Albert, Merrill, Parker, Warick, Trafford

Dear Resident,

Royal Oak is seeking your input regarding traffic issues in your neighborhood. Over the past several years, we have heard complaints about speeding and cut-through traffic on Albert Avenue, Merrill Avenue, Parker Drive, Warick Road and Trafford Road.

We have prepared several options for your consideration, and the city commission wants your feedback before deciding what to do! Please complete this **5-minute** survey online and respond only once for your household. If you do not have access to a computer, please call us for alternate arrangements.

Survey Link: www.romi.gov/AMPWT

The survey will be closed on February 15, 2021, and the results will be presented at the March 23, 2021 traffic committee meeting. Meeting information will be posted on the city's website in March.

We look forward to your response.

Sincerely,

Holly J. Donoghue, P.E.
City Engineer
