Teen Clean Closet, established in October 2017, is a local nonprofit that partners with local businesses and community members to provide a safety net for children in the area by seeking donations of new toiletry and hygiene items and distributing them to children in our community who are in need.

Teen Clean Closet was inspired when Erica McEvoy saw the need in her community after her family's own personal struggles of living paycheck to paycheck and put out the call for support. Kim Johnson answered that call and soon a partnership was created.

Together, with the help of family and friends, with the use of social media, they have been able to grow their vision. Teen Clean Closet has established mini closets at Royal Oak Middle School, Royal Oak High School, Churchill Community High School, Metro Detroit Youth Club Royal Oak, and the YMCA. Additionally, Teen Clean Closet is an on-call resource for Open Hands Food Pantry, several local elementary schools as well as a contributor to Blessing in a Backpack- Royal Oak.

Teen Clean Closet is always looking for businesses and civic groups who would like to join them on their journey to be sure the children in our area have what they need to be clean and confident. Donation(s) drives are appreciated and there is a permanent donation bin in the lobby of the Metro Detroit Youth Club.
