They'll Always Remember . . .

While reminiscing about the year that has gone rushing by, one thinks not of the school, but of the people in it. Remembering the days people were able to laugh away the hours, dreaming of all the great things they would do, shows a strong relationship between the student and the school.

Disregarding the reality of these dreams, the thought that they were able to share them with fellow students is enough to spark a vivid remembrance of the past.

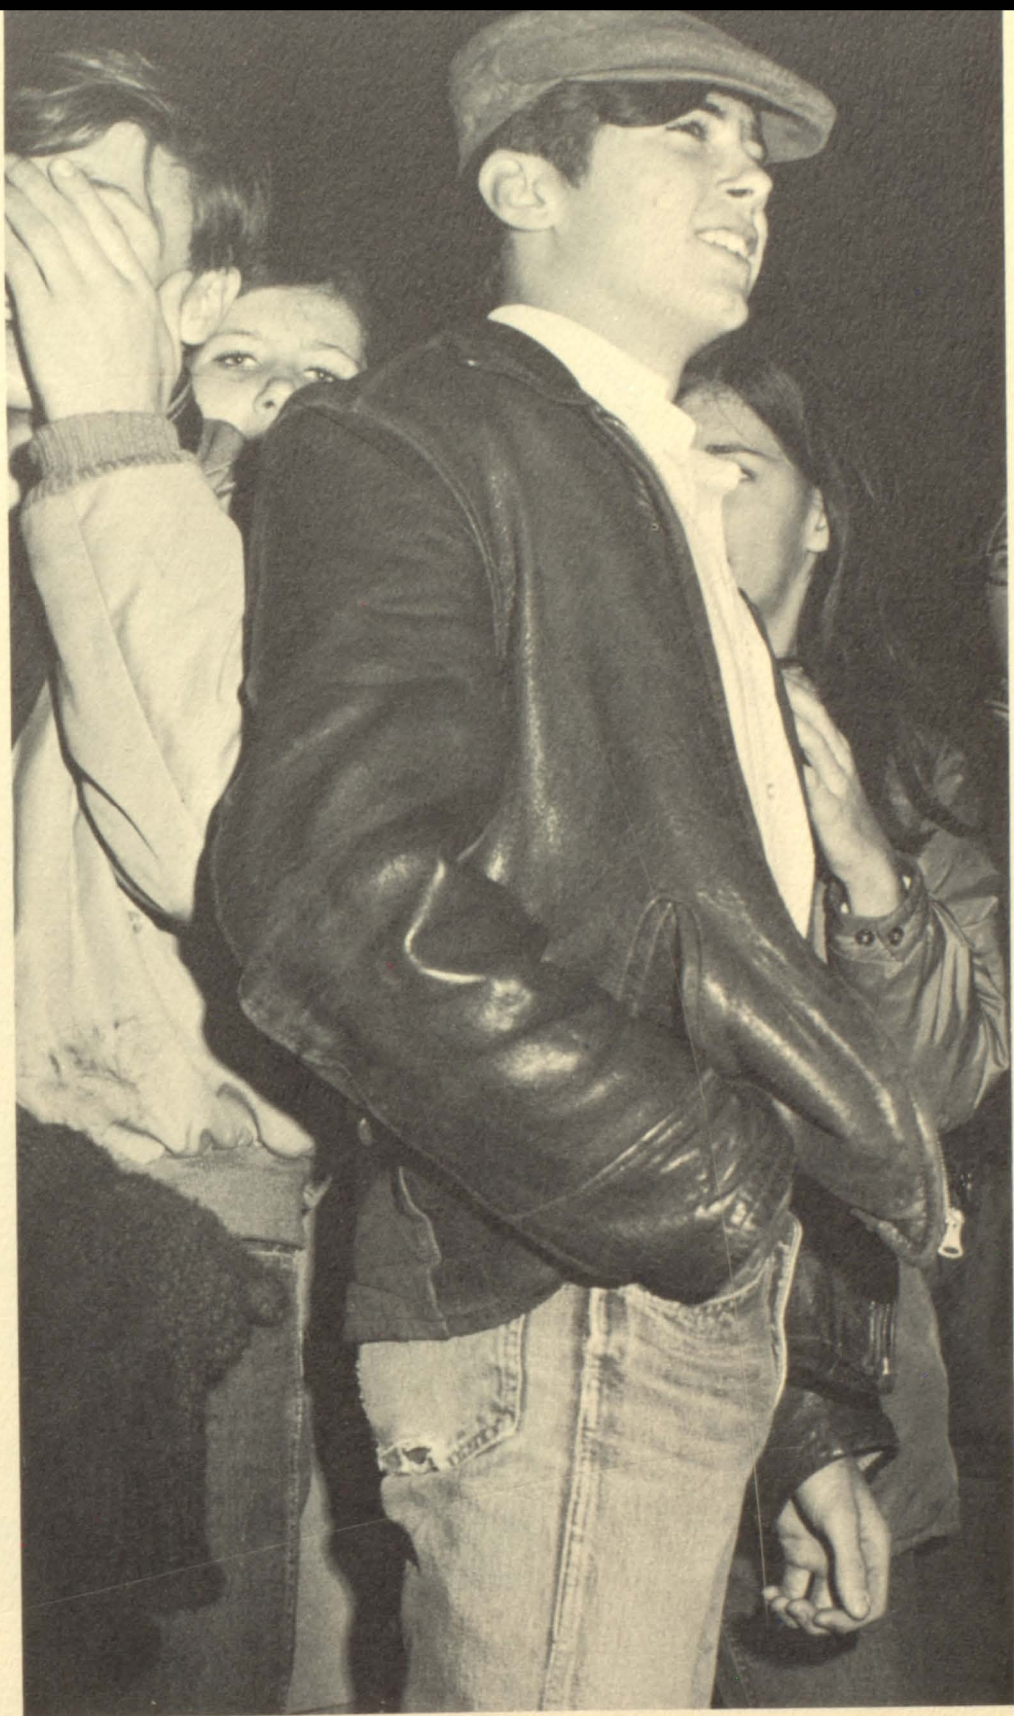

Their Class Time Hours

When considering the people and the experiences which made up the school year, one always thinks about the classroom. Because the students spent so much time in the classroom, the new methods of teaching showed increased student interest.

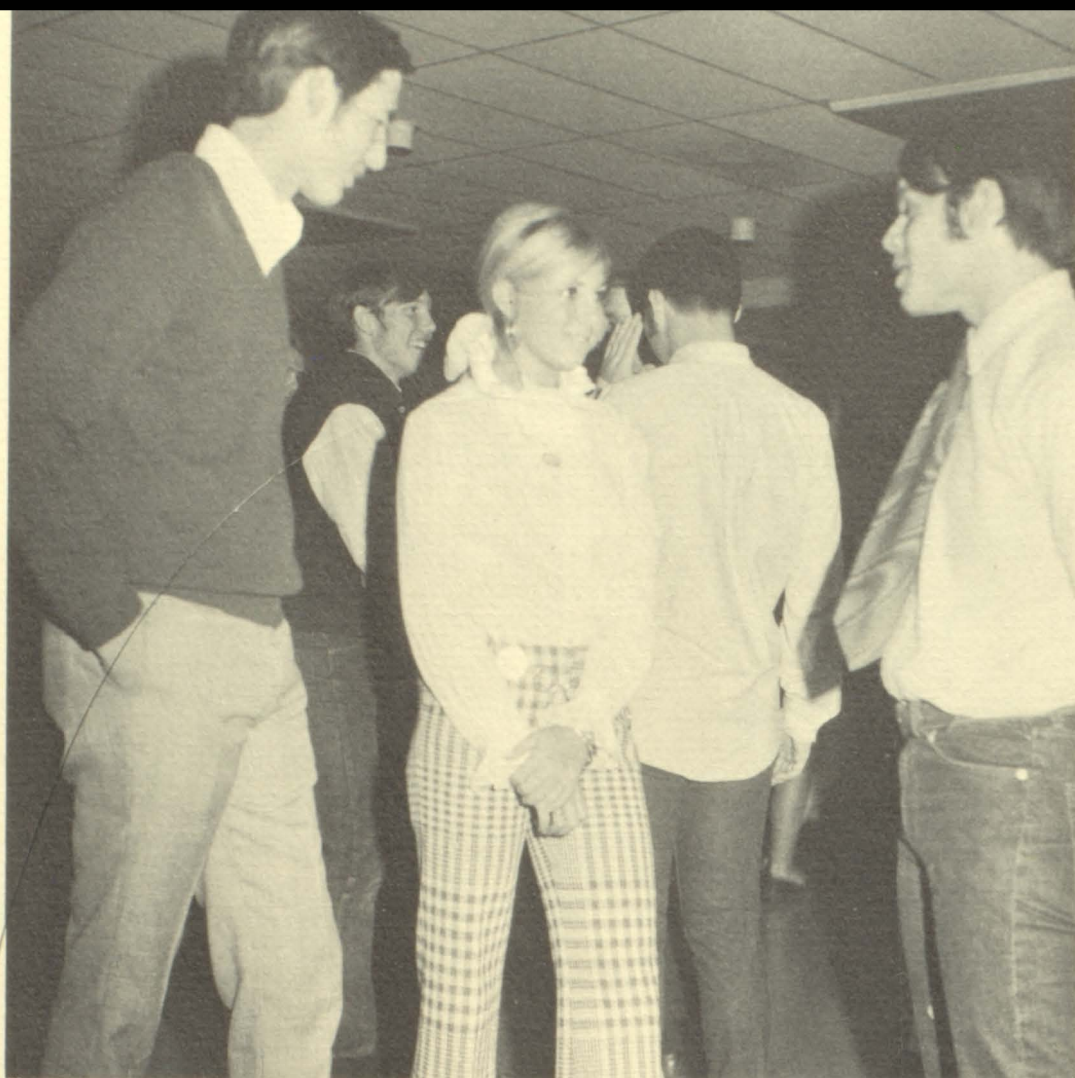

Although teachers have also experienced the rush of busy years in the classroom, they still return, hoping to diversify their interests as well as improving ours.

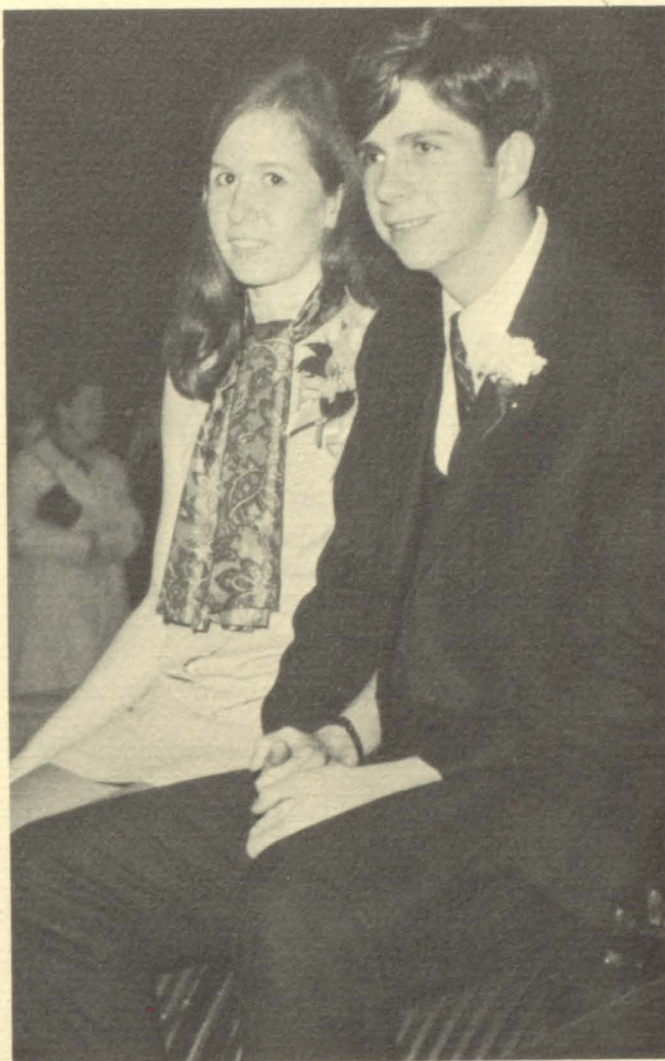

Though we thought these day would never end, we learned through experience to cast aside preconceptions and attempted to understand the future.

After School, Spirit Flourished . . .

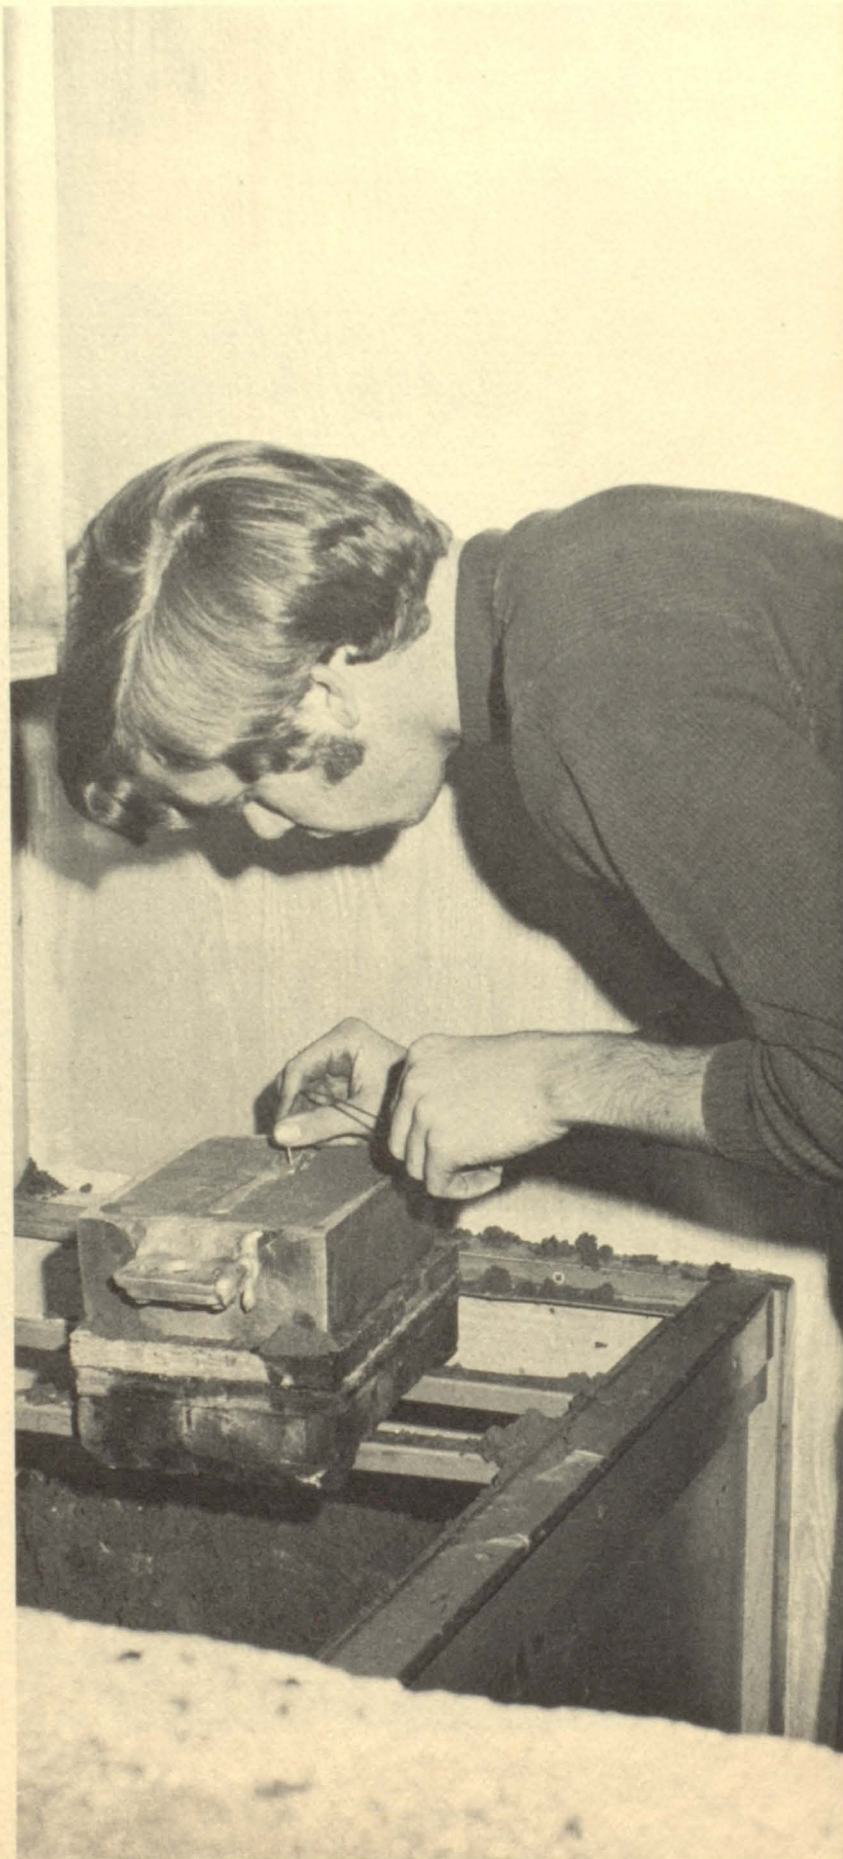

In Both Victory and Defeat

One of the final outpourings of spirit by the Dondero student is the time he invested in after school activities.

It was the student who developed the idea of how we'd fight and never lose, and if we did lose, we'd drown our sorrows with hopes for the future.

Aside from sports; clubs, dances, and sales all contributed to those memorable days.

And Dreamed of All the Great Things We

Would Do

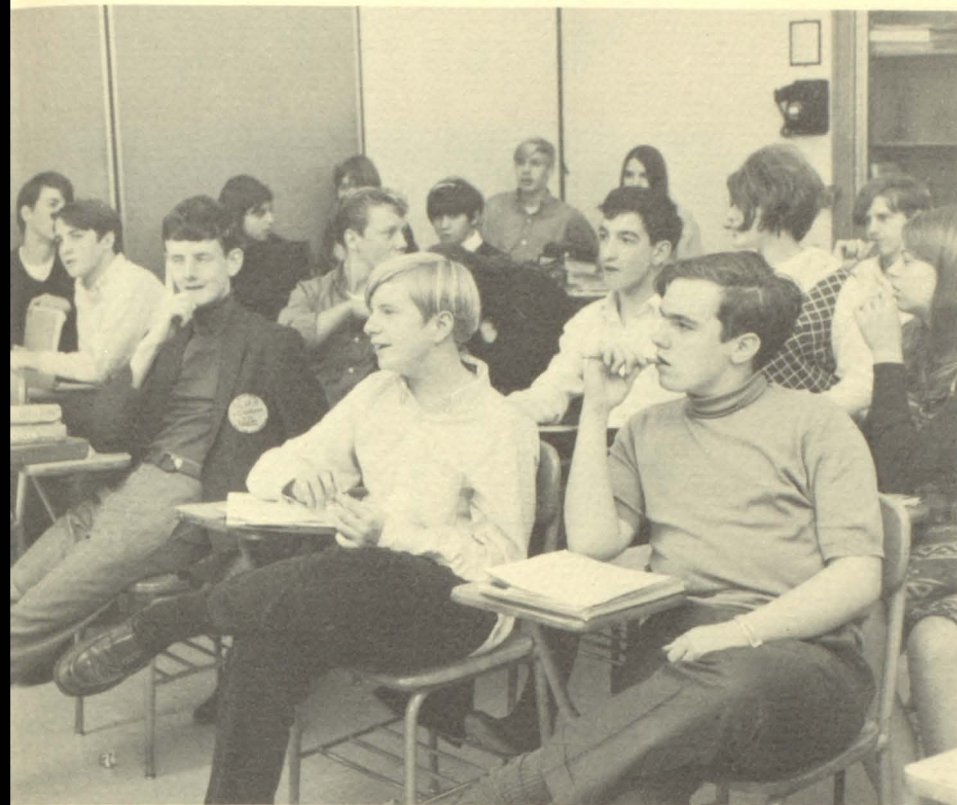

New Techniques Spark Traditional Subject

This year, as in past years, Dondero's English teachers have offered an extensive and interesting program to students. The use of new and involvement-oriented techniques in teaching drama, speech and in analyzing novels and short stories have added excitement to

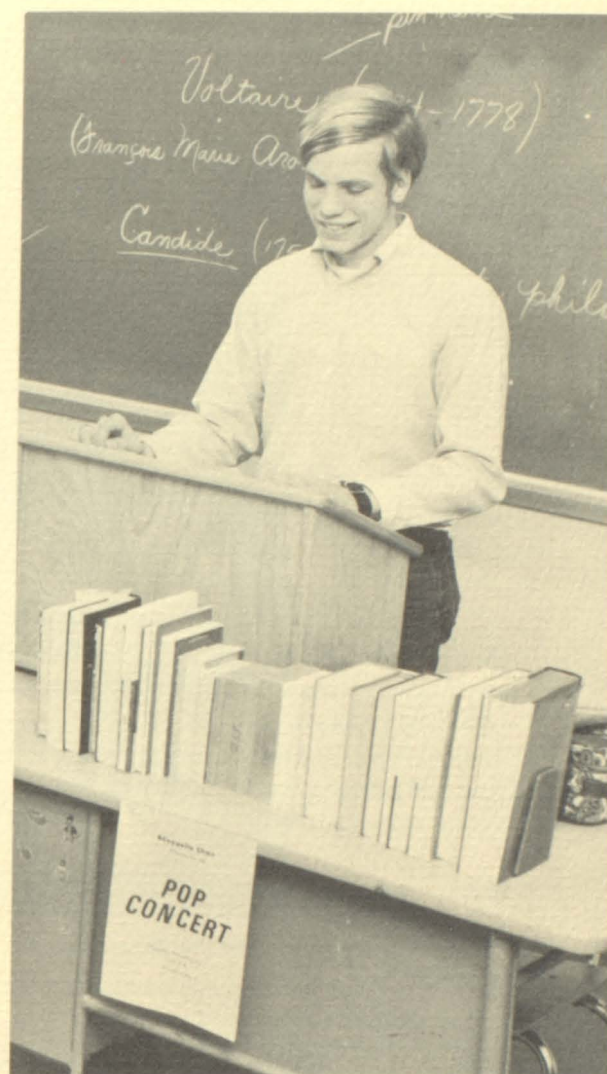

classes. With the aid of modern audio-visual techniques, traditional subject material has been grouped into thematic units and integrated with art, music and recent social science research to develop a high level of student interest.

Miss Harriet Levi's Drama students are having fun with their acting. From left to right: Carol Ellis, Donna Whittson, Diane Kepers, Pete Perreca, and Janet Herman.

Mrs. Esther Kuipper's English 2 class enjoys class discussion.

Bill Arrandale gives a speech in Mrs. Judy Kohl's English 3 class.

Mr. Robert Graham and his students are busily working in their ESSM class.

Math Techniques

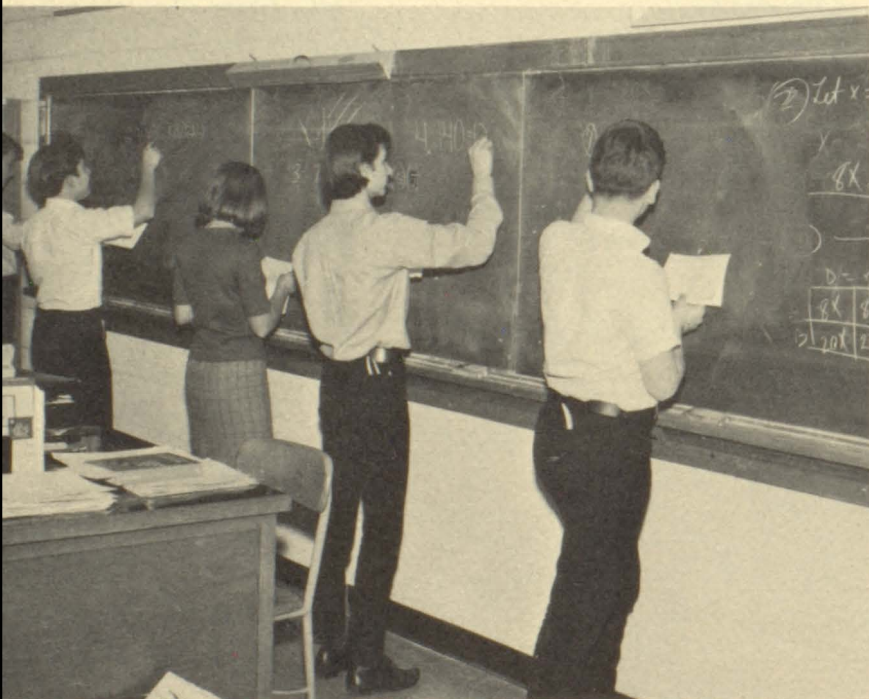

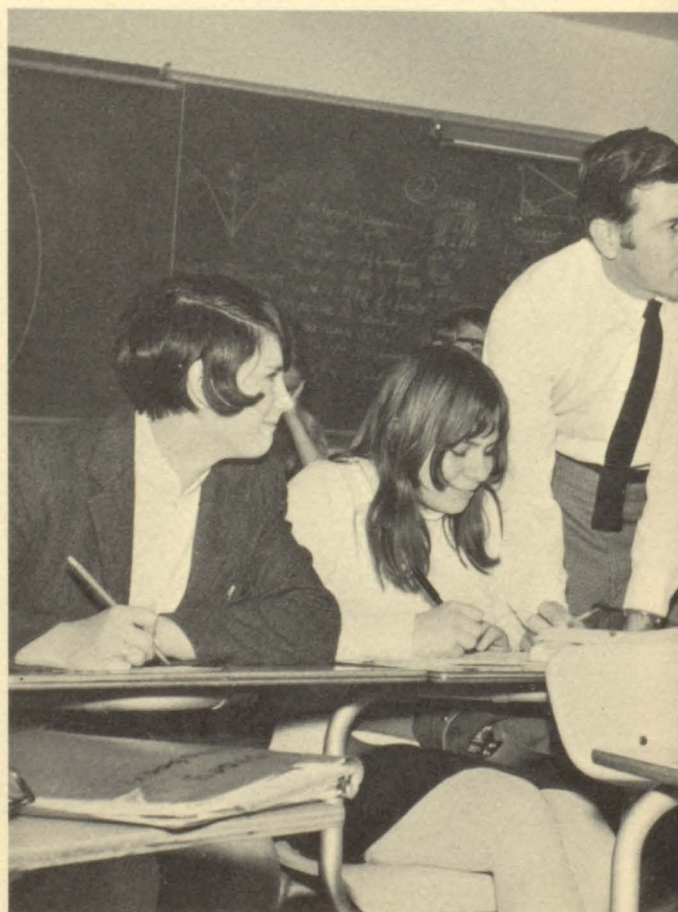

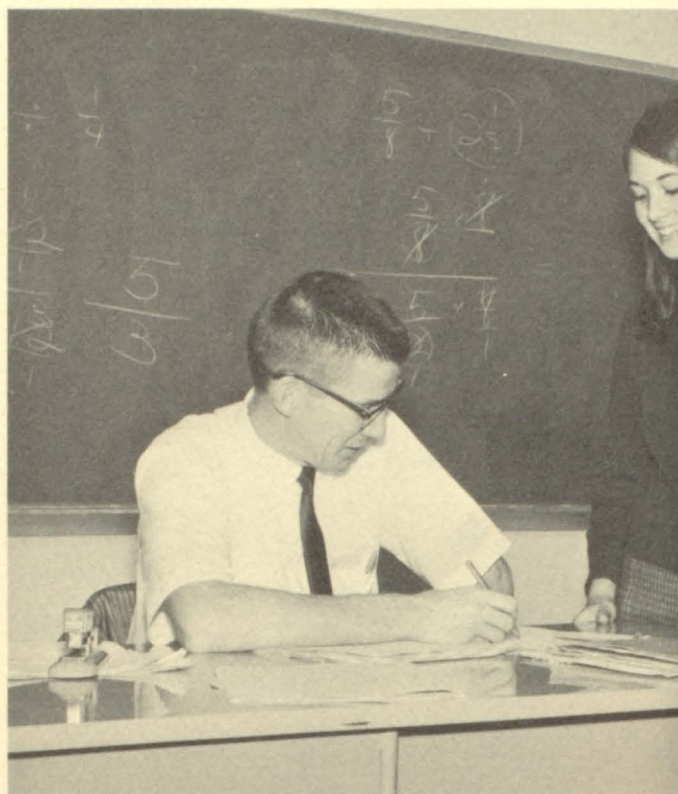

This year, Dondero's extensive math program has produced some excellent results. From the well established teaching facilities, many students have excelled greatly. The proof of this is shown in the outstanding ratings produced by: Louis Wake, Mark Brice, Eugene Horiwitz, Karl Kirkman, Debbie Krc, Lydia Lustig, Mike Powers, Dick Stamp and Diane Yaeger, in the Michigan Math Test.

Steps Toward Better Understanding

Kathy Ardwin practices in the language laboratory. Mrs. Margaret McGarva, a new teacher at Dondero, lectures to her French 4 class.

Lesa Weller and Gail Miller repeat after Mrs. Nancy Truesdall in Latin

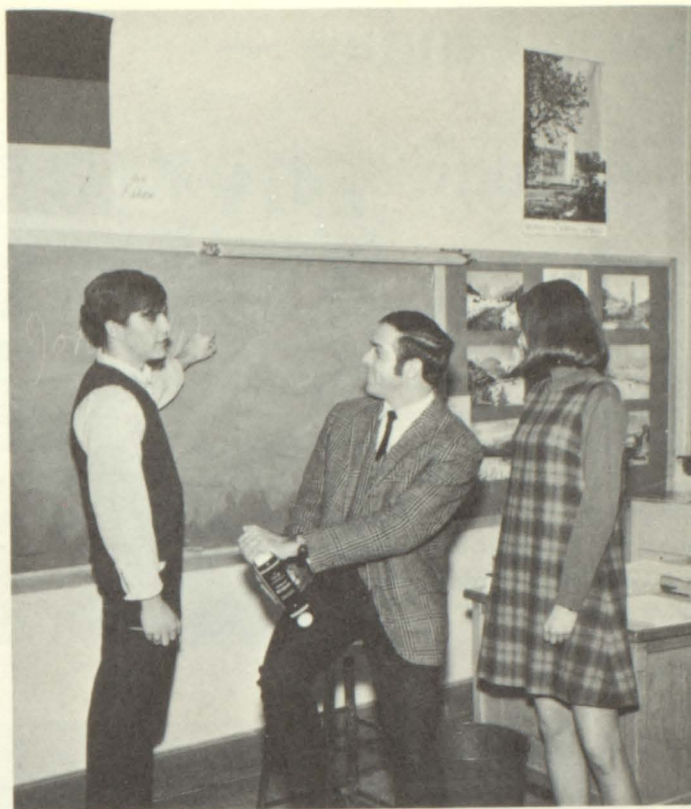

Through our language classes Dondero students have been able to gain a greater understanding of other countries. This includes not only of their languages, but also of their development, customs and government.

The lack of communication in the past has added to the downfall of overall world peace. Knowledge of different peoples add to better relations.

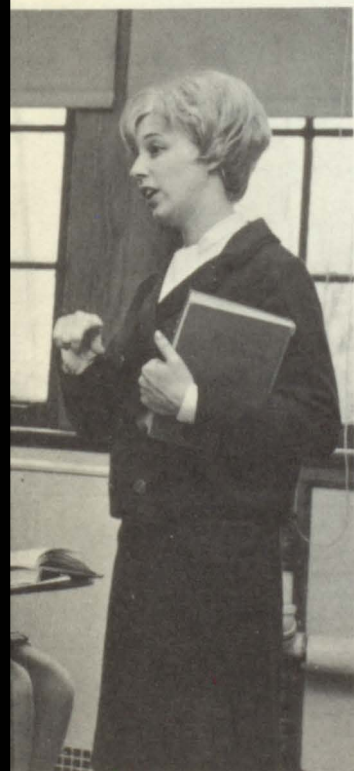

This year a selection of five major foreign languages has been available to students. The future will indicate the success of the new Russian class.

Three new teachers—Mrs. Margaret McGarva, Mrs. Katherine Scherschun, and Miss Sharon Walsh have joined the language department.

Cathy Braum and Mr. Milton Price, look on as Burt Webb makes a point about German grammar.

Mrs. Katherine Scherschun helps Lisa Drehlen with her Russian.

Social Studies —

Yesterday and Today

The goals of the Social Studies curriculum are obvious — understanding world affairs, developing better human relations, comparing world-wide governmental processes, recreating the past, and predicting the future.

Model Government, a fairly new addition to the curriculum, deals with the basic structure of our country's governmental systems. This semester course is offered to freshman and sophomores, and helps them prepare for more advanced government courses in their junior and senior years.

Mrs. Karen Kienbaum jokes with her US History students.

Open Doors to New Ideas

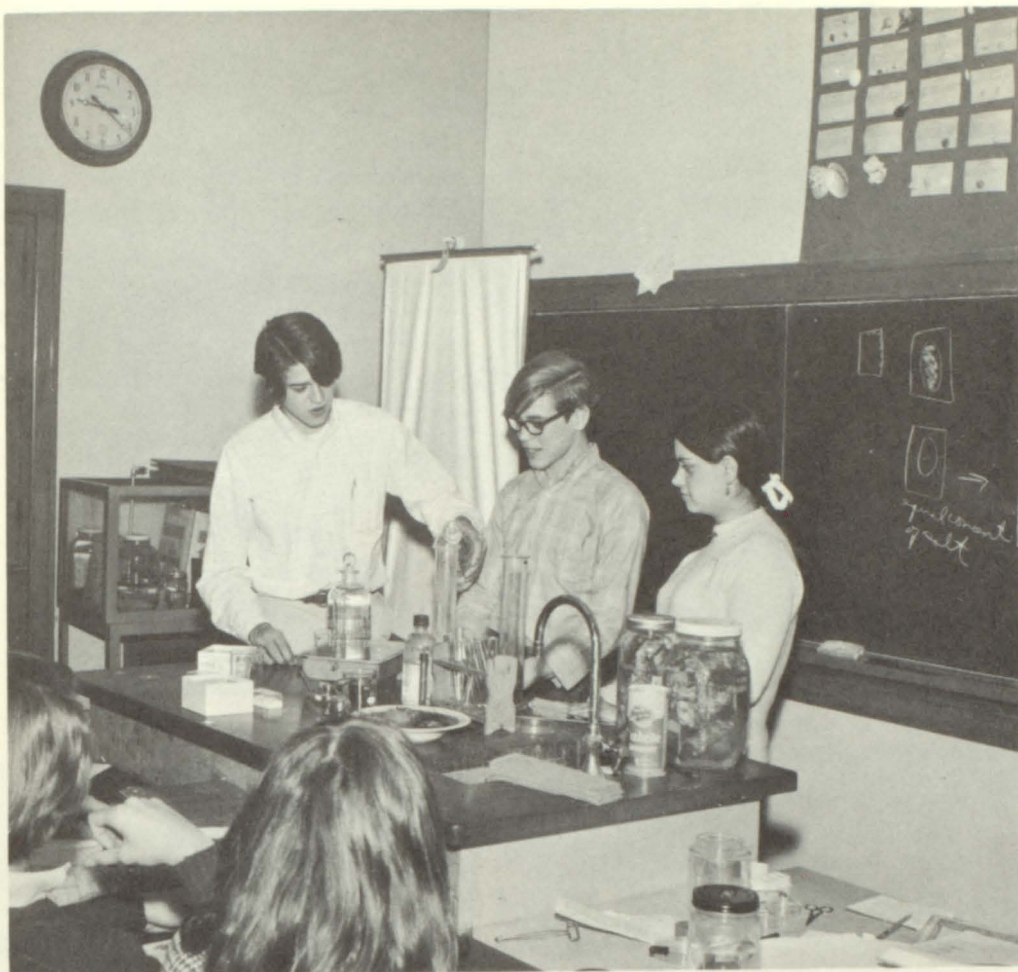

Keith Rehbine and John Baker add humor in their General Science class.

The field of science is a growing one in today's bustling world. In order to experiment with exploits to the moon, wonder drugs to lengthen man's existence, and fantastic operations such as transplants, you must have trained, skilled people, who know their job exactly, and know how to use their knowledge for the betterment of mankind. The various sciences open the unopened doors of the past and let new discoveries and ideas pass through.

Biology students conduct an experiment. From left to right: Tony Caruso, Rob Dendall, and Bev Allen.

Neil Sonenklar and John Hoot work together on a problem for Physics.

BELOW: Mike Zaroukian and Rich Forbes work with microscopes.

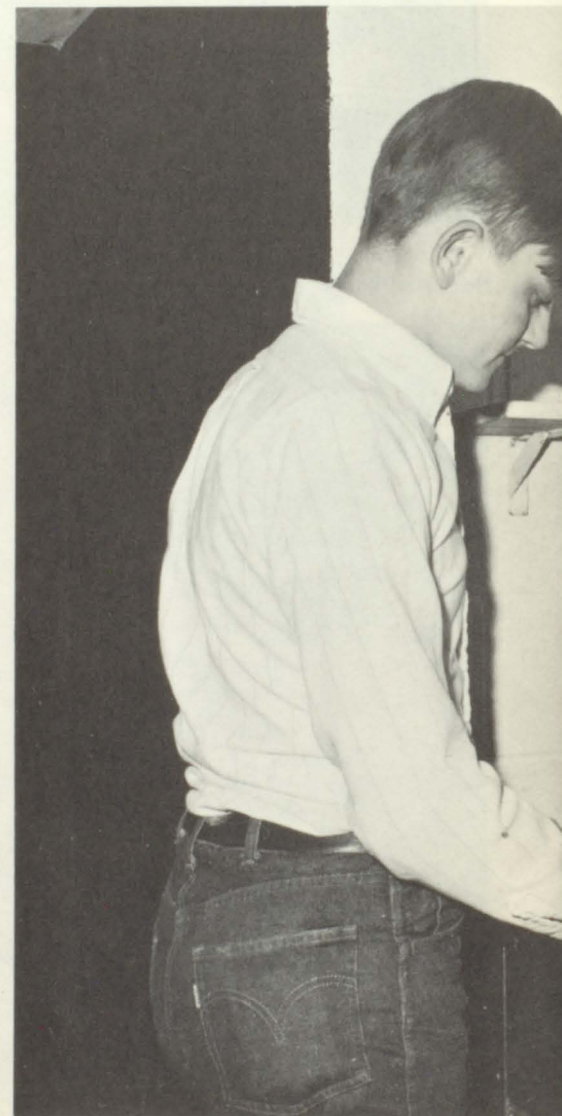

Old Tools Teach New Skills

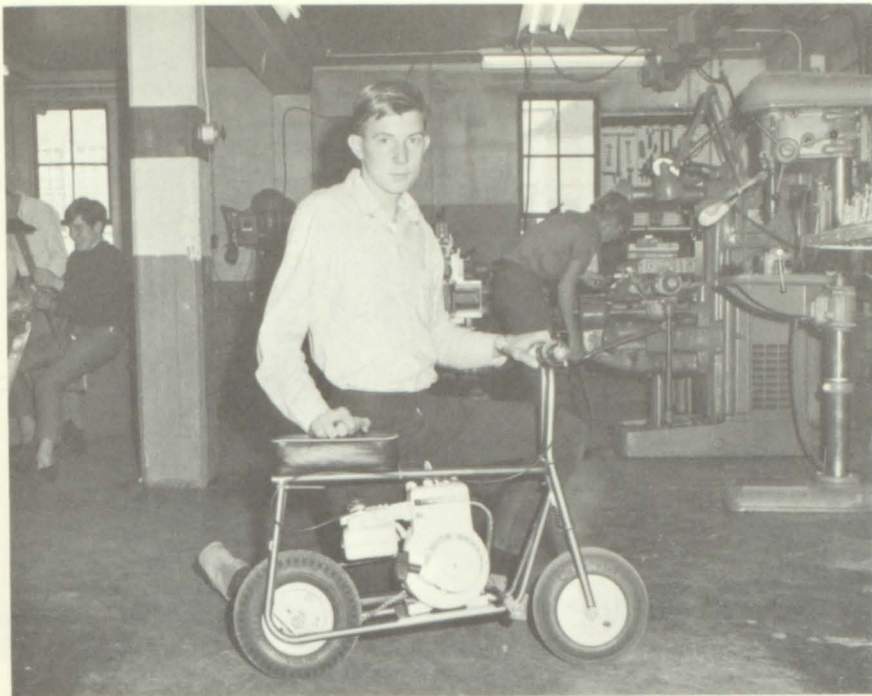

Industrial Arts courses offer a wide program for developing these useful skills. Architecture, printing, and automotive mechanics, are a few of the career futures this program can produce. These classes have been offered for many years, and have given students a chance to learn techniques and styles of design and machine operations.

Students Strive Towards Success

The business and home economic courses at Dondero prepare students for what is to come upon entering the business and domestic worlds. By learning the fundamentals of these

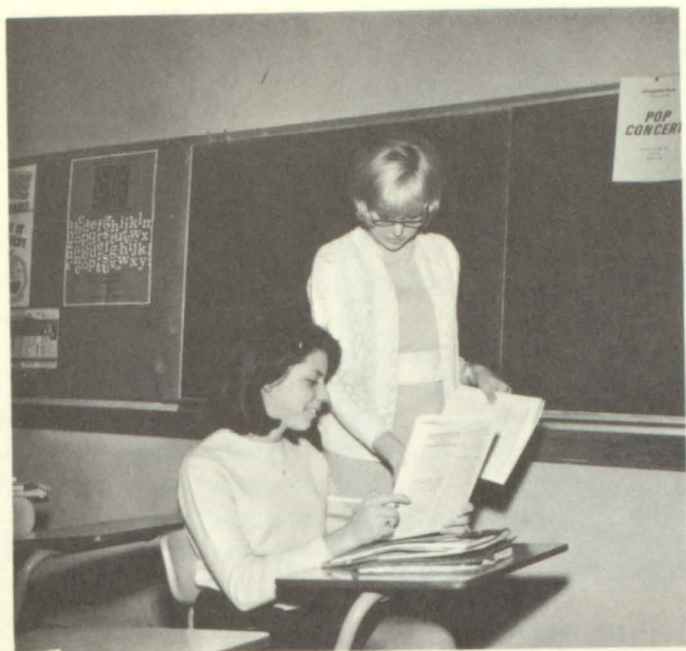

occupations, students are better prepared to meet the ever-growing need for trained personal, and able to cope with domestic problems.

Home Economics class works on a sewing project.

They're Made To Benifit Our Cause

The new English and Journalism teacher Mr. Robert Farkas has supervised the Oak and Acorn staff. They have both proved to be quite successful and have set fine patterns for the future years.

Our student Senate headed by Miss Rita Roznoski also has been a success, with their Candy Wagon every afternoon, their sponsoring of dances and buses to games and other extra exciting activities. They have fulfilled their jobs as members of our governing body.

Mrs. Sheila Shook has aided our radio broadcasters as they keep our station, WOAK popular.

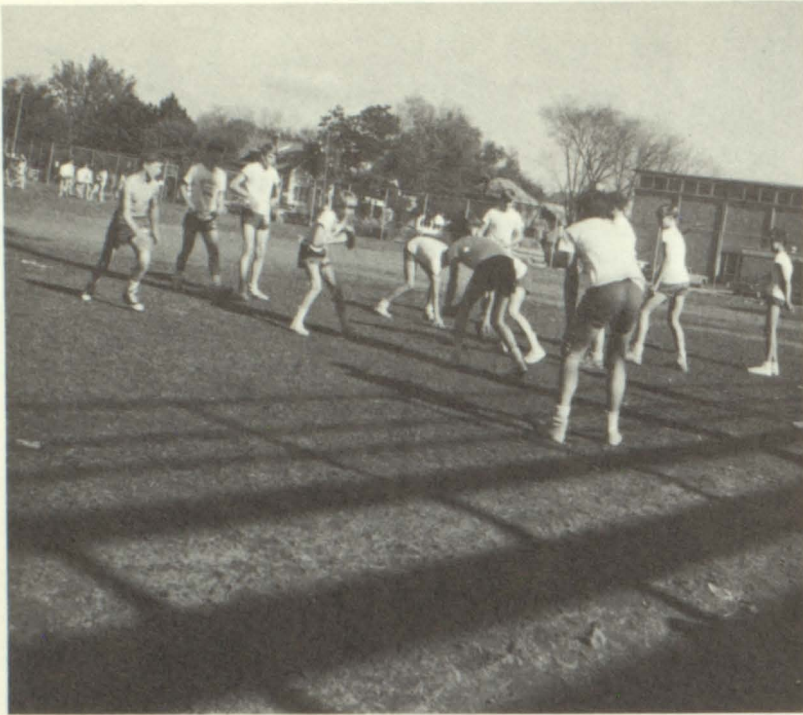

Students purchase candy from the candy wagon — just one of the many functions of Student Senate.

A Break in the Day

These students have performed for many organizations, and all concerts have shown fine results. The school and the community have enjoyed their outstanding performances.

Nancy ... A Special Kind of Person

The night was October 18th, the moment came at last . . . The Homecoming Queen was to be announced. The A Cappella Choir roared into a thundering round of "I Feel Pretty." Out stepped Barb Kezlarian, 1967 Homecoming Queen. The crowds in the stands became motionless, as she pulled out an envelope with the queen's name in it. At last we knew, Nancy Oust was the new Homecoming Queen. The crowd applauded madly as she was being crowned. As the queen and her court marched off the field, the Band played "Lara's Theme."

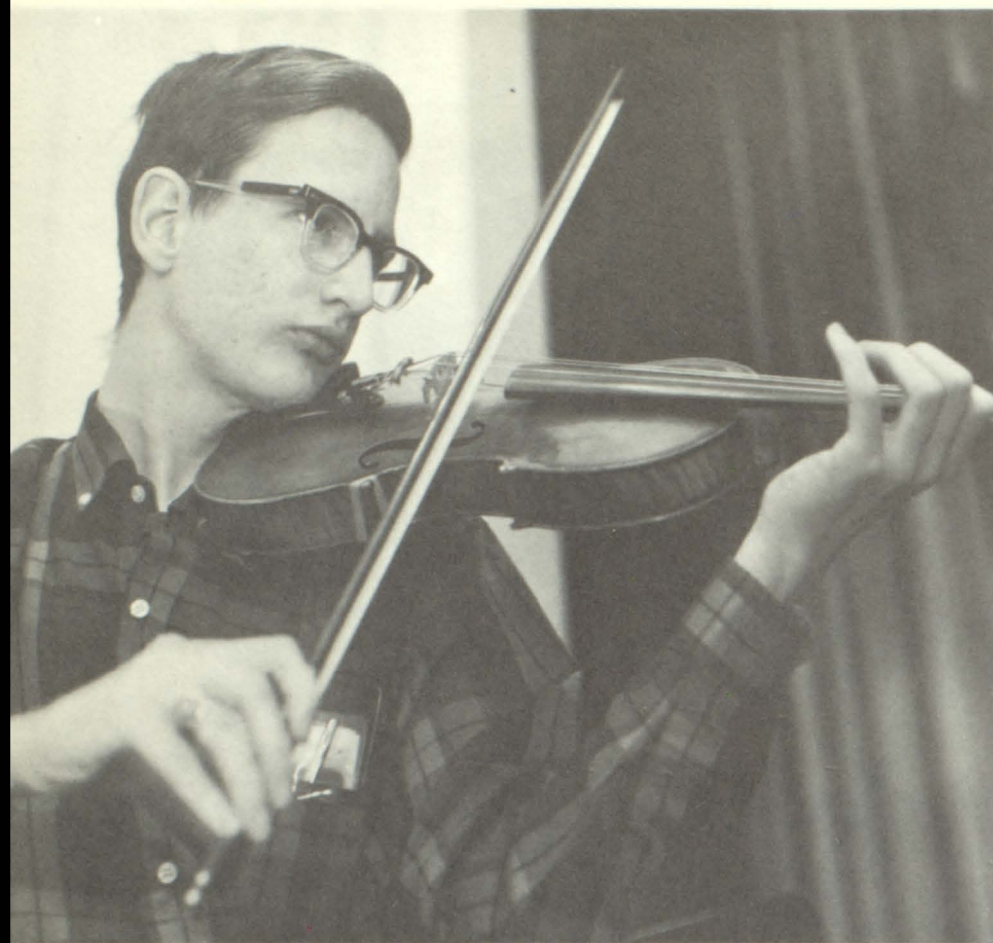

Nancy is a very special kind of person. She is president of The Girls' Lit Club, secretary of the Varsity Cheerleading squad, a member of the Student Senate and a Senior Home-room Representative. In her spare time she teaches swimming, is in the church choir, has a part-time job and is a reader in a convalescent home. With all these accomplishments, it is no wonder she was elected queen.

Students regressing to playing Red Rover . . . The excitement of Carnival Week, along with spring, had arrived. Thanks to the Student Senate, Dondero became a "County Fair". Climaxing this thrilling week was the Carnival. Seventeen booths were entered including: Fortune Telling, Frisbi Throwing, Turtle Racing, He-Man Testing, Pie Throwing, Cheerleader Soaking, Cake Walking, Ring Tossing, Stuffed Animal Raffling, Candy-Popcorn-Soda-Bake Selling, and would you believe . . . Fish Ponding?

"Bye Bye Birdie" was the hottest thing since the Chicago Fire. The extremely intense rehearsals paid off in the long run, for the Dondero Players earned over \$2500, not to mention the fun and the acting experience gained.

Under the superb direction of Miss Harriet Levi with help from choreographers Michelle Allen, Patti Peters, and Ruthann Hellman, the cast was molded into shape. Music was provided by the Dondero Orchestra, directed by Mr. Joseph Parker, and the piano by John Zussman.

This musical extravaganza started off with the initial tryouts lasting two weeks, followed by two days of semi-finals. The cast and chorus were chosen by an experienced panel of judges including Mr. Hartsoe, Miss Levi, Mr. MacGregor, Noreen McKinder, Mr. Stout, and Mrs. Nelson. Miss Carlyn James with help from Eric Cowley and Gail Pfeiffer, constructed the professional-looking scenery.

The crowds were unbelievable! "Standing Room Only" read the sign on the ticket booth. Hundreds of people were turned away every night. Advertising for "Bye Bye Birdie" was also fabulous. Thousands of posters were put up in the halls. A billboard, announcing the dates of the play, was rented at Thirteen Mile and Woodward. The leads also made their T.V. debut on Robin Seymour's dance program, "Swingin' Time"! "Birdie" reached a new high in school play productions.

All under the leadership of John Zussman with the help from Mary Rezetka, Jon Goldman, Pat Everling, Pat Anderson, and the rest of NHS. The frenzied Convention on May 24, 1968 was a day to remember.

To the right, to the left. They're up, they're down. Seniors are everywhere this year under the leadership of their officers, Burt Webb, Kathy Nicols, Nedra Dayton, and Neil Sonenklar.

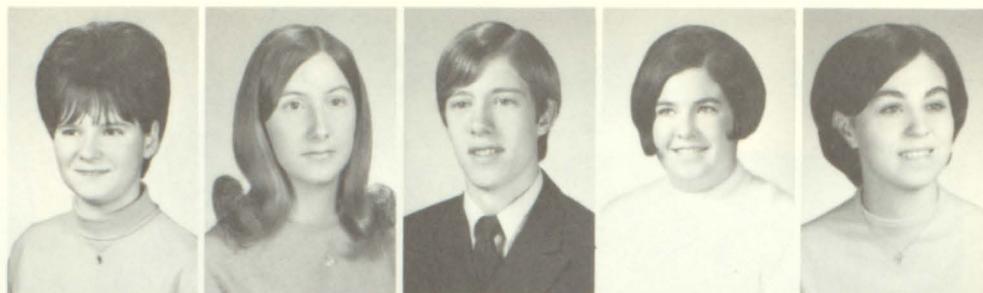

When Burt and Kathy aren't busy with play rehearsals they could be found watching Ned cheer on Neil's tennis match. And when they're not busy there you could find them 5th hour working hard with Mr. A. D. Stout, their advisor.

But all in all, this year's officers worked hard to make those days ones to remember.

Nancy — New Senior Queen

Probably the most wonderful day in a girl's life is when she is crowned Senior Homecoming Queen. Nancy Oust shared this experience as her escort presented her with a dozen roses and Barb Kezlarian placed Dondero's crown jewels upon her head.

Pictured clockwise are queen Nancy Oust and her court which includes Nedra Dayton, Linda Myers, Pam Baugh and Kathy Nichols.

Once Upon A Time...

Once upon a time there was a high school. Where Norwegians had a say or two. Australia entertained with tales for hours, Sayonaras from Japan were with us too. Those were the days my friend we hoped they'd never end, we'd sing and laughed forever and a day. We'd live in harmony without monotony for we were young and living for today.

CLOCKWISE FROM RIGHT: Mieko Maeda, from Japan, cuts the birthday cake Senate gave her as she turned nineteen. **BELOW RIGHT:** Caught in the act of studying, Toril Sommereth of Norway works steadily at her French homework. **BELOW LEFT:** Jenny Patch of Australia takes time from the Krumball Kimball bonfire to talk to friends. **BOTTOM FAR LEFT:** Sue Nayer (YFU returnee—Brazil) and Syd Rand (AFS returnee — Peru) explain Dondero to Mieko at reception tea. **TOP RIGHT:** Harald Platou of Norway, engrossed in conversation at lunch.

Those Days When Boots Were Made for Laughs!

The seniors got all tied up in the craze of Senior Days. Several imaginative students were swept away by the tide of events. Senior Boot and Tie Day brought to view anything from low-cut combat boots to patch-work ties and even a paisley bow to boot.

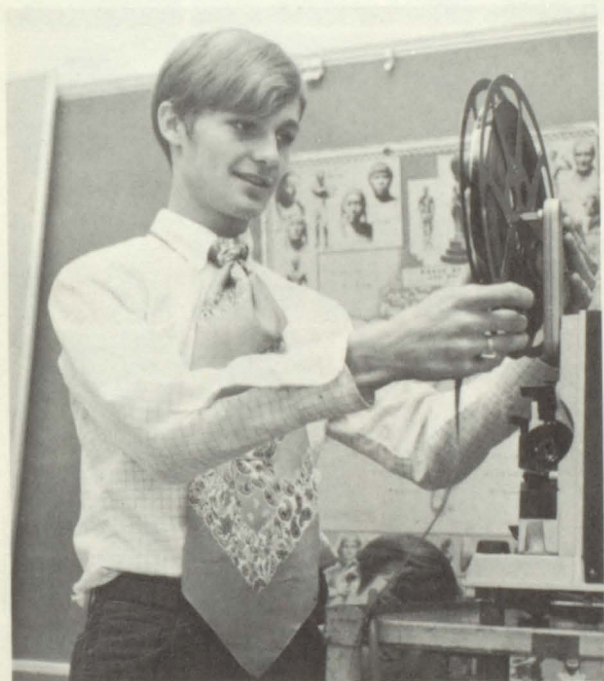

LEFT: Debbie Grienwood is all smiles with a floral and bowed tie.

ABOVE: Don Falkenbury and Rhonda Edwards are all tied up.

RIGHT: Sue Wajda wades through hall traffic.

ABOVE TOP: Ruth Ann Helman laces up for the day's excitement.

ABOVE: Gary Fife projects the day's image — laughs.

RIGHT: Judy Englander helps Dick Cotton tie-up.

Through the Doors of

ABOVE LEFT: Bonnie and Clyde had their day. So did the Seniors as they took first place in the Autumn Auto Annual.

ABOVE RIGHT: Mrs. Pearce (Kathy Mead) looks on in horror as Prof. Higgins continues to persecute poor Eliza. Kathy, along with the rest of the cast, had more than just a little bit o' luck in presenting the finest production that ever graced the Dondero auditorium. They had talent!!!

RIGHT: Eliza Doolittle (Melanie Resnick), the poor flower girl, rebuffs an impertinent Freddy Eynsford-Hill (Glen Valuet) in Covent Garden from "My Fair Lady."

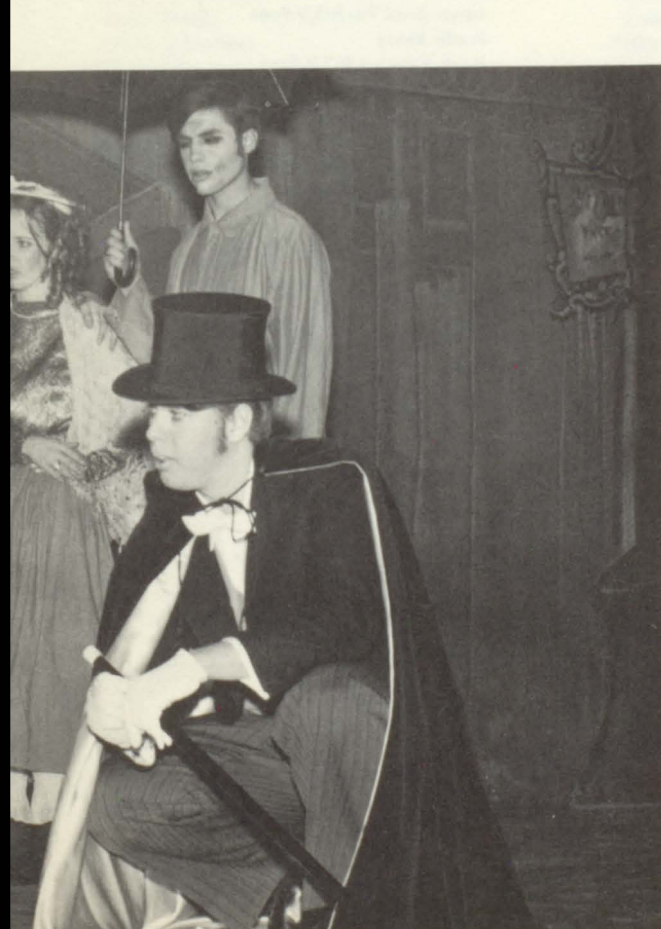

Familiar Laughter

BELOW: Prof. Henry Higgins (Burt Webb) and Col. Pickering (Keith Cannel) discuss the many facets of speech as a part of the successful production of "My Fair Lady."

ABOVE RIGHT: Smiling Senior Don Schultz remembers the good old days.

BELOW RIGHT: Neither rain nor sleet nor hail . . . could stop the Seniors from their Paper Drive. Operations continued as planned despite unfavorable weather conditions. Tom Murphy, Karen Jaeger, Neil Sonenklar, Jack Wooster and Laura Delehant join their class in the effort.

What ever happened to the self-made man?

There's nothing wrong with digging ditches. It's healthy, and these days, it pays well. Too bad it doesn't often lead to something better. It's not as easy as it used to be to work your way up from scratch. Today the really good jobs go to those who have the background to get them.

So whatever chance you have for more training and education, take it.

If you dig ditches in the summer, get ahead by studying civil engineering in the fall. If you plan to work in an office, take night courses. If you have a newspaper route, sock some dough away for more schooling.

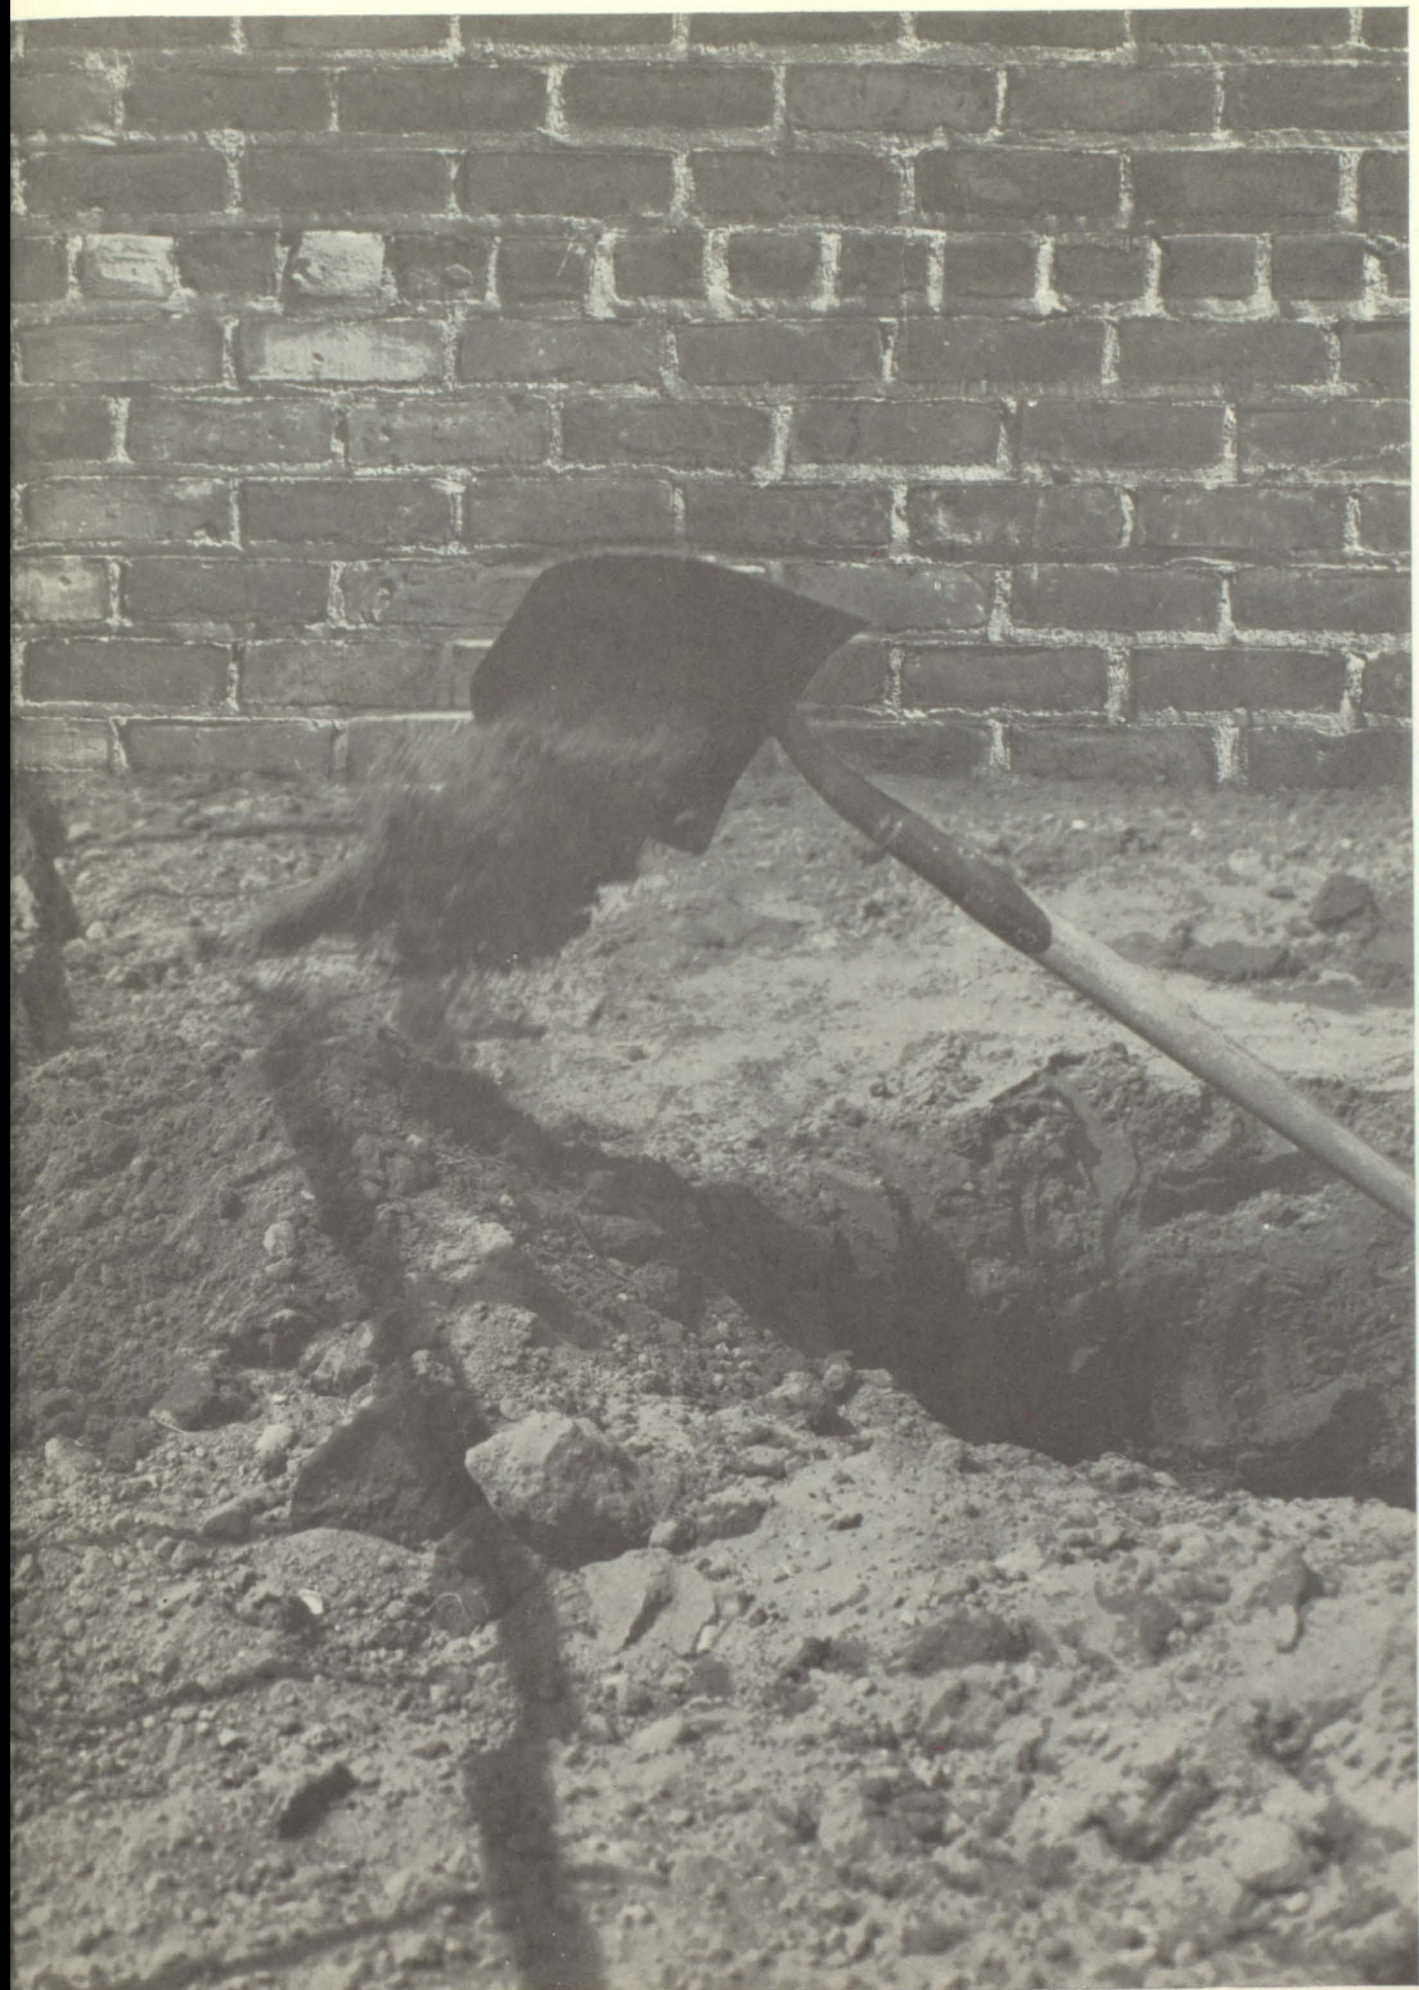

Remember what happened to the self-made man . . . he got educated. How about you?

Then the Busy Years Went Rushing By

Happy Were Those Days

Remember how we laughed away the hours
And dreamed of all the great things we would do
Then the busy years went rushing by us
We lost our starry notions on the way
Oh my friends we're older but no wiser
For in our hearts our dreams are still the same
Those were the days my friend. We thought they'd
 never end,
We'd sing and dance forever and a day;
We'd live the life we chose, We'd fight and never lose,
For we were young and sure to have our way.
Those were the days, Oh yes those were the days.

In Memoriam

In the course of our lives, we encounter many disturbing occurrences. On April 2, 1968, the student body at Dondero was confronted with one such experience; the deaths of Seniors Bob Evans and Bob Sommers.

Both were respected by teachers and students alike; and were active in a wide range of school and class activities.

Bob Evans, when not playing Varsity football was also an active member in the R. O. Club, Acapella Choir, Exchange Club and the Forestry Club.

Bob Sommers, also a member of the Varsity football squad, R. O. Club and Forestry Club, was a new member of the National Honorary Society.

Bob Evan's warm smile and Bob Sommer's friendliness to all will forever remain in our memories and hearts.
