"I am troubled immeasurably by your eyes. I am struck by the feather of your soft reply. The sound of glass speaks quick disdain. And conceals what your eyes fight to explain. Some wild fires search out a dry quiet kiss on leaving." Jim Morrison

"Hold on little girl, show me what he's done to you. Stand up little girl a broken heart can't be that bad. When it's through, it's through fate will twist the both of you. So come on baby, come on over let me be the one to hold you."

"I'm the one who want to be with you. Deep inside I hope you feel it, too. Waiting in a line of dreams come true. Just to be the next to be with you." Mr. Big.

"I have climbed the highest feilds; Only to be with you. I have run, I have crawled, I have scaled these city walls; Only to be with you. But I still haven't found what I'm looking for . . . I beleive in kingdom come, that all the colors will bleed into one, but yes I'm still running. You broke the hold, loosened the chains, carried the cross of my shame, of my shame; you know I beleive it. But I still haven't found what I'm looking for." U2

# Project Lead Is Full of Toys

On December 11th, ten of Dondero's students, Mrs. Brewer, and Mr. Heter, helped the Marines in providing toys for children. How you ask? By planning a toy breakfast, selling tickets for a dollar each people could come with a toy, and enjoy a scrumptious meal. It raised a lot of money and provide many toys for tots. What a great way to start a morning.

The class of 93's officers are: President Eve Doster, Vice President: Craig Nuspel, Secretary: Amber VanAllen, Treasurer: Carrie Moore. The mock elections consisted of thirty different people. The dance gave the juniors and seniors a chance to get to know each other.

I am bound by my own definition of criticism: a disinterested endeavour to learn and propagate the best that is known and thought in the world.

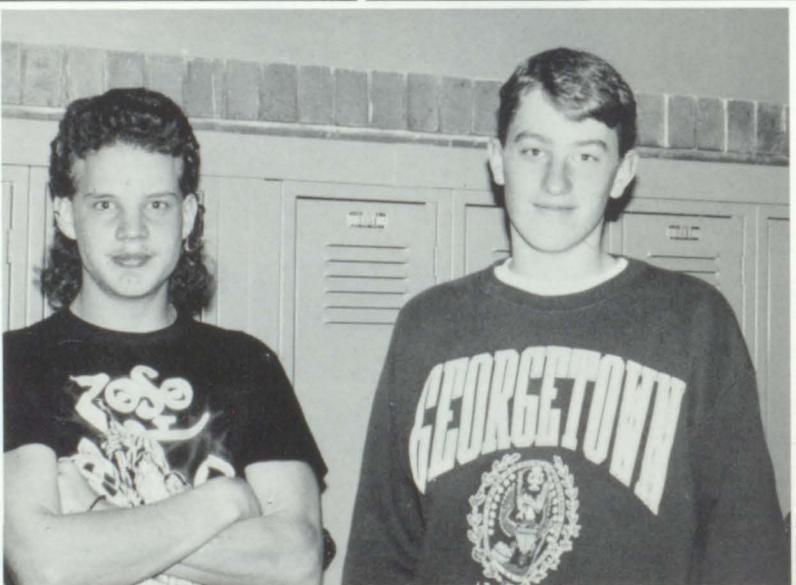

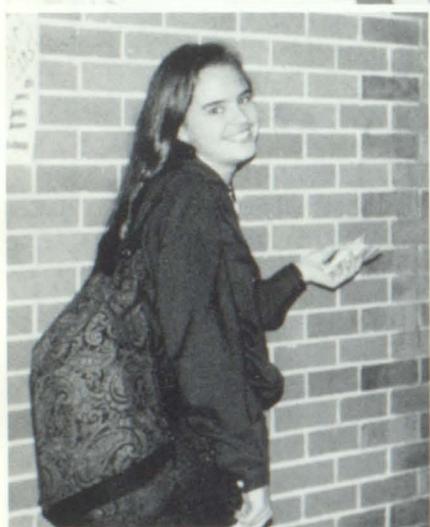

A work that aspires, however humbly, to the condition of art should carry its justification in every line.

The 1991 Boys Varsity baseball team had an excellent season! Their record was 23-9, making them the district and league champions. The head coach, Mr. White will be sad to see 9 of his outstanding seniors leave. The MVP of the team is Jason Beverlin. Jason had a tremendous season selected to the all state "Dream Team", all region, all district, all county, all area MVP, all MSAA MVP, and all american. We will never forget the effort and technique that he put forth on the field here at Dondero. Tom Moore, Jeff Nieguski, and Ron Owens also did an excellent job, each receiving all MSAA, all district, and all area. Contributing to the team, Phil Sinutko placed all district and junior Andy Whitney placed all MSAA. It is not likely for a team such as this to come Donero and blow everyone away with their ability, technique, and sportsmanship. We will never forget the boys for leading the Oaks to victory!!

Masami Sawamura... She's from Ise-shi, Japan. At home Masami has one brother, Haruhiko, and parents. She attends Matsusaka Girls High School in Japan. Her hobbies include reading and cooking. Masami says her favorite part of the U.S. would have to be Dondero and the students that attend the school. At Dondero Masami is involved in many activities, such as, Gymnastics. Which she thinks is a lot of fun. She also works on the set crew in the Drama Club. Her favorite class at Dondero is choir. Her favorite holiday is Christmas. Masami says, "It's very different here." When she gets out of High School she plans to attend college to be a tour conductor. Masami will never be forgotten here at D.H.S. She will be remembered for her great personality and her sweet smile.

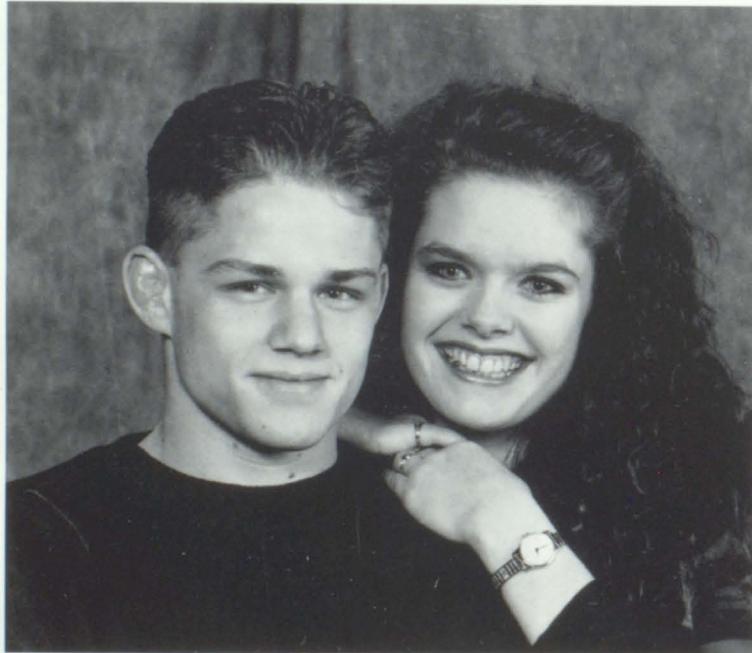

This year Dondero had the pleasure of knowing Raúl Sanchez. Raúl is one of our foreign exchange students. He came to Royal Oak all the way from Spain and lives with the Hoffrichter family. Raúl enjoys spending time with his host family, they go to many sporting events together, including Football, Hockey, and Basketball games at U of M. At Dondero he participates in Soccer, Tennis, and the Spanish Club. He loves playing sports and enjoys school as well. Raúl thinks that his favorite class here at Dondero is Sociology, he likes the way Mr. Cook teaches the class. At home in Spain Raúl has a brother and sister who he misses very much, but he feels that he misses the food most of all.

Raúl enjoys going to parties, and loves the girls in America. Dondero is lucky to have had the chance to know Raúl, he's a great addition to the school.

# Outstanding Seniors

Jessica Seidl and Beth Dunn were both chosen Outstanding for their work on the production of this years OAK. Not only was this year their first year as EDITORS, it was their first year on the staff. They did a remarkable job of organizing the staff and the yearbook. The two of them incorporated new ideas and yet kept the OAK traditions in tact. They felt the same frustrations and pride that the previous editors have felt. Beth and Jessica should feel proud for all they have accomplished, both as new staff members and as leaders of another successful yearbook production.

Toula Saratsis has always given 100% in the Business Field. She has worked hard in classes such as Exploratory Business, Word Processing 1-4, and Speedwriting.

Brandon Balis has taken a variety of business courses. Such as Accounting, Word Processing, Business Law, and Marketing Management. He exhibits a fine attitude, is always polite, and is a fine example for others to follow.

Matt Bauman and Karly Bell have been chosen the Outstanding students in Drama because of their commitment to the successful production of plays and musicals at Dondero. They have not been "stars" of the show. In fact, Matt has had minor roles in four shows, most of the contributions that he has made and all of Karly's participation have been backstage and behind the scenes.

A four year member of the Drama Club, Karly has worked on the Set, Stage, and Prop Crews for eight shows. She has been Set Crew Head and Stage Manager an unprecedented five times. She has been an officer for two years.

In addition to playing parts on stage, Matt has worked on Set, Publicity, and Patron Crews for three years. He has Publicity and/or Patron Crew Head for the past four shows. In his senior year, Matt was the Student Director for The Curious Savage and served as President of the Drama Club.

Matt and Karly deserve recognition for making and fulfilling a commitment to the Drama Club and to producing excellent shows. They got the job done.

Paul Eland (center) has outstanding abilities in the area of design and illustration. He will certainly have success in an Architectural related career.

Rich Elder (upper right) is a student whose personal motivation and drive has made him a top achiever in the field of Architecture.

Owen Keaton (lower left) is a serious student who has demonstrated a level of maturity well beyond his age. He has already worked in the drafting field and is a credit to both himself and Dondero.

Jeremy Peet (upper left) and Kevin Nemeth (lower right) are outstanding in the Mechanical Drafting Field. Both of them exhibit the attitudes and willingness to solve the challenges presented by the problems that were assigned. They are both excellent role models. Kevin has also been selected outstanding in science. He has elevated the over-all academic atmosphere in class and is a very diligent worker.

# Outstanding

Michelle Murray is co- editor- in- chief of Genesis. Last year as co- associate editor she pitched in to help when the deadline drew near and made sure Genesis was ready on time. I would trust her with any task. Jill Dunkerley is co- editor- in- chief of Genesis. She was co- associate editor last year and shouldered much of the publishing work at that time. She knows her job and does it well. Jill is also an exemplary Language Arts student. She uses literature as a tool for thinking and language as an art to express her ideas. Mei Mei Tieu is editor- in- chief of the Acorn. She works tirelessly and is devoted to the paper and her job. I can always count on her to make responsible decisions and to take responsibility for her actions.

Rebecca Vohs was chosen outstanding in the Home Economics field. She is creative and knowledgeable. She also has the ability and interest in the home economics area. Andy Whitney has been selected as an outstanding Senior Senator for his leadership as president of the 91-92 school year. No matter what the task Andy always followed through making sure that all work was complete and a good job was done. He lead the student body in a positive direction, accentuating those good qualities about Dondero both in the building and at all outside functions. Most importantly, Andy maintains a balance between his academics and his other responsibilities, sports, grades, work and senate.

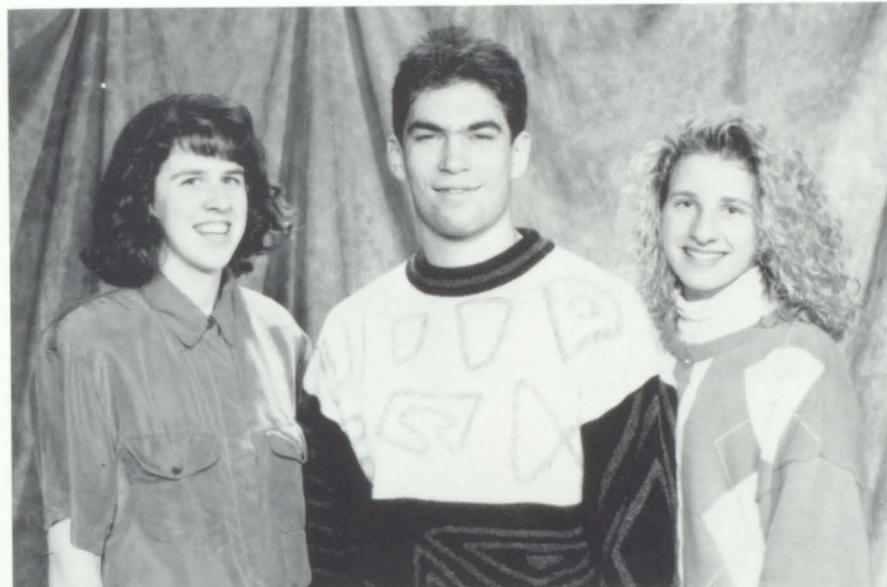

Jill Dunkerley and Dave Bush were selected outstanding in choir. They are simply outstanding musicians. Both were in Musical Minority their sophomore years. They are both excellent instrumentalists as well as vocalists. They are well rounded individuals. Both continue to set high standards for themselves and great examples for others.

Rob Langdorf has demonstrated outstanding musicianship, playing baritone horn in the Symphony Band and piano in the Jazz Band. He has been a strong leader as a Drum Major for two years in the Marching Band and as a student leader of the Pep Band. He has also served the band as head of the student equipment staff.

# Seniors

Mennie Hudgins has shown imagination, creativity, a willingness to experiment and a very positive attitude to all aspects of the Art curriculum.

Melanie Rauvala has been an outstanding Office Co-op employee. She has been able to combine her senior year with an excellent academic record, excellent evaluations from her employer and school activities. Melanie has been trained by her employer for a variety of tax and accounting procedures and has been a valuable asset to them.

Kristine Brownheim has been given outstanding recommendations from her employer, Hub City Detroit Terminal. She has also been an outstanding Office Co-op student. Kristine has also been able to keep an excellent academic record in school and has been active in school activities. Kristine is unique in the fact that she has had Perfect Attendance for the first semester, both on her job and in school.

Kelly Thompson has been a very enthusiastic and active french student for four years. Kelly has always been an enjoyable person to have in classes. Jeremy Smiley has been a "A" student in spanish for four years. He works well on his own and picked up language with little difficulty. Gretchen Kaiser has been an excellent spanish student for three years. She is hard-working, conscientious and maintained an "A" average. She sets an example for others in terms of her attitude, honesty, responsibility and punctuality.

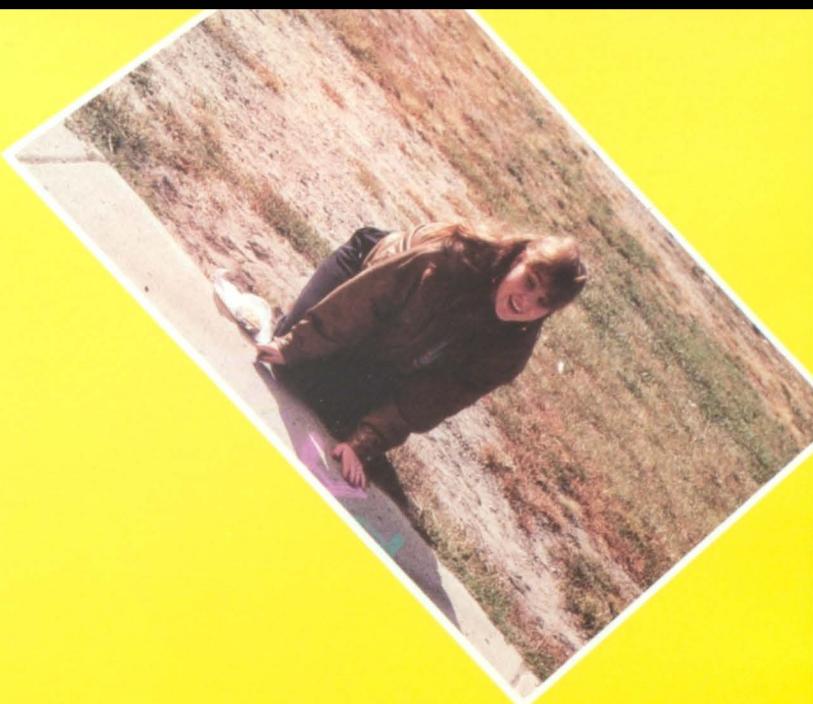

# Goodbye to the Seniors

WE WILL BRING OUR MEMORIES WITH US AS WE GO  
FORTH TO SEEK NEW ADVENTURES.

From the time you enter elementary school you can't wait to get to Junior High School. All you think about is High School. Now, finally all the waiting has paid off. High School, we are in the big time. Freshman year we all came to Dondero, full of anticipation for what was to come. What came was a rumble with Berkley, walking to McDonald's for lunch, and stumbling around the hallways looking for the 4th floor, we started to make some of the friends that we will never forget or loose track of, Sophomore year things started to pick up, we were no longer little fish in a big pond. We won first place for the Homecoming float and became more involved with Dondero. Junior year, we won the float contest once again, now we could all drive, we started looking at colleges, took the ACT's and SAT's and really began to have fun. SENIOR YEAR — finally, we waited for 12 long years, we have status at Dondero now. The good life, no more wedgies or getting trash-canned. The class of 92 did a lot together, building the "HAT" float, winning at the Dome, and the list goes on and on. We started out together and we will finish together, sure we had a few bad times, got into a little trouble but above anything we had a lot of fun. It will be hard to leave Dondero because we are no longer just a group of kids, we are a family. In 20 years we will look back and remember all of the great times we had, but for now we are still working on what we are going to do post-Dondero, becoming closer to all of our pals, and living out the stories that we will someday tell our kids. We are all part of the class of 1992, and we should be proud. Don't ever think of Senior Year as the end because it is only the beginning.

We leave behind the experience and tears. Thanks Dondero for the past four years.  
Love! Senior Editors,  
Erin & Elizabeth

Shannon,

It is difficult for us to believe that the years have come and gone by so quickly. We know that it hasn't always been easy, but as you look back on what you have accomplished, you know that it was worth all the effort. There are no words that can ever begin to express how very proud we are of you.

As you prepare now to take the first steps on a new journey towards what we hope will be a happy and successful future, remember always that "You Never Walk Alone."

God bless you always,

Love,

Working with You in 1991-92. Good Luck Class of 1992

Jessica,  
 Through all the tears,  
 smiles, laughter, sweat,  
 blood, and boys we've been  
 through, I know I can count  
 on you. I think that the past  
 fifteen years has definitely  
 proved that. You are very  
 special to me, you are a  
 part of me I never want to  
 lose! I couldn't imagine my  
 life without you. We have  
 been through so much  
 together and I am sure that  
 there will be so much  
 more. I am just glad to  
 know that we will go  
 through it together. Over  
 the years, we've come up  
 with a lot of memories that  
 I know I will never forget;  
 you better not either! Here  
 is a poem that reminds me  
 of our everlasting  
 friendship.

Wasn't it yesterday,  
 When we first started  
 school?  
 Running around the  
 playground,  
 Laughing and screaming  
 like fools.  
 And wasn't it yesterday,  
 When we graduated from  
 sixth grade?  
 We moved on to a bigger  
 school,  
 And one of the first steps  
 was made.  
 Wasn't it yesterday,  
 When we were in the halls  
 of junior high?  
 Going to our first dance.  
 And wasn't it yesterday,  
 When our first day of high  
 school came?  
 Pep rallies, football games,  
 parties, and proms,  
 Part of our lives will  
 be the same.  
 And now the time has  
 come,  
 The day is finally here.  
 Although we thought it  
 would never come,  
 We are leaving our senior  
 year.  
 And maybe someday,  
 looking back...  
 We will all laugh and say,  
 "Remember high school?  
 It seems like only  
 yesterday!"

Once upon a time two girls from different backgrounds came together to find that, in truth, there are no real "differences." These girls have walked together in the sunshine and in the rain. Now as women, they have found the true depth of this very special emotion. Realizing that, no matter what the situation may be, their love will help guide them through. They may not share the same relatives but are "blood, sweat, spit, and tear" sisters until the end of time. Beth, there are words like friends or even best friends but neither could ever describe our relationship. I love you my dear, and I pinky swear on all of our memories of times past, that I will forever be all that you want or ever need.

Always close to my heart,

Jessica

Another year has passed us by. From regular days to after school activities, from sports to clubs, the yearbook has ever been faithful. We've been there to catch as many smiles and goofy faces we could possibly fit into one book. We hope that our great effort has brought yet another smile to your face. The pictures we've captured will hopefully help you to remember all those funny times, embarrassing moments and the people who made this year so special.

The OAK thanks Mrs. Judy Schultheiss our wise and wonderful advisor, and Phyllis Way our Taylor Publishing Representative both who helped us in our one and only year. Our congratulations to the class of 1992 and the best of luck to all Dondero students.
