Once again the 1982 OAK is completed at its finest. The book was built step-by-step to provide memories of the 1981-82 school year for the students.

The theme for this 100th volume is Buildings. It was used to represent various sections and ideals in the book. With the help of our new publisher, Taylor Publishing Company, we would like to thank you, the students, for making this book possible. Editors-in-Chief: Patti Retell and Sue Hawkins. Photographic Editor: Joel Jenkins. Copy and Layout: Dave Antonick.

IN MEMORIAM  
MARY STARRET  
1920-1981

Surrounded by the ordinary trappings of her job — her file cards, her typewriter, her switchboard — Mary Starret gave a most extraordinary service to Dondero High School over a period of 14 years.

She found her vocation in serving with warmth and humor the people who entered the school office. She gave her loyalty to the students and staff of this school with a unique joy that is best symbolized by the song she whistled each morning as she settled into her workday.

Mary dispensed band-aids to the wounded, tender words to the troubled and laughter in the morning to the fortunate ones who passed her way.

*So while I think of it,  
let me paint a thank-you on my palm  
for this God, this laughter in the morning,  
lest it go unspoken.  
The Joy that isn't shared, I've heard,  
dies young.\**

\*Anne Sexton

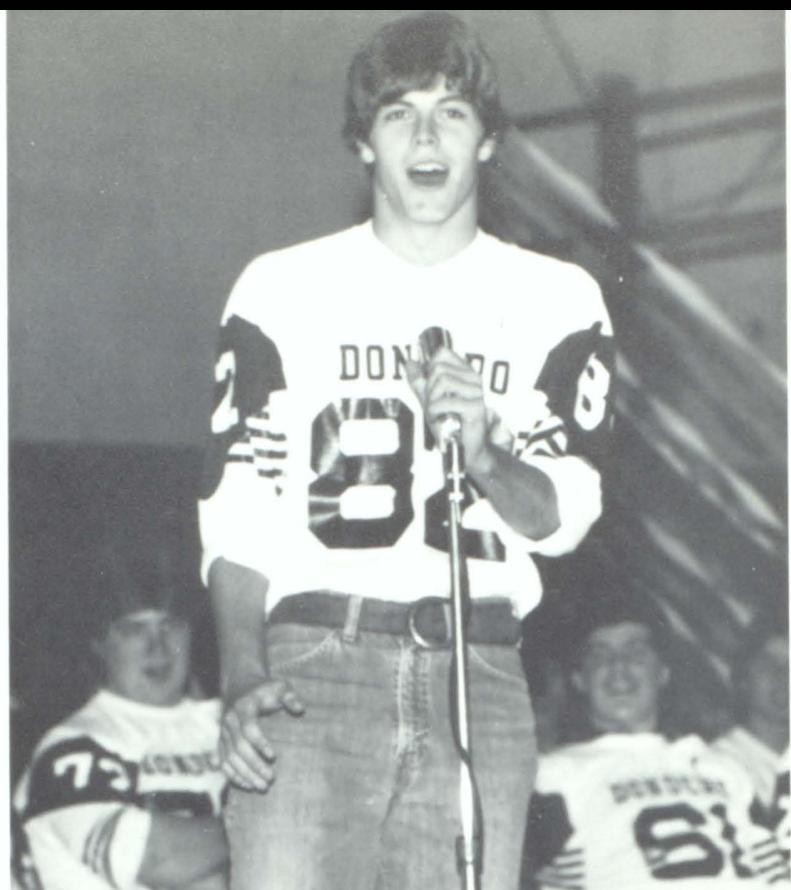

The class of '82 had an exciting year as Seniors. They received first place in the homecoming float plus crushing Lasher with a score of 27-10.

Senior girls powder-puff overran the junior girls by six points, and the class took first place in winning the Spirit Keg.

Among us we had a Cross Country State Champ, a fantastic Senior trip to Daytona Beach and a memorable Prom at Hillcrest Country Club.

We wish the class of '82 much luck and happiness in their upcoming years.

# SENIOR CLASS OFFICERS

A distraught Tammy Olkowski.

Mr. Pishko shows his inner self!

Patti Retell, booked for embezzlement.

John Roberts has been through this before.

Come on Mary, it can't be that bad!

The officers from left to right: Sec. Tammy Olkowski, Treas. Patti Retell, V. Pres. Mary Dusenberry, Pres. John Roberts.

This year's Senior Class officers consist of John Roberts, President; Mary Dusenberry, V.P.; Tammy Olkowski, Secretary; Patti Retell, Treasurer; with Mr. Pishko as advisor.

The officers worked at concession stands during football season. They organized the Senior Trip and Senior Prom. To cut costs, such fundraisers as candy and flower sales were used.

Many thanks to the officers for making the senior year of 1982 a good one.

# SENTENCED FOR A YEAR

The Sophomores are becoming a bit more familiar with the Dondero High School routine. They feel more a part of the Dondero family since they have a years experience. Since they are no longer Freshmen, they now can speak up and have more power and voice. The class of '84 has the spirit to make things happen. These next few years will be great for this years Sophomores.

The freshmen have made it through a whole year of Dondero High School. They have worked hard to fit in with everyone and are very eager to shed their title of freshmen.

The freshmen have met a whole new variety of people and made many new friends. The freshmen may have been excessively rowdy at times, but '81-'82 freshmen have adjusted from junior high to high school very well.

The first year at Dondero was difficult if you don't know the system; freshmen learned the consequences for skipping classes very quickly.

Our freshmen have three more years and we all wish the class of '85 the best of luck.

The Boys' Varsity Football team had an excellent season this year. Winning every game except for the season closer with Kimball, earned them the number one rating in the M.S.A. The successful offense was attributed to fine passing the receiving. Defense was able to hold the opponents to nine points a game average. Most Valuable Player was Ron Butkevich, whose great job as quarterback and team spirit was an addition to the squad. Most Valuable Player Offense was Terry McCarthey whose fine blocking and good leadership were attributes. Most Valuable Player Defense was Dave Gauthier whose constant interceptions and tackling greatly helped this season. This year's captains were Ron Butkevich, Ralph Lawson, Terry McCarthey, and Randy Wright. Coaches Loftin, Bryce, and Fuhr were the true backbone of the team. # VARSITY SWIMMING

Tom Hahn gasps for a breath.

Dave Zophi captures the race from the start.

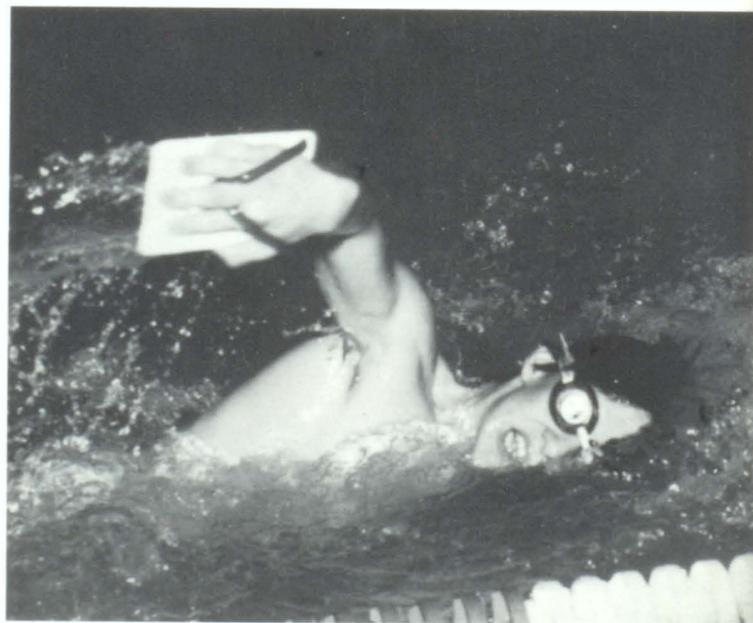

Unlike the Varsity Swim Teams in the past, this year's team has had somewhat of a disappointing season. An unusually small turnout of only 13 swimmers and 1 diver proved to be a very costly factor when it came to dual meets. The Oaks had very few victories but as we all know records do not show the hard work and many long hours of practice that has been put into making the season.

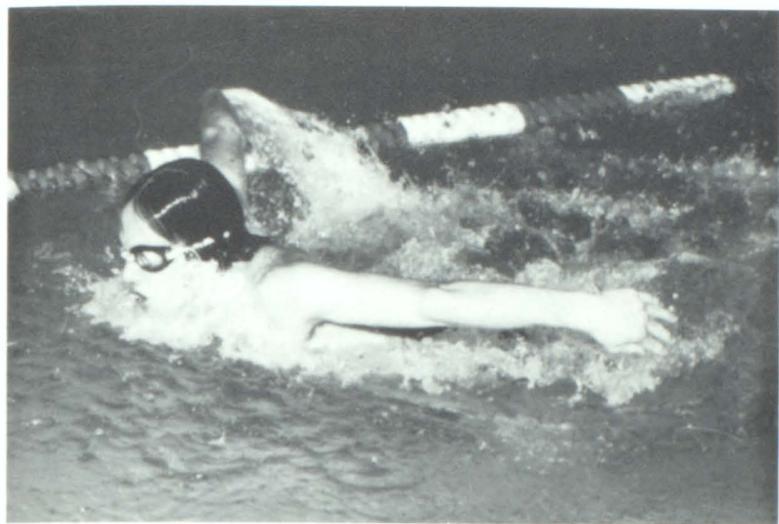

Coached by Kevin Ryan and diving coach Bill Hutchings, the team, led by senior co-captains Craig Masters and John Sparhawk, came into this year with high hopes of improving everyone's time which they did. Although the team did not finish first in league, they finished first in pride.

The team shows sideline enthusiasm.

The 1981-82 Girls' Varsity Swim Team had another exciting and individually rewarding year. Despite their 5th place finish at the league meet, several of their powerful swimmers were able to splash their way to victory. Amy Bouckaert placed 1st in the 500 and 200 yard freestyle which qualified her for the state meet and Cindy Morgan placed 5th in the 100 yard backstroke. The Oaks' only diver, Linda Giordano, placed 3rd in diving which also qualified her for state.

The team was coached by Susie Gendron along with Kevin Ryan and was under the leadership of captains Amy Bouckaert, Linda Giltrow, Linda Giordano, and Cheryl Scott.

All of the girls put in a tremendous amount of time and dedication into their sport; together they made it a worthwhile season.

The percussion section received the best percussion score in class scoring a 7.7, the highest any Dondero Percussion Section has ever scored.

Three very special people worked closely with the band this year as extra instructors. # GUYS AND DOLLS: ANOTHER

Guys and Dolls is based on a story and characters by Damon Runyon. The music and lyrics are accredited to Frank Loesser. It is known as "a music fable of Broadway" and it follows the romances and dealings of two big-time gamblers, a nightclub dancer and a Salvation Army reformer. Nathan Detroit, played by Jeff Bearsby, attempts to acquire \$1000 through a bet with Sky Masterson, (Keith Weber), to get a protected place for his floating crap game. In this bet, Sky must persuade Sarah Brown (Cherrie Didyk), a street corner missionary, to fly to Havana with him. Meanwhile, Miss Adelaide, (Vickie Schmitt), Mathan's fiancee, tries to take Nathan to the altar after a fourteen year wait.

# "AH WILDERNESS . . . "

The fall production was AH WILDERNESS! A comedy of recollection by Eugene O'Neill. It concerns the Miller family who lived during the early 1800's. Their family life becomes complicated when love steps into teach them about life. When Richard, the middle son, discovers that Muriel, his true love, no longer cares for him he takes off to a bar and has his first encounter with a persuasive woman who is looking for some "action" and a little "dough." Meanwhile, Lily, the aunt of the family, is struggling with her love for Sid, the family's uncle, who has a bit of a problem controlling his liquor intake, not to mention his "taking up with harlots."

Mildred, the only daughter in the family is constantly teasing her brothers while Tommy, the youngest child, runs around shooting off firecrackers. Mr. and Mrs. Miller try to keep a lid on it all while remembering their own memories of love and growing up.

When school started, plans for the fall play were really just dreams. Ms. Leslie Whalin, who has been the Drama Club's director and sponsor was laid off, and it seemed as though no one could take her place. An answer was found in the form of Walter Hill and William Ward, two outside directors, hired through the school, and Ms. Kay Brakeville, an English teacher at Dondero. With their hard work and commitment the Drama Club pulled off another great production.

# ACAPPELLA CHOIR

The A Cappella Choir, under the direction of Mr. Rick Hartsoe, has had another extremely busy year. Because of the late starting of school, the choir's schedule was rushed, but they still performed to their usual high standard in the Winter Concert. The choir also performed concerts at the Fisher Building and for a Lion's Club luncheon.

After Christmas Vacation, the choir began working on their Pop Concert. They then prepared for their four final concerts; the Spring Concert, the Memorial Day Concert at the cemetery, and the Graduation Commencement Ceremonies.

To get into the A Cappella Choir, you have to pass an audition, in which you must sight-read a piece of music, recall scales and key signatures from memory, recognize intervals at a glance and many other numerous musical tasks. If you think you could pass this test, come down and talk to Mr. Hartsoe some time. Auditions are held in June and January.

Overall, it has been a good year for all.

# ABOVE IT ALL

Otto C. Hufzinger, Superintendent of Schools.

The Royal Oak Board of Education has strived to make its school system one of the finest in the area. With the help of Dr. Hufzinger they have had to make difficult decisions regarding the closing of schools and continuing budget cuts. They also will be deciding on a replacement for Dr. Hufzinger, who will be leaving his position of superintendent this spring.

The Board has been instituting new district-wide programs that it hopes will further the education of its students. One such program is writing. Students now have the opportunity to have a record of their efforts from first grade on through high school. This will enable them to see their progress through their years in Royal Oak.

The Advertising Section plays a very important role in the production in our school yearbook. Advertisements bought by various businesses and clubs help aid in lowering production costs to make this yearbook the least expensive in the area.

Many thanks to all organizations that helped to make the 1982 OAK a true success.

Editors: Joel Jenkins, Patti Retell, and Sue Hawkins.
