# M.S.A.A. LEAGUE CHAMPS!!!

Before the 1986 Dondero Football season had even gotten underway, area papers had predicted little or nothing for the Dondero football team. I mean, a team who had won only three times in the past three years wasn't going to get anything but bad criticism.

This team was different though. With a successful J.V. team joining an already experienced group of seniors, a winning attitude was formed in no time at all.

After splitting the first two games of the season, the "mighty" Oaks went on to win six out of their last seven games clinching their first league championship in five years.

All of a sudden, papers were writing good things about this resurgent Dondero football team. The Detroit Free Press even ranked them as high as tenth in Oakland County. Not bad for a team expected to go nowhere. Let me give you the reasons for this incredible turnaround.

First you have the offense, led by junior quarterback, *Jeff Borski*, sophomore runningback, *Brian Lukas*, and big play man, *Ray Mylenek*. Opposing defenses were kept in a cloud of wonder on where Dondero would strike next. The offensive line created big gaps that kept the running attack going strong all year long.

Defense was also a dominant force in the Dondero line-up. Opposing quarterbacks barely had time to set up without being rushed upon by senior tackle, *Paul Keitz* and junior tackle, *Frank Tamachaski*. *Steve Kern* and *Drayke Dondero* were also impressive at shutting down the pass attack. This defense shut out four teams in league competition and gave up an average of only 8 points a game.

Finishing with All League honors were offensive end, *Sam Lynch*, defensive tackles, *Paul Keitz* and *Frank Tamachaski*, linebacker, *Scott Nason*, and defensive backs, *Steve Kern* and *Drayke Dondero*. Finishing with Most Valuable Player honors for the Oaks were *Drayke Dondero*, *Mark Wolfe*, *Paul Keitz*, and *Frank Tamachaski*.

Finally, Oakland County's Coach of the Year, Coach Fred Fuhr, has nothing but praise for this year's team, but can't help but look towards next year's team where the possibilities of being even better can be accomplished!!!

# J.V. FOOTBALL: VARSITY CALIBER!

The 1986 Dondero Junior Varsity Football had a fine season, winning all but two games and finishing with an overall record of 6 wins, 2 losses, and 1 tie. Led by J.V. quarterback, *Matt Sabin*, and an experienced offensive and defensive line, the Oaks almost always ended up on the winning side of the score column.

Other Bright spots for the J.V. team were running back, *Bucky Myre*, right end, *Jason McElroy*, and defensive tackle, *Paul Trawinski*.

With such a fine season recorded by this young J.V. team and the recent success of the Varsity team, one can only look ahead with great expectations for another powerful football season.

# SOCCER MUCH IMPROVED DESPITE POOR RECORD

The Boys Varsity Soccer team finished the season with a record of 1 win, 15 losses, and 1 tie. Despite the disappointing record, this soccer season was the most successful season this school has had. Perhaps the biggest accomplishment was playing Troy Athens who was second in the state and League Champs, to a 2-1 loss.

Captains this year were Dan McCarthy, Ron Phinney, and Darrin "Scooter" Millar. The offense was led by Dan McCarthy and Al "Scoring" Warren. Ron Phinney, Steve Park and Garel Rice led the defense, along with the superb goaltending of Matt Crippen, who cut 40 goals off of last year's mark. Matt Crippen was named Most Valuable Player and Dan McCarthy was elected All League.

Despite the record, many valuable things were learned from the excellent coaching of Bob Bullock and Tim Heckmen. Keep up the good work guys!

With soccer on the rise at Dondero, a new J.V. soccer team was added to the spring sports schedule. The J.V. squad should gain a lot of experience before making the move up to varsity.

The team was led by midfielders Minh Du and Australian exchange student, Glen Sweeney. Robert Morse and Kevin Strong led the defensive attack. Despite only 19 players with limited skills, the team played excellent the entire season and never gave up.

The Oaks finished with an overall record of 2 wins and 13 losses. Jim Millar did an excellent job coaching this young squad this year, teaching each member valuable skills for next year's move up to varsity. Best of luck next year guys!

# GIRLS' SWIMMING STAYS TOUGH!

The 1986 Girls Swimming team had an excellent season. Last year, the team didn't have any freshmen and this year they ended up with nine!!

The Captains of the team were *Renee Bertolini, Amy Miller, and Sheila Ferhadson*. Outstanding swimmers were *Amy Miller, Heather McGaughey, and Melissa Callan*. Amy was their M.V.P. last year and is one of the top point scorers this year. Heather has been consistently at the top in diving in our meets. She took 5th in league last year. Melissa is another one of our top scorers and best of all she's a freshman! This was Coach Bob Schurig's and Asst. Coach Amy S'Fire's second year here at Dondero. Through these coaches the team has shown great improvement. Great job!

The Boys Varsity Golf team did not have too good of a record, posting 1 win and 9 losses and placing last in the league. Despite the poor record, scores were still very close and improvements were shown during the entire season.

The squad was led by the fine golfing of senior *Matt Presnell*, who was named most valuable golfer. Coach William Boyd also praised the fine golfing of *John Sebastian*, *Jamie Jemison*, and *Dave Gillespie*.

With the fine turnout of young skillful golfers this year, Coach Boyd is looking forward to next year's golf season. Best of luck guys!

# VARSITY . . . SHOOTS FOR THE STARS!!

The 1986-87 Girls Varsity Basketball team had a less than average season. The captains were *Milissa Schell* and *Dawn Zysk*. *Milissa* played all five positions and was the team's leading scorer, third in assists and fourth in rebounding.

The team finished with 0 wins and 14 losses in the league and 1 win and 20 losses overall. Although the record may not show it, they had a great time and kept positive attitudes throughout the season.

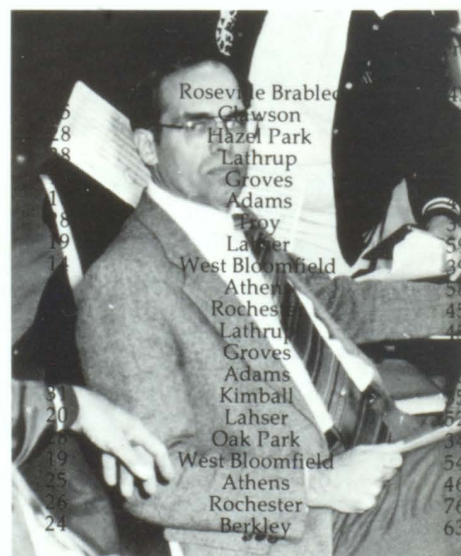

This was Coach Noble's first year as a varsity coach. And for most of the team it was their first varsity experience. Coach Noble is looking forward to next year to be bigger, better, and brighter! Good luck!

# J.V. IS ON THE ROAD TO SUCCESS!!

The Girls J.V. Basketball team had a good season with an overall record of 7 wins and 12 losses, 4 wins and 10 losses in the league. Outstanding players on the team were Michelle Shirey, April Phinney, Tina Waun, and Charlene Silence.

This year, more players came out for J.V. than did for the freshman team last year. Also this year was Coach O'Brien's first year coaching a girl's basketball team and he's definitely shown an improvement.

Michelle Shirey was the team's highest scorer, April Phinney was a great guard and ball handler, Tina Waun was a defensive guard, and Charlene Silence lead the defense as a forward. Good luck future varsity players!

# GIRLS TENNIS VOLLEY'S TO SUCCESS!

The 1986 girls tennis team fought their way too a very tough season and finished with a record of 6 wins and 11 losses. Due to the competitive league, the girls faired very well with limited team members. Coached by Pete Tomey, the girls learned valuable skills and team unity throughout the year.

The team was led by *Camille Bossenberry*, *Kelly Pyykkonen*, *Stephanie Rabine*, and *Lisa Elicanal*. The first doubles of *Sue Antonick* and *Leah Doster* did a fine job also. *Camille Bossenberry* was named M.V.P. for her outstanding season.

We would like to thank Coach Tomey for the hard work he put into this season and wish him luck next year.

# BOTH VARSITY AND J.V. CHEERLEADING SQUADS . . .

FRONT— Nikki Riley, Missy Forester, Heather McGaughey, Cammy Dunn, Amy Miller. BACK — Jenny Ketelhut, Shannon McDonald, Bonnie Wither, Chris Smith, Debi Fett.

The Cheerleading squads at Dondero did an excellent job keeping spirit high. The Varsity Squad coached by Charlotte Smith did an excellent job throughout the entire year, as well did the J.V. Squad coached by Kim McCleary.

Shannon McDonald led the Varsity Squad and was selected Captain for her great leadership abilities. She was also MVP for this year's football season, and last year's basketball season.

Brenda Retell and Heather Wilson led the J.V. Squad, and showed excellent leadership throughout the year. This J.V. Squad should make the move to Varsity with great expectations for next season.

We would like to congratulate both coaches on a great season. We would also like to give a farewell on her last coaching season, to Varsity Coach Charlotte Smith, who is moving. She will be missed by all.

# J.V. BASKETBALL SHOOTS FOR SUCCESS!!

FRONT — John Hoyt, Arbor Watt BACK — Garel Rice, Ken Schafer, Bucky Myre, Jason McElroy, Coach O'Brien, Al Lafave, Dave Schoss, Jeff Rocker, Matt Sabin

The J.V. Basketball season turned out to be somewhat of a success. Through fourteen games, they won four and lost many that could have gone in their favor. So all in all the record does not show the way their season went.

The team was led by the fine playing of Guard, Greg Coleman through the first half of the season. Greg was then moved up to play Varsity. The team was also led by the fine playing of Al Lafave, Jason McElroy, John Hoyt, and Bucky Myre. The team showed fine talent and great hustle throughout the year and should contribute a lot towards next year's Varsity season.

## TOO CLOSE TO BE TRUE.

This years Varsity Basketball team suffered through a very tough season. Through their first twelve games they lost seven games at the freethrow line and eight games were lost by six points or less.

Through the toughness many brightspots also appeared, the biggest feat was beating League leading Lathrup. *John Sebastian* and *Matt Crippen* were elected captains and showed great leadership. *Matt Crippen* led the team in scoring, rebounding and credits. Center, *Jim Soma* also did an excellent job playing opponents much bigger than himself. Guards *John "Mr. Hustle" Sebastian*, *Brian "Woody" Lukas*, and forwards *Jeff Borski* and *Matt Cole* also contributed and did a fine job throughout the season.

We would like to congratulate Coach *Jerry Barich* and *William Boyd* on an excellent season.

# GYMNASTS TWIST, FLIP, AND FLOP

The 1986-87 Girls Gymnastics team had a great season. New faces contributed to the team's victories. Throughout the season, each girl improved on their events, so there was not any one girl that stood out on improvements, but outstanding efforts were made by *Heather McGaughey*. The girls succeeded in making Regionals and they are hoping that at least one of them will make it to States. Captains of the team were *Amy Miller* and *Heather McGaughey*. This was also Coach Janet McKee's and Asst. Coach Jill Perkins's second year coaching here at Dondero. Great job, girls, on a great season!

The Dondero Wrestling had a successful 86-87 campaign winning more frequently than they had in years previously. A key in the Oaks dominance were wrestlers Drayke Dondero, Bill Harris, Ed Myers, and Jim Dorsett. All showed great expertise and experience in winning more than eighty percent of their matches. Another quality this team possessed was team unity that had not been felt in years past. With more than half of the up and coming wrestlers coming back next year, hopes for a League Championship in wrestling has to be on the mind of Coach Degaines.

# VARSITY SETS AND SPIKES!!

The 1986-87 Varsity volleyball team has had a great year. Head Coach is Pat Lodge. Under Mrs. Lodge, the girls have really improved. Captains for the team were Renee Gross and Libby Masters. This is Renee's 6th year playing volleyball. She's been a starter all four years of high school and M.V.P. for two years. This is Libby's 5th year playing and her 3rd year on Varsity. This year's Varsity team was a very competitive team and it was also the tallest team Dondero's seen in a while. Top server was Renee Gross, top blockers and spikers were Libby Masters and Michelle Shirey. Top setter was Karen Lodge and top passer was Jenalyn Elicanal. Good job Varsity Volleyball!!

*Karen Lodge is acknowledged proudly by her teammates.*

Outstanding players for J.V. were April Phinney, and Kim Baker who was also the team's top server. Great job Junior Varsity players, good luck next year!!

*Coach Lori Lochard tells her team the strategies.*

# SWIMMERS STRIDE TOWARD SUCCESS

The Boys swim team had a "learning season" in 1987. What I mean by this is though suffering to a season with only a handful of victories to their credit, they found out what kind of dominance they will have in 1988.

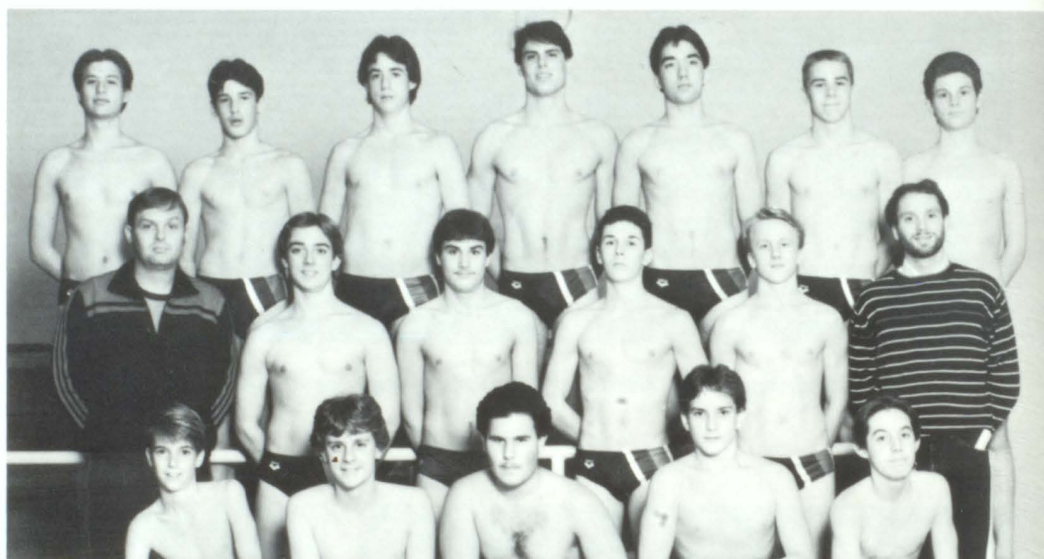

The Oaks were lead this season by *Rob Wilusz, Darrin Millar, and Jeff Lampkins*. Rob and Darrin are candidates for M.V.P. and All-League honors. Jeff Lampkins also has an outside shot at these honors. With an excellent group of sophomores coming back next year, Coach Ryan expects a winning season!

# OAKS COULDN'T GET INTO THE SWING OF THINGS

The Dondero Varsity Baseball team struggled a bit throughout the '86 season. They had a young inexperienced team that faced some stiff competition. The Oaks finished the season with a total of 11 wins and 16 losses.

The bright spots on the Varsity team were *Pete Duffey* and *Les German*. Pete was all league while Les was also all league and Most Valuable Player for the Oaks.

With more than half of last year's juniors returning this year, the possibility for a better Varsity Baseball team are improved. Coach White anticipates a winning season.

# J.V. BASEBALL HAS A FOUL SEASON!

1ST ROW- Scott Black, Jason Saarela, Kevin Kernen, Pat Donnelly, Kevin Woods 2ND ROW- Buzz Matthews, Brian Parker, Jeff Klemmer, Kirk Rukenbrod, Pat Russell, Bob Gardner 3RD ROW- Matt Cole, Steve Hatcher, Matt Ervin, Coach Mike Daly, Tony Mason, Brad Ervin, Ron Hewelt

The Junior Varsity suffered a mediocre season in 1986. Although they started out fast winning two out of their first three ball games, they soon couldn't find the tools necessary for victory.

This was due to a mid-season slump. Other factors that led to the downfall were that a few J.V. players were promoted to the varsity level.

Bright spots on the J.V. team were pitcher, *Jason Saarela*, infielder, *Pat Donnelly*, and pitcher, *Kirk Rukenbrod*. These three were strong factors in the J.V. victories that were earned in the previous year!

With a strong freshmen team coming to the Junior Varsity squad this season, Coach Daly expects an even more improved and winning season.

The most valuable players were Stacy Rabine and Debbie Harlukowicz. This years biggest upset for the girls was that they were one game away from regionals, although they won Class A Districts. Great job!!

# BOTH BOYS AND GIRLS TRACK . . .

Despite a winless season, the boys track team never gave up and was in most meets right to the end. Coached by Mike McElroy, the team showed great courage and determination throughout the long season.

Jerry Lukas and Rob Wilusz were Co-Captains for the squad this year. They showed fine leadership qualities, keeping the team together, striving to reach the best of their abilities.

Nearly everyone improved during the season setting personal bests in their events. Ray Mylenek was elected M.V.P. for his hard work and excellent season. Coach McElroy is looking forward to next year's season, which should be very rewarding with a lot of talented track stars returning.

The team selected *Patty Nelson* and *Leah Livingston* to be captains. *Patty* and *Leah* kept the team together, both on the track and off. *Becky Laney* was the Most Valuable Player for the girls this year. Coach O'Brien also praised the fine efforts of *Patty Nelson*, *Brenda Retell*, and *Sondra Szalkiewicz*. *Becky*, *Brenda*, and *Sondra* are all returning next year so things look promising for the girls next year. # GIRLS SOCCER ONCE AGAIN MUCH IMPROVED!

The 1986 Girls Soccer team once again had a much improved season. Playing in one of the toughest leagues, the girls posted a fine record of 4 wins, 9 losses, and 3 ties.

Teamwork, dedication, and enthusiasm led these girls through the season. The team was not to fare too well with a lot of inexperience, but with the fine coaching of Tom Heckman and Bob Bullock, and with the faithful support of parents and fans, the team never gave up.

The team was led by Co-Captains *Michelle Wemple* and *Emily Warren*, who were both elected All League First Team. Coach Heckman also praised the goaltending of *April Phinney*, and the hustle of midfielder, *Dawn Zysk*.

# BOYS TENNIS STRUGGLES THROUGH TOUGH SEASON

The 1986 Boy's Tennis Team struggled a bit throughout their spring season. This was due to a small number of players and youthfull experience. Four players were only freshmen; *John Hoyt, Kevin Strong, Rob Morse, and Dave Fournier*. Another drawback involved was the copetitiveness in the league overall.

One of the bright spots, however, on the tennis team, was its team unity. Even when the going got tough they didn't give up and still held their heads high.

Making the all league tennis team was junior *Gordy Mercado*. The team's most valuable players were *Jamie Willard and Matt Bush*, who were also the team captains. The team was coached by *Carl Suriano*.

The current technology is quickly expanding and that makes this field an industry that needs trained employees. By getting this training, you could go into the fields of drafting and design, machine operator, restaurant trainee, metal working occupations, woodworking, cabinet making, commercial artist trainee, graphic arts, printing, automotive repair, service/small engine repair, and service/nursery school trainee.

# AND ENGINEERS

We have quite a wide variety of courses to take at Dondero in the career area of Architecture or Engineering. Dondero offers courses such as Basic Technical Drafting Communication, Machine Drafting, Architectural Drafting and design, Graphic Arts, Wood Shop, Residential Construction, Machine Processes, and Introduction to Electricity/Electronics.

I think anyone that is interested in one of these fields for a career will do well for their preparation for their future.

# FUTURE CHEFS OF AMERICA

Vocational foods is a two-year program that will train you as a junior to prepare the food, help plan the menu, perform waitress and waiters duties, and learn the total operation of a restaurant.

As a senior, you may go on a vocational foods co-op. Jobs that are available include working as a cook, hostess or host, waitress or waiter, cashier, bus person, or baker apprentice.

It is a very good experience for anyone interested in that type of field. If you are, don't wait until it's too late to start. Check it out as soon as you think you may want to get involved.

Dondero's Home Econmics classes are very well run. With Mrs. Kirtland and Mrs. Murphy at the wheel, the students at Dondero are sure to build happy homes and bring up well rounded and educated children.

We also have an addition to the teaching staff in the home economics department, Ms. Lemon. She is a student-teacher and I'd like to take this chance to thank her for her time and effort she has put into the home economics classes that she teaches.

Home economics courses include clothing, basic foods, meal management, personal foods, housing and interior design, consumer affairs, child development, and adult living.

Vocational Automechanics is a very popular class to take at Dondero High School. It is definitely more popular with the guys than the girls, but there have been a few "gutsy" ones who have attempted to make it through the course (especially with the guys). This teaches students how to fix engines in cars and other vehicles. Many times, students from Dondero generously offer to leave their cars at the "shop" to be fixed, labor and cost free. And these men do a great job!

Above: Barry Catilloux and Tim Maples showing us how the tools are used. Below: Matt Pearce and Tim Maples enjoy their job.

# ENDLESS OPPORTUNITIES

S.E.O.V.E.C. (South East Oakland Vocational Education Center) is a wonderful program that we are lucky enough to have access to. Different to normal classes, these classes provide hands-on training and provide jobs for students to go into right after graduation. This program offers courses such as Robotics, Fashion Design, Floral Design, Electronics, Data Entry and Word Processing, Cosmetology, Nursing Assistant, Medical Office Assistant, Drafting, Food Services, Optical Mechanics and others. While talking to Iris Parlange, the Dondero counselor at S.E.O.V.E.C., she told me that this program is one of the best in the state. We should feel lucky to be a part of it all.

# ASETS

ABOVE — What are you up to, *Joe Paxton*?

ABOVE — Mrs. Khachaturian and *Damian Trubey* work out a problem equally.

The ASETS (Achieving Sex Equality Through Students) program is designed to teach young students about sex equality in the workplace. The idea that both males and females are capable of successfully working at a job of their choice is this group's way of thinking. They would like to get rid of the stereotype that men can do certain jobs and women do jobs "made for them." This program is headed by Mrs. Goldenberg, who is a vocational teacher in our school system.

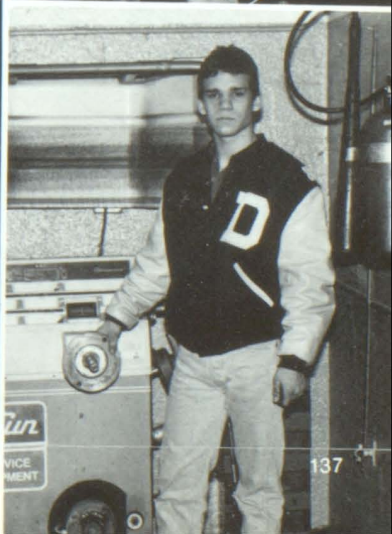

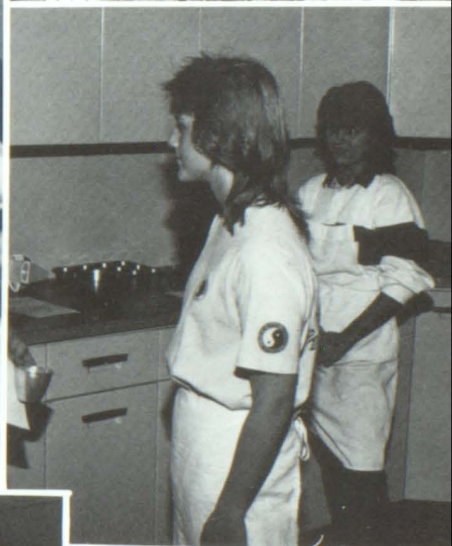

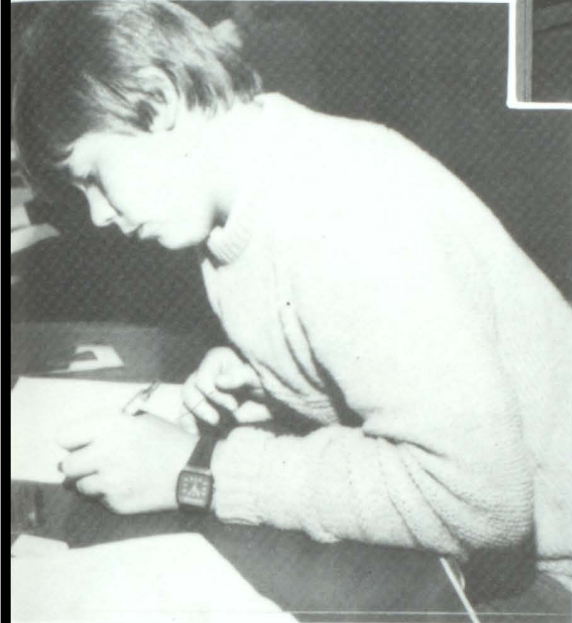

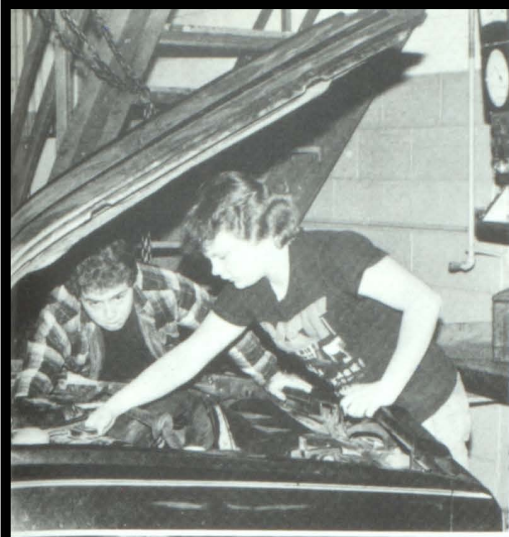

BELOW — Get to work, Ms. Frei, *Cheryl Harned*, *Kevin Woods*, *Darrin Millar*.

# THE SENIOR CLASS OFFICERS OF . . .

"1987"

*John Sebastian: Senior Class President*

*Mr. Pishko: Senior Class Advisor*

*Leah Doster: Senior Class Secretary*

ABOVE- *Mary Janik: Senior Class Vice-President* BELOW- 1987 Senior class officers, *Leah Doster, John Sebastian, Aimee Roblee, and Mr. Pishko.*

*Aimee Roblee: Senior Class Treasurer*

This year the senior class officers have done an exceptionally good job. Under the command of Pres. *John Sebastian*, the officers have increased the treasury tremendously with such fund raisers as running the concession stands, flower and candy sales.

With the other officers, Vice-Pres. *Mary Janik*, Secretary *Leah Doster*, Treasurer *Aimee Roblee*, and Advisor Mr. Pishko, they have contributed to the success of the class of 1987 a great deal. They have organized class functions such as Prom, Homecoming, Junior-Senior Mixer, Commencement, and Convocation. These are only a few of the many things that they have done for us as a class.

We would like to thank John, Mary, Leah, Aimee, and Mr. Pishko for all of the hard work that they have done to make our senior year the best it could be. Although sometimes it may of seemed that all your hard work went unnoticed and unappreciated, remeber that it was greatly appreciated and we as the class of 1987 thank you for all you've done to make this year what it was. Thank-you!!

# HOMECOMING 1986

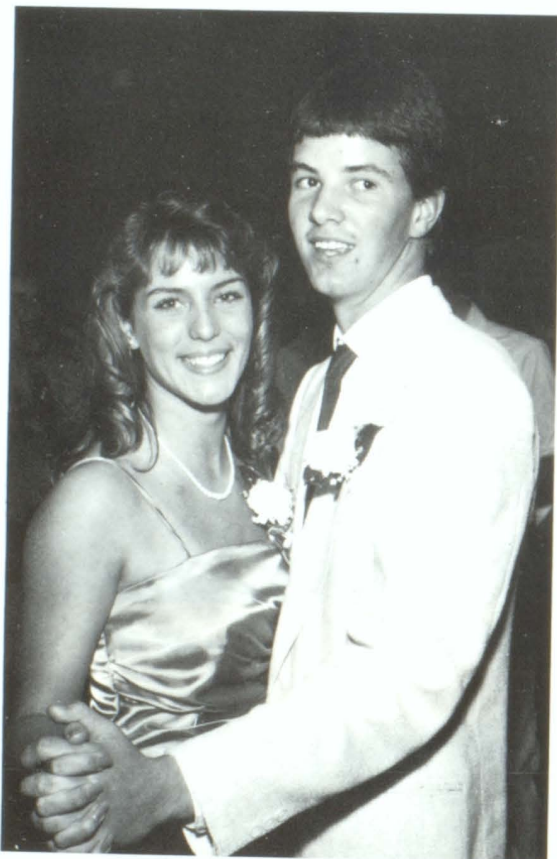

The 1986 Homecoming started off to be the same old traditional homecoming. The court met at Fifth Street and Lafayette to join together in old fashioned cars.

The homecoming dance was unique this year. For starters, it was the first year a formal dressing was required. In addition, the P.T.A. provided food. Also the senate made arrangements to have a professional photographer available for pictures.

We were honored to have last year's queen and escort, Cheryl Milliron and Chuck Rutledge, come to the dance to crown this year's king and queen, Bill Harris and Michelle Wemple. Congratulations to the court and to everyone who made October 10th a memorable and successful night.

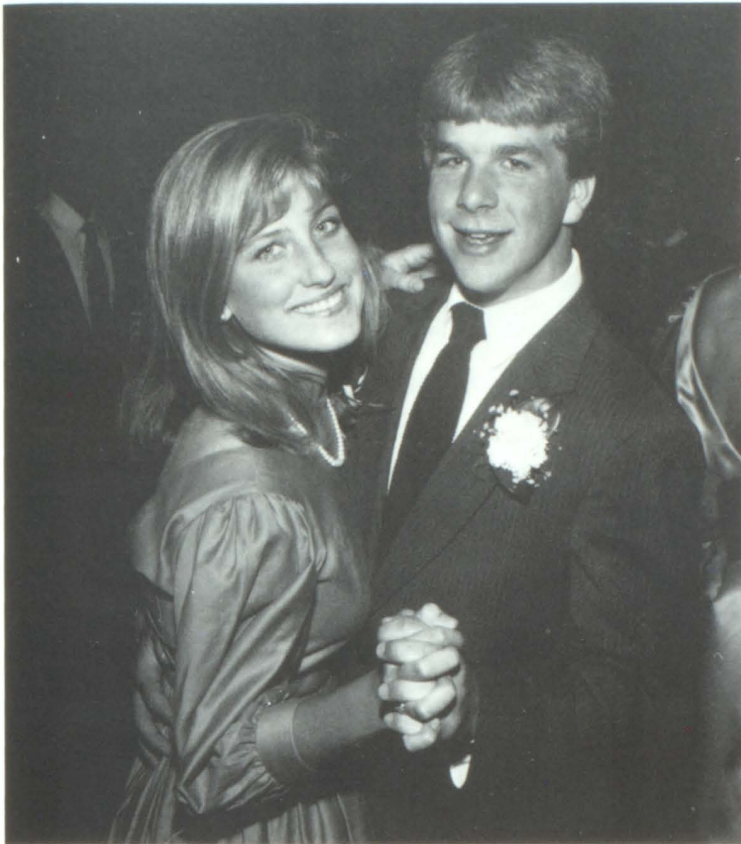

*Renee Bertolini, Matt Crippen, Heather McGaughey, Brent Wither, queen Michelle Wemple, king Bill Harris, Karen Bridgewater, Mark Wolfe, Leah Doster, and John Sebastian.*

# OUTSTANDING

*Lisa Crain* has been selected as outstanding for her work on the Acorn. She was Editor-in-Chief and has been a member of the staff for two years. As of now, Lisa is attempting to lead her staff into desktop computer publishing.

*Andrea Morse* was also selected outstanding for Acorn. Andrea was Associate Editor-in-Chief and has been on the Acorn staff for a year and a half. Without Andrea the Acorn would be no more. She was always willing to do the jobs that no one else wanted to do.

This year Genesis has selected *Sue Muoio* as its outstanding senior. Sue had been Editor-in-Chief for two years. Last years magazine was financially successful. With Sue heading up the staff they're sure it will be a success again.

*Kelly Pyykkonen* has been selected as outstanding for her work the past two years on yearbook staff. In her Junior year, she was Copy Editor, this year she was Editor-in-Chief. As copy editor Kelly overlooked closely all the technical production of the Oak making sure copy and pictures were accurate and appropriate. As Editor-in-Chief, she has directed the overall production of the Oak. This has required her to be a designer, innovator, director, and dictator. Kelly's leadership has been a key factor in the success of the 1987 Oak.

*Kasey McCurdy* has been selected outstanding in Theater Guild. Kasey has appeared in six of Dondero's productions and was Secretary of Theater Guild. Kasey also has headed many crews and is in charge of the publicity crew.

This years award for outstanding senior in the area of Art is *Laura Franz*. Her past years in art have been highlighted by projects receiving the highest of grades. Her creative, imaginative, and high quality style has earned her this honor. Laura has also entered and won art competition outside of school and is considering an art related curriculum in college.

She has been the Genesis poetry editor for two years and won six of last year's prizes in poetry. In German she scored in the 97 percentile of a nation ACT German test and is President of the German Club. In Math, Jennifer has carried and 'A' average in all of her honors math classes in four years. She is the only student at Dondero to qualify for part II of the Michigan Math Test.

She was also the recipient of the Bausch and Lomb Science award. Debra has also excelled in her four years of orchestra. She has been assistant concert master for two years and has received a first division rating at Solo and Ensemble for three years.

*Sara Synnestvedt* was selected outstanding in the areas of choir and German. In Choir she has been in A'Cappella for four years and four years in Musical Minority. Sara is the only person who had more 'A's on the "famous" A'Capella test than anyone ever. This year we acquired three new counselors-Mr. O'Connor, Mr. Stemas, and Mrs. Bostwick. Last year we also acquired Mrs. Parry who is on her second year here and seems to get along with all the students and faculty as do the new counselors. They all seem to be fitting in very well with the Dondero system. The students all seem to enjoy the counselors. We hope their first year was a rewarding year and we hope their coming years will be just as rewarding.

Mr. O'Connor shows his pearly whites.

Mrs. Parry takes a moment to pose. Below Mr. Stemas hopes to be on the cover of *G.Q.* . . .

# DONDERO'S "NEW ARRIVALS"

Mrs. Milich, smile cute for the camera.

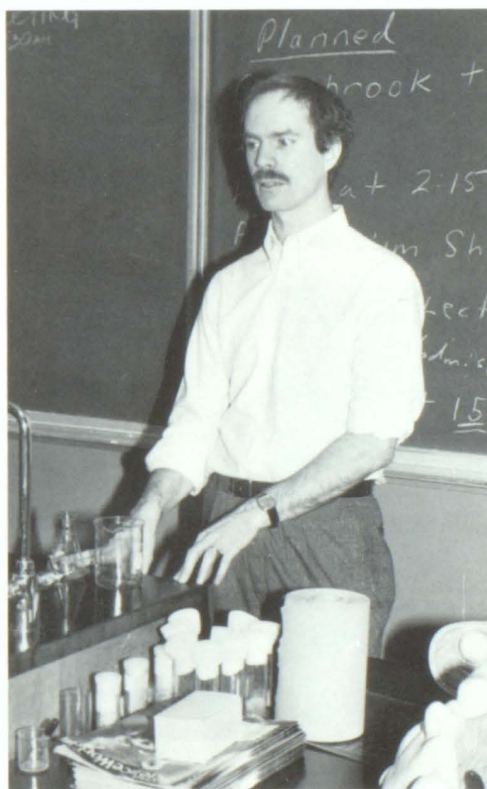

Mrs. Renkert smiles innocently.

Mr. White taking attendance.

BELOW — Mrs. Fink takes time out of Phys. Ed. to take a picture. ABOVE — Mr. Weiss sings to his class.

Mr. Fairfield is scared to death of his freshmen class.

This year as with the counselors we also aquired seven new teachers. All in different fields of education. Each one of them in their own way has made Dondero their home. And with the cooperation of the students and other faculty they are getting along great at Dondero. We also wish that in their years to come here they are accepted and happy here.

The OAK has closed this book on another year. I trust this has been a year that everyone will remember. I would like to thank Mrs. Judy Schultheiss for all the work she has guided the staff through. Also I would like to thank Craig Talsma (Taylor Publishing). I'd also like to congratulate the Class of 1987, and wish them love, happiness, and success in their lives. As the years go by, may the OAK help you remember the activities you enjoyed, people you met, and the memories you have.
