

Approval of Guidehouse Financial Consulting Services Proposal

June 21, 2021

The Honorable Mayor Fournier and
Members of the City Commission:

On March 11, 2021, the American Rescue Plan Act (ARPA) was signed into law by President Joseph Biden. Under ARPA, Royal Oak will receive a direct allocation of \$28,107,502.00. There are four broad eligible uses for these monies identified in the statute:

1. To respond to the COVID-19 public health emergency and its negative impacts;
2. To provide premium pay for essential workers;
3. To provide government services to the extent of eligible governments' revenue losses; and
4. To make necessary water, sewer, and broadband infrastructure investments.

The statute also clarifies two types of uses which do not fall within these four categories:

1. Depositing funds into any pension fund; and
2. Directly or indirectly offsetting tax cuts

On June 17, 2021, Royal Oak received its first deposit of ARPA fiscal recovery funds in the amount of \$14,053,751. All funds must be obligated by December 31, 2024. It is anticipated the final expenditure deadline will be December 31, 2026, but this date awaits further clarification from the department of treasury.

Given this timeline, the large amount of federal funds the city is receiving, and the monitoring and compliance requirements established by ARPA, city staff is recommending entering into an agreement with Guidehouse Inc., a leading global provider of financial consulting services and federal disaster cost recovery services, to assist Royal Oak with the administration of its ARPA funds. Guidehouse is currently assisting Wayne County, Oakland County, the City of Detroit, and the State of Michigan with COVID-19 federal program compliance and monitoring. Staff believes that Guidehouse's relationship with the state and Oakland County will also have the added benefit of positioning the city to maximize the impact of its funds and to avoid duplication of programs and services established elsewhere.

Since Guidehouse is currently engaged with Oakland County, the city can sign on to the Oakland County Fiscal Consulting Services Agreement (Attachment 1) as part of its Cooperative contract program, and the same terms, conditions and pricing negotiated by the county would apply. The contract period would be for one year, with options for an additional two one-year extensions. Guidehouse's services would include, but not be limited to, the following:

- Assist in administering federal ARPA monies;
- Provide project reports;
- Project accounting, auditing and budgeting;
- Financial forecasting;
- Schedule and conduct/assist in internal meetings with city staff, schedule and conduct

workshop meetings with the city commission, and schedule and conduct external meetings with the public and community stakeholders.

If the city commission agrees with this course of action, city staff's next steps would be to discuss and execute a statement of work (SOW) with Guidehouse that makes sense for the city's needs and requested deliverables related to ARPA and any other funding sources. For each project and program established by the city under ARPA, the city will issue a SOW that will identify the deliverables, time of services needed, specific response information required, work performance evaluation, and payment criteria. Payment will be based on the hourly rates submitted (see page 34 of Attachment 1 for Guidehouse's rate sheet table) with a not to exceed amount stated for each project. To expedite the issuance of a purchase order, city staff is recommending at this time a purchase order in the amount of 1 ½ percent of the city's total ARPA allocation, or \$421,612.53.

Funding for Guidehouse's services to assist with managing and administering Royal Oak's ARPA allocation is an eligible ARPA expense. For more information about Guidehouse, its response to Oakland County's original request for proposals (dated March 12, 2021) has been included (Attachment 2).

The following resolution is recommended for approval:

Be it resolved, the Royal Oak City Commission hereby approves entering into an agreement with Guidehouse Inc. for financial consulting services under the same terms, conditions, and pricing negotiated by Oakland County as part of its cooperative contract program, subject to final review by the city attorney; and

Be it finally resolved, the city commission directs staff to issue a purchase order in the amount of \$421,612.53.

Respectfully submitted,
Todd E. Fenton
Economic Development Manager

- 5.5. **Not to Exceed Amount.** The amount due and owing to Contractor, under this Contract, shall not exceed the “Not to Exceed Amount.” If Contractor can reasonably foresee that the total financial obligation for the Contract will exceed the “Not to Exceed Amount,” then Contractor shall provide Purchasing with notice of this fact at least ten (10) Days before this event.

8.1 Financial Stability

1.0 Guidehouse Financial Resources Statement

1.1 *Organization and nature of business*

Guidehouse Holding Corporation (collectively with its subsidiaries, "Guidehouse" or the "Company") is a wholly owned subsidiary of Guidehouse Holdings LLC (the "Parent Entity"). Guidehouse Holdings LLC ("Holdings") is owned principally by investment fund entities affiliated with Veritas Capital ("Veritas") and by Guidehouse Management Holdings LLC ("Management Holdings"). Guidehouse was incorporated in the state of Delaware on February 8, 2018.

Guidehouse helps commercial and public clients address their most important challenges with innovative solutions that advance conventional thinking and create value for their stakeholders, build trust in society and shape a new future.

On May 1, 2018, Guidehouse acquired 100% of the equity interests (the "Transaction") in PricewaterhouseCoopers Public Sector LLP ("PwC Public Sector"). The Company had no operations prior to the Transaction and the Parent Entity has no operations other than its ownership of the Company.

On October 11, 2019, Guidehouse acquired 100% equity interest of Navigant Consulting, Inc. ("Navigant"). Navigant is a specialized, global professional services firm that primarily serves clients in the healthcare, energy and financial services industries across a range of advisory, consulting, outsourcing and technology/analytics services in the United States ("U.S.") and internationally.

Historically, Guidehouse's fiscal year ended on June 30. However, Guidehouse changed its fiscal year-end to December 31, beginning on December 31, 2019.

Guidehouse has offices in various cities within the U.S., Europe, the Middle East and Asia. Guidehouse's customers are primarily located in the United States ("U.S.") and are substantially comprised of major U.S. Government entities, as well as commercial clients including healthcare providers and payers, utility and energy companies, and financial institutions. Guidehouse derived approximately 56% of its revenues from the U.S. Government (including approximately 31% from the U.S. Department of Defense).

Guidehouse has the following subsidiaries: Guidehouse LLP, Guidehouse Holdings 2 LLC, Guidehouse Services LLC, Guidehouse International LLC, Guidehouse Tanzania LLC, Navigant Consulting, Inc., Navigant Cymetrix Corporation, Health Systems Solutions LLC and Navigant Europe Limited. The Company wholly owns these subsidiaries, except for Health Systems Solutions LLC, which the Company owns 60 percent financial and controlling interest of.

As a private company, our policy is to strictly refrain from issuing financial statements or any detailed financial information to external parties.

Guidehouse has the necessary financial capacity, working capital, and other resources to perform this contract without assistance from any outside sources.

1.2 *Financial Statement Information*

Attachment 2

After this stub period, Guidehouse will subsequently operate on a fiscal year from January through December. There are no current borrowings under the revolving credit facility. The Company's liquidity is adequate to support the working capital requirements of substantial new customer contracts.

1.4 Audit Conducted in Accordance with OMB A-133 or OMB A-21

Guidehouse has not been subject to audits conducted in accordance with OMB A-133 or OMB A-21 and therefore, this is not applicable.

1.5 Lines of Credit with Lending Institutions

Eton Holdings in conjunction with the October 11, 2019 debt syndication received credit ratings with Moody's/Standard & Poors of B2/B-, respectively. Below shows the letter from Royal Bank of Canada validates the current status of Guidehouse's banking relationship and credit facility, which further substantiates that Guidehouse has the financial capability to support the estimated yearly amount of the contract.

Re: Guidehouse LLP ("Guidehouse")

To whom it may concern:

At the request of Mr. Ali Izadpanah, Treasurer for Guidehouse, we provide this letter regarding Royal Bank of Canada's ("Royal Bank") banking relationship with Guidehouse.

As of the date of this letter, RBC has a banking relationship with Guidehouse in good standing which began in May 2018. RBC, on its own and as agent for a group of lender institutions, makes available to Guidehouse a multi-year committed borrowing facility for operating requirements. This credit facility size is in the low nine-figure dollar range and is unutilized as of today. Guidehouse has met all of its obligations in connection with the borrowing facility and with our banking relationship generally. We hold the senior management of Guidehouse in high regard.

Please be advised that these representations are as of the date hereof and Royal Bank in no way bears any responsibility to update this letter beyond this date.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "RCS".
