578,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Road replacement: Albert (Greenfield to Garden), Hillside (13 Mile to Hillside Ct), Samoset (Groveland to Olivia), Samoset (Elmwood to Robinwood), Massoit (Cooper to Elmwood), Parkview (Sheffield to Hillside), Nakota (Fernlee to dead end), Nakota (Hampton to Tonawanda), Vinsetta (east of Crooks to Marais), Ravena (Chester to dead end). New 8" water main on Parkview and Vinsetta.	

CAP2440	2024 Green Infrastructure Improvements-CAP2440	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: ARPA Funds
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Plan to install green infrastructure installations around the city each year using ARPA funds through 2026. This project is a placeholder for another GI location in the city to be determined through future study efforts.	

CAP2441	2024 Green Infrastructure Improvements-CAP2441	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$913,000	Funding Source: ARPA Funds
Strategic Goal		
Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	This project is to improve road ponding issues at intersection of Arden Place and Sheridan Drive with substantial green infrastructure; also includes upgrading 4" water main along Arden Place (west side) to be 8" diameter.	

CAP2510	2025 Water Main Improvements-CAP2510	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,830,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Water main upgrades on: Woodward, Buckingham to Normandy; Woodward, north of Starr; Chester, Hillside to Dukeshire, Dukeshire - Chester to Normandy; Sheridan/Arden Place, Yorba Linda (Dukeshire to Woodward); Ravenna (Woodward to Chester). Also includes road millage improvements on the local roads including full reconstruct of Yorba Linda.	

CAP2511	2025 Water Main Improvements-CAP2511	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$2,100,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Water main upgrades on: York (Huntington to city line), Oakdale (4th St to 11 Mile), Rosewold (Normandy to Massoit), Nakota (Hillcrest to Crooks), Lexington (Marais to N Washington). Also includes road millage improvements on these roads.	

CAP2540	2025 Green Infrastructure Improvements	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,300,000	Funding Source: ARPA Funds
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Plan to install green infrastructure installations around the city each year using ARPA funds through 2026. This project is to use green space in VFW park to divert stormwater off adjacent roads as recommended in 2018 green infrastructure study.	

CAP2610	2026 Water Main Improvements	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$2,050,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	8" Water main upgrades on Clifton, Fern and Ardmore (12 Mile to Beaver) and also 12" water main on Vinsetta (12 Mile to Crooks). Includes road millage improvements from 2015-2024 millage.	

CAP2640	2026 Green Infrastructure Improvements	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: ARPA Funds
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Plan to install green infrastructure installations around the city each year using ARPA funds through 2026. Placeholder project - green infrastructure location in the city to be determined through future study efforts.	

CAP2710		2027 Water Main Improvements	
Project Length:	2026-2028	City Share:	100%
Estimated Project Cost:	\$3,250,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Placeholder for 2027 projects; use recommendations from 2025 Water Asset Management Plan to determine priority of water main replacements.		

CAP2808		11 Mile Road Resurfacing	
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$400,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Resurfacing 11 Mile from Campbell to Stephenson; possibly installing road diet based on master plan recommendations. Replace water main with 8" from Campbell to Kenwood.		

CAP2810		2028 Water Main Improvements	
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$3,250,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Placeholder for 2028 projects; use recommendations from 2025 Water Asset Management Plan to determine priority of water main replacements.		

CAP2910	2029 Water Main Improvements	
Project Length:	2028-2029	City Share: 100%
Estimated Project Cost:	\$1,625,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Placeholder for 2029 water main projects; use recommendations from 2025 Water Asset Management Plan to determine priority of water main replacements.	

CAPXX01	Concrete Pavement And Prepaid Sidewalk Improvements	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$2,550,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Program to replace road panels removed for water main or sewer dig-ups by DPS, removals on local streets by private contractors who pre-pay for the road replacements, replacement of road, driveway and/or sidewalk for resident who requests and pre-pays for the work.	

CAPXX55	Water Main Upgrades on Future Special Assessment Paving Projects (placeholder)	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$450,000	Funding Source: Water & Sewer Fund / Rates & Special Assessment
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Special assessment paving of unimproved streets. No known projects in 2024 or beyond, keep as a placeholder future projects.	

CAPXX75		Sewer Televising & Root Control (City Wide)	
Project Length:	2023-2029	City Share:	100%
Estimated Project Cost:	\$4,221,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal			
Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Televising sewers to determine condition and perform root treatment where needed; also identify locations where spot repairs or lining needs to be done.		

CAPXX85		City Wide Sewer Lining	
Project Length:	2023-2029	City Share:	100%
Estimated Project Cost:	\$6,105,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal			
Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Based on results of sewer televising, line sewer with cured-in-place structural liner to reduce root intrusion, eliminate mineral deposits, improve sewer flow and extend life of the sewer.		

CAPXX95		City Wide Spot Sewer Repairs	
Project Length:	2023-2029	City Share:	100%
Estimated Project Cost:	\$4,264,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal			
Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Based on results of sewer televising, excavate and repair broken sections of sanitary and combined sewers in various locations city wide.		

SIDEWALK IMPROVEMENTS

CAPXX02	Sidewalk Improvement Program	
Project Length:	2023-2027	City Share: 10%
Estimated Project Cost:	\$4,010,000	Funding Source: Local Streets Fund & Direct Bills
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Improve safety thus reducing liability expenses due to fewer trip and fall claims.	
Description:	City-wide sidewalk improvement program. Direct bill to residents for sidewalk work adjacent to their property. City pays for handicap ramps at property corners and sidewalk work along city properties.	

CAPXX04	Sidewalk Ramp Improvement	
Project Length:	2026-2029	City Share: 100%
Estimated Project Cost:	\$2,500,000	Funding Source: Local Streets Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Improve all handicap ramps in target area over a multi-year program.	

LOCAL STREET IMPROVEMENTS

CAP2310	2023 Road Improvements (due to water main construction)	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$504,625	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Installation of new 8" water main on Longfellow (Parent to Harrison), E 6th Street (Knowles to S. Alexander), and new 12" water main on W. Houstonia (Beechwood to Main). Replacing lead service lines where encountered. Project includes road millage concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2335	2023 Road Improvements	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$2,575,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Road replacement: Brockton (Helene to Stephenson), E Hudson (Stephenson to dead end), Helene (11 Mile to Fourth), Woodsboro (Vinsetta to dead end), Ferris (Genesee to 14 Mile), E Seventh (Williams to Troy), E Houstonia (N Vermont to Campbell), Parkdale (N Vermont to Wilson). Install 8" water main on E Hudson and Woodsboro.	

CAP2336	Special Assessment Paving	
Project Length:	2023-2024	City Share: 54%
Estimated Project Cost:	\$520,000	Funding Source: Local Streets fund & Special Assessments
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Special assessment paving of Parkdale from Rochester to Ardmore.	

CAP2337	Special Assessment Paving	
Project Length:	2023-2024	City Share: 78%
Estimated Project Cost:	\$100,000	Funding Source: Local Streets fund & Special Assessments
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Special assessment paving of Fairgrove from Forest to 149 feet north.	

CAP2410	2024 Road Improvements (due to water main construction)-CAP2410	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$2,400,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Installation of new water main on Northwood Boulevard (Maplewood to Crooks) and Sycamore (Maplewood to Bonnie View). Also includes road resurfacing on Northwood from Woodward to Crooks, Sycamore and Maplewood.	

CAP2411	2024 Road Improvements (due to water main construction)-CAP2411	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$250,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Installation of new 8" water main on Forest (Main to Rosedale), Virginia (Pingree to dead end), N. Alexander (13 Mile to Woodlawn), N. Blair (13 Mile to Woodlawn). Project includes concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2435	2024 Road Reconstruction	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$2,745,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Road replacement: Albert (Greenfield to Garden), Hillside (13 Mile to Hillside Ct), Samoset (Groveland to Olivia), Samoset (Elmwood to Robinwood), Massoit (Cooper to Elmwood), Parkview (Sheffield to Hillside), Nakota (Fernlee to dead end), Nakota (Hampton to Tonawanda), Vinsetta (east of Crooks to Marais), Ravena (Chester to dead end). New 8" water main on Parkview and Vinsetta.	

CAP2510	2025 Road Improvements (due to water main construction)-CAP2510	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,133,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Water main upgrades on: Woodward, Buckingham to Normandy; Woodward, north of Starr; Chester, Hillside to Dukeshire, Dukeshire to Chester to Normandy; Sheridan/Arden Place (plus rain gardens), Yorba Linda (Dukeshire to Woodward); Ravena (Woodward to Chester). Also includes road millage improvements on the local roads including full reconstruct of Yorba Linda.	

CAP2511	2025 Road Improvements (due to water main construction)-CAP2511	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Water main upgrades on: York (Huntington to city line), Oakdale (4th St to 11 Mile), Rosewold (Normandy to Massoit), Nakota (Hillcrest to Crooks), Lexington (Marais to N Washington). Also includes road millage improvements on these roads.	

CAP2610	2026 Road Improvements (due to water main construction)	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$600,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	8" Water main upgrades on Clifton, Fern and Ardmore (12 Mile to Beaver) and also 12" water main on Vinsetta (12 Mile to Crooks). Includes road millage improvements from 2015-2024 millage.	

CAPXX05	Millage Concrete Street Repairs	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$3,156,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Repairs on concrete streets as part of the road millage.	

CAPXX15	Millage Asphalt Resurfacing	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$7,400,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing local asphalt streets as part of the 2015-2024 road millage.	

CAPXX25	Millage Joint Sealing	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$689,900	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Joint sealing previously resurfaced local asphalt streets as part of the 2015-2024 road millage and resurfacing previously resurfaced major roads. Program extends to 2029 and assumes renewal of the road millage for a funding source; if not approved, remove local road joint sealing after 2024.	

CAPXX20	Millage Renewal - Improvements on Local Roads	
Project Length:	2024-2029	City Share: 100%
Estimated Project Cost:	\$3,865,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	If road millage is renewed, set aside funding each year to continue maintenance of local roads (resurfacing, reconstructs and/or concrete patching).	

CAPXX55	Special Assessment Paving Projects (placeholder)	
Project Length:	2023-2029	City Share: 50%
Estimated Project Cost:	\$900,000	Funding Source: Local Streets fund & Special Assessments
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Special assessment paving of unimproved streets. Placeholder for future projects.	

MAJOR STREET IMPROVEMENTS

CAP2306	2023 Rochester Road Resurfacing	
Project Length:	2023-2024	City Share: 76%
Estimated Project Cost:	\$4,205,768	Funding Source: Major Streets fund & MDOT
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Rochester Rd Resurfacing from Catalpa to 13 Mile Road; MDOT funded for 12 Mile to 13 Mile. Also upsize 6" water main to be 8" water main from Dewey to 12 Mile Road (approx. 600 feet). Install rain gardens on west side of road near Dewey, Wagner Park, and Linden.	

CAP2308	2023 Normandy Road Resurfacing	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$4,678,127	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of Normandy (Coolidge to Crooks) + 12" water main, Lincoln Avenue (Lafayette to Knowles), Vinsetta Blvd (Woodward to 12 Mile); all projects include traffic calming.	

CAP2313	2023 Greenfield/Normandy Roundabout	
Project Length:	2023-2024	City Share: 25%
Estimated Project Cost:	\$1,700,000	Funding Source: Major Streets Fund, RCOC, Beverly Hills
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Installation of roundabout at Normandy and Greenfield Road in partnership with RCOC and Beverly Hills.	

CAP2314		Traffic Signal 13 Mile and Greenfield	
Project Length:	2023-2025	City Share:	25%
Estimated Project Cost:	\$300,000	Funding Source:	Major Streets Fund, RCOC, Beverly Hills, Berkley, Southfield
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Unknown		
Description:	RCOC is replacing traffic signal at 13 Mile and Greenfield, Royal Oak's portion is 25%.		

CAP2338		Highway Safety Improvement Program Pedestrian Countdown Flasher Heads	
Project Length:	2023-2024	City Share:	32%
Estimated Project Cost:	\$366,000	Funding Source:	Major Streets Fund/MDOT
Strategic Goal Alignment:	Safe, Healthy and Just City		
Impact on the Operating Budget:	Unknown		
Description:	Received Highway Safety Improvement Program (HSIP) funding for pedestrian countdown flashers at all city signals. These provide countdown numbers instead of flashing hand/person symbols.		

CAP2407		Crooks Road Resurfacing	
Project Length:	2023-2025	City Share:	74%
Estimated Project Cost:	\$3,668,504	Funding Source:	Major Streets Fund, MDOT, RCOC
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Crooks Road resurfacing from Main to 13 Mile Road; replace water main Webster to Royal and Lloyd to Vinsetta. Federal funding for section of Main to Webster.		

CAP2416		Millage Asphalt Resurfacing	
Project Length:	2023-2025	City Share:	100%
Estimated Project Cost:	\$1,200,000	Funding Source:	Major Streets fund
Strategic Goal Alignment: Reliable Infrastructure			
Impact on the Operating Budget: Reduce road maintenance costs over time by making structural repairs to existing roads			
Description: Downtown streets in need of resurfacing.			

CAP2506		2025 13 Mile Road Resurfacing	
Project Length:	2024-2026	City Share:	30%
Estimated Project Cost:	\$1,120,000	Funding Source:	Major Streets Fund/MDOT
Strategic Goal Alignment: Reliable Infrastructure			
Impact on the Operating Budget: Reduce road maintenance costs over time by making structural repairs to existing roads			
Description: 13 Mile Road resurfacing from Rochester to Campbell Road; MDOT funding portion of project. Evaluate installation of dedicated right-turn lane at Campbell Road.			

CAP2507		Coolidge Highway Resurfacing	
Project Length:	2024-2026	City Share:	100%
Estimated Project Cost:	\$1,720,000	Funding Source:	Major Streets fund
Strategic Goal Alignment: Reliable Infrastructure			
Impact on the Operating Budget: Reduce road maintenance costs over time by making structural repairs to existing roads			
Description: Resurfacing Coolidge Hwy from 14 Mile to northern city limit.			

CAP2508	2025 North Main Street Resurfacing	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,020,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of N. Main Street from 13 Mile Road to northern city limit.	

CAP2509	2025 13 Mile Road Resurfacing	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$2,500,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of 13 Mile Road from Woodward to Crooks.	

CAP2514	2025 Downtown Road Improvements	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,150,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing Sixth Street (Washington to Center) reconstructing Williams Street (Third to Seventh).	

CAP2606	2026 Rochester Road Resurfacing	
Project Length:	2025-2027	City Share: 75%
Estimated Project Cost:	\$2,220,000	Funding Source: Major Streets Fund/City of Clawson/MDOT
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of Rochester Road from 13 Mile to 14 Mile Road. Installing Road Diet within Royal Oak portion, up to 14 Mile Road if Clawson approves. Applying for Transportation Improvement Funding (TIP) funding for portion of the job; have some partial National Highway Performance Program (NHPP) funding to cover most of Clawson's share of the road.	

CAP2607	2026 Catalpa Drive Resurfacing	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$2,040,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing Catalpa from Woodward to Main.	

CAP2608	2026 Gardenia Avenue Resurfacing	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$662,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing Gardenia from Campbell to Stephenson.	

CAP2614	2026 Downtown Road Improvements	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$1,223,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing E Third (Main to Knowles), E Fifth (Williams to Troy), S Center (Fifth to Fourth) both sides of railroad tracks.	

CAP2621	I-696 Gateway Sign	
Project Length:	2026-2027	City Share: 100%
Estimated Project Cost:	\$1,300,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	City is considering installation of a "Welcome to Royal Oak" or similar type of sign on I-696 at the Bermuda / Mohawk bridge, to be designed and constructed as part of the MDOT I696 project in 2026/2027.	

CAP2706	2027 North Main Street Resurfacing	
Project Length:	2026-2028	City Share: 100%
Estimated Project Cost:	\$3,200,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing N. Main Street from Catalpa to 13 Mile Road.	

CAP2707	2027 Webster Road Reconstruction		
Project Length:	2026-2028	City Share:	50%
Estimated Project Cost:	\$2,750,000	Funding Source:	Major Streets Fund/City of Berkley
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Webster Road reconstruction from Greenfield to Coolidge. Berkley owns half of the road; possibly split cost or only build half.		

CAP2714	2027 Downtown Road Improvements		
Project Length:	2026-2028	City Share:	100%
Estimated Project Cost:	\$1,024,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing S Lafayette (Lincoln to Fourth), S Center (Fifth to Sixth), W Fifth (Washington to Center), E Sixth (Williams to Troy).		

CAP2806	2028 11 Mile Resurfacing-CAP2806		
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$3,703,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing 11 Mile from Woodward to Main Street; possibly installing road diet, streetscape and lighting based on Master Plan recommendations.		

CAP2807	2028 11 Mile Resurfacing-CAP2807		
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$2,410,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing 11 Mile from Main Street to Campbell; possibly installing road diet. Will base work on Master Plan recommendations.		

CAP2808	2028 11 Mile Resurfacing-CAP2808		
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$1,692,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing 11 Mile from Campbell to Stephenson; possibly installing road diet. Will base work on Master Plan recommendations. Replace water main with 8" from Campbell to Kenwood.		

CAP2809	2028 Campbell Road Isolated Patches		
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$200,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Fog seal /chip seal of N Campbell from 13 Mile to 14 Mile.		

CAP2906	2029 East Fourth Street Resurfacing		
Project Length:	2028-2029	City Share:	100%
Estimated Project Cost:	\$3,355,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing E. Fourth Street from Knowles to Stephenson Highway.		

CAP2907	2029 Normandy Road and Campbell Road Concrete Patching		
Project Length:	2028-2029	City Share:	100%
Estimated Project Cost:	\$263,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Patching deteriorated concrete on Normandy Road (Crooks to Quickstad) and Campbell Road (12 to 13 Mile). Campbell Road includes new curbing on west side of road and driveway approaches.		

CAPXX25	Annual Major Joint Seal Program		
Project Length:	2023-2029	City Share:	100%
Estimated Project Cost:	\$842,800	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Joint sealing of asphalt streets in city as part of road millage. Joint sealing of major roads on a cyclical basis.		

CAPXX60	Mast Arm Inspections	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$63,400	Funding Source: Major Streets Fund
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:		
Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:		
Mast arms on traffic signals need to be inspected every two years per AASHTO and MDOT.		

WATER & SEWER IMPROVEMENTS

CAP1999	Water System Analysis and Updates to Water Reliability, Asset Management, and Risk Resilience Plans		
Project Length:	2025-2026	City Share:	100%
Estimated Project Cost:	\$70,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Leads to more reliable water system, fewer breaks and fewer emergency repairs		
Description:	Water Reliability Study Update, Water Asset Management Plan Update, Water Risk Resilience Plan Preparation, Quality Control Review of Water and Sewer GIS Database.		

CAP2306	2023 Rochester Road Resurfacing (water main improvements)		
Project Length:	2023-2024	City Share:	100%
Estimated Project Cost:	\$331,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Rochester Road resurfacing from Catalpa to 13 Mile Road; MDOT funded for 12 Mile to 13 Mile. Also upsize 6" water main to be 8" water main from Dewey to 12 Mile Road. Install rain gardens on west side of road near Dewey, Wagner Park, and Linden.		

CAP2308	2023 Major Road Resurfacing (water main improvements)		
Project Length:	2023-2024	City Share:	100%
Estimated Project Cost:	\$1,200,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Resurfacing of Normandy (Coolidge to Crooks) + 12" water main, Lincoln Avenue (Lafayette to Knowles), Vinsetta Blvd (Woodward to 12 Mile); all projects include traffic calming.		

CAP2310	2023 Water Main Improvements	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$2,635,364	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Installation of new 8" water main on Longfellow (Parent to Harrison), E 6th Street (Knowles to S. Alexander), and new 12" water main on W. Houstonia (Beechwood to Main). Replacing lead service lines where encountered. Project includes road millage concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2335	2023 Road Reconstruction (water main improvements)	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$300,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Road replacement: Brockton (Helene to Stephenson), E Hudson (Stephenson to dead end), Helene (11 Mile to Fourth), Woodsboro (Vinsetta to dead end), Ferris (Genesee to 14 Mile), E Seventh (Williams to Troy), E Houstonia (N Vermont to Campbell), Parkdale (N Vermont to Wilson). Install 8" water main on E Hudson and Woodsboro.	

CAP2350	Aerial Flyover of City for Stormwater Mapping	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$170,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Leads to stormwater utility, a dedicated funding source for stormwater projects	
Description:	Every 3 years, hire vendor to perform aerial flyover of Royal Oak to get updated impervious areas for stormwater utility calculations. Typically November or February is best time of year. First flyover was done February 2019; next flyover to be performed once legislation and lawsuits regarding stormwater utility are resolved.	

CAP2499		Royal Oak Sewer Study	
Project Length:	2024-2026	City Share:	25%
Estimated Project Cost:	\$500,000	Funding Source:	Water & Sewer Fund / Rates & BRIC Grant
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	The city is applying for BRIC grant to perform extensive study/modeling of city's sewer system to determine effects of climate changes and determine if new sewers/retention basins, green infrastructure, etc. needs to be programmed for future years.		

CAP2407		Crooks Road Resurfacing (water main improvements)	
Project Length:	2023-2025	City Share:	100%
Estimated Project Cost:	\$580,000	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Crooks Road Resurfacing from Main to 13 Mile Road; Main to Webster has federal funding. Replace water main Webster to Royal and Lloyd to Vinsetta.		

CAP2410		2024 Water Main Improvements-CAP2410	
Project Length:	2023-2025	City Share:	100%
Estimated Project Cost:	\$1,347,500	Funding Source:	Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Lower system maintenance costs.		
Description:	Installation of new water main on Northwood Boulevard (Maplewood to Crooks) and Sycamore (Maplewood to Bonnie View). Also includes road resurfacing and traffic calming on Northwood from Woodward to Crooks, road resurfacing of Sycamore and Maplewood.		

City of Royal Oak Capital Improvement Plan FY2023-24 TO FY 2028-29

CAP2411	2024 Water Main Improvements-CAP2411	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$1,275,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Installation of new 8" water main on Forest (Main to Rosedale), Virginia (Pingree to dead end), N Alexander (13 Mile to Woodlawn), N. Blair (13 Mile to Woodlawn). Project includes concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2435	2024 Road Reconstruction (water main improvements)	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$578,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Road replacement: Albert (Greenfield to Garden), Hillside (13 Mile to Hillside Ct), Samoset (Groveland to Olivia), Samoset (Elmwood to Robinwood), Massoit (Cooper to Elmwood), Parkview (Sheffield to Hillside), Nakota (Fernlee to dead end), Nakota (Hampton to Tonawanda), Vinsetta (east of Crooks to Marais), Ravena (Chester to dead end). New 8" water main on Parkview and Vinsetta.	

CAP2440	2024 Green Infrastructure Improvements-CAP2440	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: ARPA Funds
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Plan to install green infrastructure installations around the city each year using ARPA funds through 2026. This project is a placeholder for another GI location in the city to be determined through future study efforts.	

CAP2441	2024 Green Infrastructure Improvements-CAP2441	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$913,000	Funding Source: ARPA Funds
Strategic Goal		
Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	This project is to improve road ponding issues at intersection of Arden Place and Sheridan Drive with substantial green infrastructure; also includes upgrading 4" water main along Arden Place (west side) to be 8" diameter.	

CAP2510	2025 Water Main Improvements-CAP2510	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,830,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Water main upgrades on: Woodward, Buckingham to Normandy; Woodward, north of Starr; Chester, Hillside to Dukeshire, Dukeshire - Chester to Normandy; Sheridan/Arden Place, Yorba Linda (Dukeshire to Woodward); Ravenna (Woodward to Chester). Also includes road millage improvements on the local roads including full reconstruct of Yorba Linda.	

CAP2511	2025 Water Main Improvements-CAP2511	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$2,100,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Water main upgrades on: York (Huntington to city line), Oakdale (4th St to 11 Mile), Rosewold (Normandy to Massoit), Nakota (Hillcrest to Crooks), Lexington (Marais to N Washington). Also includes road millage improvements on these roads.	

CAP2540	2025 Green Infrastructure Improvements	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,300,000	Funding Source: ARPA Funds
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Plan to install green infrastructure installations around the city each year using ARPA funds through 2026. This project is to use green space in VFW park to divert stormwater off adjacent roads as recommended in 2018 green infrastructure study.	

CAP2610	2026 Water Main Improvements	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$2,050,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	8" Water main upgrades on Clifton, Fern and Ardmore (12 Mile to Beaver) and also 12" water main on Vinsetta (12 Mile to Crooks). Includes road millage improvements from 2015-2024 millage.	

CAP2640	2026 Green Infrastructure Improvements	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: ARPA Funds
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Plan to install green infrastructure installations around the city each year using ARPA funds through 2026. Placeholder project - green infrastructure location in the city to be determined through future study efforts.	

CAP2710	2027 Water Main Improvements	
Project Length:	2026-2028	City Share: 100%
Estimated Project Cost:	\$3,250,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Placeholder for 2027 projects; use recommendations from 2025 Water Asset Management Plan to determine priority of water main replacements.	

CAP2808	11 Mile Road Resurfacing	
Project Length:	2027-2029	City Share: 100%
Estimated Project Cost:	\$400,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Resurfacing 11 Mile from Campbell to Stephenson; possibly installing road diet based on master plan recommendations. Replace water main with 8" from Campbell to Kenwood.	

CAP2810	2028 Water Main Improvements	
Project Length:	2027-2029	City Share: 100%
Estimated Project Cost:	\$3,250,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Placeholder for 2028 projects; use recommendations from 2025 Water Asset Management Plan to determine priority of water main replacements.	

CAP2910	2029 Water Main Improvements	
Project Length:	2028-2029	City Share: 100%
Estimated Project Cost:	\$1,625,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Placeholder for 2029 water main projects; use recommendations from 2025 Water Asset Management Plan to determine priority of water main replacements.	

CAPXX01	Concrete Pavement And Prepaid Sidewalk Improvements	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$2,550,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Program to replace road panels removed for water main or sewer dig-ups by DPS, removals on local streets by private contractors who pre-pay for the road replacements, replacement of road, driveway and/or sidewalk for resident who requests and pre-pays for the work.	

CAPXX55	Water Main Upgrades on Future Special Assessment Paving Projects (placeholder)	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$450,000	Funding Source: Water & Sewer Fund / Rates & Special Assessment
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Special assessment paving of unimproved streets. No known projects in 2024 or beyond, keep as a placeholder future projects.	

CAPXX75	Sewer Televising & Root Control (City Wide)	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$4,221,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Televise sewers to determine condition and perform root treatment where needed; also identify locations where spot repairs or lining needs to be done.	

CAPXX85	City Wide Sewer Lining	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$6,105,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Based on results of sewer televising, line sewer with cured-in-place structural liner to reduce root intrusion, eliminate mineral deposits, improve sewer flow and extend life of the sewer.	

CAPXX95	City Wide Spot Sewer Repairs	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$4,264,000	Funding Source: Water & Sewer Fund / Rates
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Lower system maintenance costs.	
Description:	Based on results of sewer televising, excavate and repair broken sections of sanitary and combined sewers in various locations city wide.	

SIDEWALK IMPROVEMENTS

CAPXX02	Sidewalk Improvement Program	
Project Length:	2023-2027	City Share: 10%
Estimated Project Cost:	\$4,010,000	Funding Source: Local Streets Fund & Direct Bills
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Improve safety thus reducing liability expenses due to fewer trip and fall claims.	
Description:	City-wide sidewalk improvement program. Direct bill to residents for sidewalk work adjacent to their property. City pays for handicap ramps at property corners and sidewalk work along city properties.	

CAPXX04	Sidewalk Ramp Improvement	
Project Length:	2026-2029	City Share: 100%
Estimated Project Cost:	\$2,500,000	Funding Source: Local Streets Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Improve all handicap ramps in target area over a multi-year program.	

LOCAL STREET IMPROVEMENTS

CAP2310	2023 Road Improvements (due to water main construction)	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$504,625	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Installation of new 8" water main on Longfellow (Parent to Harrison), E 6th Street (Knowles to S. Alexander), and new 12" water main on W. Houstonia (Beechwood to Main). Replacing lead service lines where encountered. Project includes road millage concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2335	2023 Road Improvements	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$2,575,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Road replacement: Brockton (Helene to Stephenson), E Hudson (Stephenson to dead end), Helene (11 Mile to Fourth), Woodsboro (Vinsetta to dead end), Ferris (Genesee to 14 Mile), E Seventh (Williams to Troy), E Houstonia (N Vermont to Campbell), Parkdale (N Vermont to Wilson). Install 8" water main on E Hudson and Woodsboro.	

CAP2336	Special Assessment Paving	
Project Length:	2023-2024	City Share: 54%
Estimated Project Cost:	\$520,000	Funding Source: Local Streets fund & Special Assessments
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Special assessment paving of Parkdale from Rochester to Ardmore.	

CAP2337	Special Assessment Paving	
Project Length:	2023-2024	City Share: 78%
Estimated Project Cost:	\$100,000	Funding Source: Local Streets fund & Special Assessments
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Special assessment paving of Fairgrove from Forest to 149 feet north.	

CAP2410	2024 Road Improvements (due to water main construction)-CAP2410	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$2,400,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Installation of new water main on Northwood Boulevard (Maplewood to Crooks) and Sycamore (Maplewood to Bonnie View). Also includes road resurfacing on Northwood from Woodward to Crooks, Sycamore and Maplewood.	

CAP2411	2024 Road Improvements (due to water main construction)-CAP2411	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$250,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Installation of new 8" water main on Forest (Main to Rosedale), Virginia (Pingree to dead end), N. Alexander (13 Mile to Woodlawn), N. Blair (13 Mile to Woodlawn). Project includes concrete street repairs and asphalt resurfacing millage work along with water main improvements.	

CAP2435	2024 Road Reconstruction	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$2,745,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Road replacement: Albert (Greenfield to Garden), Hillside (13 Mile to Hillside Ct), Samoset (Groveland to Olivia), Samoset (Elmwood to Robinwood), Massoit (Cooper to Elmwood), Parkview (Sheffield to Hillside), Nakota (Fernlee to dead end), Nakota (Hampton to Tonawanda), Vinsetta (east of Crooks to Marais), Ravena (Chester to dead end). New 8" water main on Parkview and Vinsetta.	

CAP2510	2025 Road Improvements (due to water main construction)-CAP2510	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,133,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Water main upgrades on: Woodward, Buckingham to Normandy; Woodward, north of Starr; Chester, Hillside to Dukeshire, Dukeshire to Chester to Normandy; Sheridan/Arden Place (plus rain gardens), Yorba Linda (Dukeshire to Woodward); Ravena (Woodward to Chester). Also includes road millage improvements on the local roads including full reconstruct of Yorba Linda.	

CAP2511	2025 Road Improvements (due to water main construction)-CAP2511	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Water main upgrades on: York (Huntington to city line), Oakdale (4th St to 11 Mile), Rosewold (Normandy to Massoit), Nakota (Hillcrest to Crooks), Lexington (Marais to N Washington). Also includes road millage improvements on these roads.	

CAP2610	2026 Road Improvements (due to water main construction)	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$600,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	8" Water main upgrades on Clifton, Fern and Ardmore (12 Mile to Beaver) and also 12" water main on Vinsetta (12 Mile to Crooks). Includes road millage improvements from 2015-2024 millage.	

CAPXX05	Millage Concrete Street Repairs	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$3,156,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Repairs on concrete streets as part of the road millage.	

CAPXX15	Millage Asphalt Resurfacing	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$7,400,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing local asphalt streets as part of the 2015-2024 road millage.	

CAPXX25	Millage Joint Sealing	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$689,900	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Joint sealing previously resurfaced local asphalt streets as part of the 2015-2024 road millage and resurfacing previously resurfaced major roads. Program extends to 2029 and assumes renewal of the road millage for a funding source; if not approved, remove local road joint sealing after 2024.	

CAPXX20	Millage Renewal - Improvements on Local Roads	
Project Length:	2024-2029	City Share: 100%
Estimated Project Cost:	\$3,865,000	Funding Source: Local Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	If road millage is renewed, set aside funding each year to continue maintenance of local roads (resurfacing, reconstructs and/or concrete patching).	

CAPXX55	Special Assessment Paving Projects (placeholder)	
Project Length:	2023-2029	City Share: 50%
Estimated Project Cost:	\$900,000	Funding Source: Local Streets fund & Special Assessments
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Special assessment paving of unimproved streets. Placeholder for future projects.	

MAJOR STREET IMPROVEMENTS

CAP2306	2023 Rochester Road Resurfacing	
Project Length:	2023-2024	City Share: 76%
Estimated Project Cost:	\$4,205,768	Funding Source: Major Streets fund & MDOT
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Rochester Rd Resurfacing from Catalpa to 13 Mile Road; MDOT funded for 12 Mile to 13 Mile. Also upsize 6" water main to be 8" water main from Dewey to 12 Mile Road (approx. 600 feet). Install rain gardens on west side of road near Dewey, Wagner Park, and Linden.	

CAP2308	2023 Normandy Road Resurfacing	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$4,678,127	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of Normandy (Coolidge to Crooks) + 12" water main, Lincoln Avenue (Lafayette to Knowles), Vinsetta Blvd (Woodward to 12 Mile); all projects include traffic calming.	

CAP2313	2023 Greenfield/Normandy Roundabout	
Project Length:	2023-2024	City Share: 25%
Estimated Project Cost:	\$1,700,000	Funding Source: Major Streets Fund, RCOC, Beverly Hills
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Installation of roundabout at Normandy and Greenfield Road in partnership with RCOC and Beverly Hills.	

CAP2314		Traffic Signal 13 Mile and Greenfield	
Project Length:	2023-2025	City Share:	25%
Estimated Project Cost:	\$300,000	Funding Source:	Major Streets Fund, RCOC, Beverly Hills, Berkley, Southfield
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Unknown		
Description:	RCOC is replacing traffic signal at 13 Mile and Greenfield, Royal Oak's portion is 25%.		

CAP2338		Highway Safety Improvement Program Pedestrian Countdown Flasher Heads	
Project Length:	2023-2024	City Share:	32%
Estimated Project Cost:	\$366,000	Funding Source:	Major Streets Fund/MDOT
Strategic Goal Alignment:	Safe, Healthy and Just City		
Impact on the Operating Budget:	Unknown		
Description:	Received Highway Safety Improvement Program (HSIP) funding for pedestrian countdown flashers at all city signals. These provide countdown numbers instead of flashing hand/person symbols.		

CAP2407		Crooks Road Resurfacing	
Project Length:	2023-2025	City Share:	74%
Estimated Project Cost:	\$3,668,504	Funding Source:	Major Streets Fund, MDOT, RCOC
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Crooks Road resurfacing from Main to 13 Mile Road; replace water main Webster to Royal and Lloyd to Vinsetta. Federal funding for section of Main to Webster.		

CAP2416	Millage Asphalt Resurfacing	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$1,200,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Downtown streets in need of resurfacing.	

CAP2506	2025 13 Mile Road Resurfacing	
Project Length:	2024-2026	City Share: 30%
Estimated Project Cost:	\$1,120,000	Funding Source: Major Streets Fund/MDOT
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	13 Mile Road resurfacing from Rochester to Campbell Road; MDOT funding portion of project. Evaluate installation of dedicated right-turn lane at Campbell Road.	

CAP2507	Coolidge Highway Resurfacing	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,720,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing Coolidge Hwy from 14 Mile to northern city limit.	

CAP2508	2025 North Main Street Resurfacing	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,020,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of N. Main Street from 13 Mile Road to northern city limit.	

CAP2509	2025 13 Mile Road Resurfacing	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$2,500,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of 13 Mile Road from Woodward to Crooks.	

CAP2514	2025 Downtown Road Improvements	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,150,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing Sixth Street (Washington to Center) reconstructing Williams Street (Third to Seventh).	

CAP2606	2026 Rochester Road Resurfacing	
Project Length:	2025-2027	City Share: 75%
Estimated Project Cost:	\$2,220,000	Funding Source: Major Streets Fund/City of Clawson/MDOT
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing of Rochester Road from 13 Mile to 14 Mile Road. Installing Road Diet within Royal Oak portion, up to 14 Mile Road if Clawson approves. Applying for Transportation Improvement Funding (TIP) funding for portion of the job; have some partial National Highway Performance Program (NHPP) funding to cover most of Clawson's share of the road.	

CAP2607	2026 Catalpa Drive Resurfacing	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$2,040,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing Catalpa from Woodward to Main.	

CAP2608	2026 Gardenia Avenue Resurfacing	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$662,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing Gardenia from Campbell to Stephenson.	

CAP2614	2026 Downtown Road Improvements	
Project Length:	2025-2027	City Share: 100%
Estimated Project Cost:	\$1,223,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing E Third (Main to Knowles), E Fifth (Williams to Troy), S Center (Fifth to Fourth) both sides of railroad tracks.	

CAP2621	I-696 Gateway Sign	
Project Length:	2026-2027	City Share: 100%
Estimated Project Cost:	\$1,300,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	City is considering installation of a "Welcome to Royal Oak" or similar type of sign on I-696 at the Bermuda / Mohawk bridge, to be designed and constructed as part of the MDOT I696 project in 2026/2027.	

CAP2706	2027 North Main Street Resurfacing	
Project Length:	2026-2028	City Share: 100%
Estimated Project Cost:	\$3,200,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing N. Main Street from Catalpa to 13 Mile Road.	

CAP2707		2027 Webster Road Reconstruction	
Project Length:	2026-2028	City Share:	50%
Estimated Project Cost:	\$2,750,000	Funding Source:	Major Streets Fund/City of Berkley
Strategic Goal			
Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Webster Road reconstruction from Greenfield to Coolidge. Berkley owns half of the road; possibly split cost or only build half.		

CAP2714		2027 Downtown Road Improvements	
Project Length:	2026-2028	City Share:	100%
Estimated Project Cost:	\$1,024,000	Funding Source:	Major Streets fund
Strategic Goal			
Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing S Lafayette (Lincoln to Fourth), S Center (Fifth to Sixth), W Fifth (Washington to Center), E Sixth (Williams to Troy).		

CAP2806		2028 11 Mile Resurfacing-CAP2806	
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$3,703,000	Funding Source:	Major Streets fund
Strategic Goal			
Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing 11 Mile from Woodward to Main Street; possibly installing road diet, streetscape and lighting based on Master Plan recommendations.		

CAP2807	2028 11 Mile Resurfacing-CAP2807		
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$2,410,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing 11 Mile from Main Street to Campbell; possibly installing road diet. Will base work on Master Plan recommendations.		

CAP2808	2028 11 Mile Resurfacing-CAP2808		
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$1,692,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Resurfacing 11 Mile from Campbell to Stephenson; possibly installing road diet. Will base work on Master Plan recommendations. Replace water main with 8" from Campbell to Kenwood.		

CAP2809	2028 Campbell Road Isolated Patches		
Project Length:	2027-2029	City Share:	100%
Estimated Project Cost:	\$200,000	Funding Source:	Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure		
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:	Fog seal /chip seal of N Campbell from 13 Mile to 14 Mile.		

CAP2906	2029 East Fourth Street Resurfacing	
Project Length:	2028-2029	City Share: 100%
Estimated Project Cost:	\$3,355,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Resurfacing E. Fourth Street from Knowles to Stephenson Highway.	

CAP2907	2029 Normandy Road and Campbell Road Concrete Patching	
Project Length:	2028-2029	City Share: 100%
Estimated Project Cost:	\$263,000	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Patching deteriorated concrete on Normandy Road (Crooks to Quickstad) and Campbell Road (12 to 13 Mile). Campbell Road includes new curbing on west side of road and driveway approaches.	

CAPXX25	Annual Major Joint Seal Program	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$842,800	Funding Source: Major Streets fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduce road maintenance costs over time by making structural repairs to existing roads	
Description:	Joint sealing of asphalt streets in city as part of road millage. Joint sealing of major roads on a cyclical basis.	

CAPXX60	Mast Arm Inspections	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$63,400	Funding Source: Major Streets Fund
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:		
Reduce road maintenance costs over time by making structural repairs to existing roads		
Description:		
Mast arms on traffic signals need to be inspected every two years per AASHTO and MDOT.		

PARKS AND FACILITIES

2024-1	11 Mile Parking Structure Pedestrian Entrance	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$50,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Create new Second Street entrance in the southwest lobby of the 11 Mile parking garage.	

2024-2	South Lafayette Parking Garage Fire Suppression System	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$100,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Install new fire suppression system in the parking structure at 300. S Lafayette.	

2024-3	South Lafayette Parking Garage Electrical Upgrades	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$100,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Install new lights in the parking structure at 514 S. Lafayette.	

2024-4	South Lafayette Parking Garage Joint and Storm Drain Repairs	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$100,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Repair broken/leaking joints and broken drain pipes at the 514 S.Lafayette parking garage.	

2024-5	Center Street Parking Structure Doors and Windows	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$100,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Replace the original doors and window frames at the Center Street parking garage.	

2024-6	Parking Structure Equipment Protection	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$50,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Protect the existing HVAC equipment and Generator at Second Street and 11 Mile parking structures. Contract with an architect to design a fencing system to cover the HVAC equipment and generator for the 11 mile and Second Street parking structures.	

2024-7	City Parking Lots Resurfacing	
Project Length:	2023-2028	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Resurface seven city owned parking lots.	

2024-8	Parking Structures Top Coating	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$100,000	Funding Source: Auto Parking Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Protect the existing concrete decks at all city owned parking structures by sealing with an epoxy top coat.	

2024-9	Golf Course Maintenance Building repairs	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$35,000	Funding Source: Golf Course Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Fix the maintenance building at the Royal Oak Golf Course. The front wall where the greens keeper's office is located is falling off the building.	

2024-10	Golf Course Cart Shed Lighting Upgrades	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$50,000	Funding Source: Golf Course Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Reduced electric costs	
Description:	Replace the existing inefficient lights with LED.	
2024-11	Fire Station #1 Window Replacement	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$25,000	Funding Source: Public Safety Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Replace the 6 large windows on the 1st floor on the north side that are broken.	
2024-12	Fire Station #1 Entrance Remodel	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$30,000	Funding Source: Public Safety Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Remodel the main pedestrian entrance and lobby along 6th Street.	

2024-13	Solar Panels at Ice Arena & Salter Center	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$1,000,000	Funding Source: Parks and Recreation Millage, ARPA, Grants, GF
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Reduced electric costs	
Description:	Install solar panels to power lobby and offices at the Ice Arena and Salter Center.	
2024-14	Salt Dome Repairs	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$40,000	Funding Source: General Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Repair structure members and roof leaks. Replace dormer, vent and fan.	
2024-15	Royal Oak Animal Shelter Relocation and Construction	
Project Length:	2023-2024	City Share: 12%
Estimated Project Cost:	\$1,250,000	Funding Source: ARPA/Federal Grant
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Utility savings are expected due to implementation of new HVAC systems	
Description:	Construction of a new updated animal shelter is proposed for 2005 Bellaire. The current shelter will be deeded to the owners of 2005 Bellaire in exchange for the use of half of the Bellaire site. The city will maintain an option to purchase the remaining portion of the building in the future. The build out of a new animal shelter will provide enhanced animal care and adoption services for the public in a facility with updated, energy-efficient utilities. In the future, it may also serve as a resource for Oakland County. It is being funded by a congressional appropriations grant and American Rescue Plan Act funding.	

2024-16	Royal Oak Golf Course Clubhouse Reconstruction	
Project Length:	2023-2025	City Share: 100%
Estimated Project Cost:	\$2,000,000	Funding Source: Golf Course Fund
Strategic Goal		
Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Re-construct existing outdated Royal Oak golf course club house.	
2024-17	Farmers Market Floor Restoration	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$32,000	Funding Source: Farmers Market Fund
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Restoration of Farmers Market concrete floor, burnt umber distressed look.	
2024-18	Farmers Market-Preservation and Enhancement of Interior Walls	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$12,000	Funding Source: Farmers Market Fund/DDA
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Install corrugated metal and barnwood on interior walls of Farmers Market.	

2024-19	Farmers Market-Electrical Upgrade	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$28,500	Funding Source: Farmers Market Fund
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Update and repair electrical south and east areas inside Farmers Market building.	
2024-20	Farmers Market West Porch Enclosure	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$27,000	Funding Source: Farmers Market Fund
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Build an enclosure around the west porch to create more rental space for market events. Will also help to shield vendors and clients from inclement weather.	
2024-21	Salter Center Parking Lot Repaving	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$400,000	Funding Source: General Fund
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Resurface Salter Center parking lot.	

2024-22	Library Roof Replacement	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$325,000	Funding Source: Library Fund
Strategic Goal Alignment: Reliable Infrastructure		
Impact on the Operating Budget:	Unknown	
Description:	Replace both roof sections at the Royal Oak Public Library.	

2024-23	Library Boiler Room Waterproofing	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$60,000	Funding Source: Library Fund
Strategic Goal Alignment: Reliable Infrastructure		
Impact on the Operating Budget:	Unknown	
Description:	Boiler room walls are allowing moisture through causing the floors to always be damp and damaging anything on the floor including HVAC equipment.	

2024-24	Library Loading Dock Improvements	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$35,000	Funding Source: Library Fund
Strategic Goal Alignment: Reliable Infrastructure		
Impact on the Operating Budget:	Unknown	
Description:	Loading dock area needs railing replaced, concrete replaced as well as retaining wall maintained.	

2024-25	Senior Center Bathroom Renovations	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$104,000	Funding Source: Senior Center Fund
Strategic Goal Alignment: Safe, Healthy and Just City		
Impact on the Operating Budget:	Unknown	
Description:	Renovate current bathrooms to make the ADA compliant. The stall is not wide enough and there is no sink that is low enough for someone in a wheelchair. The bathrooms need many upgrades from stalls to new sinks, toilets, sensor faucets and hand dryers, storage space and new doors.	

2024-26	Senior Center Floor Replacement	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$50,000	Funding Source: Senior Center Fund
Strategic Goal Alignment: Safe, Healthy and Just City		
Impact on the Operating Budget:	Unknown	
Description:	The senior center needs new flooring that can be cleaned and disinfected daily. The current situation does not allow this. The carpet company cannot always make it to us in a timely manner.	

2024-27	Library Solar Roof Installation	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$329,000	Funding Source: ARPA Funds
Strategic Goal Alignment: Environmental Leadership		
Impact on the Operating Budget:	Reduced electric costs	
Description:	Install approximately 137kW of solar PV on the Royal Oak Public Library's roof. This renewable energy project will help reduce the city's greenhouse gas emissions and offers a return on investment in about 10 years. During the COVID-19 pandemic, the library remained an essential community service facility by continuing to offer residents access to informational resources and study materials. This project will further enhance the library's community benefit by allowing it to operate normally during power outages and reduce municipal energy expenses.	

CAP2363	Royal Oak Arboretum Improvements	
Project Length:	2023-2024	City Share: 25%
Estimated Project Cost:	\$95,000	Funding Source: General Fund and Oakland County Grant
Strategic Goal Alignment:	Reliable Infrastructure	
Impact on the Operating Budget:	Unknown	
Description:	Install compacted aggregate trails in place of woodchip trails in Arboretum; 75% funded by Oakland County Parks Grant.	

CAP2316	Salter Center Circle Drive and ADA Parking	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$95,000	Funding Source: General Fund
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Replace concrete circle drive, sidewalk and ADA parking area on South Wilson Avenue.	

2024-28	City-wide ROW Tree Planting	
Project Length:	2023-2026	City Share: 100%
Estimated Project Cost:	\$300,000	Funding Source: Parks and Recreation Millage, CDBG
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Unknown	
Description:	Provide ROW tree plantings at reduced or no cost to homeowners. The trees will reduce storm water run-off, reducing system flows.	

2024-29	Upton Park Soccer Field Development	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$75,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Improve open grass area at Upton Park to develop a soccer field.	

2024-30	Fernwood Park Improvements	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: Parks and Recreation Millage, CDBG
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Replacement of play equipment and fall zone surface material and installing outdoor fitness equipment with rubber fall zone surface material.	

2024-31	Memorial and Worden Park Irrigation Systems	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$90,000	Funding Source: Parks and Recreation Millage, CDBG
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Additional costs for water use	
Description:	Install irrigation system for playing surfaces at Worden and Memorial Park.	

2024-32	Miller Park Improvements	
Project Length:	2025-2026	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: Parks and Recreation Millage, CDBG
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Replacement of Miller Park playground equipment and replacement of current fibar fall zone material with artificial turf or poured in place fall zone.	

2024-33	Kenwood Park - Basketball/Tennis Court Improvements	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$70,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Redesign/resurface the tennis courts at Kenwood Park to resemble both a basketball court and tennis court to reflect a multisport area. Neighborhood community has been requesting a multi-sport surface.	

2024-34	Lockman Park Upgrade	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$2,000,000	Funding Source: CDBG Fund
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Upgrade Lockman Park's current playground, tennis courts and basketball courts.	

2024-35	Tennis Court & Pickleball Court Repairs/Replacements	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$1,200,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment: Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown	
Description:	Resurface, repair or replace current city tennis courts and pickle ball courts. Potential to convert some tennis courts to pickle ball courts.	

2024-36	Worden Park-Upgrade	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$3,000,000	Funding Source: CDBG Fund
Strategic Goal Alignment: Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown	
Description:	Upgrades at Worden Park four ball diamonds.	

2024-37	Clawson Park-Upgrade	
Project Length:	2025-2026	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: CDBG Fund
Strategic Goal Alignment: Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown	
Description:	Upgrades to Clawson Park to include new playground surfacing and basketball court.	

2024-38	Elks Park-Upgrade	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$1,600,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Upgrade park components at Elks Park to include: playground, basketball court, tennis court, baseball field and other amenities.	

2024-39	Batting Cage Tunnel-Memorial Park	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$70,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Install 2-4 outdoor batting cage tunnels at Memorial Park.	

2024-40	Storage and Locker Rooms	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$300,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Replace current storage area with structural issues and install a 45'x100' storage facility with locker rooms at Memorial Park.	

2024-41	ADA Grandstands/Press Box	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$450,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Remove existing, non ADA compliant bleachers at Memorial Park field #3 and replace with ADA compliant grandstands with updated press box.	

2024-42	Park Drainage	
Project Length:	2023-2028	City Share: 100%
Estimated Project Cost:	\$550,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Unknown	
Description:	Numerous city parks have issues with drainage. The city is looking into which parks and possible solutions for the drainage issues.	

2024-43	Bicycle Racks and Repair Stations	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$50,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Install bicycle racks and repair stations at high traffic parks and facilities throughout city.	

2024-44	Quickstad Park Soccer Field Lights	
Project Length:	2025-2026	City Share: 100%
Estimated Project Cost:	\$600,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment: Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown	
Description:	Add lights to soccer fields at Quickstad Park.	

2024-45	Wagner Park Disc Golf Course Upgrades	
Project Length:	2025-2026	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment: Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown	
Description:	New pads, baskets and re-design of disc golf course at Wagner Park.	

2024-46	Memorial Park Athletic Turf	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$600,000	Funding Source: Parks and Recreation Millage
Strategic Goal Alignment: Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown	
Description:	Install turf for fields 1 and 2 at Memorial Park.	

2024-47	Nature Areas ADA Trails	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$300,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Replace current trails with ADA trails in Cummington and Tenhave Woods nature areas.	

2024-48	Gunn Dyer Park Upgrades	
Project Length:	2025-2026	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Renovation of Gunn Dyer Park.	

2024-49	Red Run Park Upgrades	
Project Length:	2025-2026	City Share: 100%
Estimated Project Cost:	\$1,500,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Renovate play structures, tennis courts, athletic fields. This could be a potential site for a skate park or an in-line roller hockey rink.	

2024-50	Dickinson Park		
Project Length:	2023-2024	City Share:	100%
Estimated Project Cost:	\$700,000	Funding Source:	Parks and Recreation Millage
Strategic Goal			
Alignment:	Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown		
Description:	Tennis court, playground and athletic field improvements/renovations.		

2024-51	Park Restrooms		
Project Length:	2025-2027	City Share:	100%
Estimated Project Cost:	\$1,000,000	Funding Source:	Parks and Recreation Millage
Strategic Goal			
Alignment:	Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown		
Description:	Installation of restrooms in high trafficked parks. The city is currently looking into which parks make the most sense for restroom additions.		

2024-52	Exchange Park		
Project Length:	2024-2025	City Share:	100%
Estimated Project Cost:	\$700,000	Funding Source:	Parks and Recreation Millage
Strategic Goal			
Alignment:	Welcoming, Engaged, and Livable Community		
Impact on the Operating Budget:	Unknown		
Description:	Tennis court, athletic fields, playground and other park improvements/renovations.		

2024-53	Memorial Park Scoreboards	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$600,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Replace existing non functional scoreboards with new scoreboards.	
2024-54	Park Connectivity	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$1,000,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Select parks will receive Wi-Fi connectivity. Potential parks to receive: Starr Jaycee, VFW, Normandy Oaks Park.	
2024-55	Whittier and Upton Park Pickleball Courts	
Project Length:	2024-2026	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Reconstruction of pickleball courts at Whittier and Upton Park.	

2024-56	Mark Twain Dog Park Shelter	
Project Length:	2024-2025	City Share: 100%
Estimated Project Cost:	\$200,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Install shade shelter with benches for users of dog park.	

2024-57	Maudlin Park Upgrades	
Project Length:	2025-2026	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Park improvements to renovate play structure and improve accessibility score.	

2024-58	Westwood Park	
Project Length:	2026-2027	City Share: 100%
Estimated Project Cost:	\$500,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Park improvements to renovate play structure and improve accessibility score.	

INFORMATION TECHNOLOGY

CAP1103	Computer Replacement Program (ongoing)	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$450,000	Funding Source: IT Fund / Internal Service Fund User Charges
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Costs are anticipated to remain consistent for the proposed replacement, before more extensive service is required to keep older equipment operational.	
Description:	Scheduled replacement of desktop computers when they have reached the end of their useful service life. Useful service life is generally five years.	

CAP1104	Office Software and Training Program	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$288,000	Funding Source: IT Fund / Internal Service Fund User Charges
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Upgrade software and training programs. Office365 to replace older versions of the Microsoft Office software for all city employees. Lynda.com licensing for employee training.	

CAP1105	Server-Network-Cabling Infrastructure	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$300,000	Funding Source: IT Fund / Internal Service Fund User Charges
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Upgrade and replace key areas of the city's network, cabling, server hardware and intrusion protection improvements when appropriate. This program is ongoing.	

CAP1302		GIS Integration	
Project Length:	2023-2029	City Share:	100%
Estimated Project Cost:	\$360,000	Funding Source:	IT Fund / Internal Service Fund User Charges
Strategic Goal Alignment:	Efficient and Effective Services		
Impact on the Operating Budget:	Costs will increase due to license renewals. Reporting capabilities could potentially improve efficiency and assist with decision making processes.		
Description:	Consulting services to integrate geographical information systems (GIS) applications and development into planning, fire, clerk, and engineering and various departments and Oakland County CAMS. This program is ongoing.		

CAP1403		Mobile Workforce	
Project Length:	2023-2029	City Share:	100%
Estimated Project Cost:	\$48,000	Funding Source:	IT Fund / Internal Service Fund User Charges
Strategic Goal Alignment:	Efficient and Effective Services		
Impact on the Operating Budget:	Costs are anticipated to remain consistent, until more extensive service levels are required to keep older equipment operational.		
Description:	This project would address the aging laptop computers for remote and mobile workforce equipment. Consideration and utilization of other electronic devices similar to PDA/smart phones and iPads can be addressed. Accessibility of wireless access points to be implemented. This is an ongoing program.		

CAP1726		Disaster Recovery Solution	
Project Length:	2023-2029	City Share:	100%
Estimated Project Cost:	\$450,000	Funding Source:	IT Fund / Internal Service Fund User Charges
Strategic Goal Alignment:	Efficient and Effective Services		
Impact on the Operating Budget:	There will be ongoing operating expenses to provide data and telephony redundancy as well as rental costs for an offsite recovery location.		
Description:	Implement a disaster recovery solution to ensure city technology and systems can be quickly recovered in case of a disaster. This could include rental costs for a recovery location, hardware, and cloud computing.		

2024-59	Recreation Program Software	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$15,000	Funding Source: Parks and Recreation Millage
Strategic Goal		
Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	New recreation program software.	

VEHICLES, EQUIPMENT, LARGE STUDIES, AND OTHERS

2024-60	EV Fleet Charging Infrastructure	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$250,000	Funding Source: Motor Pool Fund
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Reduced fuel costs	
Description:	In preparing to convert some of the city fleet to full electric vehicles, accessible, dedicated charging infrastructure will be required.	

2024-61	Master Plan Update	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$290,000	Funding Source: General Fund
Strategic Goal Alignment:	Welcoming, Engaged, and Livable Community	
Impact on the Operating Budget:	Unknown	
Description:	Update the city's Master Plan.	

2024-62	Convert City Owned Street Lights to LED	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$400,000	Funding Source: Major/Local Streets Fund
Strategic Goal Alignment:	Environmental Leadership	
Impact on the Operating Budget:	Unknown	
Description:	Convert city owned street lights to LED.	

2024-63	Ice Arena Edger	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$10,000	Funding Source: Parks and Recreation Millage, General Fund
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Purchase edging machine to cut ice around dasher boards for smoother ice.	

2024-64	Ambulance	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$308,000	Funding Source: Public Safety Fund
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Replace ambulance at fire department. The front-line ambulances have seen heavy use and are in need of replacement to be reliable.	

2024-65	License Plate Recognition	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$199,200	Funding Source: Public Safety Fund
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Automatic license plate recognition cameras with vehicle fingerprint technology.	

2024-66	Police Radar Replacement	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$63,000	Funding Source: Public Safety Fund
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	This request will replace the aging/obsolete radar and lidar speed enforcement units currently in use by our patrol division.	

2024-67	Police Uniform Upgrade	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$79,000	Funding Source: Public Safety Fund
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Upgrade to an exterior ballistic vest and functional cargo uniform pant.	

2024-68	Senior Center HVAC Replacements	
Project Length:	2023-2024	City Share: 100%
Estimated Project Cost:	\$13,000	Funding Source: Senior Center Fund
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Replacement of the two HVAC cooling condensers in the Senior Center.	

2024-69	Police Officer Technology (bodycams, storage, stun devices)	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$1,200,000	Funding Source: Public Safety Fund
Strategic Goal Alignment:	Safe, Healthy and Just City	
Impact on the Operating Budget:	Unknown	
Description:	Equipment and software lease that includes additional in-car cameras, officer-worn body cameras, stun devices, interview room recording equipment and a cloud based digital evidence storage and management system to the already existing equipment.	

2024-70	Motor Pool Vehicle Replacement Plan	
Project Length:	2023-2029	City Share: 100%
Estimated Project Cost:	\$10,357,772	Funding Source: Motor Pool Fund / Internal Service Fund User Charges
Strategic Goal Alignment:	Efficient and Effective Services	
Impact on the Operating Budget:	Unknown	
Description:	Vehicle replacement plan for fiscal years 2023-24 to 2028-29; Detailed schedules begin on the next page.

Projects Under Review

Projects under review are projects that may be deemed as worthy and viable; however, they are not included as part of the active 2023-2028 Capital Improvement Plan as additional research or review is ongoing. Projects under review may require additional information, studies or city commission policies to be in place before more accurate timelines and/or funding levels can be identified. It is possible that projects under review may not fall under the city's jurisdiction and will require other agencies to move the project forward; while some projects may not fall within the 2023-2029 timeframe.

tbd	City Recreation Center		
Project Length:	2024-2027	City Share:	100%
Estimated Project Cost:	\$30,000,000	Funding Source:	Sponsorship, municipal bond, GF
Impact on the Operating Budget:	Unknown		
Description:	Build a 100,000 sq. ft. multipurpose recreation facility to serve Royal Oak and its residents. Recreation center should include rooms for licensed preschool, teen center for after school programing, community room (w/potential stage), classroom/meeting spaces, dance/fitness rooms, 2 HS basketball gyms, walking track and multipurpose turf area for indoor soccer, baseball, lacrosse, football etc.		

tbd	Skatepark		
Project Length:	2023-2024	City Share:	100%
Estimated Project Cost:	\$500,000	Funding Source:	DNR Grants, Tony Hawk Foundation, Parks and Rec Millage
Impact on the Operating Budget:	Unknown		
Description:	The City would benefit having a skatepark with artistic features to appeal to multiple demographics, through a potential partnership with the Tony Hawk Foundation.		

APPENDIX A

Capital Improvement Project Instructions

A capital improvement plan (CIP) is a multi-year planning instrument used to identify needs and potentially the financing sources for public infrastructure improvements. The purpose of a CIP is to facilitate the orderly planning of infrastructure improvements; to maintain, preserve, and protect the city's existing infrastructure system; and to provide for the acquisition or scheduled replacement of equipment to ensure the efficient delivery of services that the community desires.

Preparation of CIP is performed under the authority of the Michigan Planning Enabling Act (PA 33 of 2008). The goal is to use the CIP as a tool to implement the city's various master plans, strategic goals, policies and to assist in the city's financial planning.

The CIP plays an important role by providing the link between planning and budgeting for capital expenditures. The CIP process occurs prior to the budget process as the CIP will be used to develop the capital and operating portions of the department requested budget.

Approval of the CIP document by the planning commission **does not** signify final legal appropriation of any project contained within the plan. Rather, by approving the CIP the planning commission acknowledges that they agree that the project presents a reasonable interpretation of the upcoming needs/wants for the city, with the projects contained in the first year of the plan potentially becoming the basis for the city's capital budget. It is important to note that the priority ranking on the "Assessment Form" does not necessarily correspond to funding sequence.

NEW FOR 2023-2024 BUDGET CYCLE – PRIORITY BASED BUDGETING (PBB):

The philosophy of PBB is that the City should invest resources to meet its stated strategic priorities and objectives. PBB helps to articulate why the services we offer exist, what price we pay for them, and what value they offer citizens. With that philosophy in mind, the forms mentioned below have been expanded. Beginning this budget cycle, all requests must responses that include:

- **Strategic Initiative Alignment** – *How does this request with the City's Strategic Plan?*
- **Project Priority** – *New descriptors include:*
 - Essential/Mandated – *This project **MUST** be addressed due to legal or risk management issues.*
 - Important – *This project aligns strongly with the strategic goals and core services of the City and has a high community impact.*
 - Desired – *This project will provide a desired enhancement to the community, aligns well with the strategic goals, and may go beyond the core services of the City.*
 - Value Add – *This project will add value to the community and/or services the City provides, however, these items generally go beyond the core services of the City. While these projects must still align with strategic goals, these items may be seen as the "bells and whistles" that take an initiative to the next level of service.*
- **Funding Source** – *What options exist to fund this project? The more creative we can be in seeking alternative funding sources—including grants, public-private partnerships, etc.—the more resilient our financial position can be. Department heads and program leaders are expected to research and become aware of creative funding opportunities in their area of expertise. **IMPORTANT NOTE: All projects that meet the criteria of a capital project (cost of \$10,000 or more with a life of more than one year) should be included as a CIP request EVEN IF FULLY FUNDED BY OUTSIDE SOURCES (i.e. grant funded, etc.)***

Capital Improvement Project Instructions

- If you have a **NEW** capital ***infrastructure*** construction project request greater than or equal to \$10,000, please complete the following forms:
 - Capital Improvement Plan – Project Application **Form 1** (3 pages)
Be sure to complete the cost impact information on Forms 1 and 3
 - Project Application – (cost breakdown) **Form 3**
 - Capital Improvement Assessment **Form 4**
- For other **NEW** capital purchases requests greater than or equal to \$10,000 (including equipment, vehicle, study, professional services, technology, or other projects), please complete the following forms:
 - Capital Improvement Plan – Equipment/Vehicle/Study/Professional Service/Technology/ Other Application **Form 2**
Be sure to complete the cost impact information on Forms 2 and 3
 - Project Application – (cost breakdown) **Form 3**
 - Capital Improvement Assessment **Form 4**

MODIFICATION FOR EXISTING PROJECT: If you have any modification to a CIP project that was submitted in a prior year or wish to delete a prior year CIP project - please fill out the forms or highlight the change on the original form and resubmit. Changes such as the needs assessment rating, scope of the project, fiscal year of project or estimated change in cost are considered modifications.

ADDITIONAL INFORMATION FOR EXISTING PROJECTS: All existing projects must have the same PBB information added as detailed above (Strategic Initiative Alignment, Project Priority, and Funding Source), even if there are no other modifications.

NEW:

PLEASE SAVE COMPLETED FORMS TO THE G: DRIVE AT:

G:\!BUDGET SUBMISSION 2023-2024

Please include department name, project name, and Form # when saving documents.

Example: save as: "Finance – Budget Software – Form 1"

SUBMISSION DEADLINE: Monday, DECEMBER 19th, 2022.

Please reach out to Rebecca or Debbie if you have any questions. Thank you!!

If additional projects develop from city commission strategic/budget planning sessions after the deadline, please contact Rebecca as soon as possible to ensure it is included in the final proposed CIP report. Thank you!

Form 1
FY2023/24 – 2028/29 Capital Improvement Plan
Construction Project Application

Project Name/Title: _____

Program Area _____

Prepared By: _____ Date Prepared: _____

CIP ID #: _____ (to be determined later)

New Project **Modification of Existing Project** **Deletion of Existing Project**

Project Description: Provide a brief description of project:

Strategic Initiative Alignment: Does this project align with one of the City's stated strategic priorities (Please refer to the Strategic Plan for 2022-2025 for more details)? Please indicate the primary alignment:

- Welcoming, Engaged, and Livable Community
- Safe, Healthy, and Just City
- Environmental Leadership
- Vibrant Local Economy
- Efficient and Effective Services
- Long-Term Fiscal Health
- Reliable Infrastructure
- Other

Please describe how this project aligns with this strategic priority:

Planning Context: Is the project part of an Adopted Program, Policy, or Plan?

- Yes (Identify Program/policy/plan): _____
- No

List the adopted program or policy, and how this project directly or indirectly applies.

Planning Context: Is the City legally obligated to perform this project?

- Yes - Directly
- Yes -Indirectly
- No

Please describe City's legal requirement:

Form 1
FY2023/24 – 2028/29 Capital Improvement Plan
Construction Project Application (page 2)

Schedule: Estimated project beginning and ending dates. Projects may take several years to complete, so please fill out the multi-year schedule (Form 3). If applicable, be sure to include any work performed in prior years, including studies or other planning by filling in the “cost before FY22-23” column.

Coordination: Please identify if this project is dependent upon or should coordinate with one or more other CIP projects and please describe the relationship:

Project Priority: Is the City required to complete this project due to mandates, potential risks to the community or City property, or other factors? Is this project essential to the City’s core services? Is this project a desired enhancement to the community? Does this project add value to the community and/or the services the City provides? Please indicate the priority within the existing program area and the priority in the overall City operational structure:

Priority within **Program Area**:

- Essential/Mandated
- Important
- Desired
- Value Add

Priority **Citywide**:

- Essential/Mandated
- Important
- Desired
- Value Add

Please describe how this priority was assigned:

Prior Approval: Is this project included the FY22-23 Adopted or any prior years’ budget? Has this project already been approved by any Board or Commission? (Please check appropriate box(es) below)

Yes No

City Commission Planning Commission Other _____

22-23 Budget Prior Year Budget: _____

Form 1
FY2023/24 – 2028/29 Capital Improvement Plan
Construction Project Application (page 3)

Total Estimated Project Cost: In present value (Amount shown here should agree with total on Form 3)

\$ _____

List all funding options **available** for this project:

- Dedicated Tax Millage.
- General Operating funds/Fund Balance
- Federal Grant
- State of Michigan Grant
- Private Grant or Public-Private Partnership
- Shared cost agreement with another organization. Organization: _____
- User fees or rates
- Other. Please specify: _____

Recommended funding option(s) to be used or pursued, please provide specific details (i.e., new/existing millage, grant program, partnering organization, new/existing user fee, etc.):

Basis of the Cost Estimate: Please check the following:

- Cost of comparable facility / equipment
- Cost estimate from engineer/architect
- Other _____
- Ballpark "guesstimate"

Budget Impact (Costs): Estimate of all future operating costs this project will cause. Consider wages, benefits, utilities, maintenance; supplies, and other ongoing costs (**Should agree with Form 3 worksheet**)

Budget Impact (Savings): Estimate of all future operating savings or other efficiencies this project will provide. Are we leveraging partnerships, grants, etc. to free up resources? Are we applying technology to free up human resources? Consider wages, benefits, utilities, maintenance, supplies, and other ongoing costs etc. (**Should agree with Form 3 worksheet**)

If Cost Impact Exceeds Savings Impact: Please explain in detail the increased level of services that will be provided with the implementation of this project (or explain justification for project).

Form 2
FY 2023/24 – 2028/29 Capital Improvement Plan
Equipment/Vehicle/Study/Technology/Other Application

Project Title: _____

Date Form Prepared: _____

Department: _____

CIP #: _____ (to be determined later)

- New Purchase/Initiative** **Replacement Existing Asset** **Rehabilitation of Existing Asset**
 Data Gathering **Study** **Other** _____

Description: Provide a brief description of this request:

Strategic Initiative Alignment: Does this project align with one of the City's stated strategic priorities (Please refer to the Strategic Plan for 2022-2025 for more details)? Please indicate the primary alignment:

- Welcoming, Engaged, and Livable Community
- Safe, Healthy, and Just City
- Environmental Leadership
- Vibrant Local Economy
- Efficient and Effective Services
- Long-Term Fiscal Health
- Reliable Infrastructure
- Other

Please describe how this project aligns with this strategic priority:

Planning Context: Is this request part of an Adopted Program, Policy, or Plan?

- Yes (Identify Program/policy/plan): _____
 No

List the adopted program or policy, and how this project directly or indirectly applies.

Project Priority: Does this request support a program the City is required to provide due to mandates, potential risks to the community or City property, or other factors? Is this request essential to the City's core services? Is this request a desired enhancement to the community? Does this request add value to the community and/or the services the City provides? Please indicate the priority within the existing program area and the priority in the overall City operational structure:

Priority within **Program Area:**

- Essential/Mandated
- Important
- Desired
- Value Add

Priority **Citywide:**

- Essential/Mandated
- Important
- Desired
- Value Add

Please describe how this priority was assigned:

Form 2
FY 2023/24 – 2028/29 Capital Improvement Plan
Equipment/Vehicle/Study/Technology/Other Application (page 2)

Forms of Acquisition: Please check one of the following

- Purchase Rental / Lease Other

Number of Units Requested: _____

Estimated Service Life (Years): _____

Below costs should tie with Form 3

<u>Direct Costs:</u>	<u>Per Unit (\$):</u>	<u>Total Cost (\$):</u>
Purchase Price or Annual Rent / Lease	_____	_____
Plus: Installation or Related Charges	_____	_____
Plus: Annual Operational Costs	_____	_____
Less: Annual Operational Savings	_____	_____
Less: Trade-in, Salvage Value, Discount	_____	_____
Net Purchase Cost / Annual Rent	_____	_____

Are you requesting this project to be on a replacement schedule? (Example: Fire Dept. needs to purchase 40 turn-out gear/suits every 7 years)

- YES NO

If yes, please describe the cycle:

List all funding options **available** for this project:

- Dedicated Tax Millage.
- General Operating funds/Fund Balance
- Federal Grant
- State of Michigan Grant
- Private Grant or Public-Private Partnership
- Shared cost agreement with another organization. Organization: _____
- User fees or rates
- Other. Please specify: _____

Recommended funding option(s) to be used or pursued, please provide specific details (i.e., new/existing millage, grant program, partnering organization, new/existing user fee, etc.):

Form 4
FY 2023/24 - 2028/29 CAPITAL IMPROVEMENT NEEDS ASSESSMENT

Project Name/Title: _____
CIP # (to be determined later) _____
Department: _____
Total Score: (will calculate) 0
Submitter's Name: _____

	Score Rating	Rater Score	Weight	Rate x Weight
1 Projects contribution to health, safety, and welfare				
Eliminates a known hazard (accident history)	5		5	0
Eliminates a potential hazard	4			
Materially contributes	3			
Minimally contributes	2			
No Impact	1			
2 Project is needed to comply with Local, State or Federal Law				
Yes <input type="checkbox"/> Indirectly <input type="checkbox"/> Directly	5		5	0
No	0			
3 Project conforms to Adopted Strategic Priority, Program, Policy or Plan				
Project is consistent with adopted City Commission strategic priority policy or plan	5		4	0
Project is consistent with Administrative policy	3			
No policy / plan in place	0			
4 Project remedies an existing or projected deficiency in a program directly related to a strategic priority				
Completely Remedy Problem	5		3	0
Partially Remedy Problem	3			
No-Project does not align with a strategic priority and/or provides no remedy	0			
5 Contributes to long-term needs of community / (Projects useful life)				
More than 30 years	5		2	0
21 - 30 years	4			
11 - 20 years	3			
4 - 10 years	2			
3 years or less	1			
6 Impact Measures - Net Present Value & Internal Rate of Return				
(# of years to recoup costs)				
High / 0-3 years	5		3	0
Medium - High / 4-7 years	4			
Medium / 8-11 years	3			
Medium - Low / 12-15 years	2			
Low / 16-20 years	1			
Never	0			
7 Services area of project				
Regional	5		2	0
City-Wide	4			
Several neighborhoods	3			
Less than several neighborhoods	1			
8 Department priority				
Essential/Mandated	5		2	0
Important	3			
Desired/Value Add	1			
9 Project delivers level of service desired by community				
Essential/Mandated	5		3	0
Important	3			
Desired/Value Add	1			

Note: Assessment form is not intended to be a scientific calculation.
