

VALET PARKING SERVICE APPLICATION PROCEDURES

By order of the City Commission, all businesses located within the Central Business District (CBD) utilizing a valet parking service must enter into an agreement with the City of Royal Oak for the operation of that service.

1. APPLICATION:

All applications for valet parking service shall consist of the following materials:

- A. Application Form.
- B. License Agreement. A license agreement must be entered into between the business utilizing a valet parking service and the city.

Copies of the application form and standard license agreement may be obtained by contacting the City Clerk's office at 248.246.3050 or by visiting the city's website at www.romi.gov.

- C. Fees. A fee of \$750 must accompany an initial application for a new valet parking service. An application to annually renew an existing valet parking service must contain a fee of \$300. A fee of \$300 must accompany any application for a one-day or special event valet service. Additionally, if a packet is turned in between December 2nd and 15th, an additional \$250 fine will be assessed. If a packet is turned in between December 16th and December 30th, a \$500 fine will be assessed. If packets are turned in after December 31st, no valet service will be allowed at that location for the calendar year.
- D. Use of Public Parking Deck or Lot. Use of a public parking facility by a valet parking service to park vehicles requires an additional annual fee of \$300 for each space that is to be used. To arrange use of a public parking structure contact PARK RITE at 313.965.7275. The fee to use a metered parking lot may instead be paid on a monthly basis at \$25 per space through the Treasurer's office.
- E. Insurance. A certificate of insurance naming the city as an additional insured must accompany all applications, including annual renewals. This insurance certificate must be a part of the valet parking packet that is turned in to the Clerk. Without this certificate, a packet is considered incomplete and valet service will not be allowed at that location for the calendar year.

Additionally, insurance certificates must list the name of the business applying for valet as well as the business location.

- 1. Additional Insured. The additional insured on the certificate of insurance **must** read as follows:

City of Royal Oak and including all elected and appointed officials, all employees and volunteers, all boards commissions and/or authorities and their board members, employees and volunteers.

2. Cancellation Provision. The cancellation notice on the certificate of insurance **must** read as follows:

Should any of the above-described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

3. Minimum Insurance Amounts (see License Agreement for more detail).

Clearly indicate the number and location of parking meters that may be covered (i.e., the reserved area). **Under no circumstance shall pick-up and drop-off areas include more than 4 metered parking spaces.**

2. PROCESS:

- A. New Applications. All new applicants must consult with the Planning Department first and the application materials must be submitted there. Applications will then be sent to the City Commission for consideration. Please see the renewal section for deadlines to turn in valet packets.
- B. Renewals. The City Clerk shall send renewal notices and application packets to businesses using a valet service on or before October 15th of each year. Completed forms **must** be submitted, along with payment, to the City Clerk by December 1st. A complete packet includes a license agreement, insurance listing the business name and location of service on the form, and the valet parking application. Packets that are submitted up until December 30th will be assessed a late fee. Packets that are incomplete or turned in after December 30th will receive notice that valet service is not allowed at the location for the calendar year. Upon review of the application materials the agreement will be executed and a copy sent to the business.
- C. All valet agreements and associated materials will be kept on file in the City Clerk's office. Copies of the agreements, diagrams and any updates will be forwarded to the Police Department.
- D. Temporary Valet Services. Requests for one-day or special event valet service will be reviewed by the Police Chief or his designee. The Chief of Police may approve the request, deny the request, or send it through the standard process for review.

PREMISES

WHEREAS, the CITY desires to allow valet parking services in and around the Central Business District (CBD) to pick-up vehicles at one area designated by the CITY and park said vehicles at another area also designated by the CITY in order to alleviate parking congestion in the CBD; and

WHEREAS, the BUSINESS desires to provide valet parking service to its customers; and

WHEREAS, the CITY and the BUSINESS choose to enter into this Agreement to state the terms and conditions upon which the BUSINESS will provide that parking service to its customers;

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this Agreement, the CITY and BUSINESS agree as follows:

1. FEE. The BUSINESS shall pay an initial fee and an annual renewal fee every year thereafter. The amounts will be established by City Commission resolution. The completed application, license agreement and insurance certificate are due to the CITY's Clerk by December 1st of each year. If the completed packet is received on or between December 2nd and 15th, an additional \$250 fine will be imposed. If the completed packets are received on or between December 16th and 30th, an additional \$500 fine will be imposed. If the completed packet is received after December 31st, no valet service will be allowed at the location for the following year. The CITY will not be contacting or following-up with the BUSINESS if a submitted packet is incorrect or incomplete. The BUSINESS will receive a notice of revocation after January 1. The CITY will NOT refund submitted/paid fees.

2. LOCATION OF SERVICE. The CITY shall designate the location(s) (in a diagram attached hereto and incorporated as part of this agreement) for customers to deliver their vehicles for valet service, for the vehicles to be parked by the valet, and for the return of vehicles to customers by the valet. This diagram shall also show the placement of cones and valet sign, the number and location of parking spaces allotted in public and/or private lots, and the vehicle traffic pattern. If the BUSINESS uses a public parking facility, the BUSINESS shall pay to use _____ () (number (#)) parking spaces in the _____ public parking structure or lot during the term of this agreement for the parking of customers' vehicles at a cost equal to the monthly rate currently being charged by the CITY, payable upon execution of this Agreement. The CITY reserves the absolute right in its sole discretion to modify the number of parking spaces to be purchased by the BUSINESS, the location(s) where customers' vehicles are delivered and parked, and/or to allow the BUSINESS to pay the fee to use such spaces in a public parking facility on a monthly basis.

3. SERVICE GUIDELINES AND PROCEDURES. The BUSINESS, in employing, contracting for or utilizing the services of a valet, shall ensure that the following procedures are employed by the valet service:

- A. When a customer delivers a vehicle to the area designated by the CITY and requests valet parking services, the valet shall promptly and courteously greet the customer and present a valet parking ticket to the customer.
- B. The valet shall deliver the customer's vehicle to the area designated by the CITY (area) and park the vehicle there.

- D. During the time that customer's vehicle is in the valet's care, custody and control, the valet shall be responsible for the safekeeping of the keys to the automobile.
- E. When the customer presents the valet with the previously issued parking ticket, the valet shall return the customer's vehicle and keys to the customer at the area designated by the CITY. In the event any customer requests the return of a vehicle without presenting the original ticket, the valet shall take extra precautions to ensure the vehicle is being returned to the owner or a person who has the owner's permission to pick-up the vehicle.
- F. The pick-up/drop-off locations for valet parking services will consist of a location near _____ (location). The exact location of the pick-up/drop-off location shall be determined in the sole and absolute discretion of the CITY. The addition or expansion of any other pick-up/drop-off location will require the advance written agreement of the CITY and BUSINESS. If the Royal Oak Police Department determines the use of any pick-up/drop-off location poses a potential threat to the public, the use of that location shall stop immediately.
- G. The valet shall keep the pick-up/drop-off areas and the surrounding areas free from any litter or debris associated with the valet service.
- H. Valet personnel shall be dressed in a standard and distinguishable uniform which shall be clean and pressed. Valet personnel shall also wear identification badges with their names prominently displayed.

Portable signs shall not be placed, displayed and/or set out until 5:00 p.m.

AMENDMENT TO SECTION 607-8. The Royal Oak City Code is hereby amended at Chapter 607, "Signs", Article II, "Sign Regulations", Section 607-8, "Definitions", to include the following definition:

"SIDEWALK SIGN – A sign placed on the ground that is not permanently mounted or affixed, which is not designed to be transported or moved while on display, and which is intended to be used periodically by a single eligible advertiser."

AMENDMENT TO SECTION 607—12. The Royal Oak City Code is hereby amended at Chapter 607, "Signs", Article II, "Sign Regulations", Section 607-12, "Definitions", to read as follows:

"SECTION 607—12. Permitted signs in Sign Area 3.

In Sign Area 3, the following signs are permitted:

 - (1) On private property, subject to compliance with specifications for sidewalk signs promulgated by the City.
 - (2) On public property, pursuant to a license agreement with the City (including compliance with specifications for sidewalk signs promulgated by the City).
 - (3) The City Manager or his designee is authorized to grant a variance from specifications for sidewalk signs promulgated by the City where, due to unique characteristics of the property, the strict application of those specifications would result in practical difficulties to the advertiser; provided, however, that such relief would do substantial justice to all properties in the immediate area.
