Dear Royal Oak Schools families,

With great anticipation, WOAK, our student broadcast channel, is happy to announce the airing of "Discovery of the Lincoln Time Capsule."

The documentary showcases a time capsule that was buried in 1965 by then Lincoln Elementary School students. The time capsule, which included items from many of the classmates, was opened on June 13, 2019 at a Royal Oak Schools board meeting.

WOAK has produced a documentary that includes footage of the time capsule being opened, reaction from a few of the original students that put items into the capsule, and comments from 6th graders with their take on the items from over 50 years ago.

"Discovery of the Lincoln Time Capsule" will premiere on Friday, November 13 at 6:00 PM on WOAK, channel 19 on Comcast and channel 15 on WOW. It will also be available via the Royal Oak Schools YouTube page using this [link](#).

Items from the time capsule can be seen at the District Office in display cases located outside of the boardroom. If you have any memories or know anything about the time capsule, please email communications@royaloakschools.org.
