Governor Whitmer Signs “Stay Home, Stay Safe” Executive Order

Governor directs all non-critical businesses to temporarily close, all Michiganders to stay home or six feet away from others during COVID-19 crisis

LANSING, Mich. -- Governor Gretchen Whitmer signed the “Stay Home, Stay Safe” Executive Order (EO 2020-21), directing all Michigan businesses and operations to temporarily suspend in-person operations that are not necessary to sustain or protect life. The order also directs Michiganders to stay in their homes unless they’re a part of that critical infrastructure workforce, engaged in an outdoor activity, or performing tasks necessary to the health and safety of themselves or their family, like going to the hospital or grocery store.

Effective at 11:59 pm on April 9, 2020, **to extend the duration to April 30,2020**, individuals may only leave their home or place of residence under very limited circumstances, and they must adhere to social distancing measures recommended by the Centers for Disease Control and Prevention when they do so, including remaining at least six feet from people from outside the individual’s household to the extent feasible under the circumstances.
