

**CITY OF ROYAL OAK  
PARKS & FORESTRY DEPARTMENT  
SPRING 2022 TREE PLANTING PROGRAM**

You have the opportunity to help the environment of Royal Oak by planting a tree (or trees). In our Spring Tree Planting Program, you can select from a number of lovely trees, for planting on public or private property, at a very reasonable price.

- \* Trees can be planted on city right-of-way or delivered for you to plant on private property
- \* Street trees are 1 1/2" in diameter, 10 to 12 feet tall, and are balled and burlapped.
- \* **Limit of 2 trees per residence.**
- \* **Tree survival is NOT guaranteed. Residents need to keep trees watered (5 gallons of water – twice a week).**

Take this opportunity to assist Royal Oak in retaining the national title "CITY OF TREES".

**STREET TREES AVAILABLE FOR SPRING PLANTING**

**COST OF TREE**

<u>RED OAK</u>	Fast growing; dark green leaves turning to red in fall; reaches 60-75' in height; prefers full sun	\$322.00

- \* Trees may be purchased either by mail, in person or online at [romi.gov/springtreeprogram](http://romi.gov/springtreeprogram) beginning January 10, 2022.
- \* Orders will be taken from January 10-February 20, 2022. Planting will begin in April or May.
- \* If planting on city property, you will be notified to put a stake where you desire tree(s) to be planted (between the sidewalk and curb).  
**(If more than one variety of tree is purchased place name of tree on stake).**
- \* Keep new trees away from old tree stumps and roots.
- \* If you have any questions, please call (248) 246-3300.
