**SUBJECT:** 2018 Annual Plan Approval  
City of Royal Oak  
Community Development Block Grant (CDBG) Program  
B-18-MC-26-0011

Dear Mr. Murphy:

We are pleased to approve your Fiscal Year 2018 Annual Plan. The grant assistance that is being approved with the Plan is as follows:

Community Development Block Grant (CDBG) Program: \$ 1,186,689  
The total allocation for your community is: **\$ 1,186,689**

Your 2018 program year began on July 1, 2018

We would like to take this opportunity to commend the City of Royal Oak on your successful completion of this year's Annual Plan. We believe that the goals and objectives developed through this process provide the foundation for the formulation of new partnerships at all levels of government and with the private sector including for-profit and non-profit organizations. These partnerships are invaluable as you and your partners address the problems of affordable housing, homelessness, and economic opportunities for all citizens, particularly for very low-income, low-income and moderate-income persons.

Enclosed are two copies of each of the required Grant Agreements and Funding Approvals. This constitutes the contract between our Department and the City of Royal Oak. You should note any special conditions listed in the Funding Approvals. Please return an executed copy for each Grant to the Detroit Field Office of Community Planning and Development, and retain the other for your records. You may scan and email the signed Grant Agreements to my attention at: [DetroitCPD@hud.gov](mailto:DetroitCPD@hud.gov).

Again, we congratulate you and your staff on the preparation of this year's Annual Plan. We look forward to working with you during the year to accomplish the goals the City of Royal Oak has set forth and to further refine and improve the Consolidated Plan development process.

If you have any questions or concerns regarding this letter or other items related to the community development programs, please contact, Darrick Mallad, Community Planning and Development Representative, at (313) 234-7328 or [darrick.t.mallad@hud.gov](mailto:darrick.t.mallad@hud.gov).

Re: City of Royal Oak  
PY2018 CDBG annual action plan – SF-424 & certifications

Dear Mr. Hernandez:

Please find enclosed original copies of SF-424 and applicable certifications for the city's PY2018 CDBG annual action plan. Electronic copies have been uploaded within IDIS.

The city is party to the Oakland County HOME Consortium. Oakland County serves as the lead agency for the HOME Consortium. As such, the city's PY2018 CDBG annual action plan will be electronically submitted to HUD, via IDIS, by staff from Oakland County.

If you have any questions or require additional information, please contact the undersigned at (248) 246-3285 or via e-mail: [joem@romi.gov](mailto:joem@romi.gov)  
We look forward to another successful program year.

Sincerely,

Joseph M. Murphy

## Executive Summary

### AP-05 Executive Summary - 91.200(c), 91.220(b)

#### 1. Introduction

The City of Royal Oak's community development block grant (CDBG) objective is to address the housing and community development needs of low- and moderate-income (LMI) residents by taking advantage of opportunities to ensure decent and affordable housing, a suitable living environment and where applicable, expand economic development. This document will address the CDBG-funded activities, and how they achieve these objectives, for the city's CDBG program for PY2018.

## **2. Summarize the objectives and outcomes identified in the Plan**

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The City of Royal Oak has developed the following community needs priorities/objectives:

### **Housing**

*Affordable Owner-Occupied and Renter-Occupied Housing* - To preserve and increase the supply of affordable owner and renter-occupied housing for LMI residents, through housing rehabilitation, new construction, advocacy, policies and regulations.

*Special Needs Housing* - To preserve and increase the supply of affordable housing with supportive services for special needs populations, including the frail elderly and disabled persons through housing rehabilitation, new construction, advocacy, policies and regulations.

*Fair Housing Choice* - To promote and ensure fair housing choice for all residents.

### **Homeless**

*Homeless Public Services* - To support public services that help those experiencing homelessness or those at-risk of becoming homeless to gain life skills and self-sufficiency.

*Homeless Housing* - To support existing housing for homeless, including emergency, transitional and permanent housing with supportive public services.

### **Neighborhood Investment**

*Public Improvements and Facilities* - To enhance and improve the level of service of the city's public facilities and infrastructure in CDBG target areas by identifying, designing and implementing unique projects.

*Blighted Property* - To eliminate blighted commercial properties which have an overwhelming negative impact on adjacent neighborhoods and present major obstacles to the overall redevelopment of corridors throughout the city.

### **3. Evaluation of past performance**

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Single-family homes represent approximately 62% of the city's total land use. The overwhelming majority of these single-family homes were built prior to 1960. Since the inception of the CDBG program, Royal Oak has allocated tremendous resources to assist LMI single-family homeowners maintain and renovate their homes. The program is designed to provide grants and low or no interest loans for rehabilitation projects. It ensures affordability and preserves the aging housing stock. It's been successful at stabilizing neighborhoods city-wide. Royal Oak will continue to allocate CDBG resources to this activity.

In the fall of 2013, Royal Oak completed a large infrastructure project by leveraging CDBG funds from three program years. This project was able to transform a blighted corridor and has led to greater interest in real estate along the corridor. While it is difficult to allocate funds over several program years and meet the US Department of Housing & Urban Development's timeliness of expenditures requirements, Royal Oak believes that such projects will have a large impact on a corridor or neighborhood versus small scale projects spread across the entire city each year. Royal Oak will continue to identify, design and implement unique projects which transform corridors and neighborhoods.

Additionally, several years ago Royal Oak utilized CDBG funds to purchase and demolish a blighted property with a blighted corridor. Upon completion of the large-scale infrastructure project along the same blighted corridor, developers began to approach the city to purchase and redevelop the once blighted property. The property was sold and is currently under construction for a new concept of small scale apartments. The developer specifically selected the property and type of living environment due to the CDBG-funded infrastructure improvements which created a more pedestrian-friendly corridor to neighborhoods and downtown.

### **4. Summary of Citizen Participation Process and consultation process**

Summary from citizen participation section of plan.

Public participation is an important part of the development process of the annual action plan. At the start of developing the annual action plan, staff distributed electronic and postal notice of the availability for agencies to submit application for funding. The notice was distributed to a wide variety of organizations that retain strong historical connections to Royal Oak's community needs efforts. The city's website contains an electronic application. The website posting makes the application more accessible to interested organizations. Organizations were able to submit applications during a four month timeframe. During the submittal process, city staff consults with staff from these agencies / organizations. Consulting with the agencies that help identify and address the city's priority needs is critical. Royal Oak residents know what is happening in their neighborhoods. Staff tries outreach efforts

to gain knowledge from residents by posting notices of public hearings, meetings, availability of documents, etc. Historically, a low percentage of residents provide input.

## **5. Summary of public comments**

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Public hearings were held at the November 28, 2017 and May 22, 2018 Royal Oak Rehabilitation Board of Appeals' meetings. No public comment was provided at either meeting. Additionally, the June 11, 2018, Royal Oak City Commission meeting included a public comment portion of the agenda. No public comment was provided. The city allowed for a 30 day comment period prior to submitting the annual action plan. No public comment was provided.

## **6. Summary of comments or views not accepted and the reasons for not accepting them**

Not applicable. No public comments were provided. Therefore, this circumstance did not present itself.

## **7. Summary**

The annual action plan reflects the coordinated efforts of residents, volunteers, staff, elected officials, local public service agencies and private developers. This plan will help determine how federal funding and additional leveraged funding will be expended to address Royal Oak's community and housing priorities/needs under HUD's CDBG program.

### **Narrative**

The planning division of the City of Royal Oak's Community Development Department is responsible for overseeing the development of the consolidated plan. Staff has utilized several community planning initiatives to develop various components of the consolidated plan, including working with the city's rehabilitation board of appeals and city commission, meeting with various county and local government representatives including members of the Oakland County HOME Consortium on many occasions. The City of Royal Oak also works with community organizations and various city departments to provide public services and facilities to address the city's objectives in carrying out the consolidated plan.

## **AP-10 Consultation - 91.100, 91.200(b), 91.215(l)**

### **1. Introduction**

The planning division of the City of Royal Oak's Community Development Department, in cooperation with other government, non-profit and private agencies, Oakland County HOME Consortium members, and Oakland County's CoC, developed the five-year consolidated plan. A wide variety of nearly eighty (80) individual agencies, groups, and organizations were invited to participate in the process via consultation. The five-year consolidated plan allowed the city to develop its priority needs. The strategic plan provides an overview of why the city may spend CDBG program funds over the next five years to address its priority needs. During these five years, the city will focus its consultation efforts toward agencies and organizations that help the city address its priority needs. City staff will communicate and take funding applications from any service agency or organization. However, the city will expend its funds on its identified priorities.

**Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).**

Each year the local CoC hosts a community resource day. Over forty local service agencies are present to provide individuals in need with access to housing, employment, health screening, food and much more. This is the single largest gathering of cross discipline social services in Oakland County. For the past several years, it has been hosted by a local religious institution. The facility was limited in its capacity and availability of parking. Last year, city staff reached out to the CoC Director and offered the city's farmers' market for their November 1, 2017 event. The farmers' market is a much larger facility and has an abundance of parking. On January 11, 2018, I had a follow-up meeting with the CoC Director. She indicated that all of the participating agencies thought the farmers' market was a much better venue for the event.

**Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.**

The city is in regular communication with the director of the local CoC. This allows us to have one-on-one conversations to understand their efforts and assist in any way possible. The CoC and local service agencies are aware of the needs of homeless and at risk persons in the southeast portion of Oakland County. The CoC is charged with coordinating the HUD-required Point In Time (PIT) Count each January. Homeless and at risk individuals tend to be more concentrated in the Pontiac area and the southeast portion of Oakland County. The PIT Count requires a facility for over 100 volunteers to gather before being deployed through this portion of the county. The city provides use of its farmers' market at no cost. Additionally, the CoC organizes a Community Resource Day each November. This event is attended

by over forty local service agencies are present to provide individuals in need with access to housing, employment, health screening, food and much more. This is the single largest gathering of cross discipline social services in Oakland County. The city provides use of its farmers' market at no cost. City staff attends each of these events to see first hand the good work done by the CoC, service agencies and local volunteers.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS**

Royal Oak does not receive ESG funds, but does provide feedback and assistance with the development of performance standards, evaluation, and development of policies and procedures when asked to provide input. During PY 2015 during the making of the upcoming consolidated plan, city staff met directly with local CoC, HMIS Administrator, and housing and supportive service providers on several occasions to become better informed on their efforts and the needs of their clients. Numerous agencies were provided notice of the city's community needs survey and availability of CDBG funds. As a result, the city developed precise community needs priorities/objectives to accomplish over the next five years. The city maintains on-going communication and consultation with housing and service providers.

Continuum of Care	Alliance For Housing	<p>The strategic plan identifies several priority needs which overlap with the CoC's mission to "bring together stakeholders from private and public sectors to collectively determine a strategy to end homelessness and increase the supply of sustainable, affordable housing. The following priority needs align: services for victims of domestic violence &amp; sexual assault, mental health services, substance abuse services, transportation services, and operational costs of homeless assistance programs. The basis for the relative priority: According to the 2013 Annual State of Homelessness Report by the Alliance For Housing, 2013 HMIS data reveals that the top three reasons for homelessness for adults: eviction, domestic violence, and mental health issues. Assisting those in need with access to public services may reduce homelessness or rapidly re-house individuals.</p>

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Capital Improvement Plan	City of Royal Oak	The strategic plan identifies the need to improve parks and recreational facilities, infrastructure improvements in low- to moderate-income neighborhoods, conduct physical improvements to transportation corridors, and implement accessibility/barrier-free improvements to public facilities and transportation systems. Each year, as required by state law, the city reviews its capital improvement plan (CIP). The CIP facilitates the orderly planning of infrastructure improvements; to maintain, preserve and protect the city's existing infrastructure system; and provide for the acquisition and scheduled replacement of equipment to ensure the efficient delivery of services that the community desires. Many of the yearly CDBG-funded projects are implemented based on the CIP.
Master Plan	City of Royal Oak	The strategic plan identifies the need to improve parks and recreational facilities, infrastructure improvements in low- to moderate-income neighborhoods, conduct physical improvements to transportation corridors, and implement accessibility/barrier-free improvements to public facilities and transportation systems. The Royal Oak Master Plan identifies goals, objectives and strategies related to eight issues/topics: neighborhood preservation & residential land use, historic resources, downtown, commercial corridors, Woodward corridor, transportation and circulation, parks and recreation uses, and community resources and facilities. Many of the yearly CDBG-funded projects are implemented based on the master plan
Parks & Rec. Master Plan	City of Royal Oak	The strategic plan identifies the need to improve parks and recreational facilities. The city's parks and recreation master plan identifies park and recreation opportunities, conditions, needs, deficiencies, etc. Many of the yearly CDBG-funded projects are implemented based on the parks and recreation master plan.
HOME Consolidated Plan	Oakland County HOME Consortium	The strategic plan identifies the need to fund housing rehabilitation projects. The HOME Consortium Plan focuses in large part on rehabilitating existing dwelling.

#### **Summarize citizen participation process and how it impacted goal-setting**

While the city provided the opportunity for public participation during the development of the PY2018 annual action plan, the city's goals have already been established in the strategic plan portion of the five-year consolidated plan. Any public comment during the development of the PY2018 annual action plan would not modify the goals. The city provided two opportunities for public comment pertaining to the city's community development needs for the PY2018 annual action plan at the November 28, 2017 & May 22, 2018 Royal Oak Rehabilitation Board of Appeals' meetings. No public comment was provided at the November 28, 2017 meeting. No public comment was provided at the May 22, 2018 meeting. Additionally, the Royal Oak City Commission openly discussed and approved the submittal of the PY2018 annual action plan at its June 11, 2018 meeting. While this was not a public hearing, all Royal Oak City Commission meetings allow the opportunity for public comment. No one provided comment with regard to this agenda item. Notice of the 30 day comment period was published in The Daily Tribune, a local newspaper, and on the city's website on May 30, 2018. No public comments were accepted and therefore, none needed to be incorporated into the annual action plan.

**Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied**

To receive CDBG funds from the City of Royal Oak, local organizations / agencies must provide an application and supplemental information

detailing their funding sources and leverage opportunities for specific activities. The city does not require that organizations / agencies provide "matching" non-CDBG or Federal funds. The City Commission will weigh the value of the proposed activity in light of the goals of the Consolidated Plan and the likelihood that the activity would be implemented without the presence of CDBG funds. Subrecipient activities that would be implemented regardless of the city's CDBG allocation stand a greater likelihood of not being funded. Many of the public service subrecipients leverage a wide variety of funding sources. This is a standard practice. These organizations will not be penalized for this practice.

### Introduction

05/22/2018

The following is based on the results of the June 11, 2018 City Commission meeting. The 30 day comment period extended from May 30, 2018 through July 2, 2018. No public comment was received.

3	housing rehabilitation program - owner rehabilitation assistance
4	outdoor fitness equipment - Cody Park, Grant Park, Barton Park - north, Waterworks Park
5	neighborhood tree replacement program
6	program administration

Table 7 – Project Information

### Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The PY2018 activities are consistent with the following priority needs identified in the strategic plan: in-home services for seniors, frail elderly & disabled, operational costs of homeless assistance programs, housing rehabilitation; single-family, owner-occupied, facilities & infrastructure improvements with low-to moderate-income areas, improvements to parks and recreation facilities, program administration. Activities found within the strategic plan are priorities for the city during the five year period commencing with PY2016. Additionally, the activities are consistent with the recommendation of the city's planning commission, parks and recreation advisory board, and rehabilitation board of appeals. These CDBG-funded activities help implement goals established by the Royal Oak City Commission in documents ranging from the city's master plan to yearly strategic plans created by the city commission. The allocation of a large sum of CDBG funds to create outdoor fitness areas in a network of neighborhood parks allows the city to fulfill the city commission's objective of developing high quality parks that are a destination for recreational opportunities. High quality outdoor fitness equipment in neighborhood parks will allow nearby residents to enjoy a new form of physical fitness in the parks. The equipment manufacturer features a downloadable app so that individuals and groups may better understand the full range of features/abilities of the equipment & design training schedules and track their progress. The city is committed to building outdoor fitness equipment in a large number of neighborhood parks as a common feature. The city will continue to expend CDBG funds to plant trees in its local neighborhoods. CDBG funds will allow the city to restore its tree canopy. This was identified recently as a major goal of the city commission. The underserved may include special need individuals, minority concentrations, those experiencing homelessness or those at-risk of becoming homeless, victims of domestic violence or sexual assault, returning veterans, the frail and elderly, large families, etc. The city will allocate CDBG funds to its at-home senior assistance program (ROSES). CDBG funds will

be provided to the South Oakland Shelter which assists those experiencing homelessness or those at-risk of becoming homeless. CDBG funds leverage their opportunity to further serve those in need within Royal Oak. Other than the city's ROSES program, the city relies on local service agencies to know the needs of the underserved and fashion activities to meet those needs based on limited financial resources.

## **AP-75 Barriers to affordable housing -91.420, 91.220(j)**

### **Introduction**

**Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

### **Discussion**

## **AP-85 Other Actions - 91.420, 91.220(k)**

### **Introduction**

The City of Royal Oak will engage in a wide variety of activities intended to address the identified needs.

### **Actions planned to address obstacles to meeting underserved needs**

The underserved may include special need individuals, minority concentrations, those experiencing homelessness or those at-risk of becoming homeless, victims of domestic violence or sexual assault, returning veterans, the frail and elderly, large families, etc. The city will allocate CDBG funds to its at-home senior assistance program (ROSES). CDBG funds will be provided to the South Oakland Shelter, a local organization that assist those experiencing homelessness or those at-risk of becoming homeless. CDBG funds leverage their opportunity to further serve those in need within Royal Oak. The city administered ROSES provides affordable in-home chores for Royal Oak's elderly residents who may otherwise not be able to care for themselves.

### **Actions planned to foster and maintain affordable housing**

The city plans to preserve and increase the supply of affordable owner-occupied and renter-occupied housing for low- to moderate-income residents through CDBG-funded housing rehabilitation and new construction, advocacy, policies and regulations. The program offers low and no interest loans for rehabilitation. These low or no cost financial options make it more affordable for homeowners to protect their investment and maintain affordable living conditions. Additionally, the city participates in the Oakland County HOME Consortium. The consortium has greater direction on how its proportional HOME funds are expended on projects within Oakland County versus the state administered program which invested our proportional funds state-wide.

### **Actions planned to reduce lead-based paint hazards**

The city operates a CDBG-funded housing rehabilitation program (owner-occupied single-family dwellings). The program has specific procedures which outline the steps required to educate, test, contain and/or remediate LBP. All rehabilitation projects in which the structure was constructed before 1978 fall under the Federal LBP regulations. A lead hazard information pamphlet is provided to all prospective participants in the housing rehabilitation program, regardless of age of the structure. If the structure was built before 1978, a LBP risk assessment is conducted. The results are provided to the applicant. The finds are incorporated into the specifications for the rehabilitation work. All of the contractors participating in the city's housing rehabilitation program must present and maintain status as a LBP certified contractor. The risk assessment determines the degree of rehabilitation work needed to gain compliance with Federal LBP regulations and provide LBP-free living environment to all homeowners. Occupants may not be present during any site work. Once the contractor has completed all site work, a LBP clearance test is conducted. The results of the clearance test are provided to the

homeowner. No occupant may return to the dwelling unit until the site gains clearance. All public service subrecipients that provide housing assistance in any manner must verify that the associated housing unit has been inspected and meets HUD's minimum required Housing Quality Standards (HQS) inspection, requirements including the provisions regarding LBP. Any dwelling unit that does not meet HUD's HQS standards must be brought into compliance. These actions educate the public of the danger of LBP, ensure compliance with Federal regulations to address the presence of LBP, and provide a LBP-free living environment for all occupants upon completion of all site work.

### **Actions planned to reduce the number of poverty-level families**

The city plans to fund its housing rehabilitation program. The city believes poverty-level families will financially and emotionally benefit greatly from livable single-family homes. A stable living arrangement can lead to great economic stability and upward economic mobility. The city actively seeks Section 3 (low-income residents or businesses) in every CDBG-funded project. The selection of Section 3 firms provides economic gain to poverty-level families.

### **Actions planned to develop institutional structure**

The city relies on existing agencies to assist its residents with access to a wide variety of public services. All of the city's CDBG subrecipients are required utilize HMIS. This creates a seamless information system to assist clients in need that may utilize different agencies for different services. The information system helps reduce redundant institutional efforts and keep clients on track with their own case management efforts.

### **Actions planned to enhance coordination between public and private housing and social service agencies**

The city's continued participation in the Oakland County HOME Consortium greatly strengthens its knowledge of and access to the Continuum of Care, other HUD-funded levels of government within Oakland County, and a broader network of social service agencies. Regular meetings and networking strengthen our knowledge of the local needs and the institutional structure to deliver results.

Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**NOTE:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant:, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681, 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee- 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
19. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.
