Royal Oak Celebrates 100 Years!

A COMMUNITY COLLABORATION:

Royal Oak
Life Now Playing

ROYAL OAK SCHOOLS
A COMMUNITY OF EXCELLENCE

Royal Oak RECREATION

Browse through the variety of programs offered for youth and adults.

Acting Out Kids Community Theatre www.aoktheatre.org

Junior Theatre – In Person

Ages 3 1/2 - 6 years

Kids will have fun learning basic acting and improv skills by playing a variety of acting and improv games designed for our youngest performers. This class will focus on creativity, imagination, and pretend play. Perfect for kids that love to act and have a flair for drama! Minimum 8 students. **Face masks will be required.**

For the Junior Theatre class, in order not to disrupt or inhibit the students, parents will not be allowed in the classroom during the class. Since this is only a 30-minute class and due to the young age of the students, parents will be required to wait in the building during class.

Session 1

Mondays at Salter Community Center

June 21 - July 19, 1:00 - 1:30 pm **YA6001**

Fee: \$75 / 4 weeks

No class July 5

Session 2

Mondays at Salter Community Center

Fee: \$75 / 4 weeks

Teen Acting and Improv – Online

Ages 11 - 16 years

Teens will learn acting, improv and public speaking skills through a variety of acting and improv games, activities, monologues and skits. This class is great for building confidence, making new friends and having lots of fun! Minimum 8 students.

Session 1

Wednesdays, ONLINE

June 2 - 23, 6:30 - 7:15 pm **YA6102**

Fee: \$75 / 4 weeks

Session 2

Wednesdays, ONLINE

July 7 - 28, 6:30 - 7:15 pm **YA6104**

Fee: \$75 / 4 weeks

West Bloomfield, Michigan -- (248) 682-6587

Summer Camps

www.leisureunlimited.net

Sports Starters (preschoolers, ages 3 - 5)

Your toddlers will love this first introduction to sports. Kids will improve their large muscle movement and hand-eye coordination as they throw, catch, kick, run and play silly games. Our experienced coaches will make sure your little ones have a positive and fun learning experience. Wear gym shoes and bring a water bottle. **Kids must be three by the first day of class.** Minimum 10 campers. Instructor: Coach Dave, Leisure Unlimited. **Face masks will be required.**

July 19 - 23 at Salter Community Center YA2001

Monday - Friday, 12:45 - 1:35 pm

\$60 / 1 week

Tee-Ball Camp (ages 4 - 6)

Make a hit with your youngster this summer. Kids will learn throwing, base-running, catching, batting and fielding. Directions are easy-to-follow. Fun, progressive drills allow kids to advance at their own pace in a safe, nurturing environment. Players will learn the importance of effort, teamwork and sportsmanship. Wear gym shoes and bring a water bottle. Mitts are optional. Minimum 10 campers. Instructor: Coach Dave, Leisure Unlimited. **Face masks will be required.**

July 19 - 23 at Salter Community Center YA2002

Monday - Friday, 2:00 - 3:15 pm

\$81 / 1 week

Soccer Starters Camp (preschoolers, ages 3 - 5)

Our enthusiastic coaches will teach your kids the basic kicks, how to score, goalie work, throw-ins, positions, and rules. Our emphasis is on teamwork, self-confidence, and effort in a safe and nurturing environment. Wear tennis shoes and bring a water bottle. **Kids must be three by the first day of class.** Minimum 10 campers. Instructor: Coach Dave, Leisure Unlimited. **Face masks will be required.**

August 16 - 20 at Salter Community Center YA2003

Monday - Friday, 12:45 - 1:35 pm

\$60 / 1 week

Basketball Camp (ages 6 - 9)

Jump into basketball! Progressive drills help players improve their individual and team skills. In-class scrimmages allow kids to develop better game comprehension. Emphasis is on sportsmanship and teamwork. Wear gym shoes and bring a water bottle. Minimum 10 campers. Instructor: Coach Dave, Leisure Unlimited. **Face masks will be required.**

August 16 - 20 at Salter Community Center YA2004

Monday - Friday, 2:00 - 3:15 pm

\$81 / 1 week

Summer Youth Dance

Little Dancers

This fun-filled introduction to dance and creative movement is specially designed for 3-5 year old students. This class will challenge young children to explore movement, music and their unique creativity. Children are exposed to the design and structure of a dance class.

Intro to Dance

This class is designed to be a fun-filled introduction to Ballet, Jazz and a stylized version of "Song and Dance" combinations. Emphasis will be placed on the basic fundamentals and terminology of a Ballet Barre, Jazz center, traveling progressions and a characterized routine. **Face masks will be required.**

Royal Oak FITNESS

PLEASE REGISTER EARLY
to ensure your spot in class. Any classes
not meeting minimum enrollment requirements
three business days prior to start date may
be subject to cancellation.

Low-Impact Workout Great for Beginners!

Need to restart your exercise program? Perform simple low-impact, joint-friendly moves to burn calories, condition your body, and improve balance and functional fitness. Get a motivating workout to music without complicated choreography. Bring a mat for floor work (chairs are available for modified floor work) and water. Light hand weights are optional. Maximum 24 students.

Thursday, 6:20 - 7:15 pm *Instructor: Angie M*

July 1 - August 19 at M/M Senior/Community Center **FF2002**

Fee: Res. \$56; Non-Res. \$61 / 8 weeks

Fit Mix

This class includes the essential components of fitness: cardio, strength, core and flexibility. Cardio portion includes warm-up, aerobic drills and combos. Hand weights are used during strength segment, followed by core work and a series of controlled, static stretches to enhance range of motion and release stress. Bring a mat, hand weights and water. Maximum 24 students.

Monday, 5:50-6:45 pm *Instructor: Karen B*

June 28 - August 23 at M/M Senior/Community Center **FF2005**

Fee: Res. \$56; Non-Res. \$61 / 8 weeks

No class July 5

Stretch Relief Special Summer Offering!

Life's challenges stressing you out? By moving through a variety of functional, flowing as well as controlled, concentrated stretches for the entire body, you will clear your mind, soothe your spirit, increase circulation and enhance range of motion. Includes proper form, breath awareness, and relaxation techniques plus basic balance and core moves. Bring a mat and wear loose, comfortable clothing. Maximum 24 students.

Monday, 7:05-8:00 pm *Instructor: Karen B*

June 28 - August 23 at M/M Senior/Community Center **FF2032**

Fee: Res. \$56; Non-Res. \$61 / 8 weeks

No class July 5

Zumba + Core

Set to Latin and other international music with exotic rhythms, this fun dance fitness workout is extremely effective in burning calories and keeping the heart rate up. The steps are easy to learn and follow and will get you moving in an exhilarating new way for a high-energy class to tone and shape your entire body. Mat-based core exercises will follow the cardio portion of class. Bring a water bottle, towel and mat. Maximum 24 students.

Thursday, 7:35-8:30 pm *Instructor: Joli P*

July 1 - August 19 at M/M Senior/Community Center **FF 2017**

Fee: Res. \$56; Non-Res. \$61 / 8 weeks

Mat Pilates New location for Summer

Pilates, a non-impact deep muscle conditioning method, strengthens the body's "powerhouse" – the abdominal, gluteal and back muscles – by redressing unbalances and altering movement patterns. This mat-intensive workout enhances posture, flexibility, endurance and balance while toning and firming your core and can be modified from gentle to challenging, depending on fitness level and goals. Bring a mat and light weights. Maximum 24 students.

Wednesday, 6:20-7:15 pm *Instructor: Ginger V*

June 30 - August 18 at M/M Senior/Community Center **FF2014**

Fee: Res. \$56; Non-Res. \$61 / 8 weeks

Total Body Conditioning

Build muscle strength and endurance and burn more calories for safe, fast results with this joint-friendly training set to energetic music. Whether you are a beginner with new fitness goals or an experienced exerciser looking for a cross-training body toning workout, this fun class is for you. The cardio warm-up leads into weight training geared to sculpt and strengthen muscles, ending with a series of refreshing stretches. Bring a mat, hand weights, towel and water. Maximum 24 students.

Tuesday, 6:20-7:15 pm *Instructor: Angie M*

June 29 - August 17 at M/M Senior/Community Center **FF 2010**

First Serve is excited for the opportunity to provide tennis classes through Royal Oak Parks and Rec! We are honored that Laura Rizzo-Burleigh from Luv All Tennis has entrusted us with the business that she put so much blood, sweat, tears, heart, and soul into. We consider Laura a mentor, a colleague and a friend.

At First Serve we love to share the joy and freedom of movement with kids and adults. We teach kids fierce competition tempered with good sportsmanship.

Our lesson plans and competitions are based on the latest research and guidelines from the top youth sports and tennis programmers in the country. We understand that kids learn more when they are having fun and that kids are less likely to quit sports when sports are fun. We teach fundamental athletic skills that apply to all sports and support multi-sport athletes.

Our goal is to make tennis more accessible and more fun to more people, especially kids!

Please feel free to contact our tennis director, Chip Fazio, USPTA Elite Professional, with any questions or concerns: chipfazio@gmail.com or 313-670-3277. Also check us out on facebook.com/firstservemi

Location

All classes take place at the **Worden Park Tennis Courts** on Lexington, north of 13 Mile Road east of Crooks Road next to the Lindell Ice Arena (behind green Total Soccer building).

**Pre-registration for all classes is required
online at www.ifirstserve.net**

Please bring your own racquet and water bottle,
and wear tennis shoes for class.

In-House Mixed Doubles League

Wednesdays, May 12 - June 16

Rain make-up: Friday, June 18

\$84 / 6 weeks

This is for advanced beginner players (3.0+ NTRP). Questions? Contact Coach Chip at chipfazio@gmail.com or 313-670-3277.

Singles Flex League

A tennis league on your schedule. We will group you into a "flight" with 6 to 9 other players of similar ability. You contact each of the people in your flight and schedule a match at a time and place that is convenient for both of you. Report the scores to us. We post the standings online. Get all your matches in by the end of August. Awards for champ and runner up in each flight are given out at the end of the summer.

Adult Flex League

Beginner – Entry level players to low 3.5 NTRP rating (UTR 2.0 to 4.0)

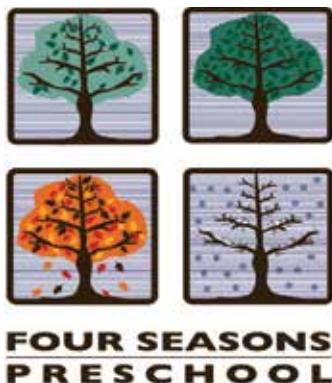

Intermediate to advanced – High 3.5 to 4.5 NTRP (UTR 4.5 to 7.5)

Kids Flex League

Green ball – Kids can keep score and serve with some reliability. They do not yet have reliable topspin and do not have reliable directional control. Usually 11yrs and younger, but older beginners are fine.

Yellow ball – Can score, serve and rally reliably. Can hit with topspin and directional control on 70% or more of their shots.

Contact Coach Chip with any questions about the leagues or placement within the leagues: chipfazio@gmail.com or 313-670-3277.

Four Seasons Preschool provides a safe and caring environment where children feel secure and learning is a positive experience. Our goal is to have the children leave the program with a positive sense of self, a joy of learning, and the skills they need to enter kindergarten.

Learning takes place through the use of many hands-on activities based on a developmentally appropriate curriculum. The children are taught using a theme based approach. As each new interesting theme is introduced the children's natural curiosity and joy of learning is enhanced and their knowledge expanded in a variety of areas.

Four Seasons Preschool understands the importance of playtime, because children learn through play. Children also need space and plenty of materials on hand to explore and manipulate to enhance their learning experience. These needs are met in a very large classroom filled with many materials that encourage creativity, dramatic play, science experimentation, construction, fine and gross motor development and socialization skills.

Preschool should be a lot of fun and a great experience for children. We realize this and plan a curriculum that is interesting and enjoyable for the children.

We are located in the Mahany/Meininger Senior Community Center, 3500 Marais (1 block north of 13 Mile, 3 blocks east of Crooks).

**Registration for the 2021-2022 school year is available at
www.royaloakrec.com**

Royal Oak Nature Society

Protecting Our Nature Parks and Educating the Community

The Royal Oak Nature Society is a volunteer group working with the city to maintain & improve Royal Oak's two nature preserves, Cummingston Park and Tenhave Woods. They are also developing the Royal Oak Arboretum behind the Senior Center. If you are interested in joining the conservation effort or just need more information, please phone us at 248-246-3380 and leave a message, e-mail us at naturesociety@romi.gov, mail us at: Royal Oak Nature Society, 1600 N. Campbell Rd, Royal Oak, 48067 or check out our website at www.romi.gov/nature. You can also find us on Facebook. Park trail maps & maps showing the location of the two nature parks and the Royal Oak Arboretum can be found on our website.

Speaker Programs

Our monthly general meeting/speaker programs are normally scheduled from October to April at the Royal Oak Senior Center which is located at 3500 Marais. At our monthly Wednesday meetings, we present speaker programs that are usually Power Point presentations focusing on various natural history topics. If you watch nature programs on PBS or the Discovery Channel, this is better because you can meet with the speakers afterwards and ask questions. There is no cost and normally preregistration is not necessary.

Nature Walk Schedule

There is normally at least one naturalist lead walk per month with additional ones added during the spring wildflower and fall color seasons. The walks take place at Cummingston Park, Tenhave Woods and the Royal Oak Arboretum. An emphasis is put on understanding the different forest types found in our parks. Further information is given on individual plant and animal species, geology, and human history of the area. Dogs are not allowed inside either Tenhave Woods or Cummingston Park. Wearing boots while in the parks is recommended

during the winter and spring months. Dressing appropriately for bugs and using insect repellent is advised from late spring through the end of summer. There is no cost and normally preregistration is not necessary.

Royal Oak Nature Society Friends of Fungi

Friends of Fungi is a group that promotes the understanding of, and an appreciation for, fungi in general and those fungi found in Tenhave, Cummingston, and other local urban woods. Mary Fredricks and Karen Blenc head this group. The group normally meets on the 2nd Wednesday of the month in November, January, February, and March at the Royal Oak Senior Center located at 3500 Marais. There is no cost and normally preregistration is not necessary.

As of now because of COVID 19, we do not have any speaker programs or nature walks scheduled. If we do, we will post them on our website and Facebook page. While we still have COVID-19 restrictions, there will be preregistration for our virtual speaker programs, nature walks and Friends of Fungi meetings.

COVID-19 Assistance

If you are experiencing a loss of employment or significant reduction in income due to COVID-19, you may be eligible for free financial assistance.

Up to 6 Months of Free Rent Assistance

unpaid rent and/or utilities

Legal Aid & Defender Association @ (313) 967-5555

Lighthouse @ (248) 920-6000 ext: 5500

Up to 6 Months of Free Food

Lighthouse @ (248) 920-6000 ext: 5500

The City of Royal Oak has partnered with LADA & Lighthouse to keep residents from being evicted and feed those in need during the pandemic. Contactless opportunities are available to all residents.

Registration Information

How to Register for Programs and Classes

Registration begins on May 12 for in-person, mail, fax and online submissions.

Mail-In Registration

You may send a completed registration form (or reasonable facsimile) with payment to:

**Royal Oak Recreation
PO Box 64
Royal Oak, MI 48068-0064**

Do not send cash. Make checks payable to **Royal Oak Recreation**. Use separate checks for different classes in case one of your desired classes is filled. **Returned check fee is \$35**. To receive a receipt, please include your e-mail address.

Fax Registration

Fax registrations are accepted 24/7 at **248-246-3007**. Fax payment by credit card only – please include credit card number, security code, expiration date, and your signature on registration form. To receive a receipt, please include your e-mail address.

In Person Registration*

Walk-in registrations are accepted at the Recreation Office Monday through Friday, 8:30 am to 5:00 pm. The Recreation Office is located at the Dept. of Public Service, 1600 N Campbell Road, Royal Oak MI 48067. We accept payment in person by cash, check, Visa, M/C or Discover.

***Due to COVID-19, please call and make sure our office is open.**

Refunds

Refunds will be granted up to one week prior to the start of a class or camp, less a \$5 service fee. Refunds will be granted after the first week of class less a \$10 service fee. **NO REFUNDS WILL BE GRANTED AFTER THE SECOND WEEK OF CLASS. NO REFUNDS ONCE A CAMP HAS STARTED.** No refunds on one-day classes. Allow 3 weeks for refund check. Fees charged on credit cards must be credited back to your credit card, **LESS SERVICE FEES INDICATED**.

NOTE: Children should not accompany their parents to classes designated for adult participants only.

Senior Center classes are open to adults of all ages who are available for daytime activities.

How to Register for Programs Online

www.royaloakrec.com

For additional information, click on "answers to frequently asked questions" on the home page.

**Open Online Registration
May 12**

General Guidelines

If anyone in your family has taken a Recreation or Senior Center class since 2012, your household account may already be set up. Be sure to check for an existing account before attempting to create a new one. If you are not sure, you can call the office to check. You will need to obtain a temporary password (which you should change) from the office to log into an existing account. Your account login is your e-mail address.

If you have never registered for class with Royal Oak Recreation or the Senior Center, you will need to "create a new account" through the website. You cannot register for classes as a "guest".

Online registration will only be available for some programs. You can only register your own family. For transfers, corrections or questions, please call the Recreation Office at 248-246-3180, Monday through Friday, 8:30 am to 5:00 pm.

Low Enrollment

Royal Oak Recreation and the Senior Center reserves the right to cancel classes due to low enrollment. Full refunds will be given if a class/camp is cancelled by Royal Oak Recreation. Please register early so we don't cancel your class!

Insufficient Funds

There will be a \$35 Returned Check Charge to all accounts for checks that are returned by the bank.

 - **Be Proactive**

Live Royal Oak

Drop in either community center Monday through Friday. Pick up our monthly newsletter, *Times*. Start enjoying opportunities for lifelong education, fitness, and leisure activities. Try a great meal at **Tim's Kitchen** (M/M Center) for \$3.50. The staff is committed to working with and for seniors to develop activities and services that support their efforts to remain healthy, active and independent.

Mission Statement:

The City of Royal Oak offers mature adults opportunities for lifelong education, fitness, nutrition and leisure activities. Supportive services that promote independence and quality of life are available for residents who are 62 and over or permanently disabled adults.

The City of Royal Oak's Recreation Department does not discriminate against any program participant or applicant for participation because of actual or perceived race, color, religion, national origin, sex, age, height, weight, condition of pregnancy, marital status, physical or mental limitation, legal source of income, family responsibilities, sexual orientation, gender identity, or HIV status of person, that person's relatives, or that person's associates or for any other reason(s) prohibited by law. The City of Royal Oak will take affirmative action to insure that all practices are free from such discrimination.

Royal Oak Seniors Resource Center

Stop by the Senior Resource Center for brochures from businesses with products and services for older adults. If you are a business owner and would like to display your brochures at the Resource Center, please call (248) 246-3900 for an application form. The fees to display brochures are \$10 monthly or \$100 yearly.

Medical Equipment Loan Closet

Senior Center has walkers, wheelchairs, bath stools and such available for loan. There is no charge to borrow an item, keep them as long as necessary and return clean. Clean, working durable medical equipment donations are also accepted. Please call (248) 246-3900 prior to bringing in equipment.

Rental Information

The use of the Leo Mahany/Harold Meininger Senior Community Center shall be available to nonprofit organizations and groups engaged in educational, cultural, civic or charitable activities or private functions (birthday parties, wedding receptions, baby and wedding showers, graduation parties, etc.). Room set-up and take-down is the responsibility of the requesting organization. Please call (248) 246-3900 for rental fees and room availability.

Royal Oak Senior Center presents

The Grand Experience

September 28 - October 1, 2021

\$908 per person double / \$1178 per person single

\$908 per person triple

\$425 deposit per person due May 7, 2021

Final payment due July 30, 2021

Indulge yourself on this three-day trip at Mackinac Island's legendary **Grand Hotel**! This annual trip has the most repeat travelers of any of our trips. There plenty of activities, tours and contests to keep you busy, or you can just relax and rock on the fabulous front porch. Your cost includes:

- Three nights at the beautiful and historic Grand Hotel (rooms assigned by the luck of the draw)
- Round-trip transportation on a luxury motor coach, to and from the Royal Oak Senior Community Center
- Round-trip ferry to Mackinac Island from Mackinaw City on Star Line
- Horse drawn taxi to and from the Grand Hotel
- Full breakfast each morning, tea and cookies each afternoon, and four-course dinner each evening
- Nightly demitasse
- Nightly dancing with the Grand Hotel Orchestra
- Special champagne reception
- Feature-length movies at night
- Carriage Tour
- Baggage handling, tips and taxes at the Grand Hotel and on the ferries
- Golf at the Jewel Golf Course (\$30/person for nine holes, including cart; register at Hotel)
- Other planned activities include: Golf Putting and Chipping Contests (weather permitting), Bocce Ball Tournament (weather permitting), Bingo, Grand Hotel History lecture, self-guided walks, writing contest, discounts on bike rentals, photos and, of course, fudge!

No refunds after May 7, 2021. If the trip is cancelled by the Senior Center, you will get a full refund. If you cancel before the May 7 deadline, you will get a refund minus a \$15 cancellation fee per person. If you cancel after the deadline and the trip is still on, you will not get a refund unless we are able to fill your spot, in which case all monies paid will be refunded, less \$15 fee. Cancellation Insurance is strongly recommended.

You, your spouse, or your accompanying parent must be 50 or older to attend.

Senior Trips

At this time there are no day trips planned.

With the exception of the Mackinac Grand Experience trip, there are no other Extended or Day Trips planned for the rest of 2021. When we are able to offer any trips, they will be advertised in the *Times*, the Mahany/Meininger Senior Community Center monthly newsletter. The *Times* is available online (romi.gov), via subscription and at the Center's front door.

Summer Lunch and Learn Series

Free lunch from Tim's Kitchen for all whom pre-register and attend a presentation. **Presentation is from 11:30 am to 1:00 pm.** Out of respect for the presenter, please remain for full presentation and silence all phones during workshop. Please, no carry-outs.

If you sign-up for a Lunch and Learn and fail to show up or call to cancel two times in a calendar year, you will not be permitted to sign-up for any Lunch and Learn sessions for the remainder of that year.

Call the Senior Center at 248-246-3900 for more information and latest details on Lunch and Learn Lecture Series.

Friday June 18, 1:00 to 1:45 pm

RSVP for a FREE old Fashioned "Root Beer Float" to go!

Call (248) 246-3900 to register by June 11.

Crochet Creations

Thursdays, 12:15 pm

Join this group for an afternoon of stitching your personal work in progress; pattern discussion; and/or help reading a pattern or learning a new stitch. Beginners are welcome, we will teach you how to crochet. Several times a year, the group jointly creates projects to give back to the community. No charge.

Helping Hands

Tuesdays & Thursdays, 9:30 am

Do you like to knit or crochet? Drop by and become a part of this worthwhile group that makes hats, scarves, lap robes and afghans. Currently working with Beaumont Hospital, Judson Center and local churches and other charitable organizations.

Senior Sew

Tuesdays at 10:00 am

Come join us for a day of hand quilting, machine piecing quilt tops and socialization. If you're new and just getting started, we are happy to help. Bring sewing machine and your project. Drop-ins welcome. No fee.

Sit 'n Knit

Tuesdays, 1:00 - 3:00 pm

Come join in as we knit and visit! Share work in progress, tips and "show and tell" finished projects. A relaxing visit with others who share your love of knitting or a little knitting help. All knitters welcome, beginners and experienced.

"Star-Grabbers"

Amateur Astronomy Club

2nd & 4th Wednesdays, 10:00 am

Bill hosts an amateur astronomy club. His enthusiasm for astronomy compels him to share this interesting hobby and instruct individuals on the use of telescopes. Star Grabbers meet to discuss current astronomical events, view interesting lectures, and share personal viewing experiences.

Focus on the News

1st & 3rd Tuesdays, 10:30 am

Tired of talking back to your TV set? Join a fun and lively discussion of local, national, international and informal news issues. Visitors encouraged. We're always looking for new people.

Foot Doctor

2nd Wednesday, 9:00 - 11:00 am

By appointment only.

Please call for dates.

Dr. Robert Adas will see patients at the Center for your convenience with an office in Huntington Woods. Most services will be covered by insurance. Please pre-register.

Grief Support Group

Hospice of Michigan is sensitive to the ongoing impact of Novel Coronavirus (COVID-19) and the anxiety that you may be feeling. The safety of our patients, families, volunteers, and staff is our priority.

It is also our priority to continue to provide bereavement support to the communities we serve.

While we have suspended our face-to-face support groups, we are pleased to offer several opportunities to join virtual grief support groups to help.

For more information on how to contact Hospice of Michigan virtual support contact the Royal Oak Senior Center outreach department: 248 246 3900

Massage Therapy

By appointment only.

Please call for dates.

Licensed Massage Therapist Heidi provides therapeutic massage using the holistic approach. All of these massages provide benefits; help in reducing muscular and nerve pain and aids relaxation. She provides 35-minute massage sessions for \$30, or 75-minute sessions for \$60. Call the Center for an appointment, 246-3900.

Computer Club

Wednesdays, 12:30 pm

Calling all beginners to experienced computer and tech enthusiasts. All levels are welcome to join our growing club, no membership required, drop in anytime! Guest speakers discuss various tech topics covering computers, cell phones, tablets, smart TVs, etc. There is always time for questions and answers so bring your tech questions. Check the *Senior Times* Newsletter for topics and speakers. Donations accepted.

Creative Coloring for Grown-Ups

1st and 3rd Mondays, 10:30 am

June 7 & 21; July 19; August 2 & 23

\$2.00 drop-in material fee/per class

C1095

Creative Coloring for Grown-ups is coming to Royal Oak Senior Center. Explore the latest coloring craze and make coloring your NEW hobby. Choose from large patterns and designs on professional card stock, that will challenge your brain in fine motor movement and detail. Socialize and connect with other color artists, in a relaxed atmosphere, and create a Masterpiece suitable for framing.

Studies have shown hobbies like coloring:

- Reduce stress and insomnia.
- Improves concentration and eye to hand coordination.
- Boosts self-esteem when your friends and family see your finished results.

Masks required

Wednesdays, 10:30 am

June 2 - July 7 C1034

July 14 - August 18 C1035

Fridays, 10:30 am

June 4 - July 9 C1036

July 16 - August 20 C1037

\$25 / 6 weeks

Improve your aerobic capacity, strength, balance and flexibility, doing a variety of fun exercises to music you will love! This class is designed to work gently but effectively on every area of the body, as well as emphasizing posture, coordination, and fall prevention, in a 45-minute workout. It is appropriate for those who have joint limitations, as well as for anyone who prefers a mostly-seated workout. Wear comfortable clothing and shoes, and bring a water bottle and hand-held weights if you wish. Pre-registration is requested.

Healthy Back Class

Wednesdays, 1:30 pm

June 2 - July 7 C1019

July 14 - August 18 C1020

\$25 / 6 weeks

If you have ever experienced acute or chronic back pain, you are in the majority. This class, based on the YMCA's Way to a Healthy Back, is designed to strengthen and stretch back and core muscles in order to prevent back injuries that can often result from everyday activities; to improve posture; and to increase awareness of body mechanics to promote safety in everyday movements. Class is 45 minutes; please bring a mat and water. Wear comfortable clothing and shoes. Instructor - Cindy Erlandson. Pre-register. Call (248) 246-3900 for more information. Active adults get great results.

Chair Yoga Exercise (DVD)

Mondays, 10:30 am

This session is of a "gentle" nature for those of you who are just starting on a fitness program, or those who must not do strenuous exercise.

Senior Pilates/Core

Body Conditioning

Wednesdays, 8:30 am

June 2 - July 28 No class July 7 C1005

\$36 / 8 weeks

Pilates is a neuro-muscular resistance control method of exercise designed to help develop strong, flexible muscles and better posture. This is a basic class with emphasis on gradual progression and strict body alignment and exercise form. Wear loose comfortable clothes and bring a mat. Connie is certified in YogaFit, TRX Suspension Training, Brains & Balance Past 60 Specialist, and Certified Personal Trainer. Instructor: Connie Bazzi, Workout Connie, Inc.

Silver Foxes

Monday, Tuesday & Friday, 9:30 am

Low impact aerobic classes for the intermediate exerciser. Increases flexibility and works the heart – all to a Richard Simmons video tape. No fee.

Sit Down & Tone Up

Tuesday, 10:30 am

A lively workout without leaving your chair. You'll build strength, stimulate bone growth and improve posture and balance. Work lower body and abs by using your leg's own weight (or bring ankle weights). Work upper body with 1 - 3 lb. weights. Video workout, free!

Tai Chi Basic & Chen Style

Each class includes low-impact aerobics, strength training and stretching. Workout to great music, make new friends, socialize, laugh and have fun! Bring a water bottle and hand-held weights if you have them. Wear tennis shoes and loose, comfortable clothing. Instructor Jo Schirtzinger, from Leisure Unlimited LLC, has been teaching this popular class in Royal Oak since 1994. **Masks are required at all time while in the building and during class.**

Senior Pilates

Tuesdays, 11:45 am - 1:00 pm

June 8 - July 27

SA2302

\$36 / 8 weeks

Tuesdays, 11:45 am - 1:00 pm

August 3 - Sept. 21

SA2301

\$36 / 8 weeks

Pilates is a neuro-muscular resistance control method of exercise designed to help develop strong, flexible muscles and better posture. This is a basic class with emphasis on gradual progression and strict body alignment and exercise form. Wear loose comfortable clothes and bring a mat. Instructor: Cheryl Baugh, ACSM, Certified Fitness Instructor. **Face masks required.**

Yoga

Tuesdays, 1:15 pm

June 8 - July 27

SA2321

August 3 - Sept. 21

SA2320

\$36 / 8 weeks

Yoga is a great way to deal with hypertension, back pain, headaches, stress, depression and even arteriosclerosis. Through a series of movements, postures and breathing techniques, one will increase, strength, flexibility, alignment and balance. Instructor - Cheryl Baugh. Preregister. **Face masks required.**

Royal Oak Senior Essential Services

R.O.S.E.S. is a program providing a variety of supportive services to Royal Oak residents age 62 and over and qualify for subsidy. You must live in your own home - alone, with a spouse, or with a disabled adult child. Seniors living with able-bodied adult children do not qualify for the subsidy assistance. To ascertain household income, please provide your most recent Home Heating Credit or Michigan Homestead Property Tax Credit form. If you live in one of the senior high rises you will need to provide the HUD Tenant Eligibility & Rent Procedures Form. The following subsidy scale will apply:

| Income-One | Income-Two | Rate/ Hour |
|-------------------|-------------------|------------|
| Below \$16,800 | Below \$19,200 | \$3 |
| \$16,801-\$28,000 | \$19,201-\$32,000 | \$5 |
| \$28,001-\$44,800 | \$32,001-\$51,200 | \$7 |

- Home Chores
- Home Repairs
- Personal Care

The City of Royal Oak sponsors this service. Call 248-246-3900, Monday - Friday.

Adjacent Generational Exchange (A.G.E.)

Sponsored by a grant from Beaumont Hospital, the A.G.E. program provides assistance to the frail elderly of Royal Oak, utilizing the talents of volunteers.

Looking for a Few Good Volunteers!

The Senior Center is always looking to introduce new programs. Do you have a few hours of time to spare each month?

Have you recently retired and would like to share your on-the-job experience to help others? Or do you have a skill, a hobby or craft to share? If so, please consider volunteering and enlightening others in our community. Call Carolyn Marsh, Volunteer Coordinator at 248-246-3917.

Aphasia Support Group

Thursdays, 10:00 am - 12 noon

This group is for adults with communication disorders. Gain support from others on your road to recovery. For more information, call Carolyn Marsh, Volunteer Coordinator at (248) 246-3917.

Alzheimer's Caregiver Support Group

Support Group providing opportunity for caregivers to share information and learn from others in a supportive, caring environment. **In-person support is temporarily unavailable.** To find alternative meeting locations contact Alzheimer's foundation 24/7 help line **800-272-3900** or www.alz.org.

The Royal Oak Senior Community Center Outreach department has resources available on caregiving for someone living with Alzheimer's or suffering from memory issues. Call Carolyn Marsh at 248-246-3900.

Deaf Assistance Group

Wednesdays, 9:00 am

We welcome deaf adults for socialization each Wednesday.

Legal Aid

By appointment only.

Do you have a legal issue to resolve, but are not sure you need to engage the services of an attorney? Soren Andersen, Attorney at Law, will provide free 15-minute consultations to senior citizens each month. A fee will be charged for additional services. Call (248) 246-3900 for an appointment and for dates.

Medicare/Medicaid Assistance Program

MMAP counselors are available for assistance in choosing the right health plan for you. For questions regarding Medicare, Medicare Part D prescription plans and Medicaid, call Carolyn Marsh at (248) 246-3900. In-person assistance by appointment only.

Outreach

Our Outreach Administrator is available to help residents aged 62 and over through the sometimes overwhelming process of obtaining needed services. Please call (248) 246-3900 with your concerns about personal care, housing or other independent living requests. An in-home visit to assess needs is available through this service at no cost.

PAL (Positive Attitude Living)

Fridays, 10:30 am

Your attitude determines your life! Join this group to enrich your life and meet new friends. Bring your ideas for positive change to share with the group. Newcomers welcome.

Tim's Kitchen

Enjoy meals, \$3.50, prepared from scratch in the Mahany/Meininger Center kitchen Monday - Friday. Chef Erin Koch's creations are nutritious, filling, and delicious! Call for monthly menus.

- Call (248) 246-3900, at least 1 day in advance to reserve a meal.
- Call to cancel reservations if unable to attend.
- Purchase meal vouchers (5 or 10 meals) at any time. Great gift idea!
- Bus fee is waived if you ride the bus to the Center for lunch!
- Menu subject to change based on availability of food supplies.

Carry-outs available: \$4.00

Must be picked up by 3:00 pm

Meals on Wheels are available to home bound residents unable to travel to the Center. Call Oakland Meals on Wheels at (248) 689-0001 for hot meals delivered daily. The menu for homebound meals differs from the meals served at the Senior Center.

Transportation

This service provided by the City of Royal Oak promotes independence for residents aged 60 or older, and adults who are permanently handicapped. Door-to-door service is available to those with mobility problems who need to be personally escorted to the buses. The driver will assist with bags of groceries. **Call (248) 246-3914**

between the hours of 9:30 am - 12:30 pm to arrange your transportation needs. Call up to two weeks before your appointment so that we may assure you of a ride. All buses are equipped with lifts for the handicapped. Prepaid tickets are available: \$19 /5 round-trip tickets and \$14 / 5 one-way tickets.

The Royal Oak Transportation service is sponsored by the City of Royal Oak; funded by Beaumont Health, SMART Municipal and Community Credit Funds, and rider donations.

Royal Oak

Life Now Playing

Mayor

Michael Fournier

Pat Paruch, Mayor Pro Tem
Sharlan Douglas

City Commission

Kyle DuBuc
Monica Hunt

Brandon Kolo
Melanie Macey

Happy Anniversary to Us!

On Nov. 8, 1921, voters, in the then Village of Royal Oak, went to the polls, adopted a City Charter, elected a mayor and a city commission and Royal Oak was born. The final vote count was 922 'yes' votes to 133 'no' votes.

George Dondero, age 38, was Royal Oak's first mayor. A senior member of the law firm of Dondero & Hoxie, he served as the village attorney 11 years and was the president of the school board. Dondero grew up in Royal Oak. He graduated from Royal Oak High School in 1903 and the Detroit College of Law. He taught school for four years, was a former village clerk (1908-09), village treasurer (1918-19) and assistant prosecuting attorney for Oakland County (1920).

Royal Oak's first city commission included:

- **James Lawson**, 40, partner in Chapman and Lawson, a real estate business. (Lawson Park is named for him.)
- **Gustavas Dondero**, 52, operated a confectionary and bakery on Main Street.
- **J.S. Morrison**, 46, practicing physician in town.
- **W.J. Mulholland**, 36, foreman at the River Rouge foundry, Ford Motor Co.
- **John Heckerd**, 34, owner JL Heckerd Co, a real estate business.
- **J. Frank Codling**, 40, owner of JF Codling Co, jewelers, and clothiers. (Codling would go on to be appointed mayor for one year in 1925.)

You can learn more about the history of Royal Oak, our early leaders, see 'then and now' photos, and more at romi.gov/100.

Share Your Stories and Photos

We are looking for longtime residents to help tell the story of Royal Oak. Do you have a favorite Royal Oak tradition, place, photograph, or person you would like to share with us? You can share your memories at romi.gov/memories or call 248-246-3201.

Our goal is to print all the stories we collect into a book that will be donated to the Royal Oak Public Library History Room.

Royal Oak Becomes a City Exhibit

Royal transformed from a small village to a bustling city in just 40 years. See the ups and downs and the ins and outs of our city's growth from 1921 through the 1950s at the **Royal Oak Historical Society Museum** located at 1411 West Webster. The museum is open Tuesdays, Thursdays, and Saturdays from 1:00 pm to 4:00 pm.

Learn more at royaloakhistoricalsociety.org.

Memorial Trees

Want a great way to honor someone you care about? Grandparents you can plant a tree in a Royal Oak park for your grandchildren and watch them grow together. How can you do this? Consider purchasing a Memorial Tree. Planting and a wooden stand (which will be installed flush to the ground next to the tree) is included with the purchase of your Memorial Tree (you would need to purchase the plaque and install yourself). Please call the Department of Public Service at 248-246-3300 to be added to the spring sale list to receive a form that will be mailed in January. There are several species of trees to choose from and they vary from year to year as does the cost. Memorial Trees are planted in any City park of your choosing, unless the arborist feels it won't survive, then an alternate sight is chosen. What a wonderful way to honor a loved one for years to come.

Reporting Streetlight Outages

The City of Royal Oak continues to work with DTE Energy to expedite the repair and maintenance of streetlight outages, please call the City of Royal Oak Department of Public Service at 248-246-3300, Monday-Friday, 7:30 am - 4:00 pm with the following information:

1. The specific streetlight location (i.e. the nearest cross streets, nearby address, etc.).
2. Whether the pole is wooden or metal.
3. The streetlight pole number (if possible).
4. Details about the outage (i.e. light out, light turns on and off, light stays on during the day, etc.)

Please be aware that DTE policy allows a two-week response time once the problem has been reported to DTE. In cases where a pole has been knocked down or if there is any other emergency, please call DTE Energy at 800-477-4747.

Refuse and Recycling Directory

Department of Public Services (DPS)..... 248-246-3300

(Calls regarding garbage and recycling pickups)

SOCRRA MRF/Drop-off Center 995 Coolidge..... 248-288-5150

Drop-off accepts: All acceptable curbside recyclables; unflattened, unbundled cardboard; automotive and household batteries; paperback and hardcover books; all paper (except carbon); used clothing; screw-off lids/caps; plastic bags (no twine or hard plastic handles; no frozen food bags); styrofoam (no peanuts).

Household Hazardous Waste Disposal & Electronic Recycling

Drop-off at 995 Coolidge: Monday-Friday, 9:00 am - 5:00 pm; Saturday, 7:00 am -1:00 pm

CURRENTLY BY APPOINTMENT ONLY. Visit socrra.org for more information.

Hazardous Waste – To dispose of: automotive products, lawn/garden products, cleaning products, fluorescent light bulbs, insulin syringes (in rigid container), oil-based paint, propane tanks, etc. NOTE: Containers will NOT be returned. NOT ACCEPTED: unlabeled containers with unknown contents, radioactive, explosives or hazardous waste from businesses.

Used Electronics – To recycle computer monitors, CPUs, printers, TVs (no wooden cabinets), radios, phones, cell phones, copy & fax machines, stereos, VCR/CD/DVD players, video game systems, etc. **Residents must remove sensitive or personal information from ALL devices.**

Recyclables – All plastic as long as it is a container; all glass bottles, jars; metal cans/pie tins/empty aerosol cans; newspaper; magazines, catalogs, paper, mail, paperback books, food/beverage/drink/juice boxes, paper cups; phone books; (flattened) corrugated cardboard; paperboard. Place everything loose in recycling bin/toter and set at curb on refuse day before 7:00 am. Material cannot stick out of the tote/bin.

No styrofoam, plastic bags or batteries at curb. These items must be dropped off at SOCRRRA.

Regular Refuse – Put household materials in containers 20 to 32 gallon (maximum size) or in 20 to 30 gallon plastic bags and put at curb by 7:00 am. Cans and bags cannot be over 40 lbs. Containers under 20 gallon will be considered expendable and may be thrown out with the trash. **Yard waste cannot be mixed with trash at any time, due to state law.**

Yard Waste – Picked up curbside from April 1 through third week of December: Separate non-woody material as well as woody yard waste (up to 2" in diameter) from regular refuse and put at curb by 7:00 am in a 32-gallon container with a yard waste decal (decal must face street) or in a paper landscape bag. Containers/bags cannot weigh more than 50 lbs. **Yard waste cannot be mixed with trash at any time.** Plastic bags are not acceptable. Not picked up as either yard waste or trash after third week of December to March 31. Either hold on to until program begins April 1 or call SOCRRRA for disposal (248-288-5150).

Leaf Vacuum Program begins at end-October. Rake leaves into street according to city schedule or put into acceptable containers and set at curb by 7:00 am of refuse day until third week of December. For pick-up schedule, check *Insight*, WROK Cable (Channel 17 or 10) or the city's website at www.romi.gov.

Brush, Tree Trimmings & Shrubs – Tie woody material between 2"-5" in diameter in bundles up to 4' long and 15" in diameter, weighing no more than 40 lbs. each (under 2" SEE YARD WASTE). Set at curb with trash by 7:00 am of refuse day OR contact a private tree company (the city's recommended chipping contractor is JH Hart, 586-795-5581).

Broken Glass – Wrap in heavy paper or place in cardboard box or metal can with lid and mark as broken glass. Put with regular refuse NOT in recycling bin/toter.

Appliances (refrigerator, stove, hot water tank, etc.) – Set at curb on refuse day by 7:00 am. In apartment, cul de sac or dead end street, call DPS the day before your pickup at 248-246-3300. Remove doors on refrigerators and freezers and place to side (state law).

Carpeting & Padding – Roll and securely tie no longer than 4' in length and weighing no more than 40 lbs. per bundle. Set at curb with trash by 7:00 am on refuse day.

Latex Paint – Remove lid and allow to harden or add kitty litter or sand to absorb liquid; set at curb on refuse day with lid removed for pickup with trash. Or chip out dried paint, rinse can and put in recycling with lid removed. Oil-based paint is hazardous, please take to SOCRRRA for disposal. Refer to Hazardous Waste for hours.

Excluded Curbside Items – The following items are **NOT** acceptable for curbside collection: Liquids, radioactive items, flammable products, explosives, infectious materials, asbestos insulation, tires, hazardous waste, engines, transmissions, rear axles, construction items, loose items such as bricks or concrete (even if it's attached to something). These materials must be disposed of privately. See www.socrra.org or call 248-288-5150 for locations, hours, rates and procedures. Limited amounts of construction items from home occupant's personal repair or remodeling are acceptable. However, items cannot be longer than 4' in length, must be bundled and weigh less than 40 lbs. per bundle.

Holiday Refuse Collection – When one of the following holidays (official not observed) falls on a weekday, collection for the remaining days of the week will be delayed one day: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas Day. Refuse collection is not affected for any other holidays or when the above holidays fall on a weekend.

Yard Waste Separation Begins April 1

What is yard waste?

Grass clippings, leaves, spent flowers and garden plants, weeds, pine needles, pine cones, acorns, chestnuts, walnuts, apples, Halloween pumpkins, corn cobs and husks, vines, straw (dry bales less than 40 lbs.), wood chips, woody material up to 2" in diameter and small shrubs (no root balls), untreated, unpainted wood boards with nails removed, sawdust and wood shavings. **All containers must weigh less than 50 lbs.**

How do I prepare yard waste for collection?

Yard waste may be placed in 32-gallon trash cans, clearly marked with a "Yard Waste" sticker facing the street (available at some city offices) or brown paper yard waste bags available at most stores. Containers or bags cannot weigh more than 50 pounds each.

Why must I separate these items?

Yard waste is banned from disposal in Michigan landfills. SOCRRA converts yard waste into compost, a useful nutrient rich soil amendment.

Is yard waste collected year-round?

No, weekly curbside collection is provided from April 1 through the third week of December.

What if I have yard waste when collection isn't provided?

SOCRRA residents can bring yard waste to the SOCRRA Transfer Station at 995 Coolidge Road in Troy at no charge after the third week of December through March 31 - limit 10 bags per day per household. (No contractors or landscapers please).

Brush & Branches

Brush and branches are generally considered to be branches between 2" and 5" in diameter. Small twigs (less than 2" in diameter) are not considered brush and should be placed with yard waste.

What do I do with brush and branches?

Bundle brush and branches securely with twine (bundles no longer than 4 feet in length or 15" in diameter) and place at the curb by 7:00 am of collection day. Bundles cannot weigh more than 40 pounds. Please set bundles so that large end of branches are closest to the street. Bundles will be taken with trash.

What about logs, firewood and lumber?

Logs or firewood must be less than 5" in diameter, cut to 2 foot lengths, bundled securely, weighing less than 40 lbs. per bundle. Logs or firewood over 5" in diameter must be disposed of privately. Lumber (without nails) must be cut to 4 foot lengths or less, bundled, weighing less than 40 lbs. each. Bundles must be next to your trash for collection by 7:00 am.

Dispose of Hazardous Materials Year-Round

Is your basement or garage filled with unwanted chemicals, paints and other hazardous materials? According to the Environmental Protection Agency, the average home can accumulate as much as 100 pounds of HHW (Household Hazardous Waste) in the basement, garage and storage closets!

Drop Off Hours:

Monday - Friday: 9:00 am - 5:00 pm

Saturday: 7:00 am - 1:00 pm

APPOINTMENT REQUIRED.

What is Household Hazardous Waste?

Many common household products can pose a hazard to human health, groundwater and the environment if they are not handled properly for disposal. Placing items such as paint, automotive products, car batteries, pesticides and more in our trash is NOT the most environmentally sound way to get rid of them.

HOUSEHOLD HAZARDOUS WASTE: Items collected through the program include toner and ink jet cartridges, paints, solvents, garden chemicals, household cleaners, insulin syringes (in rigid containers), medications (in unmarked ziploc baggies), most automotive products, large amounts of cooking oil, rechargeable batteries and compact fluorescent light bulbs. Please note: containers should be clearly marked and will NOT be returned. SOCRRA may refuse if containers are unlabeled, radioactive, explosive or from a business. For a complete list, please visit www.socrra.org - **APPOINTMENT REQUIRED.**

ELECTRONIC EQUIPMENT is also collected through this program. SOCRRA accepts computer monitors, CPUs, printers, TVs (no wooden TV cabinets) radios, telephones, cell phones, copy machines, fax machines, stereos, VCR/DVD/CD players. For a complete list please visit www.socrra.org.

Please note: residents must remove sensitive or personal information from ALL devices.

APPOINTMENT REQUIRED.

As a member of SOCRRA, the regional recycling authority, Royal Oak residents may take advantage of these programs offered daily, year-round. The collection site is located at 995 Coolidge (about 1/4 mile north of 14 Mile, across from the Meijer gas station). This program offers residents a convenient and effective means of disposing of those materials that should not be placed in the trash.

Is the water in your home delivered by a lead or galvanized steel service line?

Because ingestion of lead is known to be hazardous to health, the Department of Public Services is committed to finding and removing all lead/galvanized water services connected to the city's water system. In that effort, DPS staff is reviewing its records to determine the material type at each home. Our records, however, only indicate what material was used on the publicly-owned portion of the water line – typically between the property line and the water main. The other section of pipe – often referred to as the 'private side'

of the water service, was installed with the construction of the home and choice of water line materials was that of the contractor and/or homeowner. Our records do not reliably indicate what materials were used on the privately-owned portion. That's where you come in.

If you **know** that the water service pipe coming into your home is made of lead and/or galvanized steel, please tell us about it. And if you'd like to be included in a future replacement project, visit www.romi.gov/gettheleadout to learn about the program and to get on the replacement list.

Lead and/or galvanized service lines will be replaced at no cost to the homeowner.

For more information on reducing exposure to lead from drinking water, visit www.michigan.gov/mileadsafe.

Drinking Water: We Need Your Help

The City of Royal Oak, along with state and federal agencies, has taken extra precautions to protect our water systems. But we need help from residents and business owners to keep our drinking water system safe.

If anyone observes someone tampering with and/or opening a fire hydrant, manhole lid, etc., please call the Department of Public Service immediately at (248) 246-3300, if the incident occurs between 7:30 am and 4:00 pm, Monday through Friday, and the Royal Oak Police Department at (248) 246-3500 any time thereafter.

Our goal is to continue to provide pure and wholesome water to our community. We know that we can do that with your help.

What to Do About Sewer Problems

Residents who experience sewer problems should call the Department of Public Service immediately at (248) 246-3300 during regular working hours (7:30 am - 4:00 pm) Monday - Friday or the Police Department at (248) 246-3500 any other time. A Sewer Department representative will respond to your emergency. If the problem exists in the main sewer line, a City crew will clear the line. If the problem is in the property owner's sewer line, it is the homeowner's responsibility to call either a plumber or a sewer cleaning company. For full details on sewer emergency procedures, consult the City's website at www.romi.gov.

Residential Cross Connection Control Program

The City of Royal Oak is required under Public Act 399, Part 14, to maintain a cross connection control program to identify and eliminate any possible connections that could contaminate the public water system.

To fully comply with this state mandate, the city has contracted with HydroCorp of Troy, MI to assist with facilitating a Cross Connection Control Program.

Inspectors from HydroCorp will be in Royal Oak neighborhoods reviewing exteriors of homes for connections that could possibly contaminate the water distribution system. A typical site visit lasts approximately five minutes and the inspector will be looking at exterior garden hose connections, lawn sprinkler systems, and any other water sources.

There are no fees for the inspection; however, in circumstances where cross connections exist, any costs associated with the replacement, modification, installation and/or testing of backflow prevention assemblies remain the obligation of the homeowner.

The city's website has answers to frequently asked questions regarding the Cross Connection Control Program at www.romi.gov/cccp. Informational brochures may also be picked up at the Royal Oak Public Library and at City Hall.

Additionally, residents may call HydroCorp directly at 1-800-690-6651 or email residential@hydrocorpinc.com. You can visit HydroCorp's website at www.hydrocorpinc.com/resources/faq.

Help Protect Our Environment: Keep Drains Clear of Fat, Oil & Grease (FOG) and Flushable Wipes (FW)

Fat, oil and grease (FOG) and Flushable Wipes (FW) in sewer pipes can create severe pollution and sewer problems in our City. FOG & FW enters sewer pipes through restaurant, residential and commercial drains. Once in the sewer, FOG sticks to the pipes and thickens which can build up and eventually block the entire pipe. FW can easily get stuck on FOG and other items within the sewer pipe compounding the problem. Blockages can send sewage backward – out of manholes into streets, rivers or into homes.

Impact of FOG & FW

Preventing sewer backups from FOG & FW blockages saves residents money and protects the environment. When sewer pipes on private property back up, the homeowner is responsible for the cleanup. If you regularly pour grease or FW down the drain, it will form a blockage in the sewer pipe which then backs up through floor drains, toilets and/or at the lowest point in the house. A plumber will have to be hired to clean the sewer and possibly repair plumbing inside the home.

Sources of FOG

Fat, oil and grease are by-products of cooking found in: food scraps, meat fats, lard, cooking oil, butter, margarine or shortening, etc.

“Flushable” Products

Wet wipes, which are used for everything from wiping babies' bottoms to removing makeup to quick house cleaning are labeled “flushable.” The problem is they’re really not ~ at least not the way toilet paper is. They may be flushable, but they are not biodegradable (like toilet paper) and are clogging sewer systems across the state and country. The phenomenon, which local officials call racking, is causing major clogging problems. All it takes is one wipe to catch on a tree root or any other debris in the sewer system and then wipes or other items pile on each other causing a blockage. If residents think “out of sight, out of mind, it’s not my problem” they are mistaken. If a main sewer line gets dammed by a pile of wipes, then eventually

it will back up into private sewer lines which will cause a back-up in people’s homes.

Unfortunately, the most frequently found items in sewer systems are paper towels/ napkins, baby wipes, feminine hygiene products and household wipes which don’t deteriorate like toilet paper does. The only items that should be flushed is toilet paper and human waste; please throw everything else in the garbage.

Keep Drains Clear by Following These Tips

1. Pour or scrape greasy or oily food waste into a container or jar.
2. Allow grease to cool/freeze in a container before throwing in the trash.
3. Mix liquid vegetable oil with an absorbent material such as cat litter or coffee grounds in a sealable container before throwing in the trash.
4. Keep drains clean by pouring ½ cup baking soda down the drain followed by ½ cup vinegar. Wait 10 – 15 minutes and then rinse with hot water.
5. Do not put any flushable products down the drain, please throw in the trash.

Recycling & Trash Compactors at Park Shelters

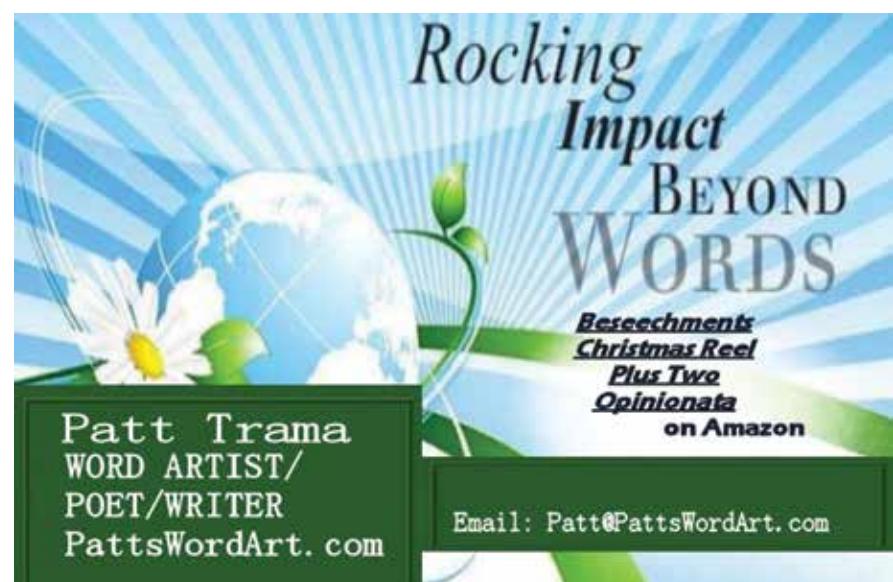

Please put RECYCLING through blue door:

- Empty juice boxes (discard straws & juice pouches)
- All empty plastic bottles
- Clean paper products (paper decorations, boxes, etc.)
- Empty paper & plastic cups & lids (coffee, pop, etc. ~ discard straws)
- All clean aluminum containers
- Pizza boxes without grease or food (discard liners & white pizza saver)
- Plastic veggie & fruit containers
- Wrapping paper (no foil paper, ribbon, bows, etc.)

Please put TRASH through black door:

- All paper & plastic plates
- Styrofoam containers (or take to SOCRRA)
- All silverware, serving utensils, etc.
- Napkins, paper towels
- All food
- Snack food bags (potato chip, etc.)
- Plastic tablecloths
- Plastic bags (or take for recycling)
- Soiled food containers (aluminum, plastic, trays, etc. If clean, can be recycled)
- All straws
- All non-paper decorations

WHEN IN DOUBT THROW IT OUT!
(otherwise it contaminates the load and will be discarded)

FARMERS MARKET

Locally grown produce and plants are in abundance at the Royal Oak Farmers Market. Every Saturday more than 30 Michigan farmers set up their booths offering everything from apples to zucchini. Most are picked within 24 hours of purchase. In addition to produce, there are several vendors selling antibiotic- and hormone-free meats, free range eggs and chicken, cheeses, freshly made salsa, baked goods, and much more. **For more information, please call (248) 246-3276.**

Open All Year!

Farmers & Specialty Food Vendors are at the market

- Fridays, 7:00 am - 1:00 pm, May - Thanksgiving
- Saturdays, 7:00 am - 1:00 pm, All year

Antique & Collectible Vendors are at the market

- Sundays, 8:00 am - 3:00 pm, All year

Calendar of Events at the Market:

May

| | | |
|----|-------|---|
| 12 | Wed | Food Truck Rally (5:00 - 9:00 pm) |
| 20 | Thurs | 5th Annual Greater Detroit Veg Bash Plant-Based Food Festival (3:00 - 9:00 pm) |

June

| | | |
|----|-------|--|

| 12 | Wed | Food Truck Rally (5:00 - 9:00 pm) |
| 14 | Sat | Corn Roast & Country Fair (9:00 am - 1:00 pm) |

City of Royal Oak Home Improvement Program

Loans and forgivable loans are available through the City's Housing Office to help qualified homeowners repair their homes. The Home Improvement Program is intended to maintain and improve the City's neighborhoods by helping low- and moderate-income homeowners make necessary repairs. Eligible applicants must be the owner and occupant of a single-family home in the City of Royal Oak with a household income within the established guidelines.

INSTALLMENT LOANS/FORGIVABLE LOANS: Regular monthly installment loans up to \$40,000 with 0% interest and forgivable loans require applicants to be the owner and occupant of a single-family home with a total household income that does not exceed the following:

| Family Size | Max. Income | Family Size | Max. Income |
|-------------|-------------|-------------|-------------|
| 1 | \$44,000 | 4 | \$62,800 |
| 2 | \$50,250 | 5 | \$67,850 |
| 3 | \$56,550 | 6 | \$72,850 |

DEFERRED LOANS: Homeowners may be eligible for a deferred loan up to \$40,000. These loans have a interest rate of 3%, interest starts when payment begins. The loan becomes due for a period of time as determined by the Loan Committee. Applicants for deferred loans must have a household income that does not exceed the following:

| Family Size | Max. Income | Family Size | Max. Income |
|-------------|-------------|-------------|-------------|
| 1 | \$27,500 | 4 | \$39,250 |
| 2 | \$31,400 | 5 | \$42,400 |
| 3 | \$35,350 | 6 | \$45,500 |

Forgivable loans are available for qualified exterior work up to \$10,000; the income qualification is the same as the installment loan.

The City assists determining the work necessary to selecting a contractor. Applicants are not required to put money down or pay fees usually charged by private lenders. Mortgages and Liens are placed on the property.

Home improvements are to correct health and safety violations, provide for structural preservation, energy conservation or handicapped access. The program is also equipped to address lead-based paint hazards. These are some eligible improvements:

| | |
|--------------|---------------------------|
| ROOF | PLUMBING/SEWER |
| SIDING | FURNACE/ AIR CONDITIONING |
| WINDOWS | ELECTRICAL UPDATE |
| INSULATION | KITCHEN UPDATE |
| PORCH REPAIR | BATHROOM UPDATE |
| DRIVEWAY | BASEMENT WATERPROOFING |

The City maintains a list of qualified general contractors who are responsible for all of the trades involved in residential construction. The program will provide a loan or grant up to the amount of the lowest, viable bid.

For more information call (248) 246-3292 or visit www.romi.gov

Non-English speaking or hearing impaired and disabled persons wishing to arrange translation or interpretive services may inform the City Clerk's Office. The City Clerk may be reached at (248) 246-3050 or (248) 246-3010 for telecommunications device for the Deaf (TDD).

2020 Consumers Annual Report on Water Quality

ATTENTION: This is an important report on water quality and safety

The City of Royal Oak, The Southeastern Oakland County Water Authority (SOCWA) and the Great Lakes Water Authority (GLWA) are proud of the fine drinking water they supply and are honored to provide this report to you. The 2020 Consumers Annual Report on Water Quality shows the sources of our water, lists the results of our tests, and contains important information about water and health. We will notify you immediately if there is ever any reason for concern about our water. We are pleased to show you how we have surpassed water quality standards as mandated by the Environmental Protection Agency (EPA) and the Michigan Department of Environment, Great Lakes, and Energy (EGLE).

About the System

The City of Royal Oak purchases water from the Southeastern Oakland County Water Authority (SOCWA) at thirteen locations. SOCWA provides GLWA water through its member distribution systems to a population of 210,000 within a 56 square mile area. Current members are Berkley, Beverly Hills, Bingham Farms, Birmingham, Clawson, Huntington Woods, Lathrup Village, Pleasant Ridge, Royal Oak, Southfield, and Southfield Township.

Your source water comes from the Detroit River, situated within the Lake St. Clair, Clinton River, Detroit River, Rouge River, Ecorse River, watersheds in the U.S. and parts of the Thames River, Little River, Turkey Creek and Sydenham watersheds in Canada. The Michigan Department of Environmental Quality in partnership with the U.S. Geological Survey, the Detroit Water and Sewerage Department, and the Michigan Public Health Institute performed a source water assessment in 2004 to determine the susceptibility of GLWA's Detroit River source water for potential contamination. The susceptibility rating is based on a seven-tiered scale and ranges from very low to very high determined primarily using geologic sensitivity, water chemistry, and potential contaminant sources. The report described GLWA's Detroit river intakes as highly susceptible to potential contamination. However, all four GLWA water treatment

plants that service the city of Detroit and draw water from the Detroit River have historically provided satisfactory treatment and meet drinking water standards.

GLWA has initiated source-water protection activities that include chemical containment, spill response, and a mercury reduction program. GLWA participates in the National Pollutant Discharge Elimination System permit discharge program and has an emergency response management plan. In 2016, the Michigan Department of Environmental, Great Lakes and Energy approved GLWA's Surface Water Intake Protection plan for the Belle Isle intake. The plan has seven elements that include: roles and duties of government units and water supply agencies, delineation of a source water protection areas, identifica-

tion of potential sources of contamination, management approaches for protection, contingency plans, siting of new water sources, public participation, and public education activities. GLWA is in the process of updating the plan which should be completed by September 2021. If you would like to know more information about the Source Water Assessment report please, contact GLWA at (313) 926-8102.

And/or

Your source water comes from the lower Lake Huron watershed. The watershed includes numerous short, seasonal streams that drain to Lake Huron. The Michigan Department of Environmental Quality in partnership with the U.S. Geological Survey, the Detroit Water

| Key to the Detected Contaminants Tables | | |
|---|--|--|
| Symbol | Abbreviation for | Definition/Explanation |
| AL | Action Level | The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow. |
| °C | Celsius | A scale of temperature in which water freezes at 0° and boils at 100° under standard conditions. |
| > | Greater than | |
| HAA5 | Haloacetic acids | HAA5 is the total of bromoacetic, chloroacetic, di-bromoacetic, dichloroacetic, and trichloroacetic acids. Compliance is based on the total. |
| Level 1 | Level 1 Assessment | A Level 1 assessment is a study of the water system to identify potential problems and determine (if possible) why total coliform bacteria have been found in the water system. |
| LRAA | Locational Running Annual Average | The average of analytical results for samples at a particular monitoring location during the previous four quarters. |
| MCL | Maximum Contaminant Level | The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology. |
| MCLG | Maximum Contaminant Level Goal | The level of contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow a margin of safety. |
| MRDL | Maximum Residual Disinfectant Level | The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants. |
| MRDLG | Maximum Residual Disinfectant Level Goal | The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants. |
| n/a | Not applicable | |
| ND | Not Detected | |
| NTU | Nephelometric Turbidity Units | Measures the cloudiness of water. |
| pCi/L | Picocuries per Liter | A measure of radioactivity. |
| ppb | Parts per billion (one in one billion) | The ppb is equivalent to micrograms per liter. A microgram = 1/1000 milligram. |
| ppm | Parts per million (one in one million) | The ppm is equivalent to milligrams per liter. A milligram = 1/1000 gram. |
| RAA | Running Annual Average | The average of analytical results for all samples during the previous four quarters. |
| SMCL | Secondary Maximum Containment Level | |
| TT | Treatment Technique | A required process intended to reduce the level of a contaminant in drinking water. |
| TTHM | Total Trihalomethanes | Total Trihalomethanes is the sum of chloroform, bromodichloromethane, dibromochloromethane and bromoform. Compliance is based on the total. |
| µmhos | Microohms | Measure of electrical conductance of water. |

City of Royal Oak 2020 Report on Water Quality

| 2020 Springwells Regulated Detected Contaminants Table | | | | | | | | | | | | | | |
|---|---|--|-------------------|--------------------|-------------------------------|---------------------------------|------------------|---|--|--|--|--|--|--|
| 2020 Inorganic Chemicals - Monitoring at Plant Finished Water Tap | | | | | | | | | | | | | | |
| Regulated Contaminant | Test Date | Unit | Health Goal MCLG | Allowed Level MCL | Highest Level Detected | Range of Detection | Violation yes/no | Major Sources in Drinking Water | | | | | | |
| Fluoride | 3-10-20 | ppm | 4 | 4 | 0.63 | n/a | No | Erosion of natural deposits; Water additive, which promotes strong teeth; Discharge from fertilizer and aluminum factories. | | | | | | |
| Nitrate | 3-10-20 | ppm | 10 | 10 | 0.37 | n/a | No | Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits. | | | | | | |
| Barium | 5-16-17 | ppm | 2 | 2 | 0.01 | n/a | No | Discharge of drilling wastes; Discharge from metal refineries; Erosion of natural deposits | | | | | | |
| 2020 Disinfectant Residual - Monitoring in Distribution System | | | | | | | | | | | | | | |
| Regulated Contaminant | Test Date | Unit | Health Goal MRDGL | Allowed Level MRDL | Highest RAA | Quarterly Range of Detection | Violation yes/no | Major Sources in Drinking Water | | | | | | |
| Total Chlorine Residual | 2020 | ppm | 4 | 4 | 0.70 | 0.60-0.79 | No | Water additive used to control microbes | | | | | | |
| 2020 Turbidity - Monitored every 4 hours at Plant Finished Water Tap | | | | | | | | | | | | | | |
| Highest Single Measurement Cannot exceed 1 NTU | | Lowest Monthly % of Samples Meeting Turbidity Limit of 0.3 NTU (minimum 95%) | | | Violation Yes/No | Major Sources in Drinking Water | | | | | | | | |
| 0.21 NTU | | 100% | | | No | Soil Runoff | | | | | | | | |
| Turbidity has no health effects. However, turbidity can interfere with disinfection and provide a medium for microbial growth. Turbidity may indicate the presence of disease-causing organisms. These organisms include bacteria, viruses, and parasites that can cause symptoms such as nausea, cramps, diarrhea, and associated headaches. | | | | | | | | | | | | | | |
| Regulated Contaminant | Treatment Technique | | | | Typical Source of Contaminant | | | | | | | | | |
| Total Organic Carbon (ppm) | The Total Organic Carbon (TOC) removal ratio is calculated as the ratio between the actual TOC removal and the TOC removal requirements. The TOC is measured each quarter and because the level was low, there is no requirement for TOC removal. | | | | Erosion of natural deposits | | | | | | | | | |
| 2020 Special Monitoring | | | | | | | | | | | | | | |
| Contaminant | Test Date | Unit | MCLG | MCL | Highest Level Detected | Source of Contaminant | | | | | | | | |
| Sodium | 3-10-2020 | ppm | n/a | n/a | 5.37 | Erosion of natural deposits | | | | | | | | |

These tables are based on tests conducted by GLWA in the year 2020 or the most recent testing done within the last five calendar years. GLWA conducts tests throughout the year only tests that show the presence of a substance or require special monitoring are presented in these tables. The State allows us to monitor for certain contaminants less than once per year because the concentrations of these contaminants are not expected to vary significantly from year to year. All of the data is representative of the water quality, but some are more than one year old.

About the System continued from page 27

and Sewerage Department, and the Michigan Public Health Institute performed a source water assessment in 2004 to determine the susceptibility of potential contamination.

The susceptibility rating is a seven-tiered scale ranging from "very low" to "very high" based primarily on geologic sensitivity, water chemistry, and contaminant sources. The Lake Huron source water intake is categorized as having a moderately low susceptibility to potential contaminant sources. The Lake Huron water treatment plant has historically provided satisfactory treatment of this source water to meet drinking water standards.

In 2016, the Michigan Department of Environmental, Great Lakes and Energy approved GLWA's Surface Water Intake Protection plans for the Lake Huron water intake. The plan has seven elements: roles and duties of government units and water supply agencies, delineation of a source water protection areas, identification of potential sources of contamination, management approaches for protection, contingency plans, siting of new water sources, public participation and public education activities. GLWA is in the process of updating the plan which should be completed by September 2021. If you would like to know more information about the Source Water Assessment report please, contact GLWA at (313) 926-8102.

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline at (800) 426-4791.

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive materials, and can pick up substances resulting from the presence of animals or from human activity.

| Temperature | °C | 24.6 | 3.5 | 13.4 |

Contaminants that may be present in source water include:

- **Microbial contaminants**, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- **Inorganic contaminants**, such as salts and metals, which can be naturally-occurring or result from urban storm water runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- **Pesticides and herbicides**, which may come from a variety of sources such as agriculture, urban storm water runoff, and residential uses.
- **Organic chemical contaminants**, including synthetic and volatile organics, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban storm water runoff and septic systems.
- **Radioactive contaminants**, which can be naturally occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA prescribes regulations, which limit the amount of certain contaminants in water provided by public water systems. The Food and Drug Administration (FDA) regulations establish limits for contaminants in bottled water, which must provide the same protection for public health.

Important Health Information

Lead

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. The City of Royal Oak is responsible for providing high quality drinking water but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using the water for drinking or cooking. If you have a lead service line it

Important Health Information continued from page 29

is recommended that you run your water for 5 minutes to flush water from both your home plumbing and the lead service line. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the **Safe Drinking Water Hotline (800) 462-4791** or at www.epa.gov/safewater/lead.

Infants and children who drink water containing lead could experience delays in their physical or mental development. Children could show slight deficits in attention span and learning abilities. Adults who drink this water over many years could develop kidney problems or high blood pressure.

People with Special Health Concerns

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the **Safe Drinking Water Hotline at (800) 426-4791**.

| Halocyclic Acids (HAA5) | 2020 | ppb | n/a | 60 | 19 | 15-24 | No | By-product of drinking water disinfection. |

| 2020 Lead and Copper Monitoring at Customer's Tap (sampling period January 1 through June 30, 2020) | | | | | | | | | | |
|---|-----------|-------|------------------|-----------------|------------------------|---------------------------|-------------------------------------|------------------|--|--|
| Regulated Contaminant | Test Date | Units | Health Goal MCLG | Action Level AL | 90th Percentile Value* | Number of Samples over AL | Range of Individual Samples Results | Violation Yes/No | Major Sources in Drinking Water | |
| Lead | 2020 | ppb | 0 | 15 | 15 | 7 | 0-27 | No | Lead service lines, corrosion of household plumbing including fittings and fixtures; erosion of natural deposits | |
| Copper | 2020 | ppm | 1.3 | 1.3 | 0.3 | 0 | 0.0-0.5 | No | Corrosion of household plumbing system; erosion of natural deposits; leaching from wood preservatives. | |

| 2020 Lead and Copper Monitoring at Customer's Tap (sampling period July 1 through December 31, 2020) | | | | | | | | | | |
|--|-----------|-------|------------------|-----------------|------------------------|---------------------------|-------------------------------------|------------------|--|--|
| Regulated Contaminant | Test Date | Units | Health Goal MCLG | Action Level AL | 90th Percentile Value* | Number of Samples over AL | Range of Individual Samples Results | Violation Yes/No | Major Sources in Drinking Water | |
| Lead | 2020 | ppb | 0 | 15 | 12 | 3 | 0-33 | No | Lead service lines, corrosion of household plumbing including fittings and fixtures; erosion of natural deposits | |
| Copper | 2019 | ppm | 1.3 | 1.3 | 0.2 | 0 | 0.0-0.5 | No | Corrosion of household plumbing system; erosion of natural deposits; leaching from wood preservatives. | |

* The 90th percentile value means 90 percent of the homes tested have lead and copper levels below the given 90th percentile value.
If the 90th percentile value is above the AL additional requirements must be met.

| Number of Water Service Connections by Service Line Material | | |
|--|---|-------------------------------|
| Number of Lead Service Lines | Number of Service Lines of Unknown Material | Total Number of Service Lines |
| 820 | 3885 | 23,555 |

Fourth Unregulated Contaminant Monitoring Rule (UCMR4)

The UCMR program provides the EPA and other interested parties with nationally representative data on the occurrence of particular contaminants in drinking water, the number of people potentially being exposed and an estimate of the levels of that exposure. In accordance with SDWA, EPA will consider the occurrence data from UCMR4 and other sources, along with the peer reviewed health effects assessments, to support a regulatory determination on whether to initiate the process to develop a national primary drinking water regulation.

The table lists the minimum reporting level, level detected, average and range of each contaminant detected. Detection levels are in micrograms per Liter (1 μ g/L = 1 ppb).

| Contaminant | Minimum Reporting Level μ g/L | Level Detected | AVG | Range |
|-------------|-----------------------------------|----------------|-------|---------------|
| Manganese | 0.4 | 0.056 | NA | NA |
| HAA5 | NA | NA | 16.49 | 11.4 - 21.21 |
| HAA6Br | NA | NA | 8.15 | 4.96 - 10.02 |
| HAA9 | NA | NA | 23.7 | 16.36 - 28.52 |

2020 GLWA Cryptosporidium Giardia Statement:

GLWA voluntarily monitors our source water for the presence of Cryptosporidium and Giardia in 2020. The presence of Cryptosporidium and Giardia were detected in the source water at the Belle Isle Detroit River Intake serving Water Works Park, Springwells and the Northeast treatment plants. Cryptosporidium was detected once in March and Giardia once in April. All other samples monitored in 2020 were absent for the presence of Cryptosporidium and Giardia. Current test methods do not enable us to determine if these organisms are dead or if they are capable of causing disease. Symptoms of infection include nausea, diarrhea, and abdominal cramps. Most healthy individuals are able to overcome the disease within a few weeks. However, immuno-compromised people have more difficulty and are at greater risk of developing severe, life threatening illness. Immuno-compromised individuals are encouraged to consult their doctor regarding appropriate precautions to take to prevent infection. Cryptosporidium must be ingested for it to cause disease and may be passed through other means than drinking water. Surface water treatment systems like GLWA must provide treatment so that 99.9% Giardia is removed or inactivated.

Help Make Royal Oak Age-Friendly

YOU CAN MAKE A DIFFERENCE

Do you have knowledge or ideas in these topics?

- Communication and information
- Outdoor spaces and buildings
- Housing
- Transportation
- Health and support services
- Respect, inclusion and volunteering

Sign up to share your expertise for an age-friendly future Royal Oak

In a series of meetings, work groups will review research results, learn what services and programs already exist and create short- and long-term solutions to meet the needs of our aging population.

Royal Oak Aging in Place Task Force

To participate, call 248-246-3915 or sign up at this link:

2021 Summer Reading Program Opening Day!

Join the Royal Oak Public Library at **Starr Jaycee Park on Saturday, June 19, 10:00 AM - 12:00 PM** for an action-packed, fun-filled free event that launches our **2021 Summer Reading Program: Tails & Tales**!

No registration required for Opening Day.

Featured Youth Programs

Creature Feature with Dan Briere

Join **Dan Briere** of the Little Creatures Co. on **Tuesday, June 22 at 7:00 PM** and check out some of his interesting animals from around the world!

Teen Basic Cartooning with Corinne Roberts

On **Thursday, June 24 at 7:00 PM** teens will learn to use basic shape construction and line drawing techniques to create characters and scenery. No prior drawing experience needed. Program supplies are provided with registration.

Makerspace Fridays!

This summer we're launching our first virtual Makerspace programs made possible in part by the National Endowment for the Arts grant that was awarded to the library. The programs are scheduled for **six Fridays, June 25 - July 30 at 2:00 PM** throughout Summer Reading! Each week will focus on different supplies and mediums to inspire creative exploration for kids and teens from ages 3 to 18!

Featured Adult Programs

Animal Communications 101

On **Tuesday, June 15 at 7:00 PM**, join animal communicator **Leslie Cirinesi** to learn what animal communication is, how it works, how she started down this path and what it is like to be an animal communicator.

The Michigan Dogman

Join author and cryptozoologist researcher, **Shetan Noir**, on **Wednesday, July 28 at 7:00 PM** as she discusses information about the legendary, canine-like Michigan Dogman.

Animal Assisted Therapy

On **Thursday, July 29 at 7:00 PM**, social worker, **Janel Wetzel** will discuss Animal Assisted Therapy (AAT), a therapeutic intervention used in collaboration with traditional talk therapy. Having a furry friend in the session has many scientifically proven benefits, especially for individuals who have PTSD or those who have experienced trauma.
