

Royal Oak  
**MASTER PLAN**

# MASTER PLAN PUBLIC ENGAGEMENT

Join the City of Royal Oak during a week-long charrette from May 15 - 20th!

Charrettes are workshops that consist of intense design and public engagement, during which future plans are drafted with stakeholder input and review.

The master plan process thus far has consisted of listening to stakeholders, analyzing current conditions, and studying previous planning efforts. The charrette is the first step in creating plans for the future, in partnership with the community. Please join us to provide your input!

Please visit [planroyaloak.com](http://planroyaloak.com) for details on the scheduled public presentations and stakeholder meetings. These activities will be recorded for those not able to participate. For reasonable accommodation requests, email [joem@romi.gov](mailto:joem@romi.gov) or call (248) 246-3285.
